

The Editor Speaking

Probably the one occurrence of the week which has caused the most joy was the extremely welcome rain which fell Sunday afternoon. Wading mud for awhile would be a pleasant sequel to breathing dust.

The work of running off the Regional Interscholastic League Meet progressed smoothly Saturday due to the efforts of Prof. W. E. Lockhart, regional director, Coach Al Baggett, and his boys, and a large number of other members of the faculty and students. We may indeed feel proud of ourselves, I think, considering the great number of events and contestants which were to be handled during the day.

All students who plan to teach next year should avail themselves of the blanks in the Bureau of Public Service office and sign up with the Teacher Placement Bureau. This bureau proved itself to be of real value to students in the past when the time of year to be looking for jobs for the next year rolled around.

Slowly but surely the end of the long session is approaching. Now is the time to begin getting long term themes ready to hand in. In this way you will be better prepared to enjoy the beautiful spring weather which we will have from now until the end of the term. And don't ask me if I am following this practice myself.

A special feature of the ex-student edition of The Prairie which will come out next week will be columns written by writers on the Amarillo Daily News and Amarillo Globe. Among those who will have columns appearing are Gene Howe, commonly known as "Tack"; John L. McCarty, T. E. Johnson, Jerry Mallin, and Frank Tolbert. I think that this is one of the nicest things that has happened to The Prairie in a long time.

For the benefit of those of you who wish to contribute to the gossip column, there is a box on the door of the Publications Office. This box has been there since the beginning of the second semester, but judging from the number who approach me and other members of the staff each week and tell us of choice bits for the column, a lot of people around here are unaware of the existence of such a box. Just write any contribution which you may happen to have on a slip of paper and drop it into the box. Miss Marion Hill, editor of the gossip column, will find your effort and it will have a much better chance of appearing in print than it will if you give it to me. I guess I am just getting absent-minded.

I am taking the liberty of expressing through this column, the appreciation of all students who have had occasion to make trips to other colleges this year for the kindness and generosity of various faculty members in taking students on these trips in their private automobiles. Even with the actual expenses of the trip paid, the owner of the car has a great deal to lose through the strain and general wear and tear which accompanies all long auto trips. We can at least express our sincere appreciation to those whose cars have been used for such purposes this year.

As if one serious automobile wreck were not enough in the ranks of the campus, another one has to crop up to reawaken in the minds of those who have been lucky enough to escape, the idea that one cannot be too careful when driving at night. Too much suffering and vain regrets are the inevitable price of "taking a chance." In the wreck Saturday night on the road north of Canyon a blow-out was the apparent cause of the accident. A blow-out at high speed can be just as dangerous as a head-on collision.

Literary Events Winners Evenly Represent Region

Winners of the literary and fine arts contests of the Regional Meet Saturday were well distributed throughout the twenty-two Panhandle counties that compose the Regional district.

Amarillo carried off high honors in both the high school and elementary school art contests.

The twelve winners of the high school, elementary school, rural and ward school essay writing contest were boys and girls from twelve different schools distributed widely from Chillicothe to White Deer.

Lamesa Wins Regional Track Meet Here

Music Meet To Feature Children Of Panhandle

Buffalo Band Will Play During Beginning of Program

Approximately 2,500 children from the public schools of District One will participate in a great Texas Centennial music meet here Friday. The program will begin at 9:40 Friday morning in Buffalo Stadium with music by the Buffalo Band directed by Prof. C. E. Strain. Dr. J. A. Hill will deliver a well-coming address. Two special numbers will be given by a chorus of 130 girls from Pampa High School.

Dr. L. A. Woods, State Superintendent of Public Instruction, will make an address concerning the state music program. The Stamps Quartet and Miss Nell Parmley, State Music Director, will also participate in the program.

Through the courtesy of the Gulf Oil Corporation of Texas a large sound truck is being sent which will be used by the large junior and senior choruses.

The equipment used in the music meet Friday is the same that is being used at the 24 district music meets now being organized by the State Department of Education to create more appreciation for public school music and in preparation for the great 50,000 voice school children chorus which is to be assembled at the Texas Centennial Exposition in Dallas for a national radio broadcast June 13. This will be the greatest chorus ever assembled in the world.

The school children attending this music festival are requested to bring their lunches and if it is not convenient for them to do so they should notify the College cafeteria. After the lunch hour the Panhandle-Plains Historical Society Museum will be opened and Dr. J. A. Hill has arranged special guides for the delegation from each county.

"We want every school, both rural and urban, in the Panhandle represented. We hope to make the day very profitable from an educational standpoint for the children," said J. D. Wilson, Deputy State Superintendent of Public Instruction.

"The public is invited to visit this music festival. All visitors will be welcomed and provisions will be worked out by which the large crowds will be easily handled."

Carl C. Clift, Superintendent of Potter County, is the director of the meet and has worked out the program for the festival.

Playful Squirrels Attract Much Attention

"In the Spring a young man's fancy lightly turns to thoughts of love."

Hide-and-seek and peek-a-boo seemed to be their game, as they darted to and fro among the trees flitting with each other.

The marked beauty of the two little squirrels, waving like soft feathers in a balmy breeze, attracted the attention of students and faculty members.

All winter one of the little animals was seen and co-ed said, "Oh, look!"

