

The Editor Speaking

In the midst of such balmy, delightful weather as this is (at the time I'm writing), it seems a pity to have any kind of work to do, even work that is as pleasant as writing this column. In all probability, however, the weather will have returned to its usual status and we will be suffocating in a West Texas duster by the time this is read.

Probably the most sensational thing that has happened on the campus recently is the disappearance of the old "College Dodge" and the arrival of its successor, the new Ford V-8 panelled job. According to statistics obtained from Travis Shaw, the old Dodge had been in use on the campus during the last ten years. The College purchased the automobile in 1926 to carry the mail to and from the post office. In addition to serving for this purpose, the "College Dodge" was used on field trips, picnics, and everything else possible where a car was needed. Now it has been supplanted and is on its way to the scrap heap.

Students who have used the typewriter in the Publications Office during the last few days have felt unutterably grateful to some unknown power. That was only because they did not know to whom they were supposed to be grateful. As all of those know who had occasion to use the machine before last week, it was almost a superhuman task to persuade it to function long enough to write that which was necessary.

Prof. Herschel Jennings, of the Commerce Department, was appealed to. He kindly consented to take the typewriter out and clean it free of charge. As a consequence, the reporters for the Prairie and members of the annual staff have been enabled to do their typing with a decided minimum of swearing.

Presenting one of the most enjoyable assembly programs of the year last Tuesday, students in the speech department gave a sample of what could be done by various student organizations in giving interesting, intelligent assembly programs. Many times in the past, members of the student body have complained that more programs given by students and student organizations were needed. That part of the story is all right, but here is where the catch comes. Most of the students if given the opportunity to take part in programs, refuse to participate. The Administration has long tried to induce co-operation from students, but as a rule has met with defeat. For the sake of the Administration and for the sake of the student body, let's have more student-presented assembly programs.

One of the peppiest, classiest, and most popular organizations on the campus is the Kampus Katz Orchestra. Open house night at Randall Hall has drawn a noticeably larger group of boys since the advent of the Katz. College dances have been better attended and everybody's been happier listening to the brand of music produced by the Kampus Katz.

Unless drastic measures are promptly enacted, the Registrar's Office is going to be forced to hold an auction sale soon. I am referring to the Lost and Found division of the large bulletin board in the first floor hall of the Ad. Building. Articles of wearing apparel, fountain pens, eversharp pencils, and keys of all shapes, sizes, and description threaten an immediate overflow unless someone (Continued on second page)

Staffordites Become Rivals of Co-eds In Practice of Culture

Little realizing what a subtle influence Stafford Hall is having upon them, the men of Stafford won't admit that they haven't always been gentlemen.

A week ago the Cousins Hall girls, with visions of envied Staffordites luxuriating in over-stuffed cushions, returned to their untidy-a-few-days-back-newest-dormitory-on-the-campus and wept, "It isn't fair!"

Time has calmed them (and other females). They are now willing to sacrifice their supremacy for occasional glimpses of rejuvenated proud owners and for rare but rarified visits to the castle-on-the-highway.

These co-eds are having to read borrowed books on etiquette to equal in culture their one-time inferiors. They noticed at the opening that no girl dared timidly to open a door for herself before two glorified footmen were there to do it for her. The director proudly

Manuscripts For TIPA Contest Due Saturday

Entries Will Be Judged By Group of Local Judges

Material for the T. I. P. A. contests at Alpine this year must be turned in to the committee in charge of receiving manuscripts by the end of the current week. All students who are interested in creative writing are presented with the opportunity of winning a small cash award and state-wide recognition.

Members of the committee for receiving manuscripts are Betty Dale West, Martha Twaddell, Glyndon Riley, and Bill Cone. Any member of the committee will take any manuscripts that students desire to enter the contest.

Manuscripts will be judged and eliminated by a group of local judges and one entry in each division will be sent to the state contests.

Contests held annually in the Texas Intercollegiate Press Association, with the award given the winning manuscript, are: Serious short story, five dollars; humorous short story, five dollars; formal essay, ten dollars; familiar essay, five dollars; news article, five dollars; sport story, five dollars; editorial, five dollars; feature story, five dollars; poem, five dollars; and one-act play, five dollars.

Hill Introduces Admiral Byrd To Amarillo Audience

Pres. J. A. Hill introduced Admiral Richard E. Byrd concerning his second trip to the Antarctic, Thursday night in the Municipal Auditorium, Amarillo.

Dr. Hill, returning from a business trip to Fort Worth, joined Byrd's party at Lubbock and completed his return trip as a member of that group.

According to Dr. Hill, the Admiral expressed surprise at finding the Panhandle covered with snow. When the second Antarctic Expedition returned from Little America, Dr. Hill went to Boston to meet his son, Joe Hill, Jr., who was a member of the expedition. It was there that he met the Admiral for the first time.

Young Hill is now on an extensive lecture tour of Texas. He recently met Admiral Byrd in San Antonio, took dinner with him, and later heard his lecture.

EX-STUDENT IS MEMBER OF WELFARE BOARD

J. A. Meek, an ex-student of W. T., has been elected a member of the Gray County Child Welfare Board at Pampa.

Mr. Meek is chairman of the Social Service Committee. For several years he has done outstanding work in providing food and clothing for the under privileged children of the school where he is principal.

All but one of Oldham county's 23 teachers were present at a Kiwanis banquet recently held at Vega at which Prof. S. H. Condon was one of the speakers. Friday night, Mr. Condon spoke at Wheeler where organization of a county library is being planned. He was accompanied as far as Shamrock by Prof. Frank R. Phillips.

U. of T. Ex-Students Will Hold Annual Banquet Monday

Ex-Students of the University of Texas in Canyon and Amarillo will meet in Amarillo Monday, March 2, for the annual banquet of the Amarillo-Canyon Ex-Students Association.

Tickets for the banquet will be on sale at the College Book Store by Lee Johnson, vice-president of the organization.

University of Texas ex-students among the faculty, students, and townspeople are invited to make plans to attend the banquet and enjoy the fellowship of both old and new acquaintances by expressing and refreshing their loyalty to their Alma Mater.

One hundred and thirty ex-students attended the annual affair last year.

Hill Is Appointed As Member of Education Board

The Educational Policies Commission announced at its headquarters offices, in Washington, D. C., recently that Dr. J. A. Hill, president of W. T., has been appointed as Consultant ex-officio for the Commission.

The appointment of a group of educational leaders as consultants is an important item in the program of the Educational Policies Commission.

The Commission was appointed for a five-year term of office in December, 1935, by the joint action of the National Education Association and the Department of Superintendence to develop long-range planning for the improvement of American schools.

The policies of the Commission will be developed from its contacts with educational and civic leaders serving as consultants in all parts of the country. It is an agency of leadership and service rather than an agency for bringing about standardization and uniformity.

