

SENIOR PLAY LAST FRIDAY HUGE SUCCESS

Cast of All-Stars Give
Drama Fans a Laugh
a Minute

HARRIS AND CABE

"Lillies of the Field" Will
Be Presented in
Amarillo

(By Hal Collier)

That a determined and acidulous mother-in-law can throw even an English vicar's household into domestic pandemonium, was demonstrated in "Lillies of the Field," a three-act play of modern manners and morals by John Hastings Turner, presented as the Senior class play last Friday night in the auditorium of the Education Building.

Catherine and Elizabeth are marriageable and thoroughly modern daughters of the Reverend John Head, Vicar of Wildeet. They are twenty years old today. Mrs. Rooke-Walter, their grandmother, comes bearing gifts for both. To one she is to give twenty yards of crepe de chine; the other is to go back to London with her. But which one?

Both are favorites with the old lady, and both want to go to London. Finally, father, mother, and grandmother agree that the one who is more favored by Barnaby Haddon, bachelor and guest of the vicar, shall go to London. Mr. Haddon appears, Elizabeth flings aside her modernity for mid-Victorian raiment and behavior, on the hunch that Haddon has a weakness for old fashioned girls. He succumbs without a struggle, and Catherine is left behind to console herself with her crepe de chine.

In London, Elizabeth is the talk of the town. She becomes engaged to Haddon, he apparently still believing her to be of 1875 vintage. Then papa and mama come to take her home.

From then on, complication is piled on complication. More characters appear, among them one Bryan Ropes, who becomes the innamorata of Catherine. Out of the many little intrigues and counter-intrigues ultimately comes peace. Love, as always, has found a way. Ernest Cabe, as the henpecked and vacillating vicar, conducted himself with proper ministerial dignity throughout the play. His voice was of pleasing depth and his "as" of amazing breadth. Dorothy Harris, as the indomitable mother-in-law and grandmother, vied with Cabe in carrying most of the comedy. These two roles offered an opportunity for both to display their flair for comedy.

Eulalia Burrus and Clarice Matthews were more than adequate as the daughters. Though her role kept her in the background a great deal of the time, Esther Root, as the mother, was excellent in her support of the principals. Glenn Bobbitt played the role of the "silly awss" Britisher, Bryan Ropes. While Leon Landon appeared as (Continued on last page)

ETHEL BRASUEL
QUINTIN WARD

As "Ralph and Daisy" these two W. T. students are strong characters in the Panhandle Players cast which presents "The Prince of Liars" in the Ed Bldg. Auditorium tomorrow night.

MADRIGAL CLUB GIVEN PRAISE

Letter From Clippinger
Says "Program Is
Magnificent"

An enthusiastic audience attended the concert given last Tuesday evening by the College Madrigal Club under the direction of Prof. Wallace R. Clark. Critics pronounce the entire program as being par excellence and of untold pleasure to the sincere lover of voice culture.

Many of the numbers were ancient songs written for the voice alone. The group treatment gave them the magnificent sweep that is attainable only in the harmony of many voices. The soprano and tenor arrangements were particularly fine, giving a near perfect blend of tone to the deep bass of the other wing. It was a superb performance throughout.

Herschel Coffee and Miss Pauline Brigham were individual artists on the program.

In connection with the program, Mr. D. A. Clippinger of Chicago, who is probably the world's greatest authority on Madrigal singing and a former instructor of Mr. Clark had the following to say:

"Your program with foot-note came this morning. Your program is magnificent. A better one was never given anywhere at any time. This is putting it strong, but for once I feel competent to pass judgment for I know this program well enough to conduct it in my sleep. It is the highest grade of a capella music. The musical value of such a program to a community cannot (Continued on last page)

HILL IS BACK FROM AUSTIN; NO MONEY BILL

Appropriations Are Still
Held Up in Free
Conference

PRINT SUMMER BILL

Vote on Summer School
Is Likely During
Week

Dr. J. A. Hill returned Tuesday night from Austin where he had been for a week in regard to the appropriation for W. T. during the coming two years. Mr. Hill states that no work has been done on the free conference report, and will not be started until the free conference report on the Departmental bill is out of the way. By custom the Education bill is always the last appropriation bill to be considered in the legislature.

Both the House and Senate have passed bills for the educational institutions, but the House bill is about 20% less than the one passed by the Senate. It is likely that final disposition will not be made of the educational bill until the closing hours of the legislature. While the 120 day session will end next Tuesday, and the pay of the legislators will be reduced from \$10 to \$5 per day, it is estimated that the session will not end much before the first of June. The Governor has indicated that no special session will be called.

The House voted last Friday 98 to 11 to print the Senate bill on minority report for an appropriation for the summer session this year. The House appropriations committee had voted against this appropriation 6 to 5. While this large majority in favor of printing the bill may not signify that the appropriation will be passed, it denoted more strength in favor of the colleges than did the general appropriation bill when it was passed. It is expected that the summer bill will be taken up this week.

ANGIE DEBO IS GRANTED Ph. D.

Oklahoma University Has
High Praise for Work
of W. T. Prof

Miss Angie Debo, assistant professor of history, finished the final examinations for her Ph. D. degree last Tuesday at the University of Oklahoma at Norman. She will receive the degree at the commencement exercises to be held there in June.

Miss Debo has been a member of the W. T. faculty for a number of years and has completed her work at O. U. by attending summer sessions and by taking one year's leave of absence.

As her thesis, Miss Debo wrote on the history of the Choctaw nation of Indians. She collected most of her material at the University and at the Oklahoma Indian Agency.

In a letter to Dr. J. A. Hill, Prof. E. E. Dale of O. U. speaks of Miss Debo's work in words of genuine and unrestrained praise. The letter in full reads:

My dear President Hill:

As chairman of the examining (Continued on last page)

Shirley Back From Texas College Con- vention at Dallas

Registrar D. A. Shirley returned last Tuesday from Dallas where he attended the annual convention of the Association of Texas Colleges April 27-28. While there he had the honor of serving as chairman of the nominations committee on officers for the coming year.

The following officers were elected:

Dean Colby D. Hall, T. C. U., president; Registrar E. J. Howell, A. & M., vice-president; Dean W. S. Allen, Baylor, secretary-treasurer (re-elected); and T. H. Hart, Daniel Baker, and L. F. Connell, C. I. A., executive committee.

Mr. Shirley visited in McKinney and Sherman before returning to Canyon.

Thump, Thump! It's The Old Marble Game

Believe-it-or-not, marble tournaments have not yet receded into the classification of antiques, the destiny of so many small-boy games due to more modern nick-nacks.