He or she, such as he might be, was watched from the dormitory windows, and nonchalantly he jumped and played unaware of watchful eyes.

A few days ago another one appeared. Happily and shyly the two seemed to dance, jump, and play in time with the harmony of music coming from the practice house.

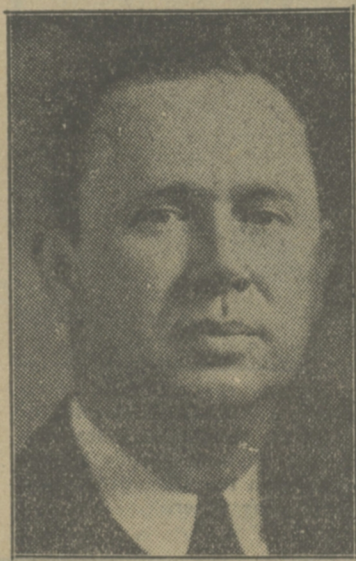

A question: "What does a squirrel know of Tennyson?"

The answer: "Maybe he doesn't. Man is an animal too. Reason it out for yourself."

ANDERSON HAS ARTICLE
IN MISSOURI MAGAZINE

Dr. Hattie M. Anderson is the author of the first article of the April number of the "Missouri Historical Review." The title is "Missouri, a Land of Promise." It deals with conditions in the pioneer land as they prevailed in 1828. Dr. Anderson has been asked for additional articles for the same publication.

OFFICIALS OF REGIONAL MEET

Above are members of the Athletic Department who served as officials in the Regional Interscholastic League Meet held here Saturday. Left to right: Al Baggett, head coach; W. E. Lockhart, Director of the Regional Interscholastic League; Bob Cox, assistant coach.

Y. W. C. A. Delegates To Attend Convention April 29, March 5

Former Student Dies In School Bus Crash Tues.

Gyron Laycock, age 22, an ex-student of W. T., was killed when a Samnorwood High School bus crashed into a bridge last Tuesday afternoon. The bus was taking 25 students to their homes after school had dismissed for the day when it crashed.

Laycock and Alma Sechrist, a student at Samnorwood, died of injuries received in the crash.

Fourteen other students suffered injuries, some of them serious, and two of the students are not yet out of danger, according to reports from the Shamrock hospital.

Laycock was a government major and attended school here in 1932 and 1933. He participated in basketball while in school here.

Four Students Hurt In Wreck

Car Overturns On Highway; One Is Seriously Injured

Four students of W. T. were injured Sunday morning when the automobile in which they were riding overturned on the highway north of Canyon.

Those injured were: Edrie Underwood, severe scalp wounds, a vertebrae injury and numerous lacerations and bruises; Malcolm Wyatt, severe cuts and bruises; Eldon Schuhart, scalp wound; Floyd Ewing, minor cuts and bruises.

The group was taken to Dr. R. A. Neblett's office in Canyon for emergency treatment. Miss Underwood was taken by ambulance to St. Anthony's Hospital in Amarillo.

The automobile, belonging to Wyatt, was wrecked beyond repair. Physicians at the hospital have requested that students not try to see Miss Underwood as her chances for recovery depend upon complete quiet.

Literary Magazine Publishes Article By Dr. Turner

Dr. Arlin Turner, professor of English, has an article, "Another Source of Poe's 'Julius Rodman,'" published in the March issue of "American Literature."

Pointing out that Poe drew material from MacKenzie's "Voyages" in composing "The Journal of Julius Rodman," the article draws a parallel comparison of the two books.

Dr. Turner will have another longer write-up in the June number of the Publications of the Modern Languages Association.

Youth Movements, Free Speech to Feature Discussions

Etoile Sirman, Clara Harvey, and Frances Rogers, members of the local Y. W. C. A., accompanied by Miss Isabel Robinson, professor of art, and Mabel Hare, will attend the fourteenth national biennial convention of Young Women's Christian Association of the United States being held in Colorado Springs, April 29 to May 5. The West Texas delegation plans to leave April 29 and return May 2.

Will Discuss Policies
At this convention the Y. W. C. A. will decide upon the policies that will guide the organization the following year. Youth movements and free speech are to be discussed in addresses by prominent speakers.

Approximately 1,500 delegates will attend, with several hundred young business women, industrial workers, students and young farm women included.

Ruth Perkins of Louisville, Tenn., president of the National Council of Business and Professional Women, Anne Keller of Knoxville, Tenn., president of the National Industrial Council, and Jane Casals of Georgia State College, president of the National Student Council, are among those who will preside over meetings.

Many Foreign Visitors
Many foreign visitors will take part in the international discussions. Among them will be Helen Chung of Shanghai, China; Taki Fujita of Tokyo, Japan, and May Curwen of London, general secretary of the British Y. W. C. A. Charlotte T. Niven, an American woman, who for fifteen years was general secretary of the World's Council in Geneva, will be a featured speaker.

Young Democrats
To Attend District
Convention Friday

The Young Democrats of W. T. will go to Pampa Friday and Saturday of this week to attend the Annual District Convention of Young Democrats of Texas.

