

Bufs are Honored in Chapel on Thursday; Sheffy Tells Plans For College Day at Amarillo

Baseball Crew Cheered By Students in Chapel When They Are Introduced By D. A. Shirley; Sheffy Tells of Education Day Plans for June 22.

The college spirit, characteristic of W. T., waxed strong on last Thursday, May 13th, during the chapel period, when Mr. Shirley called to the platform, the 1926 baseball team. Amid a roar of applause the Bufs filed up and occupied the honor seats.

Last week marked the close of a very successful season for the Buffaloes. They turned in a record of eleven victories out of twenty games. Each member of the team was greeted with a great outburst of cheers when they were presented to the student body.

Eleven men earned letters in baseball this year. They are: Homer Johnson, Ray Bivins, Felix Phillips, Wayne Boone, Reagan Harrell, Ross Tate, Gilbert Hill, Earl Elkins, Clifford Keith, Elbert Gee, and Raymond Wilson.

During the last half of the period, Prof. Sheffy fanned the, already burning fires of enthusiasm for our Alma Mater. He presented plans for the great College Day at the West Texas Chamber of Commerce convention, which is to be held at Amarillo, June 21st, 22nd, and 23.

The third day of the convention has been designated as College Day. He named eight West Texas colleges which he knows will be represented at the convention. They are: Simmons, Abilene Christian College, McMurry, Howard Payne, Texas Tech, Wayland, Clarendon, College, and West Texas State Teachers College. W. T. has the greatest student body of any of

HILL TO SPEAK AT PARK MEET

Mrs. T. V. Reeves Will Also Talk at the Conference

President Hill and Mrs. T. V. Reeves will speak at the Regional Park Conference to be held at Amarillo, May 18 and 19.

The Conference will be for the purpose of establishing a regional park on the Palo Duro Canyon. The committee for the Canyon Chamber of Commerce with Mr. C. W. Warwick at its head will also go to this meet to present the case.

The subject of President Hill's address has not been announced. Mrs. T. V. Reeves will give her address on "Birds of the Panhandle." All persons going from Canyon think that it is essential that this district have this park in order to entertain visitors and to give the students of the college an insight to outdoor life.

HILL'S RETURN IS CHEERED IN CHAPEL

President Tells of Board of Regents Meeting He Attended While In Austin Last Week

A roar of applause arose from the student body last Friday morning at chapel period, when President Hill ascended the steps to the platform. The smile with which he greeted the students and faculty was sufficient proof that he shared in the joy of being at home again. He took a few minutes to tell of his trip, and spent the remainder of the time reporting the results of the recent meeting of the Board of Regents, which he attended while in Austin.

Extemporaneous Speakers Chosen by Cousins

At the regular meeting of the Cousins Literary Society, Friday, May 14, the extemporaneous speakers were chosen to represent the society in the inter-society speaking contest to be held Saturday night, May 21. In this tryout there were a number of good speakers and all gave good speeches. After an interesting and well carried on contest, James Wilson, who spoke on "Women in the Business World," were chosen to represent the Cousins and C. W. West, who spoke on "Politeness."

ADAMS SISTERS GIVE RECITAL

Hallie and Vivian Adams Presented By Music Department

Miss Hallie Adams of the Violin Department of Music was assisted by Miss Vivian Adams, Pianist, in a recital Friday afternoon, May 14, at four o'clock, in the College Auditorium.

The program opened with the Sonata op. 8 Allegro con brio, by Greig. Next was a "Morris Dance" and "Shepherd's Dance," by Edward German. The two numbers were taken from Shakespeare's "Henry the VIII."

Miss Vivian Adams gave a piano selection, "Nocturne" op 54, No. 4, by Greig.

The last group for violin and piano included:

Kinawiak (Mazurka)—Wieniaski.

Elegie—Massenet.

By the Brook (serenade)—René de Boisdeffre.

Maiden's Wish Waltz—Chopin-Macmillan.

To Spring—Greig.

The numbers "Kinawiak" with the two parts carried so skillfully by the performer, and "To Spring" won special favor with the audience.

The Misses Adams were presented with two lovely bouquets of flowers by Virginia Griggs.

