

**ABILENE CHRISTIAN COLLEGE
WINS GREAT PLAINS TRACK
MEET UNDER BUFFALO LIGHTS**

Oklahoma Central Teachers Take Second Place While Randolph College at Cisco Is Winning Tennis Tourney from W. T.

CANYON, May 2.—Under the powerful flood lights in Buffalo Stadium with a yellow moon smiling down, the Wildcats of Abilene Christian College ran, jumped and timber-topped their way to win in the eleventh annual Great Plains Track and Field meet here Saturday night. The A. C. C. stars scored 55 1-6 points to lead a class of seven colleges from three states.

The powerful Central Teachers Bulldogs of Edmond, Okla., placed second with 40 and 1-6 counters, while the other entries lagged behind as follows: Amarillo College 24 1-6, New Mexico Military Institute 23, Panhandle A. & M. of Goodwell, Okla., 16 1-3; West Texas Teachers, 6, and Randolph Junior College of Cisco, 0. The Baptist University of Shawnee, Okla., failed to show, having encountered muddy roads on the journey to Canyon.

The winners displayed the form that has won national recognition for them in the relays by running away from the field in the mile and medley relays. The national champions did not set new records for the meet chiefly because the track was soggy and heavy from down pours Friday and Saturday.

A crowd of 600 fans saw the events and what a thrill they got out of the spectacle of a track meet at night. Had the weather been different, the night phase of the tournament would have added much to the meet. On all sides were favorable comments, the galloping figures of runners standing out in relief against the lights and the green grass of the arena.

In the tennis division of the meet the players battled on the court inside the Buffalo Gym until 7 o'clock Saturday night, due to inclement weather outside. The play got as far as the finals in the doubles, O'Keefe and Fowler of West Texas and West and Farmer of Randolph College emerging victors in their respective brackets. The former beat Townsend and Bryan of Central Teachers 6-4, 6-4, and the latter beat Morgan and Harper of Central Teachers, 6-3 and 11-9, in the semi-finals.

In the tennis matches Randolph College were pushed to five hard sets in the doubles to win from West Texas State Teachers College, Farmer and West representing Randolph, and O'Keefe and Fowler representing W. T. Townsend and Harper of Central Teachers College marched to the finals in the singles events. Because both entrants were from the same school, no finals match was played.

**Miss Charlton
Will Make Trip
To Mexico City**

Miss Agnes Charlton of the Spanish department of the college, and Mr. and Mrs. C. R. Burrow will be some of those who will go to Mexico City on the special trip which is being sponsored by the Amarillo News-Globe under the auspices of the Tri-State Fair.

The special will leave Amarillo May 16 and will return May 23. The purpose of the trip is to invite the president of Mexico to attend the Tri-State Fair next September.

En route the party will stop at Austin, cross the international boundary at Laredo and stop at Monterey. Two full days and nights will be spent in Mexico City visiting the Mexico Industrial and Aeronautical Exposition and the delegation will be the guests of the Mexican president.

More than 75 had signed up for the trip about the middle of the week. Miss Ida M. Farrell, editor of the Amarillo Booster, which is published in the Canyon News plant, will make the trip.

Keith Donnell will teach next year at the Johnson school in Randall county.

Patronize The Prairie advertisers.

NOTICE

Tickets for the Spanish banquet which will be held at the El Taos, Friday, May 8th, at 6:30 may be purchased from Miss Hudspeth's office or from any member of the Spanish Club for \$1.00. All students of Spanish and faculty members are invited to buy tickets for themselves and their guests. Transportation will be provided with the purchase of a ticket.

**NEAR 300 CLUB
WOMEN ATTEND
SHORT COURSE**

Home Demonstration Club Women from 20 Panhandle Counties Hear Speakers.

Despite a drizzle of rain nearly 300 Home Demonstration club women gathered here Tuesday for the second annual one-day short course held for them through the co-operation of the department of Home Economics of the college and the Home Demonstration division of the Extension service of A. and M.

Home Demonstration Agents and club women were present from the following counties: Randall, Deaf Smith, Collingsworth, Donley, Castro, Carson, Motley, Lamb, Hardeman, Hale, Hall, Potter, Farmer, Armstrong, Gray, Lubbock, Floyd, Hemphill, Swisher and Dickens counties.