Speakers who will appear on the program are Senator Clint Small, and Col. E. O. Thompson, Amarillo; Gov. Clyde Tingley, New Mexico; J. R. Wrinkle of Santa Fe, president of New Mexico Young Democrats; and J. Doyle Settle of Lubbock, president of the Young Democrats of Texas.

The convention will start with a banquet Friday night, business sessions at 10 and 2 o'clock Saturday, and end with a ball on Saturday night.

Among those who will go from Canyon are: J. B. Lowe, president of the college group; Marian O'Brien, secretary, and Newman Carr, executive chairman.

Japan says she can teach us much. At least she teaches us how far one nation can go when the others are sick of war.

Wonder what noble sounding slogan will be used when we fight to make the world safe for oil dealers.

Le Mirage Proofs Will Arrive For Correction Soon

Proofs of the printing on Le Mirage will be received from Russell Stationery Co. sometime this week, and as soon as they are corrected and returned, work will begin in earnest on the 1936 copy.

Features of the yearbook this year will include a special snapshot section, exceptional art work done by Ben Carlton Mead, Panhandle artist, and an excellent choice of colors for the cover.

If the covers can be secured on time, the annual will be ready for distribution to the student body by May 15.

Le Mirage will not contain the pictures of the W. T. High School students this year as they are publishing a yearbook of their own. For this reason the books will be a trifle smaller.

All students who have not attended W. T. during both semesters will be required to pay an extra deposit of \$2.00 to Bill Hopkins, business manager of Le Mirage in order to secure a copy of the yearbook. This deposit must be paid by May 15 or the orders cannot be filled.

T-Anchor Boys Left Afoot— Almost

Slowly it crept up the hill, trailing its heavy, long body. At the side of the rock house it stopped; the driver climbed down from the cab, and placed a rock under one of the front wheels. Old Tanglefoot was put to bed.

During the night a high wind arose. Old Tanglefoot's body groaned as it edged over the rock and started down the hill. Faster and faster—then over the bluff it crashed almost in the swimming hole.

Next morning a searching party found its crumpled body. Not fully realizing the situation the Farm boys became hysterical, laughed and whooped.

Puzzled, Wesley Leitner was dragged from his bed to view the scene.

Serious-faced Mr. Moore had to smile at the boys, but his face lighted with a grin when he found that with a minor operation old Tanglefoot could again creep up the hill.

This was when the reality of the situation dawned upon the minds of the T-Anchor group, and their laments were pitiful to hear.

Tanglefoot's days are not over yet, but when it is gone, its memories will linger forever.

All-College Dance Will Be Given Saturday Evening

An All-College dance will be held in the ballroom of the new addition to Cousins Hall Saturday evening from 8 o'clock until 11 o'clock.

Music will be furnished by the Kampus Katz. This will be the first appearance of the Katz before the students in their new dinner jackets. The new music racks were designed and made by Carroll Killebrew.

Only one more all-college dance will be given before the end of the second semester.

Patronize Prairie Advertisers.

Members of Alpha Chi Give Talks In Assembly Tuesday

Members of the Lloyd Green Allen Chapter of Alpha Chi contributed to the assembly program, Tuesday morning. Four members of the fraternity organization have just returned from the fifth annual meeting of the Council of the Scholarship Societies in San Antonio. Representatives were Miss Edna Graham and James Divilbiss, official faculty and student representatives, and Kathryn Robinson and Otis Harman.

Dr. Ford Fronabarger announced the program and James Divilbiss announced the speakers and their topics of discussion. Kathryn Robinson told of the trip which the group took to San Antonio, and about the meetings which were attended while there. This group visited twenty-one college campuses during the trip.

Three other members of Alpha Chi presented discussions. Ralph Sanders gave a discussion of the life of Miss Lillian Marie Casis. Margarethe Meyer gave a talk on the work of the Clark family in building up education in Texas. Wallace R. Clark, head of the department of Music of W. T., is a member of this family. Charles Stratton gave a talk concerning the life of Dr. H. Y. Benedict, president of the University of Texas.

Miss Normington Dies of Operation 5:00 This Morning

Miss Marion Normington, head of the Home Economics Department, died this morning at 5:00 o'clock in an Amarillo hospital.

She was taken to Amarillo a month ago for treatment, and underwent an operation Saturday.

Miss Normington came to W. T. in 1928 as head of the department. No announcement had been made this morning regarding funeral arrangements, awaiting advice from relatives, but burial will likely be at the family home in Michigan.

Sister of the deceased, Miss Clara Normington, has been with her since last fall.

Seniors Order Announcements of Graduation

To Show Front Entrance of Administration Building

Orders for the announcements of the Senior Class of the spring semester have been given to Lee Johnson of the College Book Store.

The announcements will be similar to those ordered last year except that the cover will have a half-tone of the front entrance of the Administration Building instead of a picture of Dr. J. A. Hill. It will contain a list of the graduates with their degrees. A list of the class officers and the Commencement calendar will also be included.

Two Types Ordered

Thirty-five seniors have ordered a total of sixty-one leather covered announcements which will cost forty cents each. Eight hundred and eighteen cardboard announcements, which cost eighteen and one-half cents each, have been ordered by twenty-eight members of the class. Both types of announcements will come in the College colors.

103 To Graduate

One hundred and three Seniors will receive degrees this spring. Eighty-one of that number will receive Bachelor of Science degrees and twenty-two will receive Bachelor of Arts degrees.