The consultants will receive important materials prepared by the Educational Policies Commission and will be asked to assist the Commission by expression of opinions on issues submitted, by raising additional issues to be considered by the Commission, by disseminating its recommendations, and by reporting the conclusions of important committees of which the consultants are members.

Large Class Is Enrolled For Life Saving This Term

A large class in senior life saving is meeting this semester at 4:30 o'clock on Tuesday and Thursday of each week. Members of the class are looking forward to the coming of a Red Cross Life Saving Examiner some time during the spring. However, Miss Ruth Cross, instructor, plans to give the Senior Life Saving test about two weeks before the coming of the examiner.

Those enrolled in the class are: Addie Allred, Mary Helen Bybee, Jewel Chambers, June Day, Marjory Day, Ivey Howard, Jewel Alma Glass, Mary McCaslin, Bill Miles, Gertrude Reed, Jacqueline Tabor, Roger Townsend, Eloise Pool, Charlene McLarty, and Mabel Schmitz.

Regional Tourney For Basketball to Be Held Here

Abernathy, Carey, Friona, and Pampa will fight it out for Region One basketball championship of the Texas Interscholastic League in Burton Gymnasium Friday and Saturday. Winner of the tourney will win the right to play in the state finals in Austin March 6 and 7.

W. E. Lockhart, head of the commercial department, is director of the contest. The tourney will be played on the double elimination basis.

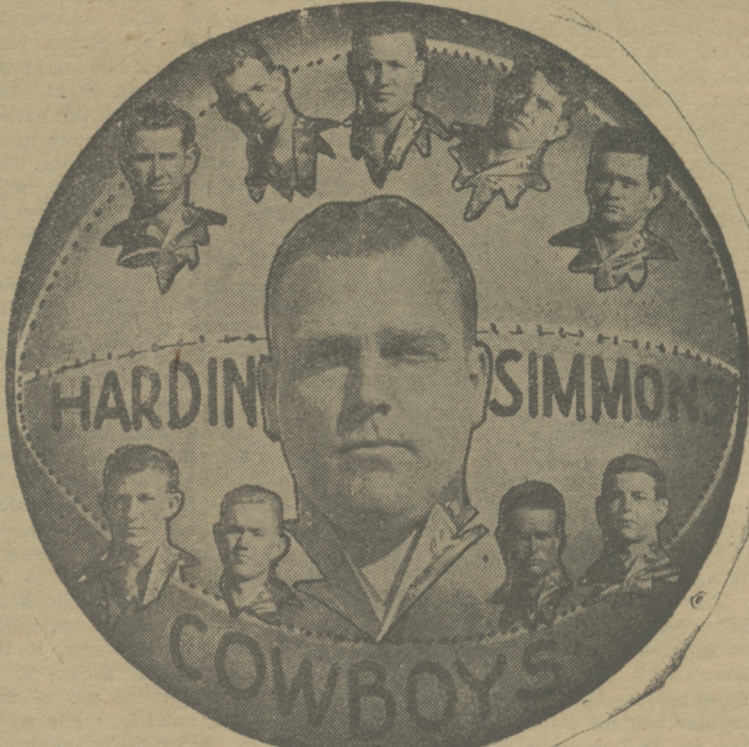

Friona will play Pampa in the opening game, and Carey will play Abernathy. Losers will play each other and winners will play each other. Admission for single games is twenty-five cents, and a transferable season ticket is fifty cents.

Though difficult to predict a winner of the meet, Friona and Pampa have weathered the entire season with only one defeat on the record of each.

It's fair enough. The agent is a nuisance to you until you buy; after that you're a nuisance to him.

Correct this sentence: "Bill's sisters are poor," said the wife, "so I urged him to make part of his insurance payable to them."

Playing Here Tonight

Coach Frank Kimbrough and the nine lettermen on the Hardin - Simmons basketball squad which played here last night and is playing tonight.

Left to right, top row: Hall, Benson, Torry, Callaway, Harris. Left to right, bottom row: McCollum, Glover, Scoggins, and Wheeler.

Hill Discusses Present Day Ills In Chapel Talk

Declares Constitution Is Safeguard Of Democracy

Pres. J. A. Hill lectured in assembly Saturday, discussing some of the problems of our economic, social, and political life as a nation. It was his semester address to the student body at large. In speaking of the problems, Dr. Hill said, "I think that it is safe to say that no living man is capable, of his own strength, of solving the great variety of our social and political problems that harass the American people in 1936. Few people seem to comprehend the implications or implied meanings involved in a government of, for, and by the people."

Constitution Is Answer Concerning the Constitution and the Declaration of Independence, he said, "The Constitution of the United States is the practical answer to the idealism of the Declaration of Independence. The Declaration sets up a social and political end, whereas the Constitution is only a means to that end."

"It has got to be a popular pastime for public speakers to ridicule the doctrine that all men are created equal. If it is not true that all men are created equal, then we ought to have social castes in this country and in this school, in which people of different rank could take their appropriate places without having to suffer the humiliation of association with their inferiors."

Dr. Hill stated further that, "The Constitution should be amended at any and all times and in all ways whenever and wherever it ceases to be a fit instrument toward the preservation and development of the freedom and happiness of our citizens. Let it be understood that forms of government must change to meet the varied elements and factors of progress."

Must Have High Plane "A majority of the citizens of a democracy must live on a high intellectual and spiritual plane," he said. "Liberty and license are arch enemies in a republic."

In his discussion of the different parties in the forthcoming election, the speaker stated, "If the Tories should win, it will be a temporary victory, because human destiny rides the rising tide of liberty. If the Liberals should win, we have moved one step further away from the autocracy of materialism, and our people will have one more chance to bring their intellectual and spiritual achievements to the level of our material triumph."

People who long for a big house usually are the kind that don't keep a little one clean.

PRESS CLUB

All members of the Press Club will meet at the front entrance of the Administration Building today at 1 o'clock to have a group picture made for Le Mirage.

W T. H. S. Will Give Amateur Program In Assembly Sat.

The second monthly Amateur Hour contest will be held at the W. T. H. S. assembly period Saturday afternoon at one o'clock.

Any high school student whose act has been approved by Miss Christine Warren, director of the contests, may compete for the prize.

The prize in the January contest, a copy of O'Brien's "Life of Will Rogers," awarded by Miss Ritchie, Dean of the high school, was won by Shirley Ann Oliver and Nell Stevenson, tap-dance team. Winners of second and third places were Lannie Line, vocal soloist, and J. D. Roberts, reader.

Judges in the contest were Mrs. Herschel Coffee, Mrs. Bob Cox, and Charles Donnell.

Much interest is being shown in the monthly contests which were started in an effort to encourage students to develop a hobby among some of the creative arts.

President Returns Thursday From Ft. Worth, Dallas Trip

Pres. J. A. Hill returned Thursday from a business trip to Dallas and Fort Worth.

On this trip, he met with a number of teachers college presidents and discussed matters of common interest with them.