W. T. is to have a marble tournament.

Physical education class 223, with Shiek McDaniels directing the thumpers, is sponsoring the tourney. He has requested that everyone interested in the sport report to him at once so that assignments may be made. Sex was not differentiated, so it is supposed that the joust is open to co-eds also.

Rumor hath it that Bill McLendon and Edwin Comer are favored to take high honors. This team, it is said, holds the championship of Mexico and Catalina Island.

COMEDY WILL BE PRESENTED

"Prince of Liars" Given
Benefit Pioneer Hall
In Ed Bldg.

"The Prince of Liars," a three-act comedy, will be presented tomorrow night in the auditorium of the Education Building by the Plains Dramatic Players. The play is for the benefit of Pioneer Hall.

"Players of near professional calibre presented 'The Prince of Liars' here last Friday night," the Pampa Daily News of Pampa said of the comedy after its appearance there last week. "A sparkling comedy and the specialties were especially interesting. A girls' tap-dance chorus which could really dance was presented, and J. B. Fowler, black-face comedian, was in many respects the hit of the show."

This same play will be presented here for the second time under the auspices of the P. P. H. S. Proceeds will be used for purchasing fixtures for the new Museum Building.

A number of W. T. students will appear in the cast. J. C. Line is "The Prince of Liars." Lorene Robbins, his wife, Juanita Campbell, the hard-boiled mother-in-law, and Pollyanna Pitts is a gold-digging chorus girl. Ethel Brasuel and Alvin Ream also have roles in the screaming comedy.

Besides the play, two big vaudeville acts featuring J. B. Fowler, blackface comedian, and a chorus of tap-dance girls from the W. T. Department of Physical Education, will be given. The managers guarantee two hours of wholesome amusement.

An admission charge of 15c and 25c will be made. The curtain will rise promptly at 8:15 p. m.

COLLEGE DEAN ATTENDS MEET

Dr. Jarrett Discusses Ma-
jor Problems With
Texas Deans

Dr. R. P. Jarrett recently attended the Council of the Deans of Texas Teachers Colleges of which Dr. Jarrett is chairman. The meeting took place in the Baker Hotel in Dallas.

The deans were in conference four and one-half hours during which time they discussed the various problems connected with changing schools from the quarter basis to the semester basis. Some of the questions under discussion were: "Desirability of Uniform Opening and Closing Calendar," "The Splitting of the Second Semester," "Definition of Advanced Work," "Preservation of Standards in Connection with Extension Work," "Senior Examinations," "The Summer Session," and "The Text Book Problem."

While there Dean Jarrett also attended the meeting of the Association of Texas Colleges. Dr. Jarrett was accompanied by Mrs. Jarrett. Before returning they visited the homes of their parents in Granbury, Texas.

Board of room for girls. Mrs. Pattie Wilson, 2100 6th Ave.

ALL PANHANDLE JOINS MOVE TO OBTAIN PARK

R. E. Baird Is Named As
Chairman for Randall
County

MEETINGS HELD

Plan of Action Is Being
Worked Out by Var-
ious Leaders

Local citizens meeting with state officials in Canyon, Amarillo and Claude have started an organization of Panhandle-wide scope for the purpose of bringing to pass the dream of several years in the establishment of a Palo Duro State Park.

"A right-of-way for the proposed project is practically assured," said Clyde Warwick, secretary of the Canyon committee yesterday. "Plans are going ahead rapidly and it is hoped and expected that construction will commence before the last of August."

Amarillo citizens were here last week to meet with the Chamber of Commerce and discuss plans of action.

Ten cars with more than forty citizens inspected the Palo Duro Wednesday. A dinner was given at Amarillo that night attended by representatives from eight counties, at which time an organization was formed to take charge of the work. T. E. Johnson of Amarillo was named chairman of the committee and Clyde W. Warwick of Canyon was elected secretary, with the following members:

Donley County, Odos Caraway, Clarendon.
Armstrong County, L. P. White, Claude.
Potter County, T. E. Johnson, Amarillo.
Randall County, R. E. Baird, Canyon.
Hall County, W. C. Dickil, Memphis.

(Continued on last page)

RUDOLPH HAS SIX TESTS OFF

Morgan, Brown, Keith,
Newton, and Others
Out for Sigma Delta

Faucette Rudolph, sensational athlete who is easily the outstanding find on the Campus of the last two years, leads in the Sigma Delta Psi tests. He has passed six of the tests, leaving him nine to perform.

Morgan, Keith, Brown, and Newton are other men who are trying out for eligibility to the athletic honorary fraternity of which Coach Mitchell Jones is in charge.

The tests include:
100 yard dash; 120 yard low hurdles; 20 foot rope climb; broad jump (passed by Rudolph, Morgan, A. Keith, Brown, and Newton); shot put (passed by all five candidates); baseball or javelin throw; one mile run (Rudolph); high jump (Rudolph, Brown, and Newton); 100 yard swim; hand stand (Rudolph); hand spring (Rudolph); fence vault; scholarship; and posture.

It is thought that Rudolph will be the first man to fulfill all the requirements. He is known to have performed each test at one time or another. Other students wishing to try for entrance should see Coach Jones.

SOPHS AFFAIR IS ANNOUNCED

The Sophomore Class will tie itself away for the annual class picnic Friday, May 12, at 3:30 p. m. All members of the class have been requested by President Alvin Morgan to pay dues, report for the annual festival, and to provide cars for the occasion if possible.

A destination for the picnickers had not been announced definitely last night, but it is thought that they will congregate at the Palo Duro Park east of Canyon. Before departure the class will meet at the East Entrance to the Ad. Buildg.

Everyone is urged to be on time, 3:30 Friday afternoon.

J. B. FOWLER

This black-face comedian has been acclaimed far and wide as "the ace of Panhandle fun-makers." Jerry promises to produce his best mirth-making moods tomorrow night when the Panhandle Players present "The Prince of Liars" here.

SOUTHWESTERN CAPTURES MEET

Rudolph Again High Man
With 15; Three
First Places

While a typical track meet gale moaned over Buffalo Stadium Saturday night, Southwestern Teachers of Weatherford, Okla., braved the dusty cinder path to capture the track and field meet by a lopsided score of 84 to 33. The Buffaloes captured only four first places.

Faucette Rudolph was the outstanding star of the night, taking three first places for 15 points and high point honors. He copped the high and low hurdles and the shot put. W. T.'s other first place was the mile relay with a team composed of Colvin, Keith, Duncan and Richards.

Colvin's time in the relay was thought to be a near record performance for the quarter mile. The lanky star was responsible for the win, so great was the lead established by him.

In other events Richards took second in the 440; Colvin, second in the half mile; Newton tied for first in the pole vault; and took second in the discus throw.