The forenoon session was featured by an address by Dr. J. A. Hill of the college in commending the work of the Home Demonstration clubs, and the girls' 4-H clubs. He emphasized the great material help which the county Home Demonstration work has been and commended the vision which makes the leaders realize that there must be great emphasis on things spiritual as upon material importance if farm life is to be satisfying.

Mrs. Maggie W. Barry, of the Extension service gave two addresses during the day.

Prof. Wallace R. Clark, head of the music department of the college gave an address on "Appreciation of Music in the Home."

The day's session closed with a short music program by the Buffalo band and a short one-act play which was given by the Panhandle Players. The play was directed by Miss Mary Morgan Brown, head of the speech department of the college.

**Winners of Meet
Here Get Trip To
Austin on May 6**

Thirty-one high school students representing the winners of the literary events of District One, will board the Interscholastic League special, scheduled to leave the Panhandle for the state meet on the eve of May 6. These, together with the winners of the track and field events and the tennis matches, will represent the Panhandle against the rest of the state for honors at the state meet, which will be held in Austin.

Following the finals in debates, held Saturday night, W. E. Lockhart, director of the league work in this district, announced that the winners of first place in all the events would be entitled to participate in the state events. The special will leave Amarillo at 8:30 p. m., Wednesday, May 6.

Mr. Lockhart declared that this was one of the most successful undertakings the college has ever staged and by far one of the finest district meets ever held. Every division of the meet moved with ease and efficiency. "The co-operation of the teachers," he stated, "as well as the participants in the meet was splendid."

Money making is easy; making more money is the hard thing to do.

**Miss Lillian Cash
Is Dead Following
Major Operation**

Miss Lillian Cash, age 23 years, teacher of mathematics in the Bonham High School, died at 3:15 p. m. at St. Vincent's sanitarium from complications resulting from an operation performed two weeks ago.

Miss Cash was educated at the West Texas State Teachers' College here, receiving her degree from this institution in 1928. All of her school training, including special practice teaching done at the Canyon High School, was done in the Canyon schools.

She had taught in the Bonham High School for three years and had proven very popular with the students and parents.

She served as sponsor of the senior class for 1929-30 and was coach of the pep squad and basketball team for that term.

She was elected to serve as junior sponsor for the term of 1930-31.

Her death has come as a severe shock to all who knew her, and her friends were many, but particularly to the students of Bonham. She was noted for her charm, her happiness and sunny disposition, and whenever there was a gathering of students for pleasure, Miss Cash was always wanted. She was an excellent teacher and her death will be a great loss to the faculty of Bonham.

She is survived by her father and mother, Mr. and Mrs. Harvey Cash, of Canyon, three sisters, and one brother, Harvey Cash, Jr., student in A. & M. College.

The body was brought by rail to Canyon at 6:30 Thursday night, accompanied by Miss Frances Croson and Coach K. L. Strickland. Funeral services were Friday afternoon at 2:30 here.

**Carruth Heads
New School Body
Organized Monday**

Meeting in Amarillo Monday night, 30 Panhandle High School superintendents formed a tentative organization for school superintendents. Supt. Irby Carruth of the Canyon High School, was named head of the new association. Besides being president, Mr. Carruth will have charge of directing the publicity of the association.

The new group will be known as the Plains Superintendents Association. It will embrace the territory from the northern boundary of the Panhandle to as far south as Lubbock.

Another meeting is set for May 16, to be held at the Amarillo Hotel, at which time the organization will be perfected and the committees that were appointed Monday night will be heard and a set of by-laws and a constitution will be adopted.

The object of the association will be to study and know the problems of the various schools of the Panhandle and to aid in raising the scholastic standards to a higher level in this section of the state. It is planned to have some of the educational leaders of the nation to address the body at its various meetings which will be held at frequent intervals. The organization will begin to lay plans at an early date to help Amarillo entertain the State Teachers Association which will meet there in November.

Mr. Carruth states that it is expected to increase the membership of the association to 200 members.

**W. T. DELEGATES
MAKE LENGTHY
T. I. P. A. TRIP**

Convention Is Big Affair; Prominent Paper Men Address Students.

