Antler Orchestra Aids The Friday Program

Much pep and spirit was evident at the last meeting of the Antler Literary Society, due in no small measure, perhaps, to the snappy Antler Orchestra which rendered several good selections. Egbert Boyd and Nick Jordan won the debate. They had the negative side of a humorous subject. Rudolph Fuchs rendered a very pleasing piano solo.

Mr. Dufflot, the sponsor, had a very important message for all Antlers and a continuation of it will be given next Friday night, at which time all members are urged to be out.

The meeting adjourned at an early hour that the members might witness the basket-ball game.

TERRILL ENTERTAIN RANDALL HALL GIRLS

Mr. and Mrs. R. A. Terrill entertained in honor of the Randall Hall girls at their home on 4th avenue, Saturday from 4 until 6 o'clock. The house was beautifully decorated and Miss Arlis O'Keefe met the girls as they came and introduced them to the ones in the receiving line, who were Mesdames R. A. Terrill, Hill, Savage, and Misses Richardson and Hudspeith. They were then shown to the living room by Mrs. Delaney where they met Mrs. Humphreys and Miss Anderson who took them to the dining room where tea was poured by Mrs. Shirley and served by Mesdames Moore, Donald and Miss Stanfield. Misses Blanche Fann and Lula Denham accompanied by Miss Dessie Mae Steele at the piano gave a number of beautiful selections on their violins. There were practically one hundred girls entertained during the evening and all greatly enjoyed the hospitality of Mr. and Mrs. Terrill. Mrs. Humphreys' mother, Mrs. A. B. Goodfin, who is here visiting her was a guest at the party.

JUNIORS HAVE HAY RIDE

Tuesday evening, January 13, twenty of the jolly juniors had a picnic supper. A horse-drawn vehicle was provided to carry the party to Hale's picnic grounds. A campfire was roaring in short order, and innumerable weinies were roasted in it. After supper each junior introduced himself, and a few of the best story-tellers in the crowd exercised themselves in this fashion.

The ride back to town included a stop at Walker's Drug Store for refreshments and a serenade for the president of the Senior class.

Mrs. T. V. Reeves and Miss Golda Gruver chaperoned the crowd.

ELAPHEIANS ENJOY GOOD PROGRAM

A very sympathetic audience enjoyed a delightful program at the regular meeting of the Elapheian Literary Society, Friday evening. In the absence of the president, Fannie Cash, vice-president, presided. The lives, together with a sample story of each author of some of our modern short stories were studied. The stories were interestingly given, and after listening to them we felt that indeed "It was good to have been there."

NEW GIRLS AT HALL ARE GIVEN WELCOME

New girls of Randall Hall were recently given a delightful welcome party by Mrs. F. E. Savage, matron of the hall.

Various contests were held and many games played during the evening. Much delight was shown in toasting marshmallows, popping corn over the fireplace, and in eating apples.

You haven't seen the greatest thing in life until you've had a look at "So Big."

METHODISTS HAVE BACKWARD PARTY

Did you ever make a success of doing things backward? That this can be done was proved at the party given at the new Methodist Church last Monday night.

After walking upstairs backwards, the jolly crowd was treated to refreshments at the very beginning of the fun.

Getting acquainted games followed and a tournament, which the contestants played backward. After an hour and a half of real fun, the evening closed with a grand march, couples changing every minute, giving all a chance to know everybody else. One hundred and twenty-five were present.

Y. W. C. A. MEETING WELL ATTENDED

A large number of girls were present at the regular meeting of the Young Women's Christian Association held last Wednesday. The topic studied was "Ideals of Womanhood." Annie Mae McClure and Maggie Smith made good talks. Miss M. Moss Richardson, in her characteristic manner, told very beautifully the story of Mary, the Mother of Jesus. Altogether this was a very inspiring program.

GOODE-BRYANT MARRIAGE TAKES PLACE IN AMARILLO

Miss Agnes Goode, a former student of the College, and Mr. Pink Bryant were united in marriage December 29, at Amarillo.

The bride is the daughter of Mr. and Mrs. J. M. Goode, who recently moved to Rio Hondo. She was a teacher in the school at that place, and has many friends both here and there who extend to them the most hearty congratulations.

CHRISTIAN ENDEAVOR HAS ENJOYABLE PARTY

Thursday evening the young people of the Christian Endeavor Society enjoyed a party of unusual mention. Some time ago the Society held a contest for new members. Every person was asked to join either the Fords or Cadillacs and take a trip across the United States. Because of deep snow in the Rocky Mountains, or something else, the Fords were delayed and lost in the race.

