

The Editor Speaking

Perhaps foremost in the minds of all this week is the coronation of the College Queen scheduled for Saturday evening. This event usually ranks high above every other social affair on the campus during the scholastic year. It is always the biggest chance that we have to show that we are not really all barbarian in manner as some of the "larger and more refined" institutions may popularly regard us.

Last night we were allowed our first chance in 1937 to see the Buffaloes confronted by an invader. Sports-hungry fans will throng Burton Gym again tonight to see whether the outcome will be different or will remain the same as it did last night. The boys have struck a veritable chain of hard luck, apparently, and are going to need all of the support we can muster as encouragement. The very best of teams hit a losing streak at odd intervals, and the record of the Buffaloes this far into the season should be no reason for failure to back them to the limit against all opposition. It's the feeling that we are behind them that really matters to the Baggettmen.

In a season of varied social affairs, all of which are competing for the spotlight, the Junior Class party held Thursday evening at Cousins Hall came in for its share of the recognition as a truly resplendent affair. A party has to be a success when everybody is talking about for a week afterward.

With construction now underway on the new outdoor swimming pool, W. T. can pride herself on attaining another objective. How true it is that "the mills of the gods grind slow," but it just does not pay to get too impatient when depending on the other fellow to get something started. With each project completed, we all feel that we are a little nearer to getting a library building on the campus. Without a doubt, a library building constitutes our greatest present need and the lack of it causes a great deal of general dissatisfaction. In an educational institution, as in some other places easily named, a balance must be maintained. Obviously, it is hard for us to keep from becoming top-heavy at best.

The open-house question is causing quite a furor on the campus now. No more open-house hours will be held between now and the next semester because of the basketball game scheduled for Monday night. At the beginning of the second semester a new plan must be put into effect before open-house entertainment will be resumed. More thorough co-operation in the matter of open-house must be given from several quarters if the custom is to be continued. Any student or group is free to submit plans to the office of Dean of Women which will help to produce a sane, workable method of conducting open-house.

Missionary Group Gives Twenty-Two Books to Library

The Women's Missionary Societies of the Northwest Texas Conference of the Methodist Church have added twenty-two volumes to the library of W. T.

This gift was made in order that the Department of Bible might be better equipped to give all the courses in which students are interested. The books deal with the philosophy of religion, the history and literature of the New Testament, the social background of the Bible, problems of religious education, and inspirational subjects.

Among the authors represented is W. Kirkland, a journalist who had been very successful in a variety of fields. Her interest is ethical and religious problems of the present day became so great that she decided to devote her entire energy to writing in these fields. This author is W. Kirkland and her book in this collection is "As Far As I Can See."

New classes in Bible which will open with the second semester are 112, Introduction to the Literature of the New Testament; 212, Types of Biblical Literature; 232, The Rise and Development of the Early Church; and 312, The Prophetic Books of the New Testament.

Miss Osie Sanders is head of the Bible Department.

Mr. and Mrs. Guy W. Smith, Memphis, announced the birth of a daughter, Ethel Loraine Smith, January 8. Mrs. Smith was a student here last summer.

Question: What is more important than a White Elephant Sale?
Answer: Nothing.

Queen Coronation To Be Held Saturday

New Broadcast Series Sponsored By Station WFAA

Presents Extra-Curricular Activities of Texas Colleges

"On Southwestern College Campuses," a new series of broadcasts presenting extra-curricular activities of students at the various colleges and universities in the Southwest, such as, sports, music, art, literature and other matters pertaining to collegiate life, is one of the newest educational ideas in radio programs, and is being presented each Wednesday night from 9:30 to 9:45 p. m. over WFAA, Dallas radio station.

With more than twenty colleges and universities now co-operating, WFAA's intent is to enlist the co-operation of every major educational institution in the Southwest in furnishing news for future broadcasts.

Departments of journalism representatives and staff members of student publications and fraternities have been asked by Hal Thompson to mail direct to WFAA, care of "On Southwestern College Campuses," such information as they believe to be of mutual interest in regard to other student organizations.

Martin B. Campbell, general manager of station WFAA, has pointed out that the station is particularly interested in the advancement of the Southwest's educational facilities. "We are of the opinion," said Mr. Campbell, "that this program will offer the student-body of the Southwest an avenue of self-expression heretofore afforded only to business and organizations able to defray the costs of whatever message they wish to convey. It is our hope that this new series will prove not only interesting to our radio audience as a whole, but will provide for the student-bodies of the Southwest a close interchange of those ideas which are a peculiar part of our social, economic and cultural life."