Attending one of the most successful annual conventions which the Texas Intercollegiate Press Association has ever held, four members of the two W. T. publications staffs were in Nacogdoches Friday and Saturday. The trip was made by automobile, the group leaving here early Wednesday morning, and returning Sunday night.

Those who made the trip were John Gillham, manager of the Prairie; Lonie Beth Weaver, editor of The Prairie; Sally Mary Campbell, society editor on the Prairie, and Florence Throckmorton, editor-elect of Le Mirage.

Election of the place of meeting and the election of officers of the association for the current year, which took place Saturday morning, were most important among the business proceedings of the convention. The bid of the North Texas State Teachers College at Denton for the convention was accepted over that of the College of Arts and Industries at Kingsville, due to the more central location of the former which will enable more of the member colleges to send delegates.

In accordance with the T. I. P. A. constitutional rule the president, corresponding secretary, and the treasurer among the officers for 1932 were elected from students of N. T. S. T. C. Other officers were elected from the delegates who represented other schools, Lonie Beth Weaver from W. T. being made vice president. Her election to this office means that Miss Weaver will be in charge of the choice of judges for next year's contests, will handle the material sent in from all of the member colleges, and will award

**Hill and Jarrett
Attend College
Association Meet**

President J. A. Hill and Dean R. P. Jarrett returned Sunday from Austin where they attended the annual meeting of the Association of Texas Colleges. The most interesting business which came to the attention of the association was the report of the permanent commission on athletics. This report was adopted almost as presented and will have the effect of making athletics in Texas colleges much better managed than heretofore.

Two other subjects discussed at the meeting were the matter of granting scholarships to high school graduates, and the mathematics admission requirements of colleges. A committee was appointed to study the first problem.

Dr. Hill said that the outstanding address of the meeting was that made by Dr. G. D. Dealy of the Dallas News, who discussed "The Meaning of a Real Education."

President H. Y. Benedict of the University of Texas, was host at a luncheon which was attended by Dr. Hill. The purpose of this conference-luncheon was better articulation of graduate work of the University of Texas and undergraduate work of the State Teachers Colleges.

**Shirley Returns
From TIAA and
College Meet**

Registrar D. A. Shirley returned Monday from Denton and Austin where he had attended the meeting of the Texas Intercollegiate Athletic association and of the Association of Texas Colleges.

Upon his return, Mr. Shirley said that the meeting was one which promises to have far-reaching effects so far as the athletics of Texas colleges is concerned.

A committee had been appointed to revise the constitution and by-laws of the T. I. A. A. The revision made the eligibility rules of the association conform to the standards set by the Association of Colleges and Secondary Schools of the Southern States, to which W. T. and most of the other colleges belong.

**Count Von Luckner
Will Appear May 8
In Lyceum Number**

Canyon people will have the opportunity of seeing and hearing the exploits of one of the world's most picturesque characters Wednesday night at 8:15 in the person of Count Felix Von Luckner, the famous German "Sea Devil." Count Luckner appears as the first number on the lyceum for this quarter.

Several weeks ago the announcement was made that Count Luckner would appear in the auditorium but due to a serious accident the number was postponed until May 8th. Count Luckner had traveled thousands of miles, lived the life of a privateer during the World War, sinking hundreds of thousands of tons of allied shipping without the loss of the life of a single one of his captives, yet it so happened that he should suffer a near-fatal accident in an automobile wreck in America.

Count Luckner, the son of a German nobleman, has lived a life of adventure since he ran away from home at the age of 13 years. Returning to Germany at the outbreak of the World War, he enlisted in the German imperial navy. Because of his heroic deeds he attracted the attention of the Kaiser and has the record of being the only man ever to have risen from the ranks of a command in the German navy.

Count Luckner is a natural-born actor. To this ability has been added the most colorful series of adventures of modern times. To read Lowell Thomas' "The Sea Devil," is to read of Drake and Hawkins in modern clothing, and to hear Count Luckner will be even more satisfying because of the splendid personality and strength of the former captain of the "Sea Eagle."