NOTICE

An intramural swimming meet will be held in the College pool Monday, May 15, and on Monday, May 22. All men wishing to enter are invited to meet in the men's dressing room tomorrow at 2:30 p. m. Nine swimming events will be available for entrance.

Thelma Thompson has been elected to a primary position in the schools of Eldorado, Oklahoma.

Panhandle A. & M. Aggies Meet Buffaloes Here Saturday Night

Saturday night, May 13, the Buffaloes' thinly clad will tangle in a Dual Meet with the Panhandle A. & M. Aggies from Goodwell, Okla.

Faucette Rudolph, who has been high point man in the last two meets, will be seen doing his stuff the last time for the Maroon and White. Rudolph runs the high and low hurdles and puts the shot. In the last two meets he has copped first place in all three events. He is due to graduate in the summer and will be hard to replace in 1934.

Clyde Keith, quarter miler will graduate this spring. Keith placed in the Great Plains meet two successive years ('30-'31), and has rolled up a numerous amount of points for the Buffs in his three years of competition.

"Red" Swofford, another senior, will also be bidding goodbye. He has run the mile and two mile for the Buffs since '30, and will be a great loss to W. T.

The meet, scheduled to start at 8 p. m., will be held under the

SUMMER TERM WILL BE HELD AS SCHEDULED

Twelve Weeks Term Will
Convene Regardless
Appropriations

MANY EXPECTED

Dr. Hill Is Returning
To Austin Tomorrow
For Conference

In spite of an announcement several months ago to the effect that W. T. would conduct a Summer Term of school, there continues to be manifestations of doubt. "I don't know why there should be," said Dr. J. A. Hill, yesterday. "I suppose the failure of the legislature to make the expected appropriations is responsible. But a twelve weeks term will be held, regardless of appropriations. The Board of Regents has given us our instructions, and the catalogue outlines the program for the Summer session. It will be conducted as scheduled."

Requests for information concerning the Session are being received daily in the office of the Registrar and other W. T. administrative officials. Indications point to a record enrollment since it is evident that many teachers throughout the territory who have been out of college for several years are intending to renew their certificates or complete work for their degrees.

An enrollment of 917 this term gives W. T. a record enrollment for the long session. Two more students are now attending the college than ever before; and 5.7% more students than attended last year.

Dr. Hill will return to Austin tomorrow where he will remain until early next week. He will meet with the free conference committee of the legislature concerning appropriations which it is likely will be passed at that time.

Montie Draper, who teaches speech and English in the Childress High School, was in Amarillo Friday with an entrant in the Newspaper Oratorical contest. The Childress contestant ranked fourth in the finals; there were eleven students entered, Henry Fullingim of Pampa winning first place by a five-to-one decision.

Among prominent lawyers who have attended W. T. are Robert Stuart of Fort Worth, William J. Rattikin of Fort Worth, W. W. Gibson and Charles Keffer of Amarillo, Guy Rogers of Wichita Falls. Among county judges are J. E. Adams, Muleshoe, R. A. De-Fee, Channing, and many others.

Minister accused of kicking a dog out of Church. And the congregation howled louder than the dog. See the article in The American Weekly, the magazine distributed with next Sunday's Chicago Herald and Examiner.

Herman Troutman, '32, was a business visitor to the Campus yesterday. He has been re-elected to his position at Dimmitt where he is teaching science and math.

flood lights at Buffalo Park. Admission will be by Blanket Tax or upon payment of 25 cents.

W. T. entrants in events are:
Mile Run, Swofford, Grier.
440 yds. Run—Richards, Keith, Duncan, Morgan, C. Colwell.
100 yds. dash—Morgan, Williams, Brown, Kendrick.
120 yds. Hurdles—Fortenberry, Rudolph, Walker.
880 yds. Run—Colvin, Lovelace.
220 yds. dash—Fowler, Williams, Kendrick.

2 miles Run—Fowler, Swofford, Stein.

220 yds. Low Hurdles—Rudolph, Walker, Caldwell.

1 mile relay—Colvin, Keith, Richards, Duncan, Morgan, Caldwell.

Field Events:
Pole Vault—Brown, Newton, Morgan.

16 pound shot put—Rudolph, Walker, Fortenberry.

Discus throw—Walker, Fortenberry.

High Jump—Walker, Fortenberry.
Broad Jump—Brown, Morgan.
Javelin Throw—Walker, Williams.

Y. W. Holding Annual Sale of Snapshots; Faculty For Sale Cheap!

Continuing a custom started several years ago, the Y. W. C. A. will hold its annual sale of faculty pictures Thursday, Friday, and Saturday of this week. Both kodak and portrait prints will be displayed, and the prices will be reasonable enough for every student to invest in at least one picture of his favorite prof.

For the past month members of the committee, of which Mary Joe Gates is chairman, have been busy "kodaking" members of the faculty in characteristic poses, and then announce that this year's exhibit of prints will be one of the best that the organization has ever sponsored. In addition to the faculty pictures, views of the canyons, the campus, the museum, Randall and Cousins Hall will be shown.

The prints will be displayed in the main hall of the administration building, and students may place their orders with the girls in charge. Orders will be delivered by members of the committee about one week after the sale closes, and payment may be made at the time of delivery.

Chapel Program Features Group From Panhandle

The chapel program last Saturday was turned over to a group of Panhandle artists, the Bean family, talented cornet performers.

C. W. Bean is band director in the Panhandle high school. His sons, Elton, 16, and Rex, 12, featured the fine musical program rendered during the hour. Mrs. Bean and Hope Bussey, Panhandle student, accompanied the cornet players at the piano.

Six solo and duet numbers were given.

Elton has the honor of winning state championship for cornet players four years in succession. Unsatisfied with this paltry accomplishment, the youth won the national title last year. Rex, the younger brother, is being tutored to carry on the Bean tradition, and will enter the national meet next month.

The appearance of the Beans and such artists never fails to win the approval of W. T. students.

THE PRAIRIE

THE STUDENT NEWSPAPER

A weekly college newspaper published every Tuesday by the students of The West Texas State Teachers College, Canyon, Texas.

Entered on November 21, 1919, as second-class matter at the post office in Canyon, Texas, under the Act of March 8, 1879.

MOTHER'S DAY

Next Sunday, May 14, is Mother's Day. Mother's Day! What does that signify? Or why is it her day?

These are questions which will arise in the minds of a large number of students and young people who know little about the topic other than that it is spelled in capital letters.