Information regarding school or organization activities should be mailed to Hal Thompson, "On Southwestern College Campuses," care of WFAA, Dallas, Texas.

Education Class Visits Junior High Schools In Amarillo

Dr. A. M. Meyer's class in Junior High School Organization and Administration visited three junior high schools in Amarillo Wednesday. The object of the visit was to see the application of the principles developed in the course. The following schools were visited: Sam Houston Junior High School, Central Junior High School, and North Side Junior High School.

Dr. Meyer spoke at the student assembly at Sam Houston School. The following members of the class made the trip: Mrs. Guy B. Taylor, Mrs. J. U. Pierce, W. Leroy Roberts, Mrs. Effie Beeman, Robert G. Dillard, Frederick Forrester, and Ralph Palmer.

Open House Is Discontinued For Rest of Semester

Open house will not be held at any of the dormitories between now and the beginning of the second semester. These functions have been discontinued because of the conflict with scheduled basketball games.

Mrs. Travis Shaw, assistant Dean of Women, has announced that no more open house affairs will be held until a workable plan has been presented or evolved for the hour of dancing.

Several plans have been tried during the semester in an attempt to arrive at a satisfactory system for the student body as a whole. None of the plans have proved satisfactory, according to students and faculty supervisors in charge.

According to Mrs. Shaw, any student may offer suggestions or plans for removing the objectionable elements existent in the plans used previously.

Miss Carrie Lee McIntosh of Dalhart is teaching in the Ship School near Dalhart this year.

Miss Cross Asked To Gather News For New Bulletin

Miss Ruth Cross, head of the Physical Education Department for Women, has been asked to gather news from the Northwest District concerning community projects in health or physical education for publication in a news bulletin published by the State Health and Physical Education Association.

"Information concerning any new program in rural schools or city schools of the district, new projects, new equipment, community movements in health education, and appropriations for physical education is desired," said Miss Cross, yesterday morning.

Material for publication may be sent either to the Bureau of Public Service, West Texas State Teachers College, or to the Department of Physical Education for Women of this institution, Miss Cross said.

Dr. Hill Returns Saturday From Trip To Austin

Requested Emergency Appropriations for Projects

Dr. J. A. Hill returned Saturday night from a trip to Austin where he conferred with Sen. C. C. Small and other members of the legislature from this section of the State in regard to the appropriations for the coming biennium for West Texas State.

Dr. Hill also requested emergency appropriations for uncompleted projects on the campus, such as, Buffalo Courts, the outdoor swimming pool, work on Buffalo Stadium, and new tennis courts. He asked for additional funds for the general maintenance program of the institution.

While in Austin, Dr. Hill assisted Joe Hill, Jr. in entering the Engineering School of the University of Texas. Joe plans to enter the field of aeronautics later. Mrs. Joe Hill, Jr., is entering business college. She has a secretarial position in Austin.

Dr. Hill was accompanied by Mrs. Hill on the trip. Leaving here Friday, Jan. 8, they went to Uvalde where for three days they were the guests of A. B. Mayhew, former member of the Board of Regents of Texas State Teachers College. Dr. Hill addressed Mr. Mayhew's Sunday School Class, Sunday, Jan. 10, and occupied the pulpit of the church there. He spoke at the Uvalde High School Monday morning and addressed the Rotary Club of Uvalde at noon Monday. Mr. Mayhew asked Dr. Hill to remember him to the faculty here and to ex-students. He is now a member of the Advisory Board of Rotary International.

From Uvalde, Dr. and Mrs. Hill went to San Marcos where they visited President and Mrs. C. E. Evans of the Southwest Texas State Teachers College. Dr. Hill inspected a men's dormitory and a library building, PWA projects on the campus there.