Ruby Foster, Thelma Bryant, Helen Elizabeth Bowman, and Lorene Bessire attended a week-end party at the home of Miss Beulah Ruth Sprawls of Tulsa last Saturday and Sunday.

Randall Hall will entertain Friday evening with its annual spring Forget-me-not party.

The Illinois supreme court ruled that the 199-year sentence meted out in a holdup murder trial is legal, but that doesn't make it possible.

Four Records Broken Despite Rough Weather

Hedley Wins Second With Fourteen Points; Pampa Third

Marred by a strong wind and threatening thunder storm, the regional track and field meet Saturday in Buffalo Stadium was won by the Golden Tornadoes of Lamesa who counted 18 points to nose out Hedley by four points.

Despite the weather, four regional records were shattered. Wilkerson of Tell heaved the shot 48 feet and 9 inches. Hughes of Lamesa tossed the discus 134 feet and 6 inches. Jones of Hedley cracked the 220 yard dash record set by Meade Smith of Hereford last year with a run of 21.5 seconds. Estelline bettered the mile relay record by a scant second with the time of 3:36.

Jones of Hedley, one of that school's two-man track team, led the individual scoring in a field of 100 contestants with 10 points. Moose Hartmann of Pampa and Hughes of Lamesa followed with seven apiece.

Pampa, the defending champions, ran in third place with a total of 12 points. Estelline and Olton with eleven points each, came fourth.

Coaches Al Baggett and Bob Cox were the directors of the meet, and Frank Van Noy acted as official starter. The winners of the various divisions will represent the Panhandle region in the state meet at Austin May 1 and 2.

The summary:

120 yard high hurdles—Paine, Oklahoma Lane. Time 17-1 seconds.

100 yard dash—Jones, Hedley. Time 10.3 seconds.

880 yard run—Lambert, Muleshoe. Time 2 min. and 6-1 seconds.

220 yard low hurdles—Nixon, Olton. Time, 26.6 seconds.

Javelin—Hartman, Pampa. Distance, 156 feet, 10 inches.

Shot put—Wilkerson, Tell. Distance, 48 feet, 9 inches.

440 yard dash—Burnett, Brownfield. Time 54.6 seconds.

Discus—Hughes, Lamesa. Distance, 134 feet, 6 inches.

Broad jump—Strickland, Pampa. Distance 19 feet, 9 inches.

220 yard dash—Jones, Hedley. Time, 21.5 seconds.

Mile run—Luttrell, Draw. Time, 4 minutes, 58 seconds.

Pole vault—Gilliam, Alanreed. Height, 11 feet, 4 inches.

High jump—Fisher, Crosbyton. Height, 5 feet, 8 1/2 inches.

Mile relay—Estelline (Leatherwood, Leatherwood, Adams, Stout). Time, 3 minutes, 36 seconds.

Petrified Wood Is Found to Complete The Buffalo Courts

Coach Al Baggett has found a large amount of petrified wood on the Matador ranch northeast of Amarillo, and has secured permission to take all that is necessary to complete Buffalo Courts and the Recreation Hall. Work is progressing rapidly on these units and June 1 has been set as the goal to complete all of this work.

One tree of petrified wood 75 feet long will be brought here to decorate the sunken garden which is being built north of Buffalo Courts. This is the largest piece of wood that has been discovered and will make very attractive decorations.

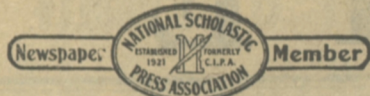

All decorations of the Recreation Hall and Buffalo Courts are of petrified wood which Mr. Baggett has secured at various places on the Canadian. Most of it came from the ranch of Chanslor Weymouth, well known stockman, who has taken a great interest in the construction of these buildings.

These buildings have been pronounced by WPA as the outstanding achievement of the state, and officials from over the Southwest have visited the campus of W. T. to view the development which has been made there.

Science used to say that earthquakes shook down the ancient temples, but now it develops that the people had malaria.

Randall Hall will have its guests Wednesday evening, all members of the Speech Department of the college.

THE PRAIRIE

A WEEKLY NEWSPAPER

A weekly college newspaper published every Tuesday by the students of The West Texas State Teachers College, Canyon, Texas.

Entered on November 21, 1919, as second-class matter at the post office in Canyon, Texas, under the act of March 8, 1879.

CHOOSE WISELY

The time has come around again for students, and especially seniors, to apply for schools for next year. Almost every superintendent and county superintendents in the Panhandle will be stormed with applications from graduates and under-graduates.

In these applications, references must be given and this is where students can make the situation much more comfortable for those he names.

If possible, consult the person whose name you are giving as a reference so he can prepare himself in case he is asked for a recommendation.

Never impose upon a mere acquaintance or associate to write you a "job-winning" recommendation as well as to the future employer.

Be sure that the person whose name you give knows you and your ability well enough that he can truthfully write a recommendation to any Board of Trustees or superintendent that he will be proud to acknowledge and that will really mean something for the job-seeker.

TELEVISION TEST DUE IN JUNE

The Radio Corporation of America has announced that the television preliminary tests in the United States have been set for Monday, June 29, by RCA president, David Sarnoff, who stated to the stockholders that a "difficult road" remained ahead of the television field.