Dr. Hill also held a consultation with PWA officials and believes that the campus projects under that department were hurried along as a result of his trip.

Construction on the cottages for married couples will probably be started within the next two weeks, and work on the swimming pool will begin shortly afterward, Dr. Hill stated.

A larger sum was requested for Museum improvements, but the president expressed a belief that this request would meet with disfavor.

Sophomore Class Meets Thursday

The sophomore class met Thursday to discuss plans for a chapel program to be held March 21. A contest between the classes of the college to decide which is the best group in singing collegiate songs was accepted for the program.

The class is divided into two groups, each headed by Rosa Cash and Dean Story, to see which side can collect more class dues. After some discussion on the payment of dues, the class adjourned.

P. C. BENNETT LECTURES TO AGRICULTURE STUDENTS

P. C. Bennett, manager of the Soil Conservation Project at Vega, met three agriculture classes Tuesday, Feb. 18, and lectured to the students concerning his project of 25,600 acres.

Prof. Frank R. Phillips has arranged to have several speakers throughout the spring semester.

Cagle Teague, formerly a student of W. T., and who is now attending Texas Tech, in Lubbock, and Bernard Orr, of Orlando, Fla., were recent guests of Dr. and Mrs. A. M. Meyer at Stafford Hall.

Americanism: Laughing at the stupid heir who wastes his great inheritance; doing the same thing with the nation we inherited.

Section Meetings Of Education Meet Will Permit Open Forum

Futral Speaks To Young Democrats Here Monday

"Young Democrats of today will be the political leaders and office holders tomorrow," said W. B. Futral, of Amarillo, Monday night when he addressed the college group of Young Demos.

"The purpose of the club," continued Mr. Futral, who is president of the West Texas District of Young Demos, "is to provide methods whereby young men and women may learn thoroughly the functioning of the political world. An education in government plus a political education will certainly improve the future office holders. The Young Democrats of the United States have access to that education."

The organization of a Roosevelt-Garner Club in the West Texas District was discussed. Mr. Futral told of the achievements of the present administration, the crisis that was averted, and the feeling of the people toward the Supreme Court decision against Roosevelt's policy. He said, "The farmer did not know how much he liked his horse until it was shot from under him."

Tom Seay, president of the Amarillo Young Demos, Bob White, treasurer of the West Texas District, and Jack Little, accompanied Mr. Futral to Canyon. Mr. Seay extended an invitation to the W. T. group to attend a dance to be given next month by the Amarillo group, and to which admission will be given upon presentation of a membership certificate.

The next meeting will be held on March 2, 8 o'clock, in Room 202E.

YWCA Plans Mike Nite Entertainment For All-College

The Young Women's Christian Association is planning one of the biggest entertainments of the year for the night of March 13. Each year this organization sponsors an All-College fun night, the proceeds from which are used to send delegates to the summer encampment for the Y. W. C. A. and the Y. M. C. A. at Hollister, Mo.

This year the successor to Stunt Night is to be in the form of a Mike Nite, and some of the best talent on the campus is to be used in the performance. Those who remember Stunt Night last year will want to start planning now to attend the performance on Mike Night.

FRONABARGER SPEAKS TO WOMEN'S CLUB

The Women's Club of Turkey chose Dr. B. F. Fronabarger as their guest speaker for a meeting last week. Dr. Fronabarger reviewed "The Wind Blew West," a novel dealing with Texas.

While in Hall county Dr. Fronabarger visited schools in Memphis and Leslie.

Dr. B. F. Fronabarger has been asked to speak to the Parent-Teachers Association at the Canyon high school next Tuesday, March 3. His subject is "Magazines, Their Growth and Influence."

Esther Plank and Norma Kidd spent the week-end at their home in Pampa.

Press Day Rules All on Staff of Weekly College Newspaper

Press day arrives! What an event for the average weekly paper! The steady plodding gait of those concerned quickens to a mad rush as the deadline approaches. Proof-readers carefully scan proof sheets for errors of a typographical nature. The editor goes through last minute copy at a furious pace, changing wording, correcting misspelled words, adding minor details which help to make the meaning clearer, and finally writing suitable headlines for the news stories.

At last, every bit of copy is "set up." The scene changes to the make-up stone where the compositor is making up the forms. "Is this all the front-page stuff you've got?" he asks the editor. "Yes, that's all," wearily answers that person. "Do you think it will be enough to fill up?" Maybe, grunts the compositor. And it always is.

Perhaps there is a shortage of copy for the other pages.

Barbecue Will Be Given For County Board Members

Sectional meetings of the Northwest Texas Conference for Education will give teachers and laymen an opportunity to ask questions and discuss problems of education.

Special section meetings will be held for county board members and county superintendents, high school teachers, elementary teachers, and home economics teachers. Special group meetings will be held from 2:45 to 4 o'clock in the afternoon, March 6. Each division will have an outstanding speaker in addition to the general discussion.

A barbecue will be held for board members and superintendents at the T-Anchor Ranch at noon, March 6. At 1:30 Frank R. Phillips, president of Northwest Texas County Association, will discuss the "Aims of County Board Organization." State Superintendent L. A. Woods will speak on this program. Deputy State Superintendent J. D. Wilson and Miss Edgar Ellen Wilson, Second Assistant State Superintendent of Education, will also address this group.

The high school section will meet in the auditorium of the Education Building with R. B. Norman, principal of Amarillo High School, presiding. The program will include two thirty-minute addresses by D. D. Jackson of Lubbock, and D. M. Wiggins of El Paso. Mr. Jackson will discuss "The High School Curriculum," and Mr. Wiggins will speak on "Frontiers in Secondary Education."

Miss Elva Fronabarger, principal of the Canyon Elementary School, will preside at the elementary school section meeting in the main auditorium. Addresses will be made by J. C. Parker, Fort Worth; Donald McKay, president of Eastern New Mexico Junior College at Portales; and Willard W. Beatty, Bronckville, New York.

The agriculture section will hear P. G. Haines, State Director of Vocational Agriculture; discussion of Vocational Agriculture problems in the Panhandle by B. H. Hopkins, Hereford; and J. M. Hill, Clarendon.

District Home Economics Supervisor Esther Sorenson is chairman of the home economics section which will meet in Room 317 of the Administration Building. Lillian Peek, state director of Home Economics Education, will give the principal address.

Frank R. Phillips Addresses Potter Group Saturday

Frank R. Phillips, head of the agriculture department, was principal speaker at a banquet of the Potter County Teachers and Trustees Association Saturday night.

Miss Anna I. Hibbets, head of the primary education department, stressed nature study in an address to the group.

Mr. Phillips substituted for Deputy State Superintendent J. D. Wilson. He said teachers are poor demonstrators of what they are attempting to sell and urged that they study selling of education and ideas.

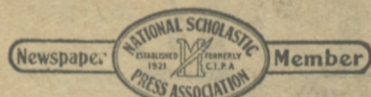

Low wages make hard times. And the man who makes \$500 a week and pays \$485 in taxes is getting low wages.