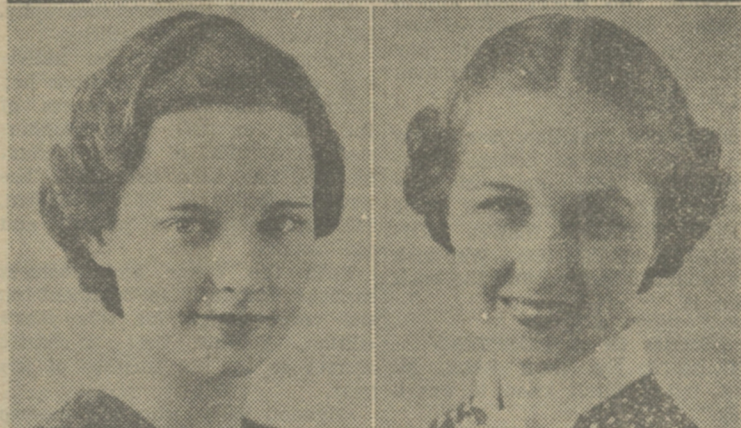

In Ft. Worth, Dr. Hill conferred with R. A. Stuart, member of the Board of Regents, in regard to legislative matters concerning the problems of this college. He also visited the PWA office in Ft. Worth and worked on the proposed library building and swimming pool projects. He stated that PWA movements are at a standstill pending the program of the new administration in Washington. He expressed himself as hopeful of receiving information of a definite nature within a few days.

Dr. Hill will return to Austin this week for a meeting Saturday of the Presidents of Texas State Colleges. The meeting was called by Dr. H. Y. Benedict, president of the University of Texas.

BILL ALLEN APPOINTED PRINCIPAL AT McLEAN

Bill Allen, coach of the McLean Tigers and member of the faculty of the McLean Schools for the last two years, has been named principal of the McLean High School to replace John Harding who has been granted a leave of absence to work on his master's degree.

Allen was graduated from West Texas State with the Class of 1935.

Miss Ruby Lee McMillan, senior from Clovis, N. M., (upper photo) will be crowned Queen of West Texas State Saturday evening in the annual coronation ceremony. Attendants are: Miss Kathryn Robinson (left center) senior of Canyon; Miss Virginia Hohlaus (right center) junior of Lockney; Miss Helen Gilmore (lower left) sophomore of Wheeler, and Miss Maridora Blair (lower right) freshman of Hartley.

High School Club Invites College Talent for Contest

Students in W. T. with ability to entertain have been invited to enter amateur night being held by the Canyon High School Press Club Thursday evening at 7:30 o'clock.

Three prizes will be given, and Miss Crittendon has urged college students to enter the contest. First prize is \$3; second prize, \$2; and third prize \$1.

Admission to the entertainment will be 15 cents.

Proceeds will be used to send members of the high school press club to the Interscholastic League Press Conference in Austin in the spring.

Persons interested in entering the contest have been asked to see Miss Crittendon, sponsor of the organization, or Mary Collins, editor of The Eagle's Tale, school paper.

Le Mirage Nears Completion Says Yearbook Editor

Annual Representatives Asked To Rush Activities

Work on the 1937 edition of Le Mirage, college yearbook, is rapidly nearing completion, Miss Virginia Hohlaus, editor, announced yesterday.

A large shipment of pictures was forwarded to the engravers last week, leaving only two pages of snapshots, pictures of the faculty and the Board of Regents, the boxing, wrestling, and swimming (Continued on second page)

Art Exhibit Offers Chance For Low-Cost Beautification

The exhibit at Pioneer Hall of the second group of twelve prints chosen by Living American Art for colotype reproduction offers a unique opportunity to alert home makers to adorn properly walls which need a touch of life and color. These colorprints are available at the exhibition unframed. Frames can be selected to make the print harmonize with any type of background.

Those who have joined the vogue for modern trends in home furnishing will be particularly interested in the water color by John Marin entitled Deer Isle Islets, Maine; and a magnificent oil by Georgia O'Keeffe named Autumn Leaves. O'Keeffe was formerly head of the art department of W. T. and has been invited to be artist-in-residence at the Palo Duro School of Art during the next summer.

The Fire Eater by Franklin Watkins and Lucille Blanche's Outdoor Circus would make an interesting background for a children's room.

Their liveliness and colorful good humor are equally desirable for the guestroom. A colonial room can be heightened in effect by Sheeler's painting, American Interior.

Living American Art colorprints are such faithful reproductions of the original canvases that they can be used in the same way as a valuable oil painting. They have the added advantage of not being so sensitive to weather and abuse, of great variety in color and size, and perhaps most important, they are inexpensive.

The showing of the group will continue at the Mary E. Hudspeth Room until January 27. The Museum is open from 9 a. m. until 6 p. m.

Those viewing the pictures will cast a vote for the painting of their choice. At the close of the showing here, the College will purchase the painting winning the most votes during the exhibit. Any group securing a showing of paintings from the Living American Art must first agree to purchase at least one of the paintings sent.