We remember once seeing a cinema comedy in which everyone celebrated Mother's Day by going on a fishing trip and leaving mother to clean up the debris of their hurried departure and to prepare a fine dinner to be served upon their return. To them that was the way to celebrate Mother's Day; and it is not unbelievable that it is often true to life.

The origin of Mother's Day is clouded in the misty uncertainty of the past just as is the origin of all traditions and customs. It is safe to say, however, that the custom arose from a realization that mother's is a pretty hard lot, one that calls for many sacrifices and many disagreeable tasks aside from the one that will forever be her fate, childbirth.

In honor of her, a day was designated as her day. It was then that extraordinary kindness was due her. She was to be remembered by a gift, or a hug and a kiss such as may be easily forgotten on other days. She was to be protected from all unpleasanties for a whole day—sort of placed on a throne where all the sons and the daughters might sit in reverence at her feet, and from whence she might issue her commands for service or deeds.

It is, perhaps, a vestige of oriental ancestral worship, the most widely known form of homage and respect for the parents of the young. It is to be neither sneezed at nor ignored.

Next Sunday W. T. students and faculty members will honor their mothers. A long letter is the least that will suffice.

ENROLLMENT PROGRAMS

An advocate of the oft-proposed (by students) move to have the names of instructors printed on the curriculum programs of this institution is not apt to enjoy longevity in the favor of many instructors. It is hardly necessary to point out the lamentable truth: a number of instructors would be greeted by deplorably depleted classes at the first of each term if students knew just whose class they were signing up for.

That, however, does not alleviate the fact that students should be allowed the privilege of some choice in the matter.

Instructors, it must be admitted, soon gain the reputation of being hard masters or "snap coursers." The former would, if reliable information was given on the program indicating the courses they would teach, feel a certain reduction in class enrollment. The poor student would, of course, avoid the class just as he would a pestilence. On the other hand there are many students who would seek the class—after all, there are many, many conscientious students who really intend to learn something, if it be possible, and few will dispute it.

The latter, the instructor who "is easy," would have his following, composed mostly of snap-hunting students, who would swear allegiance to him just as would the exponents of the hard master. There would be considerable adjustment to be made, but there would be but slight difference in class enrollments inasmuch as the two types of students are about evenly divided. And everybody would be made happy and contented—except for the possibility that there might possibly be instructors who have failed to appeal to either type of student. These profs would doubtless be somewhat discomfited—and even discouraged—by so poor a demand for their knowledge.

In spite of this the custom is not unheard of. Texas University permits the student to know whose class he or she is signing up for. Other institutions do likewise. And it is appreciated by a large majority of students who are becoming more and more critical of their instructors. The time has passed when a college can dictate: "This man (or this woman) is your master. If you wish to take this, or that course, you will take it under him."

There should be the privilege of option in the matter. Then if the instructor fails to attract enough students to his sanctity of learning, to make the class practical and economically advisable, he (or she) is not the person for the place.

MUMBLES

BY THE MUMBLER

THE TECH-BUFF misunderstanding is about to straighten itself out! The Mumbler and Dr. Hill both believe that it is "just a schoolboy row" and there is no need for getting excited or calling off athletic relations or pulling in the welcome sign whenever Tech approaches or anything of that kind. We, Dr. Hill, Dr. Knapp, and the Mumbler, are going to settle it just fine, and then we'll go ahead and have the track meet scheduled for May 20.

WE'LL HAVE the track meet and there will be a record turn-out of people from all over West Texas, New Mexico, and Murryhoma, all of whom will be praying that everything won't be all right and that the boys will decide to resume the pasting of bricks right where they left off last week down at Lubbock. But they won't do it. They are gentlemen. And they will break their necks being nice to each other—while the officials are looking.

THERE ARE rumors of secret

alliances which the Buffaloes have formed wherein they swear to knock the block off the first Matador who cheeps. But these are just rumors. The truth is, the Buffaloes regret what happened as much as any one else. The Mumbler has made a confidential survey of the matter and he has learned that several of the boys cried themselves to sleep over it for three nights afterward. Joe Fortenberry, it was found, was doubled up with pain for a week. But Joe is an exception. Not all the boys are as tender-hearted as is Joe.

WE ATTENDED the Panhandle Press Association convention in Amarillo last week in hopes of learning about newspapers. Of course we had it impressed upon us as to the proper way to treat conventions, or to go to conventions, rather, but about the only thing we learned was that to run a newspaper successfully one had to train a good set of rural correspondents, learn how to tactfully treat doting mothers with precocious children, and to butcher the fine English we've spent several years in college trying to imitate. Newspaper men are about as childish a group as any other who has the presumption and gall

to dictate what a country, weak and wobbling with one foot in the grave and the other on a banana peel, should do. They did, however, come to a general agreement that times were getting better.

THE MUMBLER is looking for a job. He's not particular, either and he'll do anything from taking milady's lapdog for a sun-bath to squeezing the instruments by which the human race is fed on the milk of bovine kindness. (Yeah, that's right—milking a cow.) He's going to apply for a dozen jobs teaching school, and he's going to tell 'em all that he's a freshman, going-on-a-sophomore. That's the only way to get a job nowadays. Nobody wants to hire a person with a degree; they're so confounded stuck-up and lots of 'em won't consent to teach for less than fifty dollars a month. So if you know anybody who wants to hire a dependable feller to either teach school or do odd jobs about the farm, please notify the Mumbler. He can give lots of excellent references.

INTERESTING people: Billy Biggers. Billy began teaching at the early age of 16 as the result of a "piker." Like this, you see: Billy was in the eighth grade and in love with his teacher. She, poor thing, was unfortunate in having her certificate expire in the midst of the school term. Billy, the faithful young lover, took her to the county seat, poste haste. While there he assisted her with the examinations, and in a moment of braggadocio, exclaimed: "I could do better than you on these exams!" And she pikered him to try.

SO BILLY, the young rascal, paid his dollar to the county clerk and took the tests. As a result he received a second grade state certificate to tutor the tots of his county. The following summer, while pitching hay for the president of the school board, the latter received word that his school teacher, and Billy's erstwhile lover, had married and deserted her school. The school board was thrown for a

loss since school was due to open in three days—or maybe four. Billy came to the rescue, though, by disclosing the fact that he WAS a school teacher. "We'll pay you forty dollars a month," said the school board. "I wouldn't teach for anybody for that meagre salary," lied the eager Billy.

"WHAT'LL YOU take, then," said the school board. "Forty-five," said Billy triumphantly. "You're hired!" shouted the school board. And so Billy Biggers became a school teacher at the age of 16 and while in the eighth grade. Since then he has been attending W. T. S. T. C. He is now a senior after having finished high school and normal, many years ago, just by going summers. That's Billy Biggers!