"You'd better look around and see if you can find some pictures," warns the compositor. "You've got to have something to fill up these holes." And something is always found.

Finally, the forms are ready for the press. The editor releases a mighty sigh indicating that he is much relieved to have it all over with for the week. Several copies are printed, taken by the editor and checked for errors, and returned to the pressman. Corrections made, the papers stream through the press, are fed through the folding machine, and then stacked and tied for delivery.

About 10:30, loitering students begin to confront the editor with, "Where are the Prairies? Haven't they been brought to school yet?" To all, the editor replies, "They'll be here soon," and heaves a final, relieved sigh when the business manager arrives with the papers and begins distributing them to the waiting students.

THE PRAIRIE

A WEEKLY NEWSPAPER

A weekly college newspaper published every Tuesday by the students of The West Texas State Teachers College, Canyon, Texas.

Entered on November 21, 1919, as second-class matter at the post office in Canyon, Texas, under the act of March 8, 1879.

Printed by The Warwick Printing Company.

GOOD MANNERS ARE ACCEPTABLE

A protest arose not long ago, because of etiquette and courtesy on behalf of the masculine gender.

Time about is usually considered fair play, and the tide has turned, but how about edging it slightly to another course?

At open house the girls play hostesses, but is it true in every sense? How about showing some politeness, such as: finding out the name of your guests and introducing them to other co-eds, and asking the young man against the wall to dance? He makes no more an attractive wall flower than you.

Then, there remains another point. Cut in, give all the men a break. Don't stick to a certain two or three. They are all your guests. What if they don't dance so gracefully, learning comes through experience. Who took patience with you?

If you know the demands of etiquette and courtesy, show it!

RECREATION HALL?

Much is being said these days about how to spend leisure time, but as yet, not much has been said about where to spend it.

Some of the students of W. T. make good use of the halls in the administration building, but even that has its disadvantages.

Not long ago a teacher was forced to step to the door of her classroom and remind a noisy group in the hall that they were disturbing.

Everyone agrees that all work and no play isn't good for a person. Students are not expected to study all the time and they do not.

Should the college provide them with a place to visit, play games, and pass away the time when they do not feel inclined to study?

Mrs. Johnston Has Charge of Excavation Project

Excavation in the Clarendon red beds, last year under FERA auspices, is now a WPA project under the direction of Mrs. C. S. Johnston, of Canyon. Eight experienced WPA laborers are employed in extracting the fossils which will be placed in the Panhandle-Plains Historical Society Museum here.

The latest discoveries include two or three kinds of horses and camels and several carnivorous animals that roamed the plains five million years ago.

Paleontology classes are assisting in preparing the specimens for display.

Mrs. Johnston stated that the people of Clarendon had been very helpful, especially Ed McAdams, who has done everything possible to further the interests of the school and museum.

COLUMN—

(Continued from first page)
thing is done. In the event that you have lost anything, pause long

enough to scan the bulletin board. It is likely to be there.

There is just one little bit of complaining that I want to indulge in this week. It hardly seems fair to reporters working for the Prairie to be obliged to pay admission prices to dramatic performances and other events of that nature in order to get their story. Publicity, even in the Prairie, is not refused by many organizations, nor does it do those organizations a great deal of harm. Surely, the resultant publicity is worth the price of a ticket given a reporter assigned to the story.

Likewise, book reviews are good advertising for the library. Reviewers object to being forced to rent the book in order to write the review.

Miss Mary Morgan Brown, Miss Isabel Robinson, Mrs. Laura Saunders, Miss Marian O'Brian, and Miss Hester Gates drove to Amarillo Wednesday night to see Katherine Hepburn in " Sylvia Scarlett."

Willie Isbell and Margaret Stockstill spent the week-end at their home in Pampa.

Milo Carson spent the week-end at his home in Pampa.

SONG of the SHEARS

BY BRADY MCCOY

In looking over the exchanges this week, we find in The College Star, of the Southwest Texas State Teachers College, at San Marcos, that Joe Hill, Jr., spoke there Wednesday on the Byrd Expedition.

From the write-up Mrs. Walter Acker got in The Campus Chat, she seems to be going over in a big way at North Texas State Teachers College, at Denton. She is the social director of Marquis Hall. An interesting feature in the regulations of the hall is the lighting system, there are no signal flashes and the girls may study as long as they wish, the lights being on at all times.

An interesting article appearing in The Collegian, under the head, "To Boil or Not to Boil."

And here is the height of something or other:

The Howard Payne Yellow Jacket doesn't know whether to feel complimented or to boil with rage. Here's why. All this year there has appeared in the Yellow Jacket a regular column called "Slime's Letter to Pa," written by Joe McDonough, sophomore. This feature has appeared every week. And every week the ACC Optimist has clipped the column and run it without giving the Yellow Jacket credit, and without bothering to change the content of the column at all, or at most very slightly.

A month ago the Optimist sponsored a contest to determine the most popular feature in the paper, and the column picked up from the Yellow Jacket won by a big majority!

Five members of the debate team of the University of Hawaii and their sponsor, will appear on the campus of the Texas Christian University, Thursday.—The Skiff.

Cosmic Pessimist
I was standing around waist-deep in hot water

Wisecracks and . . . Otherwise

Edited by Marion Hill

A prediction: An epidemic of one of the most serious and most universally contracted diseases is headed straight for the Campus of W. T. It is due to arrive as soon as Spring days consistently prevail. Certain symptoms have already been detected; in fact, some few students have had slight cases all year, in which cases, the affliction probably will grow more acute as soon as the epidemic hits. This sickness attacks both sexes, with no regard for either age or youth. However, it seems usually to be most prevalent in young people of college age, particularly from Valentine's Day till June. (It has been known to last a life time.) It is seldom deadly; but its persistence is alarming.

A person may no sooner recover from one attack than he is stricken again with equal force, or perhaps with even a more severe shock. So, it is almost impossible to build up an immunity. Sometimes individuals have thought themselves non-susceptible to its ravages, because of a callousness they have built as a protection about the heart. However, if the sickness sets upon them, it is known that ten times out of ten, this hardness entirely melts away and these individuals generally

The day they created
Creation.

First there was just mud and ooze,
And more mud.

Then
A little thing was born.
One-celled, no backbone, no
Brains.
The forerunner
Of all living things.

Amphioxus, shark, fish, snake,
Lizard, armadillo, whale, frog,
Dinosaur, plesiosaur, rex tyrannus,
And
A mess of other animals—oh, yes,
And Man.
I wish I'd stepped on it.

have worse cases than those who haven't tried to throw it off.

If you contract this fever, Miss Hickman can't do you a bit of good. Just wait awhile and it may wear off; if not, our advice is to visit a preacher.

It is rumored that old W. T. will soon have a College Dance every Saturday night.