The tests, which will comprise RCA's first step in television outside the laboratory, are to be in the form of field research from every possible angle, including transmission, reception and program presentation.

A new television transmitter will be located on the Empire State building in New York, with an experimental television studio in the RCA buildings a part of the National Broadcasting Company's operations.

There is a long and difficult road ahead for those who would pioneer in the development and establishment of a public television service, stated Mr. Sarnoff. How much time will be required for the field tests is something that no engineer will attempt to forecast. Some of these may be ironed out in short order. Others will require more time, but officials believe that television will become as common as the radio in the course of the next several years.—The Tulsa Herald.

Cards — Handkerchiefs — Gifts

Wisecracks and . . .

Otherwise

Edited by Marion Hill

We envy you guys your part holiday Saturday . . . both of our classes came before ten o'clock! Grrrrrr! Anyway, the regional meet seemed to be quite a success with reasonably decent weather for once on that occasion.

The students really display originality in their assembly period activities. Landon Terry and Leonard Stitt deal a mean card hand and hear every other word the speaker says. Marian O'Brian ponders over cross word puzzles and never fails to applaud for what she didn't hear, and Marjory Warren reads novels in colorful magazines. We wish she would read Ballyhoo or Judge so that we who sit behind could get a little eyeful now and then.

What do Pruett and Klinkle find so interesting in Pampa?

Why didn't you go through with those plans the other night, Winkler and Williams—did you get cold feet?

It looks like Tom Gerald is pitching shut-out ball to Myles McGehee in the game with Maurice Newsome.

Did our eyes deceive us or did we see John Lee running and playing Sunday afternoon without his crutches? What could be the cause of this phenomenal exhibition, John?

Melvin Alexander and R. M. Thompson were giving a good exhibition of Dempsey and Tunney over at the Buff the other night.

Why have Kenneth Cayton's jaws begun to get so big of late?

Joe Smith was a visitor Thursday. He was up to his old tricks of giving the babes a break again.

John R. Pool has nearly completed his portfolio for his summer class in moonlight on the campus.

Who was the young man that was throwing the gallon jug at the pictures on the wall of the

Unloading \$2,000,000 Piece of Glass

Workmen required just seven hours to transfer this \$2,000,000 piece of glass from railroad car to truck after its arrival at California Institute of Technology, Pasadena. During the next four years, the glass will be ground into a mirror for the 200-inch world's largest telescope, atop Mt. Palomar. The telescope, with the new mirror, will extend vision twice as far as any other.

Buff last Saturday night?

Herbert McClellan was back in town last week. Wonder what has come over Marian O'Brian?

Who was the tall, dark and handsome young man that Mary McKamy had in the parlor Friday night?

Who is the W. T. co-ed that was seen with Lt. Von Pien Thursday evening?

The Chinese Imperial cookbook contains 96 volumes and weighs a ton, which makes us wonder how many volumes are used to list the ingredients of chop suey.

Money may not mean everything, but it's hard nowadays to find anything that doesn't mean money.

Try Your Guesser

Sea siren in satin; advanced art major; tall and slender; pleasant; blond crowning glory unshorn; rather reserved and quiet.

"Broadway Bound" Dress Rehearsals Begin This Week

Rehearsals of the Senior play, "Broadway Bound," which is to be presented May 5, are nearing completion. Stage scenery is being set this week in the auditorium of the Administration Building. Dress rehearsals will begin during the last of the week, according to an announcement made by Miss Mary Morgan Brown, the director.

A New York rooming house is the scene of action for a group of unemployed theatrical characters.

The characters are: Kirby Bishop, Wendell Cain; Paul Montgomery, Deane Fletcher; Mrs. Hull, a landlady, June Bieler; Kitty Belmont, former actress, Mary Beth Campbell; Billie Jacobs, a future actress, Mary Louise Mulkey; Van Cornell, a playwright, Don Savage; Jennifer Keys, from a little town, Christine Warren; Ludwig Hahn, a producer, James Dibelbiss; Wayne Mitchell, a Broadway angel, Myles McGehee; Myra Terrell, an actress, Ruth Stapleton.

(we think). Vet of late war. Just a kid with the rest of us.

Gripes a lot; will do anything for you; worries about second person described in this column; father hoards money for the town; tall brunette; seldom walks; wears bright red vest occasionally.

Answers to last time: Bill Hopkins, Jane Younger, Brady McCoy, Helen Helton, Malcom Wyatt, and Prof. Sheffy.

The things we appreciate the most are the ones we had and lost.

Crooning Cub Gets the Gong

Having heard about the home town boys who made good after competing in amateur radio contests, "Peanuts," 10-week-old lion cub, himself decided to murmur a few tunes into the microphone. But when he roared, the crowd didn't, and "Peanuts" was given the gong.

Old age brings experience, and some kinds of experiences bring old age.

If a woman's place is in the home, where is a man's?

—for Digestion's sake—smoke Camels

MENTAL STRAIN induces nervous tension—slows down the digestive functions. Smoking Camels increases digestive activity—gives you a "lift." Smoke Camels for digestion's sake. Camels set you right!