W. T. Artists on Press Association Banquet Program

The Panhandle Press Association, convening in Amarillo Friday and Saturday, had on its program Friday night at the Annual Banquet of the Association several W. T. artists. The Banquet was held at the Amarillo Country Club after which the banquet hall was given over to dancing.

The W. T. artists included Miss Pauline Brigham, pianist, Herschel Coffee, violinist, both of whom are members of the Music Department, and Miss Mary Helen Hardin, student soprano.

Miss Hardin, accompanied by Miss Brigham, sang three numbers. In the last of these, "The Wren" she was accompanied by Mr. Coffee on the violin.

The newspaper men were unanimous in their praise of the program. Miss Hardin, "Songbird of the Panhandle Press Association," has appeared at their annual convention for the last five years.

Alma Hall was the week end guest of Mrs. Andy Walsh. She graduated here in '26 and has been teaching mathematics in Bellevue, New Mexico.

Connie Wayland Elected Prexy of Pi Omegas '33-'34

Officers for the year 1933-34 were elected by the Pi Omegas last Tuesday night. The organization has had one of the most successful years in its history this year. A number of major projects have been undertaken and carried thru to completion. In addition its activities of a minor nature have been numerous and of such demeanor as to be of untold value to the College.

Miss Frances Usery is the retiring president.

New officers: Constance Wayland, president; Virginia Jarrett, vice president; Marion Hill, treasurer; Lucy Jo Louder, secretary; and Frances Alice Clark, Prairie reporter.

Retiring officers: Frances Usery, President; Martha Nell Lang, vice president; Constance Wayland, secretary; Laurene Alvord, treasurer; Mary Martin, Prairie reporter, and Frances Holman, annual representative.

The organization is composed entirely of girls and had its origin as a pep squad twelve years ago.

Ex-Student Notes

Price Moorman, '29, of Amarillo spent the week end in Canyon, and spent the time with the Y. W. C. A. girls at their annual retreat in the canyons. Miss Moorman was once president of the organization.

Mary Pearl Coward, Permanent, '27, has been teaching during the past year in Floyd County.

Ben Guill attended the Track Meet here Saturday night. He will attend school this summer, he reports. He has been re-elected to

his position in a school near Panama.

Supt. Curtis J. Williams, '31, of Anton was in Canyon Friday interviewing prospective teachers. All his vacancies are now filled.

Norman Cleavinger, a student in 1914, is now a member of the school board at Spring Lake. He visited the campus this week.

Zonnelle McMurry, who has been teaching at Canadian during the past four months, was a week-end visitor in Canyon.

Walter Troxell, who is located near Shamrock, visited on the campus Saturday.

C. L. Dodgen of Groom was a visitor Friday night to attend the senior play.

Pat Gerald, Panther Coach at Panhandle was a week end visitor but returned to Panhandle in time to conduct services for his Sunday school class Sunday morning.

Ray Bivins, '26, witnessed the track meet Saturday night. Ray was a member of several famous football teams during the early and middle twenties.

Miss Juanita Hudson, last here in 1929, has been teaching four years in the schools of her home city, Dalhart. She visited W. T. Saturday and made arrangements to enter for the summer session. She is a junior.

Supt. Floyd Golden, one of W. T.'s very successful graduates, visited in Canyon Saturday. He will continue his work at Portales, New Mexico, next year.

Guy Tabor, '28, has recently been re-elected superintendent at Farwell, where both he and Mrs. Tabor have taught since his graduation.

Judge Landis, '30, formerly employed by the Globe-News, is making a success as manager of the San Jacinto Booster.

W. H. Younger, '22, superintendent of the Tulla Public Schools,

was recently chosen president of the Panhandle Superintendents Principals' Association at a meeting in Amarillo.

Among Exes who will go on the Omnibus College Tour of Wichita University this summer are Mary Kate Campbell of Amarillo, Thelma Cope of Lipscomb, Nell Galloway of Borger, Ozelle Hunt of Darrouzett, and Annie Williams of Dalhart.

Wesley Cabin Dedicated Sunday; On Beautiful Location Along Palo Duro

Marking the culmination of six years of work on the part of the Methodist students, dedication services for the Wesley Foundation Camp at the Methodist encampment grounds in the canyons were held Sunday afternoon at 2:30 with Miss Mattie Mae Swisher, student secretary, in charge.

The program, developed on the theme, "God of the Open Spaces," was opened with a brief history of the camp and cabin by Miss Swisher. Professor C. A. Murray told of the purpose of the camp and the rules and regulations governing it. Ben Jo Day gave a Navajo Indian prayer, following which Rev. T. B. Hilburn led the group in prayer. The group joined in singing "America the Beautiful" and as the next number Miss Mary Moss Richardson gave "The Testimony of a Searcher." All joined in the Twenty-third Psalm, led by Mrs. Elizabeth Fry Page. Mrs. Geraldine Green read a selection from Edna St. Vincent Millay's "Renaissance" and Elizabeth Faulkner sang "Trees" by Joyce Kilmer. "God Meets Me in the Mountains" was given by Dorothy McKenzie and a prayer for divine blessings on recreational activities by Jean Day. Van Dyke's "Dedication Ceremonies" were given by Lloyd Neelley and Miss Ruth Lowes and the dedication prayer by Rev. Foote. The group joined in the "Doxology" and the benediction was led by Al Reed.

The Wesley cabin is a large one located on a spacious lot in the bend of the Palo Duro Creek. It is surrounded by cottonwood and hackberry trees and faced by a brilliant clay cliff which provides a spring and an adequate water supply. There are several open air stone fire places and accommodations for camping out.

Some seventy-five students and faculty members were present at the services and the picnic lunch which was one of the features of the day.

Party Given At Pierle Home

Dr. and Mrs. C. A. Pierle entertained Thursday evening honoring their out-of-town guests, Mrs. O. L. Kink, of Clarendon, her daughter, Mrs. Edgar Brittain, of Jacksonville, and her son, Kenneth E. Fink, of Clarendon.

Four tables were placed for bridge in the reception rooms. Refreshments were served following the games.

Other guests included: Mr. and Mrs. Gordon McCarty, Miss Obie Crabtree, Miss Minnie McCarty, Mrs. Earl Robbins, and Messrs. Larry Holmon, George Ray Colvin, Ray Robbins and Ivan Watson.

Delta Kappa Elects Officers

Miss Anna I. Hibbetts, Miss Darthula Walker, and Miss Edna Graham attended a meeting of the Delta Kappa Gamma last Friday night in Amarillo.