The girl with the skin you love to touch—Margery Pruett.

Playing "leap-frog" in the hall on the third floor of Cousins Hall is the co-ed's latest delight.

We wonder about Grace McAfee and Deane Fletcher. Are they still each other's O. and O?

Seen about the campus: Zua Warner, very stunning in a red and black ensemble. . . . Virginia Hohaus and Henry Hauser of Amarillo walking blissfully over to Cousins Hall. . . . Kotton McGehee, the farmer from Wayside, back on the campus for a day or two.

Helen Boswell and Siler Faulkner seem to be around and about together again.

Marjorie (the "Problem Child") Warren's latest prank involves a hooped skirt and many petticoats. Hoops, My dear!

Stafford Hall gets this week's bouquet for a delightful open house. Congrats, gentlemen.

Zoe Odum (pardon the southern accent) and R. M. Thompson are being seen doing things together.

Boys and boys, Miss Margaret Cope is a good looker over at Cousins.

Imagine the look of consternation on the faces of Van Noy, Lee and Johnson the other day in Government class, when Forrester stated that athletics didn't draw more students to a school, but possibly more pupils. Sock!

Toby Waggoner, on bended knee we ask you to never again come to school sans oil on your hair. Alas and alack.

We have a pet hate on Fred MacMurry the hero of the films. After seeing "Hands Across the Table," Champ, Lou Ella McDade and your

Concerning Books

"Vachel Lindsay, a Poet in America," by Edgar Lee Masters, is among the new biography in the rent collection of the library.

Vachel Lindsay, his father a transplanted Kentuckian, grew up in Springfield, Illinois, with the "Mason and Dixon line going straight through my thinking." He lived on Lincoln lore, read Milton, fell in love with Eve, and like the

seething editor had to follow Mr. McMurry's example and play hopscotch in the hall. (The blocks are really lovely there on the first floor of the Ad. Building). Well, to make a short story long, our dignity is slightly bruised as a result of one hop that ended in a flop. Alackaday!

For Digestion's Sake—smoke Camels

A QUIET PICTURE of student life? That's the way it looks—but underneath, nerves may be seething and digestion askew from the long grind. Turn to Camels—they promote good digestion.

Smoking Camels Found to Ease the Strain and Promote Well-Being

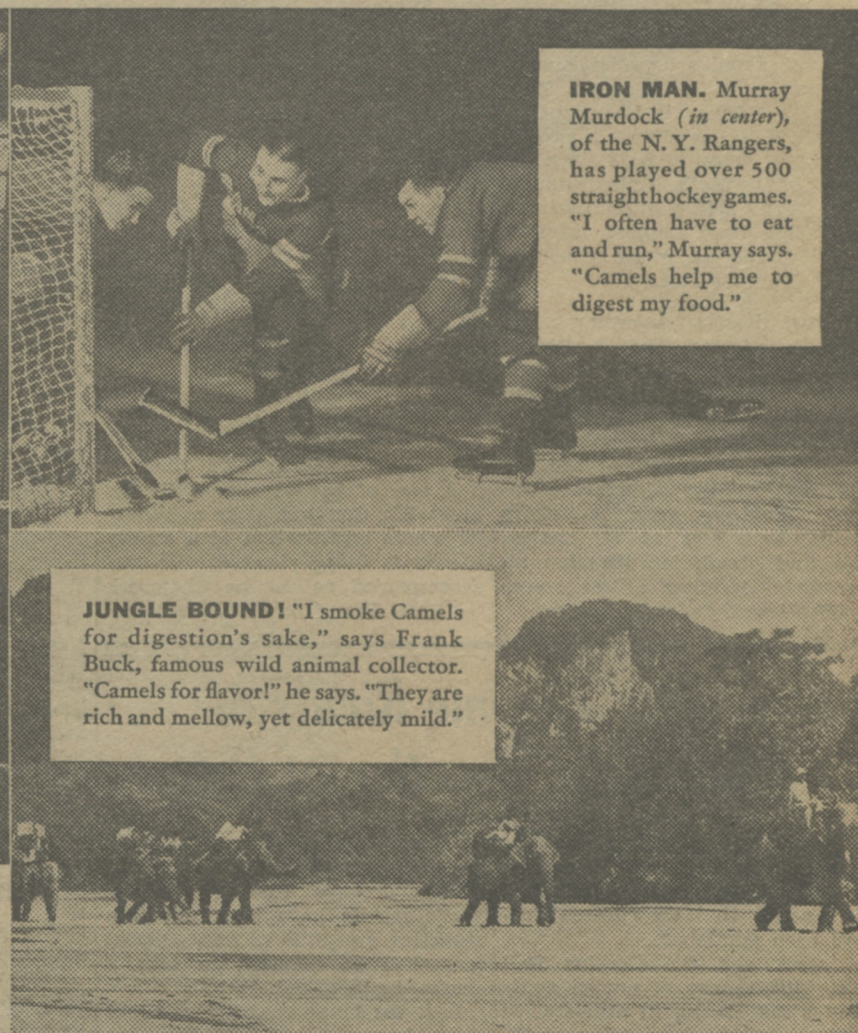

Life gets more complex. The pace grows faster. Where do we see the effects? Frequently on digestion, so often overtaken by the busy whirl! It is significant that smoking Camels has been established as a definite aid in promoting good digestion. You'll find it worth while

to turn to Camels yourself. They have a mildness that never grows tiresome. Make the pleasant experience of smoking Camels part of your daily life, and see how much more zest you have for smoking and how your digestion is measurably improved. Camels set you right!

And now we come to one of modern life's most gracious privileges—dining at Keen's English Chop House in New York...famous gathering place of those who enjoy good living. "We've noticed that patrons who appreciate

fine foods also appreciate fine tobaccos," says William, of Keen's. "Camels are a favorite here. We've noticed that our guests who smoke Camels during and after meals seem to find more pleasure in dining."

IRON MAN. Murray Murdock (in center), of the N. Y. Rangers, has played over 500 straight hockey games. "I often have to eat and run," Murray says. "Camels help me to digest my food."

JUNGLE BOUND! "I smoke Camels for digestion's sake," says Frank Buck, famous wild animal collector. "Camels for flavor!" he says. "They are rich and mellow, yet delicately mild."

BRIDGE PARTY CARRIES OUT PATRIOTIC MOTIF

Entertaining with ten tables of bridge, Misses Anna I. Hibbets, Darthula Walker, Ima Barlow, Ruth Cross and Mesdames Florence Fulton and Laura Saunders carried out the patriotic motif of red, white and blue at a bridge party held Friday night at the Kerr House.

An interesting scheme of decoration was carried out with a flag center-piece set in a gum-drop on each table; red, white, and blue table covers and napkins further carried out the patriotic idea.

To complete the evening of bridge, refreshments of individual cherry pies topped with whipped cream and coffee were served with a gum-drop and flag favor that further carried out the plan of decoration.