EXES ACTIVE IN TEACHERS BODY

Many Ex-students Enrolled in State Teachers Association and Are Aiding the Work

Ex-students of West Texas State Teachers College are doing good work for the Texas State Teachers' Association, according to reports seen in the Texas outlook. Among ex-students who are in administrative positions and who have enrolled their teachers 100% in the State Association are R. A. Burgess, superintendent at Childress, Nannie P. Howell, principal at Corlema, C. R. E. Weaver, Knox City, H. O. Smith, Superintendent Muleshoe, Joe R. Humphreys, superintendent Pecos, H. A. Glass, principal Junior High School, Wichita Falls.

One teachers college in Texas has a senior class aff of whose members belong to the State Teachers Association.

Third Society Contest Comes Next Saturday

The third quarterly inter-society contest will come next Saturday night. This will be a contest in extemporaneous speaking. This is the first clash of its nature to be held between the societies, but due to the extensive study required by a debate, the four societies came to a mutual agreement upon this kind of a contest. Each society will have a try-out and chose two speakers. One hour before the contest the speakers will be given a list of subjects from which to choose. Colleagues may confer with each other concerning their topics. Each contestant will have six minutes to deliver his speech.

ANNUAL EXES BANQUET SOON

Reservation Must Be In By May 23 For Place

The annual ex-student banquet which will be held Tuesday night at six o'clock at Cousins Hall promises to be one of the best in the history of the Ex-Students Association, according to officers in charge. Due to the wide range of correspondence which the committee in charge is carrying on it is thought that the many out-of-town exes who are planning to be here will insure a record-breaking attendance. At five o'clock the annual business meeting will be held in Room 108, and the officers are requesting that all ex-students attend this meeting. The transaction of some very important business is scheduled to take place at this time.

In the banquet program the committee promises several super-attractions. All county organizations represented will be heard from during the evening, and each degree class with members present will make a contribution to the program. It is expected that these features alone will add a unique flavor to the evening's entertainment. Mrs. Tommie Montfort, president of the Association will preside at toastmaster.

Banquet tickets, priced at \$1.00 are on sale now. All reservations must be made before May 26, the committee reports.

CADETS NOSED OUT IN FINAL

Johnston Hurls Well After Harrell Goes 12 Frames

The opportune slugging of the Bufs combined with the masterful twirling of Buck Johnson, who allowed but six safeties and retired nine Cadets via the whiff route aided the hard fighting Herd to annex the last combat of the season 5-2 in a six inning affair that was rained out in that frame.

Three sharp bingles in the initial inning netted two tallies for the home team, but the Cadets came back in the third and knotted the count. In the last half of the fourth and the first part of the fifth, rain sent the spectators scampering for shelter. However, the Bufs fearing that the shower would end the game with the score tied, staged one of their typical rallies in the fifth and sixth, and drew into the lead 5-2.

Buck's hurling was the feature of the day. He refused to allow the Cadets an earned run, the two which they got resulting from errors. This game gives the Bufs a total of 11 victories in 19 games.

Freshman Have Chapel Program Due on May 20

The Freshman class will have charge of the chapel exercises on Thursday, May 20th. The program will be a pageant, representing the freshman class as it has developed throughout the year. The purpose of the pageant is to show the students and faculty how, last September, green, high school students came in from the various schools over the Panhandle and planted themselves in the sod

REEVES DONATES SALE BOOKS TO SCHOOL LIBRARY

VOLUMES FROM LIBRARY OF JUDGE J. W. SALE ARE PRESENTED TO THE LIBRARY

150 VOLUMES OF SALE'S BOOKS GIVEN

Educational Philanthropist Had a Library of 6,000 Volumes Which Have Been Distributed To Colleges

Mrs. T. V. Reeves has made the most valuable contribution to the College Library that has been given this year.

The gift consists of 150 volumes of the best literature and history. Mrs. Reeves received the books from her uncle, Judge J. W. Sale, deceased. Judge Sale had a private library of six thousand volumes. At his death he left the books in charge of Miss Ella De Daun, who distributed them to various places. The books have been given to schools in particular. Several mission schools have received a goodly number. Other colleges over the country have also been given books.