Grand March To Precede Ceremony In Auditorium

Orchestra Gives Assembly Program Tuesday Morning

Playing a program of representative masterpieces in the field of orchestral composition, the College Orchestra conducted the assembly period Tuesday morning.

Each number on the program was announced, and historical comments were made by Wallace R. Clark, conductor of the orchestra.

The program was made up of the following numbers: "The Magic Flute," Overture, Mozart; "Marche Slave," Tschalkowsky; "Libe-strau," Liszt; and "Danse des Buffons," Rimsky-Korsakow.

Personnel of the orchestra by instruments follows: First violin, Herschel Coffee, Lola Gene Dobbs, Miss Isabel Robinson, Robert Ax-tell, Lawrence McBee, Miss Ruby Foster, and Miss Faye Wheeler; second violin, Miss Ruth Tarlton, Miss Mary Alice Quattlebaum, Miss Virlea Burns, Miss Genelle Ketchum, Miss Alta Mae Fortenberry, and Miss Jean Tarlton.

Cello, Miss Virginia Hohlaus; viola, Miss Cleo Bourland; bass viol, Miss Clarice McCall and Miss Fredda Charles Bills; first clarinet, Leo Duflet; second clarinet, L. E. Thomas, Jr.; flute, Miss Virginia King, and Miss Ruth Lowes.

First trumpet, Don Savage; second trumpet, J. T. Carroll; first trombone, Hugh Harman; second trombone, Eugene Harman; first horn, C. E. Strain; second horn, Howard Williamson and Miss Lorraine Hand; tympani, Miss Charlotte Alice Tubb; saxophone, M. D. Shepherd; piano, Miss Royce Park; conductor, Wallace R. Clark.

The orchestra also played the first three numbers of this program in the training school assembly Friday at one o'clock.

W. T. Calves Reap Second Victory Against Lockney

Paced by their little basket-making captain, Velton Sargee, the W. T. High School Calves stamped to their second victory of the season last Friday night over the Lockney five, on the Longhorns' maples, 38-20.

The melee was tightly-contested during the initial period with neither squad able to stack up a substantial lead. The Longhorns held a one-point margin, 14-13, at the half intermission.

In the closing canto, however, the Calves began to pour in points so rapidly that they left the bewildered Longhorns far behind, scoring 25 points to only 6 for the losers.

Captain Sargee took off high scoring honors, ringing up 17 points, closely followed by Vaughan, a fellow guard, with 11 marks. McAvoy, Lockney guard, accounted for 9 of his team's points.

Last Wednesday, the Calves opened their 1937 cage season by edging out the Wildorado Whirlwind, 17-14, on the hardwoods of Burton Gym.

On Friday and Saturday nights the Calves will play a two-game series with Bula on the Bula court.

W. T. Pennant To Be Carried In Inaugural Parade

The maroon and white pennant of West Texas State will be carried in the inaugural parade at Washington, D. C., tomorrow.

At the suggestion of Lyndon B. Johnson, state director for the National Youth Administration, Dr. J. A. Hill, president of West Texas State, sent the NYA a pennant for use in the inaugural parade.

Mr. Johnson is submitting banners from all Texas senior colleges to Richard R. Brown, deputy executive director of the National Youth Administration in Washington, where arrangements are being made to carry the college banners of all states.

West Texas State is one of 87 Texas colleges participating in the NYA college aid program. Attending W. T. are 171 of the 7,286 students the NYA is enabling to remain in school.

College Orchestra Sought For Processional March

Formal coronation of Miss Ruby Lee McMillen, Beauty Queen of West Texas State College, will take place in the auditorium of the Administration Building Saturday evening at 8 o'clock.

The ceremony will be preceded by the grand march of the queen with her procession of attendants and their escorts and with a short program of semi-classical music and dancing. Arrangements are being made to secure the college orchestra to play the processional for the grand march. The program will be composed of vocal, violin, and piano solos and probably an interpretative dance.

Attendants upon the queen as elected by the classes follow: Freshman, Miss Maridora Blair; Sophomore, Miss Helen Gilmore; Junior, Miss Virginia Hohlaus; Senior, Miss Kathryn Robinson.

The respective escorts of the class attendants upon the queen will be Thomas Campbell, Chris Wooten, Ezell Champion, and William Robinson.

Immediately following the coronation ceremony, the formal coronation dance will be held in the ballroom of Cousins Hall. Music for the dance will be played by the popular Melody Maids of Amarillo.