The guests attending were: Misses Jean Moore, Novella Goodman, Jennie Mae Elliott, Hester Gates, Florence McMurtry, Clara Normington, Orpa Dennis, Allie Dozier, Helen Lyles, Tennessee Malone, Fannie Malone, Helen White Moore, Mary Morgan Brown, Frances Usery, Hellen Hickman, Edna Graham, Pauline Brigham, Linnie Babston, Mattie Jordan, Jewel Foster, Isabel Robinson, Marion Normington, and Mesdames C. R. Burrow, Harris M. Cook, S. L. Ingham, Leon Lassers, Mary Sligar, Al Baggett, A. K. Goodman, Clifton Jarrett, C. A. Pierle, Mitchell Jones, F. E. Savage, T. C. Thompson, Burt Newlin, T. B. McCarter, and Louise Walker Brown.

WATKINS HOUSE GIRLS ENTERTAIN WITH PARTY

Girls at the Watkins House gave a Washington Birthday party last week. Decorations carried out the patriotic motif. Favors were candy logs with small hatchets attached.

Activities for the evening included games, bridge, ping-pong, and dancing.

Refreshments of angel food cake and punch were served to Ed Mayer, George Davis, Leslie Stitt, Leon Watkins, Oscar Hinger, R. T. McDaniels, John Hutchinson, Dean Story, Clois Vandergriff, Charles Reeves, Carl Prichard, Wesley Williams, Tom Slack, Craig Walling, James Dovelbiss, Warren Good, Leo Jackson, George Caviness, Clay Cooper, Bill Shackelford, Robert Lockhart, Sybil Payne, Helen Lill, Helen Goats, Katie Mae Burks, Emma Lewell Plunk, Levina Watkins, Norma Kidd, June Bieler, Ada Marie Harbert, Charlotte Hunt, Virginia Good, Isla Mae Donald, Esther Plank, Mary McKamy, Ermyle Hill, Mary Lou Vandergriff, Mrs. H. Williams, and Mrs. E. T. Watkins.

GOODWIN-BANDY WEDDING ANNOUNCEMENT MADE

Announcement has been received here of the wedding of Miss Vera Goodwin, daughter of Mr. and Mrs. W. R. Goodwin of Hagerman, N. M., to Mr. James L. Bandy of Decatur, Ill. The wedding was solemnized in Canyon, Nov. 2, 1935.

The ring ceremony was performed by Rev. Charles L. Dickey in the home of Mr. and Mrs. Harold McIntire.

The bride is a graduate of Hagerman High School and attended W. T. and New Mexico Normal University.

Mrs. Bandy is now teaching at Olive, N. M.

Mr. Bandy was a student in Illinois State University, W. T. S. T. C., and is a graduate of Capitol College of Pharmacy, Denver, Colo. At present, he is employed by the Fox Drug Co., Clovis, N. M.

DELTA KAPPA GAMMA TO HAVE DINNER

The Randall County members of the Delta Kappa Gamma will entertain the Potter county members at a dinner to be given at the Presbyterian church Friday evening at 8:30 o'clock.

Miss Isabel Robinson will be hostess to the group at the museum from 5:30 to 6:30 to see the Klepper collection.

After the dinner there will be a business meeting. Dr. Hattie M. Anderson will speak on "The Contribution of Women to Texas Independence."

COUSINS HALL GIRLS HAVE FORMAL DINNER

The girls of Cousins Hall entertained last Wednesday evening at 6:00 with their regular weekly formal dinner and open house.

After dinner, Miss Marjorie Warren, who had charge of the program, introduced the following: Miss Hope Bussey, who gave a piano solo; Miss Ruth Stapleton, a dramatic reading; and Miss Nell McNeely, a tap dance number.

Music for dancing at open house was furnished by the Kampus Katz. The girls and their guests continued dancing until 11 o'clock.

MISS CHARLTON GIVES DINNER PARTY

Miss Agnes Charlton entertained a group of her friends with a seven o'clock dinner party at her home Friday evening.

Guests were Mrs. Agnes Smith, Mrs. Tommie Montfort, and Misses Hellen Hickman, and Hattie M. Anderson.

Y. W. C. A. HOLDS MEETING WEDNESDAY AFTERNOON

The Y. W. C. A. program, with Miss Ada Lee Singleton in charge, opened last Wednesday afternoon at the college with a discussion on "Enlarging Christian Experience."

Miss Virginia Nell Kirk, Charlotte Tubbs, and June Weast gave talks emphasizing the fact that in order to enlarge one's experience, it is necessary to spread the proper spirit on the campus through such character building associations as the Y. W. C. A. Special music was furnished by Miss Freda Charles Bills with a series of piano selections.

Next week, the group will take up a new unit of study, "College Relations." The subject will be discussed for one month. Miss Mary Katharine Hutcherson will direct the new unit.

METHODIST YOUNG PEOPLE HOLD WASHINGTON PARTY

A George Washington party honoring forty-five Methodist young people was given in the basement of the Methodist Church last Tuesday night. Colorful decorations and costumes were displayed.

Games of shuffle-board, ping-pong, and other table sports entertained the group until refreshments of cherry pie and coffee were served.

Play night, as it is called, is a regular Tuesday night recreation for the Methodist college students.

ROBINSON ENTERTAINS WITH INFORMAL TEA

Miss Isabel Robinson entertained last Sunday afternoon with an informal tea.

The guests browsed through Miss Robinson's library and looked at prints collected in New England, England, and on the Continent.

Tea was served to Misses Hester Gates, Betty Zelley, Marian O'Brian, Fae Wheeler, and Frances Goodger.

FILES-REED WEDDING ANNOUNCED RECENTLY

Announcement has been made of the wedding of Mr. Aln R. Reed, '33, and Miss Faye Files, '33, at Chillicothe, Texas. They will be at home to their friends at 3479 McFarlin Boulevard, Dallas.

Mr. Reed has been a student of S. M. U. recently.

Mr. and Mrs. J. L. Duflot, Miss M. Moss Richardson, and Miss Edna Graham were dinner guests of Dr. and Mrs. A. M. Meyer, Sunday.

Plan now to meet your friends at Mike Nite, March 13.

STAFFORD HALL HAS FIRST OPEN HOUSE

The men of Stafford Hall were hosts at the first open house Friday evening at 7 p. m. About forty girls were present. The boys selected partners for the first dance, and the girls tagged on the encores.

"Dusty" Brown's Kampus Katz furnished the music.

Girls, here's your chance! Open house will be held every Friday evening.

MRS. REEVES, MRS. WORD GIVE PARTY

Mrs. T. V. Reeves and Mrs. Millard Word were hostesses to a group of girls at Mrs. Reeves' home Saturday evening at 8:00. Mrs. Word told fortunes while the group played bridge.