There is something especially interesting about Judge Sale. When he was a small child, a noted physician, because of a mistake, caused young Sale's arm to be severed. The doctor was so grieved that he took it upon himself to educate Sale. The physician sent the youth through school and the Law College of the University of Wisconsin. After Judge Sale was established in business, he had from one to four in school or college at all times. He has educated a great number. He took no pay, but asked the lucky ones to pass the favor on to someone else.

BUDGET ITEMS ARE APPROVED

Hill Reports Approval of Budget By Regents At Austin

President J. A. Hill has just returned from a trip to Austin where he attended a meeting of the Board of Regents of which Judge M. O. Flowers is president. Our proposed budget for 1927 was presented to the Board. Every item in this budget was accepted unanimously. They seemed highly pleased with the enormous growth of W. T. S. T. C. which has, in the past nine years, 240.5% increase. They congratulated President Hill upon the kind of teachers which the school was producing and upon the service which it was rendering to the surrounding territory. Members of the Board especially approved of the interest which teachers from this school showed in all community activities. With the support of this group of men, W. T. S. T. C. stands a good chance for a well-rounded budget for 1927.

Judge Henry Paulus, Youkum; A. B. Martin, Plainview; and A. B. Mayhew, Uvalde, all members of the Board of Regents; will attend the West Texas Chamber of Commerce Meet, June 21-23, in Amarillo. They plan to visit our school and investigate our plant at that time.

Words and Music of "Alma Mater" Printed

For the first time in the history of the Institution the words and the music of the Alma Mater have been put together and published. The sale of these printed copies went on in the halls several days last week and has been sponsored by the Senior Class.

This will serve a big purpose in familiarizing the students more thoroughly with the official college song. A copy can be kept as a souvenir by the students and the spirit of Alma Mater can be better preserved.

CINDERELLA IS PRETTY FEATURE

Osgood's Play Directed by Betty Smalley Scores Success

"Cinderella," the sweetest story ever told, was presented by the Junior Dramatic Club before a very appreciative audience in the College Auditorium last Thursday evening.

Mr. Osgood's ability as a playwright was strongly evinced in the construction of the play and in the harmony of phrasing.

Much credit is due to Miss Betty Smalley, under whose tireless direction the play was made a thing of beauty. To produce such a play as "Cinderella" taxes the resources of the director. It must be said that Miss Smalley rose to the occasion in every instance. Her handling of details was especially well done. The Canyon High School is to be congratulated on having secured Miss Smalley's services for next year.

The members of the Junior Dramatics Club are to be complimented on their interpretation of the parts assigned them. Bessie Thomas as Prince Charming played with a nice understanding of the role. Of her we anticipate great things in the field of dramatics.

Allene Swafford gave to the part of the Fairy Berylune a sympathetic interpretation that brought the part well to the fore.

The honors of the evening fell to Beth Pitts in the title role. Her Cinderella, was all that fondest dreams ever made her. To have missed seeing Beth as the timid kitchen wench and then as the lovely Princess of the Silver Isles is to have missed a rare treat indeed.

The setting and costumes were entirely adequate. Lighting effects and music added greatly to the beauty of the production.

SAVAGE STUDIES RURAL SCHOOLS

High School Official Praises Floyd Co. Schools

Recently Mr. F. E. Savage made a trip to Floyd County to study the school situation. The result of this investigation showed that the school facilities of Floyd County rank near the top among other counties of this district.

The city schools in Floydada and Lockney have a total of forty-six at Floydada and twenty at Lockney. It is interesting to note that forty three percent of the teachers of Floydada and forty-five percent of those at Lockney are ex-students of this college. The superintendent of the Lockney school, W. D. Biggers is also an ex-student.

The rural schools are more improved than the average. There are only three schools which have one teacher; eleven schools have two teachers; and four schools have four teachers. Of this total of thirty rural schools, nineteen have brick buildings. This is a decided move toward the development of the rural school conditions of the state. Half of these schools are provided with teachers homes. The teachers in the rural schools number seventy-seven. Ninety percent of these teachers hold first class certificates or better, and fifty per cent of them are ex-students of the College.

Such improvements as Floyd County has been inaugurated under the leadership of an ex-student, Mr. Price Scott, county superintendent of schools. Mr. Scott's work is highly commended by Professor Savage. Other counties should follow the example of Floyd in the betterment of schools, building, and in the employment of able teachers, Mr. Savage thinks.