**PHIDIAS ART CLUB
ELECTS NEW OFFICERS**

The Phidias Art Club in its regular meeting, Monday, April 27, elected officers for the coming year.

The following officers are to serve the next regular school term: President, Estelle Bourland; vice president, Martha Strain; secretary-treasurer, Allie Elliston. An all-day picnic was planned for Sunday, May 3. Committees were appointed to look after transportation and food.

It was agreed to leave Miss Robinson's at 5 a. m. Sunday, and spend the day in Ceta Canyon.

**WOMEN'S GLEE CLUB
GIVE PROGRAM IN PAMPA**

Monday night the College Woman's Glee Club presented a program at Pampa as a part of the National Music Week Celebration. The program was first given in chapel Saturday morning and again Monday afternoon in Panhandle where Mr. Wallace R. Clark gave a talk in addition to the program. The Glee Club, consisting of about twenty girls, is under the direction of Miss Ada V. Clark, of the training school.

**ANTLERS AND ELAPHEANS
TO HAVE BANQUET MAY 7**

Thursday night, May 7, at 8 o'clock at Cousins Hall has been set for the date of the annual Antler-Elaphean banquet. All members who have paid the quarterly dues are eligible to come. The price of the plates will be one dollar each.

For the first time in several years The Prairie was this year given first place in its class in the annual college newspaper contest held by the Texas Intercollegiate Press Association, thereby winning a prize cup awarded by the Dallas Morning News.

Announcement of this rating for the newspaper, and of the winning of three more places from among the seven literary contests entered by W. T., including second place in serious short stories with a story entitled "The Legend of Those of the Golden Blood," written by Charles Ferguson, third place in sports stories with an article entitled "West Texas vs. East Texas," written by C. B. Shepard, and fourth place in editorials with an editorial entitled "Shoe Level Philosophy," written by Ernest Cabe, Jr., was made at the annual banquet of T. I. P. A. Convention at Nacogdoches, Friday night.

Due to the fact that W. T. does not offer nine term hours or more of journalism, which is a T. I. P. A. constitutional requirement for Class A membership, The Prairie falls in the Class B of the association's newspaper division. Of the fourteen Texas schools who were this year members of the T. I. P. A., only two ranked in Class A under this ruling, those two being Simmons University and Texas Technological College. In this division Simmons was awarded first prize, and Tech, second.

In the Class B division, which included twelve schools, the W. T. paper was given first place, and the Abilene Christian College "Optimist," second. No third places were given in either of the two divisions. The issues of The Prairie entered in the contest were four consecutive numbers dated January 13, January 20, January 27, and February 3.

A complete list of results of the thirteen contests held by the Association may be read from the bulletin board in The Publications Office any time this week, and will be published in the next issue of The Prairie.

**Forty-Three Will
Be Graduated By
Canyon Hi School**

The members of the Canyon High School graduating class number 43 with the girls numbering almost three to one over the boys. There are 31 girls and 12 boys who will be graduated with the 1931 class.

The commencement week will begin with the baccalaureate services, Sunday evening, May 10, and conclude with the graduating exercises on Friday evening, May 15.

Members of the class are: Florine Bowman, Kathryn Bryant, Dixie Foster, Melva Gamewell, Sybil Gidden, Elizabeth Jameson, Martha Ann Kiersey, Pauline Mayben, Mildred Middleton, Betty Sternberg, Marie Tanner, Charline Wiseman, Maudea Bishop Lucille Davault, Elizabeth Faulkner, Amogene Fowler, Oressa Hastings (valedictorian), Elizabeth Herndon, Irene Hicks, Annie Johnson (salutatorian), Clarice Lockwood, Jessie McDonald, Mary Orton, Louise Solomon, Nancy Strain, Mabel Thornton, Merle Tucker, Alice Smith, Viva Bell Cox, Freda Gill, Mae Miller.

M. E. Cleavenger, Hosea Foster, Irving Gamewell, Reece Hough, Lee Richardson, Clark Ash, James Cabe, Frederick Marshall, Herbert Slack, Wayne Tucker, Louis Upchurch.

Four members of the class will be awarded their diplomas at the close of the summer school, Supt. Carruth stated.

SPECIAL MEETING!