Refreshments were served to Misses Nell McNeely, Geneva Sue Benton, Inez Storey, Eddis Lee Powell, Patricia Wederbrook, Genevieve Simmons, June Day, Grace Burrow, Marjory Day, Charlotte Tubbs, and the hostesses.

Try Your Guesser

Tall, slender, blond; seen much with boy having same first name; has alarm clock to turn off radio in his room; a boy well worth knowing; popular dancer; lives in the new Men's Reformatory.

Mentioned in gossip column last week; new member of orchestra; very pretty; quiet and dignified; brother popular student here once; Pi Omega.

Hangs around Band house very much; serious (on the surface); parts blond hair in center; trombone specialist; first and last name starts with eighth letter in alphabet; good guy; Kampus Kat.

Long, sleek, dark hair like R. F.; unusual voice; pert nose; wears a different coat every day; upper-classman; big tease and lots of fun; commutes.

Celebrated highly with money made in game not so long ago; Try Preacher's Hair Tonic; Amarillo student; athletically inclined; is good roommate in Buffalo Courts.

Dynamic appearance; teaches students not to B Flat; short of stature; well-liked and respected; helps bring famous people to this institution; dark eyes and platinum wig.

Answers to last time: Leo Duflot, Ruth Haney, Dudley Taylor, Iris Gillis, R. L. Thomas, and Prof. Lassers.

Pipe smokers glad they tried P. A. on Money-Back offer!

THAT OFFER SURE 'SOLD' ME!

"I've done a lot of pipe smoking," says Dick Colligan, '38, "and Prince Albert is the ideal, in my opinion. It's very mild—makes a very nice cake in the bowl—tastes mellow and cool." Try Prince Albert yourself. See free offer below.

FROM NOW ON PRINCE ALBERT IS MY ONE-AND-ONLY

"I've never found Prince Albert's equal for taste. And I get around fifty pipefuls out of every big two-ounce tin," says George Beekman, '36.

PRINCE ALBERT RATES FIRST ON MILDNESS AND FLAVOR

"P.A. is the answer to this pipe-smoking business," says Donald LaCasse, '39.

TRY 20 PIPEFULS AT OUR RISK

Smoke 20 fragrant pipefuls of Prince Albert. If you don't find it the mellowest, tastiest pipe tobacco you ever smoked, return the pocket tin with the rest of the tobacco in it to us at any time within a month from this date, and we will refund full purchase price, plus postage. (Signed) R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

PRINCE ALBERT THE NATIONAL JOY SMOKE

KTAT Broadcasts Poems Written by W.T.H.S. Students

Monday afternoon at 3:30 o'clock poems written by W. T. Training School students were broadcast over KTAT from Ft. Worth.

The Tardy Publishing Company of Dallas, under direction of the Texas Centennial Committee is printing a book of poems written

by Texas elementary students and the poems of twelve W. T. Training School students will be used. The youthful authors are: Clavella Bolling, Tennessee Whittenburg, Lois Marie Baker, Lela Louder, Mary Lang, Fern Byars, Evangeline Baker, Billy Norman, Nell Green, Marcia Batchelder, Mary Claire Barnett, and Katherine Knighton.

Mrs. Frances Coffin Boaz is compiling material for this anthology. Some of the best poems submitted were used by the Ft. Worth station in the broadcast Monday.

Jack Veazey went to Lubbock Monday to present Miss Margaret Hard at the formal initiation of pledges into the Las Chapparitos club. After the acceptance of pledges, the club members and their escorts were entertained with a dance in the ballroom of the Hilton Hotel.

Friday the 13th will be your lucky day if you come to Mike Nite.

Mary Louise Burchett spent the week-end at her home in Dumas.

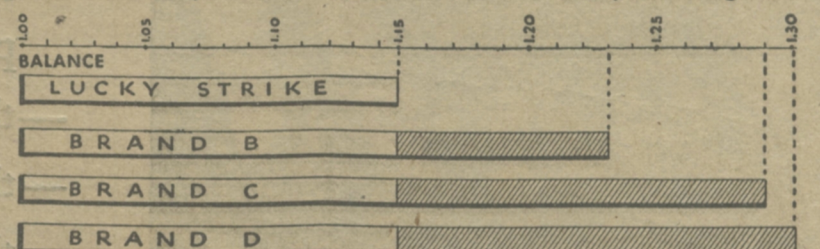

Luckies — a light smoke

OF RICH, RIPE-BODIED TOBACCO — "IT'S TOASTED"

Luckies are less acid

Excess of Acidity of Other Popular Brands Over Lucky Strike Cigarettes

CENTER LEAVES

The top leaves of all tobacco plants tend to give a definitely harsh, alkaline taste. The bottom leaves tend to acidity in the smoke. It is only the center leaves which approach in nature the most palatable acid-alkaline balance. In LUCKY STRIKE Cigarettes the center leaves are used.

LUCKIES ARE LESS ACID!

Recent chemical tests show* that other popular brands have an excess of acidity over Lucky Strike of from 53% to 100%.

*RESULTS VERIFIED BY INDEPENDENT CHEMICAL LABORATORIES AND RESEARCH GROUPS

Riley

The Cowboys are here now, and next week the Globe Refiners are coming. Today we are gazing at some of Texas' greatest athletes and next week we'll be gazing at some of America's outstanding cage personalities. In the H-S Cowboys the Buffs are facing a mountain of opposition and the traditional rivalry of these two clubs is enough to write home to Mom about.

Sad to say, the Yearlings now know the sting of defeat. But this is not to be grieved at when you consider that the Jackrabbits pounced on Randolph Junior College by a 100-47 score last week, and Randolph is conceded to have a fair ball club. I am reminded that the Yearlings play their concluding game Thursday against the Badgers. Let's go out and support these up and coming "Buffaloes of Tomorrow."

Well, the mat-men fared pretty well against the Cadets. Stina Cain and Waggoner came through with the old poporific punch. Caviness and Horton jumped in with the bacon to breeze through with falls. Coach Jennings will return with his stable of scrappers to Roswell this week-end to take part in the Southwestern Mat Tournament.

The intramural basketball is moving steadily toward an exciting climax. As it swings into the final lap, the Canyon Ex-Eagles are pacing the field with an untarnished record. Four teams will participate in the final go-round to be determined on a percentage basis.

And the Courts handball tournament rages on. No two persons have roosted on the top-rung for two consecutive weeks. For awhile it appeared that Leo Jackson would reign supreme—and bang—the unheralded Frank Van Noy rose to take his share of the glory. And now the thin-haired Dutchman has been supplanted by Bill Blaine. Who will be next—the fight goes on.

W. T. Matmen
To Participate
Roswell TourneyCain or Waggoner Will
Fight Ferocious
Chairmonte

Coach Herschel Jennings and his crew of rough and tough matmen will embark Thursday for Roswell, N. M., to enter N. M. M. I's invitation Golden Glove Tournament.

Two weeks ago the boxing and wrestling teams went to Roswell and whipped the cadets in a fancy fashion. Since their victory the Buff team is favored to win the tourney.