The San Marcos Bobcats won the annual T. I. A. A. meet at Eagle Park, Denton, Friday and Saturday with a score of 50 2-3 points, only beating out the Denton Eagles by an eight point margin, the Eagles getting 42 3-5. Canyon took third place with 37 1-5 points. The Eagles won both the first and second places in the tennis doubles, and third in the singles. Baker, of Nacogdoches, won the tennis singles championship and Jenkins of Canyon was second.

Beginning at seven o'clock a banquet was given in the basement of the Methodist church for all athletes, coaches, and officials of the meet. The treat was pushed by the Chamber of Commerce of Denton.

100 yard dash—Brite, S. W. T., Keith, W. T., Pluenneke, S. W. T., Sportsman, N. T. Time 10 2-5 seconds.

One mile run—Morton, S. W. T.; Turner, W. T.; Dawkins, A. C. C.; Gilbreth, N. T. and Kincannon, S. H. tied for fourth. Time 4 minutes, 38-7 seconds.

220 yard dash—Brite S. W. T.; Sportsman and Keith tied for second; Pluenneke, S. W. T. Time 22 2-5.

Shot—Wright, S. W. T.; Ray S. F. A.; Sanders, S. H.; Ward, S. W. T. Distance 39 feet, 9 inches.

120 high hurdles—Hill, Canyon; Vance, San Marcos; Daily, San Marcos; West, Denton. Time 16 2-5 seconds.

440 yard dash—Noah, Denton; Lewis, Denton and Clauch, S. F. A. tied for second; Vaughn, Can. (CONTINUED ON PAGE FOUR)

SENIOR GIFT READY MAY 31

Class Plans Dedication on Senior Day Coming May 31

Work started some time last week on the Senior Gate. The gate is located at the south entrance of the campus and will command an impressive view when completed. C. Shuman, the contractor, states that the gate will be completed by May 20th. Work is being rushed in order that the gate will be ready for presentation by May 31st, Senior Day. The class of '26 is to be complimented on the fact that it is the first class in the history of the school to have its gift ready for presentation before the end of school. The gate is made of the same style brick as the main building, set on a concrete base, and will be about fifteen feet high by thirty feet long. When completed, the gate will cost approximately \$360.

OSGOOD READS AT ASSEMBLY

James Whitcomb Riley Subject of English Professor in Program on Wednesday

Mr. L. A. Osgood of the English department furnished a very interesting and educational chapel program Wednesday morning. His subject was James Whitcomb Riley. He discussed Riley's early life and his later poetic instinct. Mr. Osgood said, "Riley's best poems were written in appreciation of the child's life," and he made this statement more emphatic by reading some of Riley's poems. He read "The Happy Little Cripple," "Old Aunt Mary's," "The Runaway Boy," "Waiting for the Cat to Die," and "Dot Little Boy of Mine."

Memorial Day Services

Circumstances are rather peculiar in regard to Memorial Day. The Commencement exercises will be in full sway. The exercises of the morning will be as announced before. In the afternoon the band will play a concert. At sunset Troop No. 1 of the Canyon Boy Scouts will have a flag ceremony.

Freshman
Accomplishments

The freshman class as a whole
has done two extremely noteworthy
things during the past year. To
begin with, the class of '29 initiated
the green cap system. They
did away with the ancient tradi-

tion of class fights. Instead of
having unclean sport the freshmen
decided that it would be better to
have clean competition. Of course
many remarks were made about
the procedure, such as taking can-

dy to mother and the like, but
consider the source. On the other
hand, the truth of the matter is
that all persons who did howl were
the ones that were beaten good
and proper at their own game and
hated to admit it.

Then the Freshmen showed
themselves on the football field.
Five of the nineteen football let-

ter men in 1925, Clifford Kieth,
Hardin Boyles, Robert (Tige) El-

kins, Lawrence (Bud) Bagwell and
Alton Key, are Freshmen. Delbert
Lowes, Ben Pearson, and Leon
Reeves are Freshmen Basketball
letter men. The Freshmen class
was represented on the baseball
diamond by Robert Elkins, Clif-

ford Keith and Raymond Wilson.
Edmund Dyche is a tennis shark,
and he is also a Freshman. The
Freshman class is not slow by any
means, for there are Willie Ben-

nett, Delbert Lowes and Milton
Sanders representatives of the
"Green Caps" on the Buffalo Track
Team.