Camel's aid to digestion confirmed by Science

Many phases of modern life—the hurry, worry, and mental effort—tend to slow down the flow of the digestive fluids. Smoking Camels helps release you from this strain on digestion. Renews and increases the natural and necessary flow of the digestive fluids.

Enjoy Camels steadily! They encourage that delightful sense of comfort and

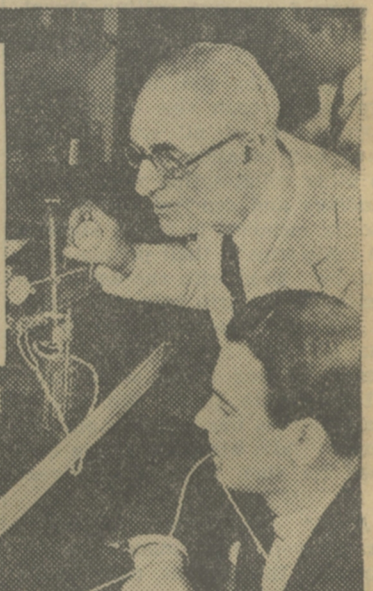

well-being that good digestion brings in its wake. Smoke Camels with meals, after, as often as you like—for the pleasure of their matchless flavor...for digestion's sake...for their cheery "lift." Camels set you right! You can smoke as many as you please. Camels never get on your nerves or tire your taste. Turn to Camel's costlier tobaccos today.

Dining de Luxe at Pierre's, New York

What will you have? It's pleasant to imagine. Perhaps Borsch Polonaise to start. Then Suprême of Halibut à la Russe, Braised Lettuce, and String Beans au Gratin. Then...a Camel...a crisp salad...a Camel again...and an ice with demi-tasse and...Camels! Camels are part of the art of dining today. They stimulate digestion—add to the sense of well-being every one should have after dining. M. Bonaudi (above), the banquet manager of Pierre's, who handles many of New York's smart "deb" parties and other exclusive society functions, says: "Camels are by far the most popular cigarette here."

METHOD USED. Credit for paving the way for the discovery that Camels promote digestion goes to Pavlov, the great physiologist. Recent investigation confirms Camel's beneficial effect.

WHIRLED THROUGH SPACE upside down. Attractive Vera Kimris, featured artiste in the New York hit, "Jumbo," says: "Thanks to Camel's aid to digestion, I can always be sure of enjoying my food."

TUNE IN!

Camel Caravan with Walter O'Keefe, Deane Janis, Ted Husing, Glen Gray and the Casa Loma Orchestra

Tuesday and Thursday—9 p.m. E.D.S.T., 8 p.m. C.D.S.T. 8:30 p.m. M.S.T. 7:30 p.m. P.S.T.—over WABC-Columbia Network.

COSTLIER TOBACCOS!

Camels are made from finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic—than any other popular brand.

CARRIE LEE MCINTOSH

ALPHA SIGMA XI HOST AT INFORMAL DANCE

Saturday evening, the Alpha Sigma Xi held its semester dance at Stafford Hall. Entertainment was informal and collegiate.

Guests for the evening were: James Badgett, Betty Jones, Edward Burkhalter, Fern Knutson, Oscar Hinger, Bonnie Gierhart, George Palmer, Bonnie Fay Bennett, Craig Walling, Bobbie McLaugh, Howard Hanson, Nell McNeely, Melvin Alexander, Royce Park, E. G. Schuhart, Mary Louise Mulkey, Deane Fletcher, Hazel Kirby, R. M. Thompson, Ruth Stapleton, Vernon Johnson, Helen Gilmore, Floyd Ewing, Mary May Harrison, Ray Cox, Effie Whitsett, Stina Cain, and Katherine Eckert.

Thomas Gerald, Maurine Newsum, Toby Waggoner, Ann Millen, Ezell Champion, Virginia Hohaus, Conway Butler, Rosa Cash, Myles McGehee, Louise Ramey, Malcolm Wyatt, Edrie Underwood, George Wright, Rowena Ewing, Frank Van Noy, Alton Brasuel, Jack Veazey, John Rankin, J. E. Darr, D. V. Biggers, and James Greer.

Chaperones for the evening were Dr. and Mrs. A. M. Meyer, and Mr. and Mrs. Bob Cox.

WILDER-MCILROY MARRIAGE PERFORMED SUNDAY

Gerald McIlroy and Helen Wilder, both of Dimmitt were married Sunday, April 19, at the Methodist parsonage in Dimmitt.

Rev. Joe Strother, pastor of the First Methodist Church, performed the ring ceremony. Only immediate members of the two families attended.

Mrs. McIlroy is the daughter of Mr. and Mrs. J. J. Wilder. She attended W. T. High School.

The bridegroom is the son of G. W. McIlroy of Dimmitt. The young couple will live in Dublin.

A. A. U. W. WILL MEET MONDAY EVENING

Canyon A. A. U. W.'s will meet at the home of Mrs. T. B. McCarter, Monday evening, May 4, at 7:30 o'clock. Miss Orpa Dennis is hostess chairman. Since this is the last meeting of the club year, election of officers for the coming biennium will be held.

After all nothing on earth can move as rapidly as a thoroughly idle rumor.

If only politicians' statements were more candied and less candid.