Miss Robinson To Have Water Color Group Displayed

Miss Isabel Robinson, head of the art department of West Texas State, has just prepared an exhibit of 15 of her own water color paintings which will be used by the Michigan State College at East Lansing, Mich., as the opening exhibit in the new art gallery which has just been completed there. This is the third one-artist exhibit which Miss Robinson has given by request.

Included in the group which will be sent to East Lansing is "My Venetian Palace" which was hung throughout the entire summer in the art museum at the Dallas Centennial. Two other pictures, "The Old Cabin" and "Her Fifteenth Summer" have been exhibited at the University of Texas this fall.

Students of the Palo Duro School of Art, which was conducted by Miss Robinson last summer, and visitors at the Panhandle-Plains Historical Society gallery will also remember the water color "Autumn in the Palo Duro" and "The Old Water Mill" which have been sent for the Michigan showing.

Books on Religion Now Available For Students of Bible

Twenty-two volumes dealing with religion have been given the library of W. T. by Women's Missionary Societies of the Northwest Texas Conference of the Methodist Church.

They are as follows: Andrews, The Ethical Teachings of Paul; Gerson, The Two Sources of Morality and Religion; Christian Religion in the Growing Life; Cadbury, The Making of Luke-Acts; Bower, The Church at Work in the Modern World; Dillingham, Making Religious Education effective.

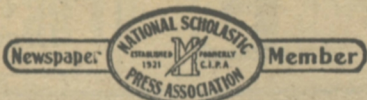

Driver, Introduction to the Literature of the Old Testament; Enslin, Ethics of Paul; Foakes-Jackson, History of the Christian Church from Earliest Times to A. D. 461; Goodspeed, Formation of the New Testament; Goodenough, By Light, Light; Hamilton, The Prophets of Israel; Hewitt, The Church School Comes to Light; Kirkland, As Far As I Can See.

McKenzie, Personal Problems of Conduct and Religion; Olmstead, History of Palestine and Syria to the Macedonian Conquest; Riddle, Martyrs, A Study in Social Control; Smith, Origin and History of the Hebrew Law.

Weiman, Normative Psychology of Religion; Aubrey, Religion and the Next Generation; Brace, What and How of Daily Vacation Bible School; Graham and May, Culture and Conscience; Meyer, Religion in the School Curriculum.

IDIOTRIAL

We, the overburdened social moths flickering in the limelight of campus activity do hereby speak and declaim our intentions to knock off a few excess hours of play, fun and frolic and dig in on the work that has been slowly amassing itself in front of us for the last four months.

It is not our intention to reform our ways to the extent that we will at any time refuse to co-operate in helping humanity to enjoy itself at our expense, but it is our purpose to "flunk" gracefully, and with a show of struggle (as is the custom of the best of institutions) that becomes our sense of sportsmanship.

In other words—we gotta cram, and cram a lot, so let's not have any campus activities that detract from our studies during "dead week." Yours for bigger and better fun after the finals.—L. S.

WARLORDS OF INDUSTRY

"A statuette squats on William S. Knudsen's polished mahogany desk in the General Motors Building, Detroit. Contorted metal depicts a simian figure's struggle to slough its primordial shell and become a man.

"Last week Knudsen had little chance to ponder that timeless battle in bronze. The executive vice-president of the General Motors Corporation had to contend with living men, locked in a struggle for money, for power—and perhaps for something of the vision in the figurine's blind eyes."

Last week a letter from the corporation's president appeared on the bulletin boards of the corporation workshops to the effect that General Motors would not be dictated to. Upon the heels of this bulletin appeared one from Homer Martin, president of the United Automobile Workers of America, just as defiant and avowing with the same emphatic abruptness that organized labor positively would not be bullied by organized industry.

Both factions are determined that they will not give an inch in this battle. The union is making no effort to approach the officials of this mammoth industry with a view to any sort of conciliation. Neither is the General Motors Corporation attempting to work out a compromise with the "enemy." As a result, more and more of the General Motors plants are being shut down each week and more and more union wage-earners are earning no wages each week.

The technique which the union strikers are using in the General Motors situation differs a great deal from the time-honored method of doing such things. The "sit-down" technique is just as simple as this: the aggrieved workers simply stop working for an hour, a day, or a month, as the situation demands. If they followed the time-honored way of striking, they would leave the plant, picket, and take their chances on getting back. As it is, the General Motors strikers sit down right in the shops where they can keep their hands on the equipment, and this type of situation always puts the industrial management on the defensive.