The Freshman class is not only
a class of athletes; it is well rep-

resented in the intellectual phases
of the student activities. Two of
the intersociety contestants of this
year, C. W. West, and J. D. Gam-

ble are freshmen. Four of the
College Debaters, Alva Beach,
Ruth Irwin, Willard Vineyard, and
C. W. West, were chosen from the
freshman class. But that isn't all;
for how could the upper classmen
get their College newspaper every
Tuesday morning if it were not
for the "Green Caps" bobbing up
in the nick of time with the news.

Three of the four issue editors
of The Prairie, C. W. West, Ed-

mund Dyche, and Rosser Rudolph,
wear green caps, and they have a
following of society writers, Mil-

dred Hucksby; three sport writers,

Hardin Boyles, Elmer Sadler,
Hugh (Judge) Landis; and a re-

porting staff consisting of John
Stapleton, Ruth Irwin, and Noel
Lott. Thomas Bice added another
honor to that of the Freshman
class by winning first place in the
T. I. P. A. contest in familiar es-

say with his essay "The Green
Tram." Not so bad!

The Need for a Library

We want a new Library. We've
spent too much of our valuable
time waiting for our table to be
called so's we can get our book.
After all we'll be here longer than
anybody else, and will get to use
the new buildings more, so why
shouldn't we have a say-so about
what buildings shall be built? Of
course, we need other buildings—
training school, and science, and
education,—but lets not forget the
Library. Only part of the student
body uses each of these buildings,
but everybody uses and enjoys the
Library. It is necessary for the
study of each subject, (remember
your term themes, outside reading,
etc.) so isn't it just as important
as any one of the other depart-

ments? Seems like it is, to us.

Here's a few statistics based on
the standard amounts required on
the basis of the Winter Enroll-

ment. Read 'em and weep—
For the reading, reference, and
periodical rooms, which are com-

bined in our present library, the
standard size is 7,900 square feet.
We have 1,204,—less than 1-6 the
standard number. We can accom-

odate 75 students in our reading
room. The standard number of
readers who should be accomodat-

ed is 350. Now you know why you
have to fight over chairs in the
library. Of the 1,000 students en-

rolled, 75 of us may be accom-

odated at one time.

So, talk it up, students, talk it
up. We need a Library and don't
let anybody forget it. Upper-class-

men, we're giving you a chance to
do something useful around this
campus, so rally 'round. Don't be
timid to express yourselves just
because the idea was originally
ours. Most of them are anyway,
you know.

Change in Bookstore Policy

June 1, will mark a change in
the policy of the bookstore. Col-

lege books will be sold and not
rented after that date.

The High School will receive
books from the State; though
there are some used that the State
does not furnish. All books must
be bought by the college students,
and several that are now rented
can not be resold.

"When you get a law passed
that every man, woman and child,
every industry and bank account
will be mobilized the instant war
is declared—there won't be any
more war!"—Major-General Ed-

wards.

Allie Hanna, of the Pueblo, spent

Pessimism

Term themes are beginning to
get serious, now, ain't they? We've
got very few more days in which
to convince our professors that
we're really talented. We'd better
settle down, young folks, and pour
a little ink on that double margin
paper, or we'll get what the little
boy shot at when his trigger finger
slipped. And then they will
insist on final examinations. Ain't
the outlook bright? If we don't
bear down, we'll wake up some
morning the last of May feeling
like we had fallen in a well in a
lonely neighborhood. Our pen
hand now is so overworked it
looks like it had a bad case of
poison ivy, and yet they say it
must labor more. And then some
of us will dash into the Registrar's
Office June 6 with our grade sheet
held aloft, and crying that mimor-

tal word, "Excelsior," only to re-

ceive the stony stare. 'Tis a hard,
crool wuruld, now, ain't it?

Ferry Tale

Once upon a time there were
three Irishmen living in a hut in
the woods. All three of the Pad-

dies were jolly good fellows. One
day when they had returned from
work, and Mike had hung his coat
and was washing his face, the other
two boys thought they would
pull a good joke on Mike. So,
they drew a picture of a donkey
with chalk on the back of his
coat. When he returned, Mike
said, "Well, well, which one of
you burros dried your face on
my coat."