The Type-High Press Club and The Prairie staff will meet this afternoon at 4:30 in room 116 for a special business session. A complete report will be made by the delegates who attended the annual convention of the Texas Intercollegiate Press Association last week, and proceedings for reorganizing the club in accordance with new rules set up by the T. I. P. A. this year will be carried forward. This is the last meeting before the Publications Banquet which is to be held May 15, and final plans and preparations have to be made and reported on. Awarding of local pins of merit will be discussed at this time, also. All staff and club members are urged to be present.

On behalf of the absent staff who attended the state meeting of the Texas Intercollegiate Press Association, held at Nacogdoches, we wish to take this method of expressing our thanks for the splendid co-operation given by the members of the reportorial staff of The Prairie in this edition. We had numerous and some splendid suggestions as to how we could improve upon The Prairie while the editor-in-chief was away and some of them were unique if not practical, but seeing the bright prospects for completion of another successful school year ahead of us as well as the editor, we made up our collective minds that the proper thing to do was to continue on the conservative plan that constitutes the policy of every well regulated and successful newspaper. "While the cat's away, the mice will play" goes well for children and mice, but not for the collegiate minded especially if they desire to remain within the sacred halls of learning. Anyway, thanks for the help and co-operation. Maybe we can put some of those ideas into practice when we get to be the editor of a country newspaper. We're filing them for future reference at any rate.—C. B. S.

"THE FLOWERS THAT BLOOM IN THE SPRING"

About this time of the year when the little buds are peeping out of their winter overcoats, the baby chickens are hatching, and the lowly sand burr is pushing its sassy face up through the warming soil, man's fancy turns to fields afar and the "itching foot" becomes a contagious disease.

We lie under the shade of a lofty oak, dangling in our minds a picture of Fancy's painting. The Mighty Rockies fill our soul with awe and we dream of the Rivera and Rue de la Paix. How we long to stand again on Dead Man's point and watch the ceaseless waves dash themselves in restless monotony against the towering cliffs of St. Marguerite. A night on the Hudson with the Palisades slipping past in langorous splendor or the hum of drowsy insects at noontide in the Everglades thrill us into peaceful laziness. Yet again we stand with uncovered head on Cemetery Ridge and reinspect the bloody panorama of a section of Inferno. The halls of Montezuma ring again to the clang of sword on shield and we hear the "mustered squadron and the clattering car" of Waterloo. Peaceful flows the Father of Waters, as that incomparable teller of tales, Mark Twain, sounds the lead and cries the depth.

But the picture passes and with its passing we wake again to the actualities of the life before us. Itching foot is gone and we are again confronted with the ever menacing problem of a drudging, commonplace existence. The lofty oak shrinks to an insignificant mesquite, the sun raises a blister on our fragile neck, the sand burrs penetrate our tender anatomy, a big red ant with a perpetual peeve takes a vicious dig at our defenseless ankle, and we wearily drag our worthless carcass to a more protected spot where the refinements of civilization has provided us with protection from the raw, and unrelenting ravages of elemental Nature.—C. B. S.

Junior Band

Mr. Strain was not mud-bound last Saturday, and it is a good thing, for he had to "toot" a French horn for an absentee in the Junior Band at its assembly program Saturday morning. Charles Kiker led the band in a group of fifteen numbers, among which were "Yankee Doodle," "Hail Columbia," "Red, White, and Blue," and "America."

Winston Savage, with a baritone, and Miss Martha Strain, with a French horn, assisted the band by filling in with those two instruments. The selections were enjoyed by the audience.

Week-end Picnic

The Seniors spent Saturday night and Sunday making merry at Harding's Ranch. Those who chaperoned the party were Miss Helen White Moore, Mr. Vaughn, and Mr. and Mrs. McDonald. George Bishop and Lowell Winsor, the commissary directors, provided the group of fifty with bountiful eats.

Who's Who in W. T. High

J. C. Baker may be said to belong to W. T. High's intelligentsia, if scholastic grades mean anything; for he is a straight "A" student. Aside from his studies, J. C. finds time to work two hours a day for a local business firm and to take an active part in student activities. At present he is president of the sophomore class, secretary-treasurer of the Student Council, and a member of the Latin Club. His ambition is to be a business man.