THE GREAT AMERICAN HOME

ONLY YESTERDAY

REMEMBER WHEN YOUR MA HUNG AN EVIL-SMELLING SACK OF ASAFETIDA AROUND YOUR NECK TO WARD OFF DISEASE GERMS?

IT'S EXTRA STOUT, MY UNCLE HAS THE DRUG STORE

BOY, IT SURE SMELLS LIKE EVERYTHIN'—IT MUST BE GOOD!

Faculty Members, Wives, Guests at Anniversary Fete

Pres. and Mrs. J. A. Hill and Registrar and Mrs. D. A. Shirley left Tuesday afternoon for San Marcos and San Antonio. At San Marcos they attended a celebration in honor of Dr. C. E. Evans who has been president of the Southwest Texas State Teachers College for 25 years.

At San Antonio they attended the annual meeting of the Texas Association of Colleges of which

the West Texas State Teachers College is a member. They returned to Canyon Sunday.

A Seattle man traded a house and lot for an old Canadian postage stamp. We've always wanted to meet that type of real estate agent.

An Arkansas City hunter reveals that a quail dashed itself to death against his gun, but forgets to state whether he liked the sport better than fishing.

It has been our observation that the man who borrows trouble always pays it back with a high rate of interest.

OL' JUDGE ROBBINS SHOWS HIS INDIAN PEACE-PIPE

THAT INDIAN PEACE-PIPE IS ONE OF THE FAVORITES IN YOUR COLLECTION, ISN'T IT, DADDY?

YES, THE CALUMET IS ABOUT THE ONLY DECENT MEMENTO OF OUR LONG, USELESS AND BLOODY INDIAN WARS—

IT SEEMS THAT BOTH REDSKIN AND WHITE HELD THE CALUMET AN INVOLUTARY SYMBOL OF PEACE

I GUESS THE DAY OF PEACE-PIPES IS PAST, EH, JUDGE?

NO INDEED, SON. P.A. IS SO FRAGRANT, COOL, AND SOOTHING, IT MAKES ANY PIPE A PIPE OF PEACE

© 1936, R. J. Reynolds Tob. Co.

50 pipefuls of fragrant tobacco in every 2-ounce tin of Prince Albert

ONE-WORD DESCRIPTION OF PRINCE ALBERT: "COMFORTING"

The minute you light up P.A., you know you've met as cool and mellow and fragrant a tobacco as you'll ever want. No other tobacco is like it. Prince Albert charms away your cares—brightens the long hours of study. It is "crisp cut." That makes cooler smoking, keeps pipes sweeter. P.A. does not bite the tongue. It's a national favorite. Read our open invitation to all college men to try P.A. without risk.

SMOKE 20 PIPEFULS UNDER NO-RISK OFFER!

Smoke 20 fragrant pipefuls of Prince Albert. If you don't find it the mellowest, tastiest pipe tobacco you ever smoked, return the pocket tin with the rest of the tobacco in it to us at any time within a month from this date, and we will refund full purchase price, plus postage.

(Signed) R. J. REYNOLDS TOBACCO COMPANY
Winston-Salem, North Carolina

PRINCE ALBERT THE NATIONAL JOY SMOKE

LIFE BEGINS AT 65

Cheer up Grandpa, don't you cry! You'll wear diamonds by and by. Uncle Sam has money mills. Made to grind out brand new bills. He will help you in your cause. With his old age pension laws. No more worry over bills. Butcher's duns, or doctor's pills. No more panic over rent. Leave that all to government. Dine of squab and caviar. Sport a streamline motor car.

When the blizzards bliz a bit, Off to Palm Beach gaily flit. Lead a life of pleasure bent, But you must spend every cent! Whoopee, Grandpa! Stay alive! Life begins at sixty-five! —Perryton Herald.

The Denver, Colo., holdup victim was cool enough when the robbers took his watch and cash, but when they took his false teeth he fairly sputtered.

Approximately 93 per cent of all fatal auto accidents occur at speeds of less than 50 miles an hour, so why not make that the minimum speed limit?

That New York man who inadvertently sent his wife an invitation to attend his wedding must lead a harum-scarum existence.

Kickers please remember: It is the province of the hog to grunt.

1936 - Summer Session - 1936

June 2—First term opens.

June 3-10—Coaching School, featuring:

FOOTBALL

Leo (Dutch) Meyer of T.C.U., single and double wingback.

Raymond (Bear) Wolf of T.C.U., line play.

Jack Meagher, head coach Alabama Poly, of Auburn, Alabama, Notre Dame system.

Carl (Dutch) Voyles, line coach Duke University, line play.

Blair Cherry of Amarillo Sandies, double wing back.

BASKETBALL

Glen Rose of University of Arkansas, Southwest Conference Champions and Olympic candidates.

"Chuck" Taylor, trick shot and pass artist, the Ambassador of Basketball.

TRACK

Carl (Dutch) Voyles, head track coach Duke University.

ORGANIZATION AND ADMINISTRATION OF PHYSICAL EDUCATION

Dr. Harry A. Scott, director of Physical Education, of Rice Institute, and professor in School of Physical Education, Columbia University each Summer.

Three Hours Physical Education credit, Course No. 331 Fees, \$15 for Coaching School only; \$10 if student enrolls in W. T. summer session. Room and board for Coaching School, \$10.