There's one born every minute,
says Henry Ford. Woolworth
says, "What a whale of a differ-

ence a few cents make. Save the
surface and you save all says the
flapper. And we say walk a
flight and save a dollar when you
see your class treasurer coming.

You probably saw the cute little
article in the Sophomore Prairie
about the Seniors. It said "they
weren't missed." Why of course
not, they left Sunday afternoon,
and those who missed them didn't
go to church Sunday night, as the
Seniors generally do, so they
weren't missed from church. We
didn't have chapel Monday morn-

ing, so they weren't missed there.
They all came back to the ball
game Monday afternoon, so they
weren't missed there. There aren't
any Sophomores taking any Sen-

ior courses, so they weren't missed
from classes. If Seniors loafed
in the halls as often and as long

Bryans Hosts To Debate Teams

One of the outstanding socials of the year was given in the home of Mr. and Mrs. Earl C. Bryan, Monday, May 10, when they had as their guests the debaters of the West Texas State Teachers College.

The merriment of the evening began when the guests matched fragments of pictures, thus determining partners and tables for Progressive 42, the game of the evening. The game progressed in full sway until a late hour; the dominos were then removed and refreshments consisting of strawberry ice cream, cake and coffee were served.

Mr. Bryan read letters from the coaches of Debate at Simmons and C. I. A. and told the group of the trophies which were to be awarded before the close of school. The group made their choice between keys and pins.

The following debaters were present: Misses Faye Christopher, Ruth Anderson, Alva Beach, Ruth Irwin. Messrs. Irby Carruth, Willard Vineyard, Carl Perriman, Dorris Chaney, John Overall, A. D. Cummings, C. W. West, and Mrs. Irby Carruth.

Those present were the ensemble class: Imogene McIntire, Vivian Adams, Alice Dawes, Lily Clark, Miss Brigham and Fay Lockhart, Dorothy Blanton, and Miss Mary Clark.

B. S. U. Council Meeting

The B. S. U. Council met in the usual business meeting Monday, May 10. The extension program was planned for the rest of the Spring quarter, and reports were given concerning the work done by the various committees. Next Monday, May 17, all of the officers of the Sunday School classes are to be present at the council meeting. Committees were appointed to select the officers for the B. S. U. this summer and to choose the president and vice president for next year.

The devotional was led by Ruth Irwin who read the Psalm 19, and the meeting was dismissed after a prayer by Alva Beach.

B. Y. P. U. Study Course Picnic

The best for the last was what the members of the B. Y. P. U. Study Course thought when Mr. and Mrs. Waite informed them to come Saturday afternoon, May 8, prepared to hike to Wragge's Park.

The members came in full force, and the afternoon was spent in playing games, swinging, and having an enjoyable time in general. The slackers who rode out in cars were forced to prepare the delightful picnic supper, and the remainder of the afternoon was spent in telling various jokes and stories.

Sesames Discuss Old Mexico

"Old Mexico" was the subject of the Sesame program Friday evening. After the devotional, led by Thelma Cook, Fay Lockhart and Mae Slack played "La Paloma," an old Spanish song; Sudie Miller then gave a humorous reading. The program closed with a talk by Frances Payne on "Education in Mexico," in which she gave the social background of Mexico and the present educational problems confronting the nation.

The society then adjourned to the auditorium to hear the splendid program of the Analers-Elapheians. Uncle Tommy's selections were highly appreciated, as was the unusual talent of Dorothy Blanton as singer and Lily Clark as her accompanist on the harp.

Next Friday evening the Sesames will go on a hike to Wragge's Park. All the girls are invited to go as this will be the last meeting of the year.

Mrs. Ackerman Entertained

On Friday afternoon the Methodist ladies entertained Mrs. Ralph Ackerman, until recently Miss Ola Mae Robinson, with a shower. The church was beautifully decorated in pink crepe paper and flowers. Harrison-Eckhardt Wedding Is Solemnized Impressively Sunday

Oscar G. Eckhardt Jr., and His Bride

By Dalma Fry Society Editor, The Prairie

Miss Edith Harrison, daughter of Mr. and Mrs. C. N. Harrison of Canyon, and Oscar G. Eckhardt, Jr., of Austin, were married at 3 o'clock Sunday afternoon in a setting of unusual beauty and artistry. The home of the bride's parents, where the ceremony took place, was a vivid bower of flowers and ferns in profusion throughout the rooms.