El Banquete de Los Tejanitos

The Spanish Club had their annual luncheon April 23, in the College Cafeteria. The part of the

cafeteria which was used for the luncheon was decorated in the Spanish colors red and yellow, and Spanish and Mexican flags. In addition to the members of the club, the following guests were present: Miss Slack, Miss Slaton, and Miss Wilson, the practice teachers, and Miss Hudspeth, head of the Spanish department of the College. The following program proved most interesting.

El Saludo—Maurine Milder.
La Respuesta—Miss Hudspeth.
La Historica de Cervantes—Hilda Miller.

Un baile—Miss Wilson.
Una Cancion Roja, Planco, y Azul—Los Tejanitos.
Un Repaso de los Tejanitos—Maurice Warren.

GRAHAM ENTERTAINS FOR MRS. RUTH SCOTT MCBRIDE

Honoring Mrs. Henrietta Scott and her daughter, Mrs. Ruth Scott McBride of Washington, D. C., Miss Edna Graham entertained Saturday night, May 2, with four tables of bridge. The rooms were beautifully decorated with red tulips. Tulips were also used as plate favors.

Delicious refreshments of strawberries with whipped cream and angel food cake were served to Mesdames Elizabeth Chandler, B. A. Stafford, Oscar Gamble, Travis Shaw, Messrs. and Mesdames D. A. Shirley, C. W. Batchelder, Cliff Jarrett, J. H. Humphries, L. A. Os-good, the honorees, Mrs. Henrietta Scott, and Mrs. Ruth Scott McBride, and the hostess, Miss Edna Graham.

HOBBIES AND TALENTS DISCUSSED BY Y. W. C. A.

Y. W. C. A. members held an interesting discussion group at their weekly meeting April 29. The program opened with songs and was followed by a devotional on the development of talent. The girls then held a round table discussion on hobbies and talents, and sang English folksongs. The program closed with "Follow the Glean."

RED MEN ARE ENTERTAINED BY PI OMEGAS

The Pi Omegas entertained the Red Men with a treasure hunt last Tuesday night.

The group met at the home of Gwendolyn Black where they were given their first clue. The hunt ended at the home of Virginia and Robert Jarrett. Mary Berryman, Lewis Shirley, C. W. Foote and Alden Rogers found the treasure after which the fortune hunters turned to bridge and dancing for entertainment. Delicious refreshments of hamburgers, pop, cake and pie were served to about 25 couples.

MISS JOSEPHINE DUFLLOT IS HOSTESS WEDNESDAY

Miss Josephine Duflot was a charming hostess when she entertained with two tables of bridge at her home, 1316 Sixth avenue, Wednesday evening.

Miss Hazel Allen received high score favor at the conclusion of the games. A refreshing ice course was served by the hostess.

Seated for the games were: Miss Laura Christopher, Miss Alice Dawes, Miss Hazel Allen, Miss Margaret Justice, Miss Beth Pitts, Miss Dalma Fry, Mrs. Robert Foster and the hostess.

KAMPUS KNICK KNACKS

BY COL. GOWDY

Well, the skies have been weeping now for a couple of weeks, and the folks around over the Panhandle are not dismayed in the least. A few of the hot house plants around the school are griping because they have to get their pretty feet wet, but why worry—they are all wet anyhow. I hope it rains for a month.

It's a crime when some of these fellows who are in the senior class are on the college pay roll and refuse to pay their dues. A guy who would do that would shave a member of the house of David.

The track meet went off regardless of bad weather. A. C. C. certainly has a swell bunch of runners. The tennis matches were also good with a series of close sets and even matches.

Mary Berryman has etched or scratched a rabbit behind a post. Now what do you think of that?

Well, the Glee Club is away on a warbling tour of the Panhandle. That will be some relief for a few hours. Anyhow I hope they get over in a big way—these other people don't hear them every day.

with a girl friend and she mentioned the fact that her sweetheart had sent her his picture the day before. "Is it a good picture?" her friend asked. "I don't know yet," she replied. "It hasn't been developed."

A certain Scot was about to drown. The life guard yelled from the shore and asked if he wanted a life preserver. The Scot replied, "Hell, no, bring me a derrick and that quick, or I'm soon gonna have to let this boat sink."