And so the warring lords of industry and labor are locked together in deadly combat. And John Q. Citizen is faced with the non-plussing realization that even here in our "civilized" America we have war.—H. B.

WHY NOT CO-OPERATE?

In regard to the now much-discussed open-house question, everybody seems to be passing the buck and blaming everyone else with the unsavory situation.

Several plans have been tried during the year, but so far each of them have proved to be unsatisfactory. In the beginning, the plan was to have the open-house affair rotate during the month. One dormitory was the host one week; next week open-house was held at another, and continued in this fashion until the circuit had been completed.

Another plan was tried in which the initials of the last names of the student body were divided about the middle of the alphabet. Those in one division were to go to one hall and the rest to the other one. For a short time, it seemed that this plan was to be successful. Difficulties arose from various directions.

Following are a few of the difficulties met: students would not co-operate in the matter of contributing funds for the music; students failed to secure chaperones as directed; necessary moving of furniture was neglected or ignored; others would not co-operate by going to the hall designated by the initial letter of their last names.

Plainly the principal trouble is the lack of co-operation on the part of students attending open house. Too frequently the students expect to enjoy the pleasures of open-house without contributing to make it possible. New arrangements are going to be necessary before the open-house will resume its function as a vital institution on the campus.

The trouble does not rest with the supervisors of the dormitories, nor with the office of Dean of Women. Students and students alone are responsible for the failure of the various plans and the subsequent dissatisfaction and discontent.

When we learn to co-operate and act in unison instead of being an aggregation of individualists, we will at least be able to approach a solution of the problem now confronting us in this matter.—B. B.

Collegiate Press

(By Houston Bright)

It was at Fordham University that the zoology professor announced all students in his class would participate in a test to determine whether microbes were transmitted by kissing. On the day set, attendance was perfect. Then what did the man do? He gave each person a little pad of sterilized cloth with instructions to kiss it and dab it on a microscope slide. Heh, heh; just one of life's little tragedies.

A writer on the Oklahoma Daily classifies co-eds as to types—slinky, slithery type, smart, chic number, cute, sweet type, long, lovely lady, the colorful, hot number, and the home girl. Which type are you, baby?

This week's literary gem: Owen Moore left town one day Owen Moore than he could pay; Owen Moore came back one day—Owen Moore.

Says the editor of The Shamrock: "An idea which struck me the other day should be taken up by the postal authorities immediately. In my opinion, a good way to increase the sale of three-cent stamps would be to engrave upon the front of said stamp a photo of Joe Louis. Of course, this might not appeal to Max Schmeling, but almost anyone in the U. S. would pay three cents to lick him and punch him in the face."

Hairbrained Headline: Something new in the way of college newspapers—the ACC Optimist announced not long ago that their SHEET CARRIES NEWS, EDITORIALS, FEATURES. We wish they wouldn't beat around the bush about it.

HEARD IN A HOSPITAL
"I heard the horn honk, all right, but I didn't know it was a truck."

"And I says to him, I says, 'Mr., you may be bigger than me, but you don't practice your saxophone by my window any more tonight.'"

"I tell you, I beat him to the intersection, and I had the right of way."

"I could handle the guy with the blackjack, all right, but five more

came running out of the alley."

"Yeah, he told me he was a teacher, but how did I know he meant in a physical education school?"

"As soon as I get up, I'm going to start looking for another job, and it isn't going to be bill collecting, either."

"I just said, 'Joe, you ought to lead with your ace,' and then everything got black."

Everyone seems to have their pet pronunciation of the title which Mussolini holds. As for me, I call him a dictator, but other people seem to like "Duce." Perhaps the following suggestions will help you decide which pronunciation you like best if you pay particular attention of the rhyme scheme: Pronouncing Mussolini's title, Is something I consider vital. How should one best avoid rebuke In accenting the name of Duce? I've met a lot of people who say The right inflection for it's Duce. But just as many more who choose, The rather softer sounding Duce. He may regard himself as lucky If no one speaks of him as Duce.

LE MIRAGE—

(Continued from first page)

teams, and two organizations to be prepared.

Le Mirage this year is expected to be one of the most colorful in the history of the college publication. Thirty pages of pictures, with seven division pages in three-color process offset lithography, will make up the 1937 edition.