The ceremony was said in the living room at an altar of greenery dotted with pink rosebuds and orchid iris, arranged before a tall mirror which was framed with a tall bridal wreath, palm and fern. Candles twinkled beside the mirror spreading a soft glow over the altar.

Preceding the ceremony, Wallace R. Clark, tenor, sang "I Love You." Mr. Clark's accompaniment was played by Mrs. Wallace R. Clark. The strains of "At Dawn" softly played by Miss Pauline Brigham announced the entrance of the bridal party. Miss Frances Payne of Hutto was the Maid of Honor. Miss Payne's gown was made bouffant, with the bodice of orchid taffeta reached just below the knee with a border of pink tulle falling lower. She wore a picture hat and carried a bouquet of pink rosebuds and orchid sweet-peas.

The bride was a picture of beauty as she descended the stairs where she was met by her father, C. N. Harrison, who gave her away. Miss Harrison's gown was also made bouffant, of pink taffeta and with the bodice cut sleeveless. She wore a pink picture hat

and pink satin slippers. Her bouquet was pink and white rosebuds with lily of the valley shower.

The bride and her maid of honor were met at altar by the groom and his best man, Mr. Joe Robedean, of Austin.

Reverend MacCullum, of Amarillo, preceded the bridal party to the altar where he performed the impressive Episcopal ring ceremony. After giving the bride away, Mr. Harrison, the bride's father, stepped back to the bride's mother, who was gowned in a lovely creation of yellow georgette.

After the ceremony a reception was given for the guests. The dining room was decorated with pink rose buds, orchid sweet peas and carnation. Mrs. Wallace R. Clark, Mrs. C. O. Keiser, and Mrs. W. B. Powell, were hostesses. Mrs. H. K. Stanfield, Misses Street, Meador, Craven, and Brigham assisted with the serving.

During the reception the bride threw her bouquet and Miss Mary Meador, of Lubbock, caught it. The bride then slipped away to complete her preparations for departure. Her traveling suit was a beautiful gray with a blue hat and accessories to match. Many beautiful and useful presents were received by the bride. The bridegroom's gift was a platinum bracelet set with diamonds.

After an extended tour of New Mexico, Texas, and adjacent states Mr. and Mrs. Eckhardt will be at home after June 15.

The out-of-town guests present at the wedding included Mr. and Mrs. O. G. Eckhardt, Sr., and Mr. Joe Robedean, of Austin; Mr. and Mrs. J. Harrison, of Dallas, Mrs. Mary Miller and Miss Frances Payne of Hutto; C. N. Harrison, Jr., of Roswell, New Mexico; Misses Mary Meador, Mildred and Laura Street, Vernon Brown and Lula Mae Craven, Dr. George Ingrah, Mr. Charles Guy, Mr. and Mrs. W. B. Powell, Mr. and Mrs. R. D. Moxley, and Mr. and Mrs. Frank Jones, all of Lubbock; Mr. and Mrs. D. A. Park, Mr. and Mrs. C. R. McAfee, Mr. and Mrs. H. K. Stanfield, Mr. Sloan Kritzer, Mr. Ralph Trollingier, and Mr. Jesse Dickey, all of Amarillo.

Madge Tummins, who is in St. Anthony's Hospital in Amarillo, is reported to be improving since she underwent an operation.

Miss Catherine Pittman of Amarillo visited Misses Johnnie Landis and Wanda Vincent during the week end.

MRS. HILL ENJOYS TRIP TO CAPITOL**Mrs. Prexy Amazed at Wonderful Growth of Wild Flowers Near Austin**

Mrs. Hill, who acted as chaperone for the declaimers of this district was royally treated, and entertained by Austin's elite. Mrs. Hill and her two proteges were given a home in the Scottish Rites Dormitory which runs a close second to the Governor's Mansion. Mrs. Hill's friends, however would not give her a chance to enjoy all this luxury so nobly offered by the University, but demanded her presence at a dinner given by Mrs. Noyes Darling Smith, now vice-president of the Texas Mother's Congress. Miss Ruby Terrill, University Dean of Women, was also honored by Mrs. Hill's presence on a sight seeing tour through the city.