T. I. P. A. Trip—

(Continued from page one.) the prizes at the annual banquet next year.

The convention this year at Nacogdoches, held there at very short notice from Texas Woman's College which was to have entertained the delegates, opened Thursday evening with an informal reception to the incoming delegates, and registration at the social room in the college.

Friday the delegates, which represented A. C. C., Simmons U., Wichita Falls Junior College, N. T. S. T. C., Sam Houston S. T. C., A. and I. Trinity University, W. T. S. T. C., McMurry, Amarillo College, Sul Ross, and Stephen F. Austin S. T. C., were entertained with a most dynamic address by Judge W. O. Huggins, editor of the Houston Chronicle; an informal address by Lynn W. Landrum, editorial writer on the Dallas Morning News who was formerly editor of The Daily Texan, the student paper of the University; and a luncheon at the Liberty Hotel, at which Bob Renfro, accomplished pianist from Sam Houston State Teachers College at Huntsville, and Mrs. Karle Wilson Baker, vice president of the Texas Poetry Society, and member of the Stephen F. Austin faculty, entertained them with music and poetry.

The annual banquet of the convention was held Friday night at the Liberty Hotel, through the courtesy of the Nacogdoches Chamber of Commerce. The prizes in the various contests were awarded at this time by N. L. Allen, vice president of the association for 1931. Mr. Landrum of the Dallas Morning News was main speaker at this banquet.

On Saturday, following the business meetings in which many of the problems of college publications were discussed and steps taken toward improvement, together with the election of next year's meeting place, and the election of officers, lunch was served at the College Coffee Shop off the campus. The rest of the day was spent in social activities including an informal

party at the Nacogdoches Country Club, a tea at 5 o'clock, and the all-college dance in Alkman Gymnasium at which T. I. P. A. delegates were honor guests.

NEW STOCKING COLORS by Gordon

"Harmonizing in Key of Sea!"

Fairway—is to be worn with the white sports costume; white with dark blue or red; and with the beige and brown ensemble.

Café—the new Gordon color for spring-blues and greens, as well as the new yellow-gold.

Terrace—the new color for pink and watermelon frocks; for afternoon prints showing pink, grey and beige tones.

Night Club—is the delicate flesh evening tone so popular abroad. Good with any evening costume.

Twilight Moon—the new off-white stocking of great importance for formal afternoon and evening wear.

Pebble—for the all white sports ensemble—the light reptile shoes—also for the very light pastels.

Gordon

These new stocking colors for Southern Resort and Early Spring wear are exceedingly popular—and as subtle as they are beautiful.

Mother Knows Best

That's why she'd prefer that you give her Holeproof Hosiery. Give her several pairs in the new Spring colors. She'll appreciate your thoughtfulness and applaud your taste, for she knows—as every smart woman does—that for sheer durability and durable sheerness, Holeproof Hosiery is unexcelled.

Make your selection from these new styles:

No. 4063 — High twist silk, very sheer and very dull. Self-color picot edge and French heel. An outstanding Holeproof value. In all the smartest colors . . \$1.95

No. 2663 — Sheer stocking made of very high twist yarn to insure permanent dullness. All silk with picot edge, lace runstop at base of hem, cradle sole and French heel \$1.50

New Colors:

STRUT — a warm medium brown hosiery color; harmonizes with the yellow browns.

FLIGHT — a pinkish beige hosiery color with mauve undertone. It blends with the strawberry pink and the rose cedar fabric colors.

GLIDE — a changeable beige tone. It blends well with the wine shades and the rust colors having a wine tone.

DON'T TAKE our word for it, switch to Camels for just one day then quit them if you can. The moment you open the package you'll note the difference between fresh humidior packed Camels and dry-as-dust cigarettes. Camels are supple and firm to the touch. Stale, dried-out cigarettes crumble and crackle when pressed. But

the real convincer is to smoke Camels. Every puff is a sheer delight of cool, mellow mildness; the Camel blend of choicest Turkish and mellowest Domestic tobaccos, kept in prime condition by moisture-proof Cellophane sealed air-tight.