Officers for the coming year were elected as follows: Miss Edna Graham, president; Miss Birdie Warren, vice president; Mrs. E. L. Hunter, treasurer; Miss Annie McDonald, second vice president; Miss Anna Hibbetts, keeper of the records. All of the new officers are W. T. students, ex-students, or faculty members.

Thurmans Visit In Pampa

Prof. and Mrs. C. H. Thurman spent Sunday in Pampa as the guests of Rev. and Mrs. C. A. Long. Rev. Long is pastor of the First Methodist Church of Pampa.

The Pampa minister and family are old acquaintances of the Thurmans and very dear friends.

The positions of leadership occupied by ex-students of W. T., is one of the things which lends encouragement to administrative officers and teachers of the college during these uncertain days.

Recently President J. A. Hill said, "One of the things which I enjoy most is meeting our ex-students who are leaders in their communities."

R. R. Jemison, who attended W. T. Last summer, has just closed a very successful year in Swisher County. Both he and Mrs. Jemison taught in the same school.

Frank Monroe, who became an Ex shortly after the opening of the spring term, is reported to be making a big hit with patrons and pupils of the Friona school.

Oleta Bolling is among the students who have secured positions during the past week.

LORINE ROBBINS

Miss Robbins, W. T. graduate as a Speech Major, is director of "The Prince of Liars." She also plays a strong part in the comedy.

W. A. A. Elects Officers, 1933-4

The W. A. A. met on Tuesday night, May 2, and elected new officers for the year '33-34.

The membership of the organization voted the following officers in, who had been nominated by the W. A. A. council: President, Louise Ramey; vice president, Mary Orton; secretary, Addiline McDonald; treasurer, Phyllis Holgate; Prairie reporter, Johannah Miller.

After the election of officers, plans were made for their last social event of this year, which will be a picnic Tuesday night, May 9. Every W. A. A. member is invited to come and bring one guest.

W. T. Party Saw "Front Page" in Amarillo—Laughs

Miss Helen Hickman took a party to see "Front Page" in Amarillo Thursday night. This play has received much comment in the newspapers because of the criticism it has been given due to the type of play and the frankness with which it depicts.

The play was sponsored by the News-Globe, daily newspaper of Amarillo, and the cast was composed of members of Amarillo publishers and directed by a newspaper man. All the proceeds from the play were for the municipal kitchen.

Miss Hickman gave a brief summary of the stage setting and the acting. The setting was burlesque, the one set being used throughout the three acts. But it was very good. The setting represented a newspaper headquarters for phoning the news to the main office.

There was no trick lighting, there were many tables and a telephone for each of the reporters in the play. The telephones, continually ringing, gave a vivid impression of the pressure in a press room, and the things that the press men have to put up with in getting their "scoop" or the ethics of the press.

The characters did not change costumes. "Molly Mallory," the adventuress, played by Louise Evans, was one of the best of the women characters. Her climax was exceedingly well done. "Jennie," the charwoman, played by Sophia Meyer, was well acted. Of the men, Fred Post who portrayed "Hildy Johnson," was the best at staying in character.

The entertainment between acts, was furnished by an Amarillo orchestra.

Asked for her impression of the play, Miss Hickman said she thought it was a laughable play, not exceedingly vulgar, although there was a lot of profanity, and she believed that the play was cleverly advertised. Miss Hickman has had much experience in dramatic work.

Miss Hickman said, "The play was a comedy which depicts the life of newspaper men rather well, and I laughed so much, particularly after leaving there, that even if I didn't laugh for a month I couldn't look extremely serious."

MISS SWISHER ENTERTAINS HEREFORD CLUB

Miss Mattie Mae Swisher entertained the Hereford Music Study Club and other special guests with a covered dish dinner at her home, 1803 Fourth Avenue, Tuesday evening.

The guests were received in rooms where foursome tables were arranged for dinner. Pansies centered the tables at the serving hour, during which Alex Thompson of Hereford acted as toastmaster.

A feature of the evening was a jointly composed letter to Mrs. G. A. F. Parker who is spending several months in Austin.

Following the dinner the guests attended the Madrigal club concert at the college auditorium.

Seated were Mrs. Geraldine Green and Mrs. Elizabeth Fry Page of Canyon and the following of Hereford: Mr. and Mrs. Alex Thompson, Rev. and Mrs. MacWilliams, Mrs. H. L. Broadwell, Mrs. R. P. Coneway, Mrs. W. E. Dam-

GUS'S GOSSIP GAGS

Well, the "best dancer" contest is over: the results will take up the major portion of the space in this issue. (Gus means the space allotted him). According to the vote which we received MAXINE ROBINSON is the best dancer among the many, many excellent dancers attending W. T.

She was followed closely in the vote by PAULINE WARREN. . . . CONSTANCE WAYLAND took third with ELIZABETH McMILLAN and LUCY JO LOUDDER tying for fourth place. . . . FARRIS SEARS placed fifth, HELEN MITCHELL sixth, and ADDINE HASTINGS seventh.

Other girls who were voted "good dancers" are as follows: NINA MAE DREW, FRANCES USERY, OBIE CRABTREE, JESSIE LOUDER, SARA MOORE, MILDRED CALDWELL, JO FLANNIKIN, MARY HELEN HARDIN, FRANCES SNODGRASS, BETTY WALDEN, MARION HILL, EULALIA BURRUS, YVONNE THOMAS, ALMMETA GERALD, ELIZABETH FOSTER, ROBERTA LA FON, and CLARICE MATTHEWS.

Seems to us that it was quite a coincidence that BILL PITMAN should be chosen the best dancer among the boys in W. T., but it so happened. . . . Congratulations, "MAX" and BILL!

HOSEA FOSTER was a second choice. . . . GLENN BOBBITT and SPEEDY LONDON tied for third place. . . . SLIM COMER and SHORTY MILLS for fourth place.

eron, Mrs. C. H. Dyar, Mrs. C. C. Ferguson, Mrs. Paul Foster, Mrs. A. C. Hales, Mrs. H. H. Hawkins, Mrs. Glen Snyder, Mrs. J. W. Stamford, and Mrs. A. C. Thompson.

A. A. U. W. HOLDS LAST MEETING OF CLUB YEAR

In their closing session of the club year the members of the A. A. U. W. met May first at the Clark home, 1901 Sixth Avenue, with Misses Ada V. and Grace Clark, Miss Elizabeth Cox and Miss Mattie Jordan as hostesses. Tulips and pansies added color to the reception rooms.

Mrs. T. B. McCarter, president, presided over the business session at which time final committee reports were made and the chairman announced that the poster exhibit which is being planned for the National A. A. U. W. Convention at Minneapolis, May 17, is nearing completion.