Mrs. Hill seemed to be very interested in the Deaf and Dumb Institute, and was very much impressed with the exhibition which the occupants gave. She probably enjoyed the quiet after some years at W. T. S. T. C.

Aside from the company of our Panhandle declaimers, Mrs. Hill took to "hobnobbing" with the Ryoalty, to be exact, she shook hands with Ma Ferguson.

Mrs. Prexy finds herself at a loss for words in giving a detailed account of the vast fields of wild flowers in the vicinity of Austin. But the writer rests assured that all this floral beauty was not more pleasing to her than the broad expanse of western prairies.

Sunday School Class Spends Day in Canyons

At 8:30 the Cousins, Miss Richardson's young ladies Sunday School class and Dr. Munson's class of young men gathered at the Methodist church to go and spend the day in the canyons. Thirty-five young people chaperoned by Misses Richardson, McClesky and Swisher went. Miss Waters, the Bible teacher of Hereford was a guest.

The Sunday School lesson: Galatians; Chap. 5, several songs, a talk on Bible work in the public schools and a circle of sentence prayers furnished the service. After dinner had been served the canyons were at home to a very appreciative group, who reassembled at 4 o'clock for the homeward ride and League at 6:45.

Number of Students Are Signed to Teach

A number of students of the West Texas State Teachers College have accepted teaching positions for next year within the past few days. Five Canyon people who have taken positions are Mrs. Erma L. Pate, who goes to Amarillo; Willie Johnson to Bovina; Thelma Jean Swanson to Bovina; Reece M. Moore to Spring Lake; and Lillian Cash to Alken.

Amy Daniel of Sweetwater goes to Slaton; Lois Davidson, Putman, to Spur; Lily Dixon, Gageby, to Alken; Agnes Elliston, Hereford, to Canyon; Herman Ford, Running Water, to Prairie View; Earl Lewis, Clarksville, to White Deer; Mrs. H. P. Walling, Kress, to Plainview; L. L. Hill, Adrian, to Wildorado. Miss Ann Mansell, a member of the graduating class of the Teachers College, goes to the University of Texas to do secretarial work.

Training School Children Are Presented in Chapel

A training school teacher asked a class of small children, shortly after the senior edition of the Prairie came out, who edited the paper for that week. For some reason or other, children couldn't tell her. In an effort to have them tell her, she asked: "Who is going to graduate this year?" After several seconds of profound thought, a small boy held up his hand, and gleefully exclaimed, "The sinners."

Dennis Smith went home last week and was compelled to stay because of illness.

Fraternity Council Banquet Held

The second annual banquet of the Fraternity Council was held Friday evening at 6 o'clock in the Home Economics Dining Room. The tables were beautifully decorated with red and white tulips and candles to correspond. Miss Debo was toastmistress.

The program began with the singing of the council song, "Blest Be the Tie That Binds." During the changing of courses there were readings by Fannie Cash and Betty Rose Kerr, and musical numbers by Miss Mattie Swisher and Mr. Waite. The latter part of the program was given over to a resume of the year's work by Mr. Everitt Dison, first president of the Council; to suggestion for future work from Rev. Maurice Terry, president for the summer, and from Mr. Waite, Baptist Student Secretary, and Mrs. Lang.

There were present about thirty people with several out of town guests.

The children of the Training School under the direction of Miss Ada V. Clark assisted by Miss Elva Fronabarger presented the chapel program on Wednesday morning. The First Graders, in cunning rose-colored, Japanese costumes, gave a cantata, "A Box of Dolls," by Carrington. These wee folk looked like dolls until they spoke and sang; then they came to life.

The High School Girls' Chorus gave a good rendition of Kountz' "Dawn of Spring." The piece is tuneful and was given with freshness and intelligence. The accurate reading is not to be overlooked.

Olin E. Hinkle, former editor of The Prairie, was initiated into Phi Delta Chi in the University of Missouri last week.

Eight were selected from the entire University to be new members and these eight ranked among the highest in journalism. Four of these eight honor students were from Texas.