The party was given by the Fords to entertain the Cadillacs. Various tests were held, and games in which the automobile was mentioned, were played. Delicious refreshments of hot punch and cake were served.

Chase Condrey has returned to Canyon from Amarillo, where he has been employed in the Amarillo Hotel. He is opening The Bungalow Cafe on Third Avenue. Mr. and Mrs. Condrey were both students in the college last year.

H. W. G. Bishop, a former student of this College, now superintendent of schools at Stratford, Texas, and a member of his school board visited the College Saturday looking for teachers. His brother, Hubert Bishop, is now farming near Channing.

Miss Vera Williams of Amarillo visited in Canyon last week.

Mrs. J. L. Teal returned to her home Wednesday in Lamesa after spending about two weeks with her mother, Mrs. T. M. Smith. Mrs. Teal was formerly Miss Lizzie Kate Smith, a student of the College.

Rev. Tyler, colored minister of Austin, spoke in chapel last Thursday morning on behalf of a hospital for Negro tuberculosis victims. He pleaded that the school contribute to the fund for a selfish reason, if not a philanthropical one. His argument was that so long as the Negro is in Texas, the white race is in constant danger of the White Plague. The astounding fact that out of 900,000 Negroes in Texas, 20% of them are afflicted with tuberculosis of some form, was brought out by the speaker.

A sum of eighty-eight dollars and seventy-one cents was raised that morning, while efforts are being made to make the total donation an even one hundred dollars.

much class room study and practice, and additional private instruction. The need for the Chorus, Orchestra, and Band is stressed. The Chorus is said to be the ranking organization because of the number of students involved.

"There is a new conception of music today. Music is no longer looked upon as the possession of a select few. It is fast becoming a common heritage. Musicians are no longer worshiped from afar and America no longer delegates all of her music to the professionals. . . The business of a department of music in a teachers college must well serve the slogan of Public School Music: More Music to More People!"

BASKETBALL TEAM IMPROVES AS TIME OF OPENING GAME NEARS

By J. E. MALIN, Sports Editor

With the basketball candidates in the best of condition and the opening game only a few days away, this school is vibrant with enthusiasm over the prospects. In every mind is a retrospective picture of the famous five of last year that romped away with the T. I. A. A. championship. Only one member of that great machine remains, Captain Davis Hill. Nevertheless Coach Burton is jubilant over the showing thus far made by the men who have sworn to repeat and bring the cage honors again to the pasture lands of the Buffaloes. Last Friday evening, minus the services of their Captain and Harry Sone, the Buffaloes showed flashes of speed that proved to the student body that a championship is very likely. This game was won by the Buffaloes by a 49 to 23 score. Their opponents were three of last year's squad, a star from Amarillo, and "Big Os" Eckhardt, baseball and football mentor. The "All-Stars" played a clean, consistent game, but were show-ered under the dazzling speed and accuracy of the Buffaloes. It is expert opinion that the Buffaloes of '25 have great possibilities and the only thing that might stand in the way of their attaining the dizzy heights of cham-pions is that the student body may not back the team with the proper spirit. On the other hand, the yell leaders promise that the "proper spirit" will not be lacking.

The fact that Davis Hill, plucky Captain and guard, may not be in shape to make the first trip is the fear of the Big Coach. Captain Davis is re-covering slowly from the effects of a siege of the lagrippe and it is very probable that the team may journey forth without him. Yet, this handi-cap is not as serious as might be thought, for every member of the squad has the utmost respect for their Captain and his absence would create a spirit that will be hard to overcome.

Of the respective candidates, the following are outstanding and un-doubtedly the team will be chosen from them:

Forwards—Hale, Crump, Bivens, and Gamel.

Centers—Fuller and Nations.
Guards—Hill, Herm, Nations, Vaughn and Pearson.

Harry Sone was showing up well un-til he was called home and it is not known whether or not he will be back. The schedule consists of twenty-six games of which eighteen are T. I. A. A. games and is as follows:

Jan. 21-22—Trinity at Waxahachie.
Jan. 23-24—Southwestern Teachers at San Marcos.

Jan. 26-27—Sam Houston at Hunts-ville.

Jan. 28-29—Stephen F. Austin at Nacogdoches (tentative).

Feb. 4-5—New Mexico Military In-stitute at Canyon.