Those who will make the trip will be: Boxing: 115-weight, Wendell Cain; 125, Bailey; 135, Purcell; 145, Cox; 155, Darr or Watkins; 165, Stina Cain; 175, Slack; heavy-weight, Toby Waggoner. In the wrestling: 125, Calloway; 135, Gordon; 145, Murry; 155, Jennings; 165, Horton; 175, Caviness; heavy, Jackson.

Individual medals will be given to the winners and runner-up for each weight, and tournament cups will be given the winning teams.

Besides West Texas and N. M. M. I, Texas Tech, Eastern New Mexico, New Mexico U., and New Mexico A. & M. will be among the teams entered in the tournament.

A feature of the tournament is that Chairmonte, N. M. M. I's threat for champion, will box either Stina Cain or Toby Waggoner, who won their battles with knock-outs at Roswell last week.

Yearlings Lose To
Wayland Cagers
In Game Tuesday

After getting off to a bad start the W. T. Yearlings failed to hit their stride and suffered their first loss of the season when they dropped to the Wayland College Jackrabbits by a score of 41-28.

Presenting a revamped lineup, with the addition of two shining lights, the Jackrabbits opened a basket barrage in the first session which at one time found them with a 17-2 lead. At mid-time they led 20-12. The Wayland crew returned in the final canto, playing a consistent, aggressive type of ball which never found them in real danger throughout the game, and the taller Yearlings came out on the short end for the first time in eight starts.

Saul, Wayland forward, garnered the wreath with a total of 17 points. He was seconded by Duffey, Rabbits guard, and Shackelford, Fish center, who collected ten each.

The box score:

Yearlings (28)	fg	ft	pf	tp
Johnson, f	3	0	0	6
Neilson, f	1	0	1	2
Arthur, f	0	0	0	0
Hayes, f	1	1	2	3
Shackelford, c	4	2	1	10
Speer, g	0	1	2	1
Cullender, g	2	0	1	4
Watkins, g	1	0	1	2
	12	4	8	28

Wayland (48)	fg	ft	pf	tp
Saul, f	7	3	2	17
Cravo, f	1	1	2	3
Duffey, c	5	0	1	10
Wood, g	2	0	2	4
Stevens, g	2	3	3	7
	17	7	10	41

Meet The Buff
Regulars

Willie Boedeker, Lockney. Captain of the ball club; is playing his third and last year with the Buffs. Good floor man coupled with a "charge in" for crisp shots that makes him a valuable man. He has scored a total of 208 points in 25 games for an average of 8.32 points per game.

Conway Butler, Turkey. Playing his first year; excellent ball handler; has a two-hand over-head push shot that is very accurate. Has wonderful possibilities, but lacks experience. Butler has scored a total of 91 points for an average of 3.88.

Lawrence "Butch" Clark, Turkey. "Butch" is playing his last year with the Maroon and White. Letterman in 1936. His deception and finesse working at top speed has been a great asset to the squad. He boasts of 97 points for the season.

Curtis Clement, Wellington. Senior, playing forward for his third and last year with W. T. Fast, a hard worker with plenty of fight. His 144 points mark him as one of the high scorers for the year.

George Ray Colvin, Turkey. Second team All-American Guard of the 1935 A. A. U. tournament at Denver. Exponent of the "cram shot" and one of the best defensive men that ever donned basketball togs. His offensive ability is also ascertained by the fact that he has scored 270 points to lead the pack with an average of 10.8 points per game. Colvin answers also to the nickname of "Daddy" because he

Buffaloes Trounce Cowboys
43-41 In Thrilling Tilt Here"All-American" Colvin
Wins Honors With
19 Points

Starting mildly, but gaining momentum as the game progressed, the Buffaloes punched a hole in the traditional dope-bucket, last night, and presented one of the most colorful cage dramas ever staged in Burton Gym to upset the Cowboys of Hardin-Simmons to the jingling tune of 43-41.

Nonchantly, scientifically, and almost miraculously, the Buffaloes of Al Baggett went on a thundering tour last night and collected their seventh consecutive victory. An estimated crowd of 1200 echoed their approval of George Ray Colvin's dynamic scoring punch as he personally ran away with the offensive laurels to rope 19 points. He was seconded in this capacity by Carl Benson, push-shot artist, who accounted for nine counters. The defensive work of "Butch" Clark created much comment as he rushed in to intercept numerous passes.

From the moment that Glover, tall Cowboy tip-off man, started the parade with an overhead looper, the gymnasium was almost a bedlam. The Buffs piled up a 19 to 8 lead in the opening ten minutes of play, but at this point

is the proud possessor of a small daughter.

the worm turned when the hapless Buffalo leader, Willie Boedeker, left the game on fouls. Here the polished Cowhand trio—Benson, Callaway, and Harris—connected with indescribable accuracy to whittle the Buffalo lead to 25-22 at the intermission.

The visitors returned in the final canto with a barrage of shots and pulled four points ahead of the Bison herd. Colvin again came to the rescue when he sank an unorthodox backward flip shot to restore the Buffs' morale.

With three minutes to play, the score stood at 39-39 as Substitute Dickerson, making his debut with the Buffaloes, sank a southpaw push shot to alleviate the suspense. But Captain Harris retaliated, and the situation was repeated. A sigh of relief was audible as Craig "Red" Walling, substitute guard, scored the tip-in that ultimately proved the margin of triumph while the scoreboard blazoned the glorious tidings that the Herd had gored the Cowboys in a game that will long be remembered in W. T. basketball circles.

Following is the box score:

Cowboys (41)	fg	ft	pf	tp
Benson, f	4	1	2	9
Harris (c), f	2	3	2	7
Glover, c	2	0	2	4
McCollum, g	2	3	4	7
Torry, g	1	0	0	2
Callaway, g	3	2	4	8
Reeves, g	2	0	3	4
	16	9	17	41

Yearlings Prepare
To Meet Badgers
Here Thursday

With the first set-back of their current cage season still ringing in their ears, the Yearlings will entertain the Badgers of Amarillo Junior College Thursday night at eight o'clock in Burton Gymnasium.

This will be the fourth meeting of the two clubs and will mark the final home appearance of the Frosh. Next week they will journey to Portales, N. M., to match shots with the E. N. M. N. C. in a double header to close the season.

With Lloyd Johnson, fish forward, still laid up with an injured ankle, Coach Bob Cox will probably send Shackelford, Arthur, Hays, Cullender and Speer as starters against the invading Badgers.

Buffaloes (43)	fg	ft	pf	tp
Butler, f	1	0	2	2
Davis, f	1	1	0	3
Clement, f	0	2	4	2
Dickerson, f	2	0	3	4
Colvin, c	7	5	2	19
Boedeker (c), g	3	1	4	7
Clark, g	0	3	2	3
Walling, g	1	1	0	3
	15	13	17	43