Response to the call for individual pictures for class sections has virtually assured the success of the 1937 annual, Miss Hohaus stated. A total of 614 individual pictures has been submitted, the number including 200 freshmen, 166 sophomores, 128 juniors, and 120 seniors.

Both the editor and business manager declined to comment on the cover design for this year's edition, holding that in strict secrecy as the big surprise of the year.

Glyndon Riley, who will succeed W. H. Hopkins, Jr., as business manager of Le Mirage for the second semester, stated that the 1937 edition should be ready for distribution by May 15; and urged that all annual representatives have their material in the office and ready for the engravers not later than February 15. It is abso-

March 1 Set For Deadline on TIPA Contest Entries

Material to be entered in the Texas Intercollegiate Press Association contests must be turned in here before March 1, Bill Britton, president of the Press Club, has announced. Manuscripts may be submitted to Miss Virginia Hohaus, Leslie Stitt, or Bill Cone.

The convention will be held this year at East Texas State Teachers College at Commerce. A delegation from here will go to the convention.

Any undergraduate is eligible to enter the contests regardless of whether or not he is connected with a school publication. Material submitted must be original, and must have been written during the twelve months preceding the convention.

The fourteen annual contests with the prizes for winners are as follows: serious short story, \$5; humorous short story, \$5; college yearbook, two trophies for the senior college division and one for the

lately necessary to establish this deadline, Riley said, in order to have the annual ready for distribution on time.

The Le Mirage staff this year includes: Virginia Hohaus, editor-in-chief; Reba Poole, assistant editor; Glyndon Riley, sports editor; Erma Westmoreland, snapshot editor; Leslie Stitt, grind editor; Rosa Cash, assistant grind editor; Zudie Mae Bible, grind cartoonist; Vondell Kees, art editor; Margaret Esther Hill, assistant art editor; Ann Millen and Jo Beryl Kell, typists; W. H. Hopkins, Jr., business manager (first semester); and Glyndon Riley, business manager (second semester). Dr. B. F. Fronabarger is faculty sponsor of Le Mirage.

J. Duncan Spaeth, president, University of Kansas City: "I sometimes believe incorrect spelling is a sign of intelligence."

STAFFORD HALL MEN'S GRADES ARE POSTED

At the end of the first half of the fall semester, a chart showing the grade averages made by the men of Stafford Hall was made for the purpose of comparison with the grades of the previous year. The graph shows that over twenty per cent of the hall is on the honor roll for the first half of this semester.

At the end of the fall semester a final chart will be made.

What! A White Elephant Sale? Watch for date!

Question: What is more important than a White Elephant Sale? Answer: Nothing.

For Digestion's Sake—Smoke Camels

Digestion often needs Camel's aid too!

OFTEN during a hard, tiring day, smokers pause to get a "lift" in energy with a Camel. And at mealtimes, Camels offer a helping hand to good digestion. They help you to enjoy your food more. And Camels increase the flow of digestive fluids—alkaline digestive fluids—so vital to a sense of well-being. Make every meal more zestful—more pleasant—by smoking Camels. With their matchless mildness, Camels are better for steady smoking.

Copyright, 1937, R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

CLAD IN ASBESTOS SUIT (right), "Pat" Patton tackles a blazing oil well—quickly gets the inferno under control. "Even after that I can tuck away a hearty meal—provided I have plenty of Camels handy," says "Pat," enjoying a hasty bite (above). "Smoking Camels helps keep my digestion in proper trim. I smoke mighty often. And Camels don't get on my nerves!"

ALL-AMERICAN HOCKEY STAR. Phil La Batte (below), says: "Good digestion and healthy nerves are 'musts' in this game. I smoke Camels—for digestion's sake—and because Camels never get on my nerves."

COSTLIER TOBACCOS!

Camels are made from finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic—than any other popular brand.

Pi Omega Holds Presentation Dance

Pledges to the Pi Omega organization were formally presented in the Pi Omega presentation dance, a program formal, Saturday evening in the ballroom at Cousins Hall.

Formal initiation ritual took place at the home of Miss Virginia Line, president, at 7 o'clock and immediately preceded the dance.

At 8 o'clock the leaves of a huge book placed at the end of the reception hall were slowly turned. The name of the pledge being presented was on one page, as the pages were turned each pledge broke through her page. In the order of presentation, the pledges were: Miss Georgia Clark, Miss Dorothy Dickinson, Miss Margaret Esther Hill, Miss Annette White, and Miss Bonne Rhea Whittenburg.