The organization will entertain the senior girls of the Canyon High School and the College training school with a program tea at the Kerr House yesterday afternoon from four to six o'clock.

Following the discussion hour conducted by the study groups, refreshments of strawberry short cake and punch were served.

MRS. HUMPHREYS HONORS HUSBAND

Complimenting her husband on the occasion of his birthday anniversary, Mrs. John S. Humphreys entertained Thursday evening with

Dependability Is All-Important

When you flick an electric switch you expect the light to come on, the stove to heat, the motor to run, or whatever you use electricity for, you expect to get instant action. You have become so accustomed to having electric service at your command that you seldom give any thought whether it is there or not.

Dependable service comes from a long line of interconnected wires, with supply stations adequate to keep the electricity continually ready for use, without a moment's notice.

SERVICE is what we have to offer our patrons—24 hours every day and when you are on a Texas Utilities Company line you may know that you will get the very best of electrical service.

USE ELECTRICITY FREELY—IT'S YOUR CHEAPEST SERVANT!

TEN MOST IMPORTANT EVENTS OF SCHOLASTIC YEAR NAMED

Wide Variety of Opinion Seen in Four Reports Made May 1

In an investigation made by The Prairie, the ten most important events of the scholastic year (from September 25, 1932, until May 1, 1933) have been named by four different people whose choices were determined by no prescribed rules but according to their conceptions of events with the greatest news value.

These four people were Mrs. T. V. Reeves, Dr. B. F. Fronabarger, Prof. J. L. Duflo, and the editor of The Prairie, Gene E. E.

While it was possible for forty events to be named, only twenty-four were included in the four reports. This would seem to indicate a surprisingly close relationship of opinion. In making her report, Mrs. Reeves said:

"It is unlikely that any two people would agree on the ten most important events. In making this ranking, an event has been considered important if it is a culmination of thought and action in the past, or it seems to point to significant thought and action in the future. Another standard employed has been that an event is important if it is stimulating to the imagination of those who know about it."

The reports were condensed and then ranked by points accorded them in the individual's opinion. For example: If Homecoming Day was placed first in a report, it was given ten points. If placed second, it was given nine points, etc.

The condensed investigation ranks the first ten events in the following order:

1. The report made by the Legislative Committee on Efficiency and Economy which would have reduced W. T. S. T. C. to a Junior College. (December 6 issue of Prairie.) Given 38 points.
2. The Dedication of Pioneer Hall. (April 14) 34 points.
3. Homecoming Day. (November 8) 28 points.
4. Ex-students pledge aid to Alma Mater. (December 20) 16 points.
5. The Coronation of the College Beauty Queen. (Feb. 27) 12 points.
6. London String Quartet. (Apr. 4) 9 points.
7. Cornerstone Laying, Museum building. (Nov. 8) 9 points. (Where ties occurred, superior rank was given the event receiving the greater number of votes.)
8. The Passing of the T. I. A. A. (Dec. 6) 8 points.
9. The Threat to Raise Tuition Fees in all State Supported Colleges. (Feb. 23) 8 points.
10. The National Basketball Tournament at Kansas City in which the Buffaloes went to the Quarter Finals. (April 4) 7 points.

The remaining fourteen rank in the following order: Visit of Regents, 5 points; Victory over the Henry's, 5 points; Appointment of New Regents, 5 points; C. W. Batchelder, author of new text book, 5 points; International Relations Club at Las Cruces, 4 points; Larado Taft, Lyceum number, 4 points; Williams Elected Captain 1933 Football Team, 4 points; Buffaloes Defeat House of David, 3 points; Athletic Fraternity, Sigma Delta Psi, 3 points; Dr. Hill's Retirement as president of the T. S. T. A., 3 points; Rural track meet, April 11, 2 points; Interscholastic League Meet, 2 points; Mrs. Wallace O'Keefe at Barksdale Field for Dedication Ceremonies, 1 point; Y. W. Stunt Night, 1 point.

Individual rankings are as follows:

Mrs. Reeves: 1. Economy and Efficiency Committee. 2. Ex-Students Aid Alma Mater. 3. Dedication of Museum. 4. Homecoming Day. 5. London String Quartet. 6. Appointment of New Regents. 7. International Relation Club's trip to Las Cruces. 8. Sigma Delta Psi. 9. Rural Track Meet. 10. Mrs. Wallace O'Keefe at Barksdale Field.

Dr. Fronabarger: 1. Economy and Efficiency Committee. 2. Laying of Museum Cornerstone. 3. Homecoming Day. 4. Passing of T. I. A. A. 5. Dedication of Museum. 6. Visit of Regents. 7. Victory over the Henry's. 8. House of David Basketball Team. 9. Coronation of College Beauty Queen. 10. National Basketball Tournament (On account of our chances for the championship.)

Prof. Duflo: 1. Dedication of Museum. 2. Economy and Efficiency Committee. 3. Threat to Raise Tuition Fees. 4. Ex-students aid Alma Mater. 5. Homecoming Day. 6. Batchelder Author of Text

Book. 7. Visit of Lorado Taft. 8. Favorable News Items and Reports of President Hill's Presidency in T. S. T. A. 9. Coronation of College Beauty Queen. 10. Victory over Henry's.

Prairie Editor: 1. Dedication of Museum. 2. Economy and Efficiency Committee. 3. Coronation of Beauty Queen. 4. Homecoming Day. 5. Buffaloes at National Basketball Tournament. 6. Y. W. 1933 Stunt Night. 7. Williams Captain Football Team. 8. London String Quartet. 9. Interscholastic League Meet. 10. Passing of T. I. A. A.

The diversity of opinion would seem to indicate that only the major events of the year are uppermost in the minds of a group. Had these four people been selected from the student body altogether, it is probable that the ranking would have been entirely different.

It will be noticed that only on the first three events was there anything like an unanimous agreement. None of the three was ranked lower than fourth place. Whether or not the investigation is valuable, as a means of predetermining student activities is doubtful.

Palo Duro Park

(Continued from page one)
Swisher County, Dr. J. W. Stevenson, Tula.

Briscoe County, J. A. Bain, Sil-

verton.
Great enthusiasm was shown in the meeting in Amarillo favoring the establishment of the park. The Goodnight Trail will be the official name for the project, all speakers agreeing that the road into the Palo Duro should start at the point east of this city where Col. and Mrs. Goodnight first entered the canyon. It is proposed to extend the Goodnight Trail from the new museum building, down into the Palo Duro to the old headquarters established by the Goodnights, and then on to the grave of Col. Goodnight at his old home at the town of Goodnight.

Securing the right-of-way thru the Palo Duro will be the first big project, with the possibilities of adding the 14,000 acres of the Byars Bros. land as a park project.