June 2-July 11—Palo Duro School of Art, in Palo Duro State Park, directed by Miss Isabel Robinson, assisted by five outstanding artist-critics.

OTHER FEATURES

A regular faculty of experts, supplemented by thirty-five or more visiting instructors, representing many professions.

Special courses in Physical Education, School law, Public School Administration.

Planned recreation for every week.

Centennial trip to Dallas.

Visit to Carlsbad Cavern.

Motor trip to Santa Fe and Taos.

Outstanding Club trips, horseback riding, tennis, hiking, basketball, soft ball, swimming, croquet.

West Texas State Teachers College

Sports-Casts

by
Glyn
Riley

Football, basketball, tennis balls, javelins, discuses, and shot puts—have been filling the air in the sports arena for the past week.

First the intra-squad football game with its 29 passes and 10 punts forged to the foreground. This second such game was instrumental in broadcasting that a pair of brutal and powerful freshmen are apt "to be in the money" next fall—J. P. Meek, a tackle and Lee McLaury, a halfback. Meek is the second of this lineage to show his markings. McLaury is a former Amarillo Sandie and is carrying the brunt of the blocking duties in the backfield.

Next, the spring training basketball session got under way. Coach Baggett is sure to have a difficult time in replacing a trio of hoopers like Colvin, Boedeker, and Clement. A band of Frosh cagers are slated to be in the big middle next year. Of the group, "Too Tall" Shackleford is almost a sure bet to land a regular berth.

The Regional track and field meet was ushered in Saturday escorted by a combination wind and rain storm. This sad plight was only injurious momentarily. The century was timed at 10.3 against the wind. But the wind changed, and a new record was established in the 220 yard dash and mile relay.

In the tennis division, Amarillo's singles stroker, Crain, was too superior. He swept through his two matches with the loss of only one set, that to "Lefty" Hamilton of Pampa in the finals. Crain is expected to be a worthy representative of the Plains region at Austin Friday and Saturday.

This week, the varsity tennis squad embarks for Nacogdoches to cross raquets with the other members of the Lone Star Conference. West Texas State has not captured a conference since 1930, and this year's netters have exhibited that they are capable of some sort of reward at the meet. Four will make the trip with Coach Lockhart; George Smalley, Bill Allison, Glyndon Riley and either Bruce Howard or Darrell Hemphill. The keen rivalry between the latter two culminates this week when they play to decide the issue.

Miss Isabel Robinson and Miss Marian O'Brien were dinner guests of Miss Hester Gates at her home on 4th Avenue Thursday evening. The three drove to Amarillo immediately after dinner and saw the picture "Midsummer Night's Dream."

Invitations for the dinner to be given Wednesday evening by the Home Economics Club have been recalled because of the death of Miss Marion Normington, head of the department.

Chester Strickland, principal of the Kress High School, Kress, Tex., is the first person to make reservation for the National Parks Tour this summer.

The opportunity for early shopping is fast becoming smaller and smaller.

Singles Affray

Cullen Crain, Amarillo's fifteen-year-old southpaw racquet slinger, marched through all competition in the regional net meet to win the singles division over "Lefty" Hamilton of Pampa by scores of 6-3, 2-6, 7-5, and 6-4.

Pete Williams and Johnny Bridges of Petersburg underwent much more trouble before they finally vanquished Day and Kelley of Panhandle in the five-set doubles finals by scores of 6-3, 6-3, 3-6, 9-11, and 6-4.

Imogene Dalton of Wildorado repeated as the regional girls singles champion without the loss of a single set. Janie Dechard and Mary Dechard of Meadow captured the honors in the doubles by winning their finals in three sets.

MEN OF COLLEGE TO
MEET NEXT THURSDAY

All men of W. T. are being invited to a meeting next Thursday afternoon, April 30, at 4:00 o'clock by S. H. Condon of the department of Government.

At this time talks will be made on government, the first from the viewpoint of a layman by Clyde Warwick, and the second from the standpoint of a government employee by Ralph Bray of the Re-settlement Administration of Amarillo.

Helping Spring Remove the Chill

Warm weather returned in a hurry near Kansas City, Mo., when part of a gasoline and oil train was derailed, and contents of 20 tank cars exploded and burned. Members of the crew were uninjured, however, and managed to save the cars still on the tracks by uncoupling them and towing them away from the fire.

Insull says he merely did the thing that was customary, but you could say that about Dillinger.

If you take a man's pocketbook and he hollers, he's a darned conservative.

Tact—A doctor asks his patient, a supreme court justice, to open his mouth and say O-O-O, instead of A-A-A.

The keynote of the political campaigns is generally "dough."

Some folks are such gluttons for work that they never hesitate to work their friends.

A Pennsylvania minister says men are unmindful of little things. Did he ever lose a collar button?

throughout the world
smokers are saying

They Satisfy

History tells us that

when Christopher Columbus' sailors took tobacco back home with them everybody hailed it as one of the first new pleasures in years.

Today tobacco gives more pleasure to more people than ever before.

Many different claims are made for tobacco, but most everybody agrees on this . . .

Smoking is a pleasure and the cigarette is the mildest and purest form in which that pleasure can be enjoyed.