Feb. 13-14—Simmons at Canyon.
Feb. 16-17—Denton Teachers at Can-yon.

Feb. 20-21—Trinity at Canyon.
Feb. 23-24—Howard Payne at Can-yon (tentative).

Feb. 26-27—N. M. M. I. at Roswell.
March 2-3—Simmons at Abilene.

March 4-5—McMurry at Abilene.
March 6-7—A. C. C. at Abilene.

STUDENT MANAGER POSITION URGED

Through the efforts of Coach Eck-hardt and other interested parties a movement is on foot to install the stu-dent manager system in this school. This system is used in practically every school in Texas and has been found highly satisfactory. "A student man-ager will save this school several dol-lars each year by preventing the large waste of materials, such as footballs, personal equipment, and the salvaging of old material," declare those in charge of the movement.

The plan is to have a student man-ager and two assistants who will even-tually become managers. After the first year, only assistants would be chosen for one assistant will automati-cally become manager when the cur-rent manager's term is up. The man-ager would also act as publicity agent for the Buffaloes teams.

RANDALL HALL MATRON AGAIN IN DORMITORY

Mrs. F. E. Savage, former matron of Randall Hall, has returned from Nashville, Tennessee, where she has been with her husband, Prof. F. E. Savage, who is studying in Peabody College. Mrs. Savage is again in charge of the girls' dormitory. Her children, Vida, Winston, and Donald, also came with her.

Mrs. R. A. Terrill, who had charge of the hall during the fall quarter, has returned to her home on fourth ave-nue.

Wrestling Teams Have Two Contests

Two matches for the wrestling team have been secured according to Coach Jackson. The first of these will be staged here January 30 with the mat representatives of the Oklahoma South-western State Teachers College the op-ponents. The Buffaloes will journey to Weatherford, Oklahoma, either the 13th or 20th of February. The alter-native on the second date is made be-cause of the fact that we are trying to schedule the Central Teachers Col-lege of Edmund on the same trip. Ef-forts are being made to arrange a match with the Northwestern Teachers College of Alva, Okla., who, like the Buffaloes, are entering wrestling sport for the first time.

Lovers of the mat sport will have a chance to witness some fine exhibitions the latter part of this week. (Watch for exact date.) This program will be the try-out contest for the Buffalo team. No admission will be charged, and it is hoped that every one inter-ested in the Buffalos will be out and show their support. This appeal does not exclude the co-eds, in fact, they are especially invited.

Here are some of the prospective candidates, their weights set opposite their names.

115 pound class—Harold Shanklin.
125 pound class—Hill and Sherman.
135 pound class—Dunlap, Oden, Naf-cgar, and Randolph.

145 pound class—Jennings and Love.
158 pound class—Hughes, Forest and Tyler.

175 pound class—"Cowboy", Ward, Hancock, Hefner, Weaver, Napps, San-ty, and Golden.

Debaters to Hold Finals on January 29; Seniors Strong

Students now working on the inter-collegiate debate subject have decided to hold the final try-out on Friday, January 29. At least eleven men are known to be preparing speeches. A lively contest is assured between mem-bers of the junior and senior classes. The seniors, with several experienced men out, have declared their intention to put out an all-senior team. Junior debaters have resolved to break up such a combination.

The annual debates will be held on the evening of April 10th. Practically ten weeks of practice will be done un-der the direction of Prof. Earl G. Bryan, debating coach.

The prospective debaters state that the question is looking better as more material is discovered. The first im-pression of the subject was not favor-able here, it is said. The substitution of a state board of equalization for the county board system is the matter for contention.

Prof. Bryan is carrying on a corres-pondence with several other schools in regard to a debate for girls. It is prob-able that a definite arrangement will be made within a short time.

TYPE HIGH IS SPONSOR OF CONTEST

(Continued from page one.)
and south-wide reputation will select the winners in the state contest.

Manuscripts will be judged with re-spect to style, originality, technique, and content. Subjects of more than purely local significance are consid-ered appropriate. Style is highly placed in each group. Technique is of little less importance.

Suggestions and further assistance will be gladly given by members of Type High, the English department, and the editors of The Prairie and Le Mirage.

Members of Type High regard the contest as being one of the most im-portant intercollegiate activities of the year.

The Historical Society has also been given the first piece of pottery known to have been found in the Palo Duro canyon. It was found by Thomas Ficke near the old J. J. headquarters. Mr. Ficke also donated an Indian grain crusher.