D. E. Colp, chairman of the State Parks Board, stated that he was ready to go to work on the project just as soon as the state acquired title to the land. A vast amount of work has been done by the State departments of Water Engineers and the Health department in making plans for camp sites, dams and possibilities of beautification.

J. Everts Haley came from Austin to assist with the project, as he knows all of the trails of the Palo Duro.

J. O. Guleke believes that the project will employ 5,000 men during the coming winter if title may be secured to the land at an early date.

Mrs. Phebe K. Warner stated that "we are a punk set if we cannot finish the job which the Goodnights started." The fact that a woman, Mrs. Goodnight, drove the first wagon down into the Palo Duro is a challenge to the men and the women of the Panhandle to build this Trail in the memory of Colonel and Mrs. Goodnight.

J. B. Elliston stated that 100,000 visitors had been registered in two years at the Palo Duro Park established by the citizens of Canyon, coming from 47 states and 10 foreign nations. He gave figures as to what the major project would mean to this section.

Senior Play

(Continued from first page)
Haddon. Frances Munson and Hazel Cooper were cast as two rather caty society women. Jake Harrison and Orlena Bandy were in the minor roles of butler and maid.

Every member of the cast gave a finished performance. There were no forgotten lines, and only one bit of ill-timed business in the entire play. Every line, every word was clearly and distinctly enunciated; the dialogue was always humorous, often racy, sometimes bordering on the risqué.

Miss Mary Morgan Brown directed "Lillies of the Field." Others of the producing staff were Bowen Cox, Alvord Swofford, and Charles Donnell.

The play will be presented in Amarillo tonight, under the auspices of the Amarillo Little Theatre group, at the Municipal Auditorium. The second showing will provide a second opportunity for W. T. students to see it.

JUANITA CAMPBELL

As the mother-in-law, Miss Campbell assumes an important role in "The Prince of Liars."

Madrigal Club

(Continued from page one)
be estimated. How you and your club must have enjoyed working it out!

"My visit to you a year ago is still fresh in my mind. Your club was so kind to me that I came away quite in love with them all. I can't help congratulating you on the treasure you have in the Chicago Madrigal Club Library and what it will mean to your community throughout the coming years. The work the Chicago Madrigal club did is directly responsible for several fine A capella choirs here in the city. Thus the influence of a good work never ends."

"Please extend my congratulations to your club. . ."

Elmer Padgett, chemistry assistant during the past two years, has been elected to teach science in the Anton school 1933-34.

Camel Using Cartoon Style for "Magic" Ads

Cartoon strips have been chosen to present Camel's "no tricks" story in graphic form as the R. J. Reynolds Tobacco Company swings into the second phase of its campaign in this and other college newspapers.

The magic campaign, with its famous slogan "It's fun to be fooled . . . it's more fun to know," and its emphasis upon the quality of tobaccos used in Camels, has been hailed as one of the notable advertising successes of the year. The public has shown a gratifying response to Camel's appeal of "No tricks"—just Costlier tobaccos, and the fad for doing magic tricks continues to increase. Newspaper sleuths on various campuses report that even the professional corps contains its quota of magicians!

Typical of the magic tricks appearing in the new "strip" advertising style is the one called "Cut Rope made Whole Again" in which the magician cuts a rope into two pieces and then restores it. Copy makes the point that people sometimes have illusions about cigarettes too, but it is "more fun to know."

Granted Ph. D.

(Continued from first page)
committee for Miss Angle Debo, who took her final examination for the Doctor's degree in history and government last Monday, I wish to tell you that Miss Debo passed a very brilliant examination and made a most favorable impression upon her committee.

She showed every evidence of careful and critical scholarship, of a mature, analytical mind, and thorough knowledge of her subject, while her poise and bearing

during the ordeal of a two and one-half hour examination was everything which could be desired. I wish to congratulate you upon having on your faculty a woman of such excellent attainments and outstanding scholarship.

This Department is very proud of Miss Debo and I know that my colleagues here all agree with me that the college having her services is very fortunate.

With best wishes, I am,
Very sincerely yours,
E. E. DALE,
Professor of History.

W. A. A. Will Go on Moonlight Excursion at 6:00 p.m.

Members of the Women's Athletic Association will hold their quarterly "super" event tonight when they hike to the new recreation park located on the T-Anchor Farm for a picnic dinner and swim.

It is expected that the pleasure derived from the venture will surpass even that experienced by those who attended the group's "all-college" party and "Co-ed" dance the first two quarters of the year. Each W. A. A. girl is invited to attend. She may be accompanied by one friend, either boy or girl. The group will meet at the West Entrance to the Ad-Building this evening at 6 o'clock from whence the last excursion of the year will be made.

Special arrangements, announce officials of the W. A. A., have been completed for a moonlight night.

NOTICE

Students and faculty members are invited to secure tickets for the show, "A Kiss in the Mirror," from members of the Wrangler Organization. This group is sponsoring the show as a means of raising funds for the proposed Wrangler Lodge. Tonight is the last showing of the excellent picture.

"As long as We're Settling things

SUPPOSE YOU TELL ME WHY YOU SMOKE GRANGER

"WELL, it's like this. Back in the old days, when men wore high hats and frock coats, they had plenty of time to think things out, and they had sense, too. They used to sit down on a log and take the time to whittle their tobacco from a plug, to be sure of having a cool smoke."

"In those days, a man named Wellman, right here in Quincy, Ill., made about the best tobacco you could get. He knew how to keep the flavor fine and mellow."

"Well, sir, the people who make this Granger Rough Cut acquired Mr. Wellman's method, and they must have known how the old boys used to whittle their tobacco to make it smoke cool. Yes, sir, this Granger is the real stuff. The same mellowness and fine flavor that Wellman used to hand out to his friends. And it's whittled into big shaggy flakes all ready for the pipe. 'Rough Cut' they call it—'cut rough to smoke cool' is the best way I can describe it."

© 1933 LIGGETT & MYERS TOBACCO CO.

TEN CENTS

The Granger pouch keeps the tobacco fresh

"Regardless of price, Granger is about the best pipe tobacco I ever smoked. That's why I smoke it, and that's why they call it America's Pipe Tobacco, sir."

Now we wanted to sell Granger for 10¢. It was just a question of how to do it for the price. So we pack Granger in a sensible foil pouch instead of an expensive package, knowing that a man can't smoke the package. We give smokers this good

GRANGER tobacco in a common-sense pouch for 10¢.

GRANGER has not been on sale very long, but it has grown to be a popular smoke. And there is this much about it—we have yet to know of a man who started to smoke it, who didn't keep on. Folks seem to like it.