As the new Pi Omegas came out of the book, they were met by two of their Pi Omega sisters and escorted to the other end of the ballroom where they were met by their escorts. The escorts in order as given above were: Toby Waggoner, Kotton McGehee, Trent Davis, Conway Butler, and Thomas Campbell.

The Alpha Sigs and Epsilon Betas were the guests of the club. Special guests were: Dr. and Mrs. A. M. Meyer, Mrs. T. A. King, Miss Edna Graham, Mrs. Anne P. Wofford, and Mrs. Nancy McCaslin.

At the conclusion of the presentation ceremony, Miss Virginia Line and her escort, Miles McGehee, led the grand march into the ballroom.

Decorations were flowers banked on the stage, and lighting effect was furnished with two blue spotlights.

STUDENT'S RELIGIOUS COUNCIL MEETS

With Miss Helen Lyles as hostess, the Student's Religious Council held a meeting at the Little House of Fellowship Monday night.

Miss Tamsey V. Riley called the meeting to order. Miss Lyles presented program material for approval. Miss Margaret Peery issued program slips for the next meeting. After discussion concerning the programs for the following months, the meeting was turned over to Rev. Mr. Charles L. Dickey, chairman of the panel.

Four members of the International Relations Club, Mr. and Mrs. Robert Dillard, Miss Essie Mae Leaverton, and Clarence Hamilton, were in charge of the panel discussion. The question was, "What is the Value of Individual Attitudes in Participation or Rejection of War by the United States?"

The next meeting of the Council will be held February 8, at 8 p. m., at the home of Miss M. Moss Richardson with Miss Tamsey V. Riley acting as hostess.

YOUNG COUPLE OF CANYON WED NOVEMBER 22

Mrs. L. E. Brasuel announces the marriage of her daughter, Miss Ethel, to Mr. Virgil McGee on Sunday, Nov. 22, by the Rev. Robert McKee of the Presbyterian Church of Clarendon.

Mrs. McGee graduated from the Canyon High School with the class of 1930 and attended W. T. where she was active in all school affairs. She graduated from the College in '34, and has been teaching for the past two years at White Deer. She will continue teaching and finish out her school term there this year.

Mr. McGee, son of Mr. and Mrs. R. McGee of this city, is a graduate of the Canyon High School and Texas A. & M. at College Station. He is now stationed at Perryton as office engineer for the Texas Highway Department.

The young couple is well known by a large host of friends in Canyon and vicinity.

ELLISTON-CURRY NUPTIALS READ

Miss Alleith Elliston and Bob Curry, both of Pampa, were married Friday evening at the home of the bride's parents, Mr. and Mrs. J. Byrle Elliston, at Hereford. The pastor of the First Christian Church at Hereford read the ceremony.

Relatives and a few intimate friends of the couple were present for the wedding and the informal reception that followed. The bride wore a floor-length dress of white, cut on princess lines.

Wedding guests included Mr. Curry's parents, Mr. and Mrs. W. M. Curry, and Mr. and Mrs. Hubert Curry, all of Crosbyton.

Mr. and Mrs. Curry left after the ceremony for Amarillo and returned to Pampa to make their home. Both are teachers in the Pampa schools, and went there from similar positions at Miami.

Miss Elliston, who was graduated in 1932 from W. T., has been art teacher at Woodrow Wilson school at Pampa during the last one and one-half years. Mr. Curry came to Pampa high school this year as physical education teacher and coach of the Guerrilla teams. He is a graduate of McMurry College at Abilene.

ELAPHEANS MEET WITH MISS LYLES

Elapheans held their regular meeting Thursday evening at the home of Miss Helen Lyles. The evening's program consisted of original pantomime presented by students of the Demonstration School Expression Class, with a reading by Miss Hazel Kirbie.

Games were enjoyed, and slips were handed out to the members bearing the name of some famous character, the object being to pantomime this character. Interesting pantomimes were presented by Misses Viola Boyce, Billie Gerner, Ruth Campbell, Helen Thomas, and Lita Smith.

Refreshments of tea and cookies were served to the following members: Linnette Cain, Hazel Kirbie, Maurine and Maxine Hoyle, Marjorie Tankersley, Mary Nell Bandy, Carrie Maxine Douglas, Mrs. Tommie Montfort, Mary Alice Quattlebaum, Juanita Goetsche, and the hostess, Miss Helen Lyles.

EX-STUDENT, AMARILLO MAN WED RECENTLY

Miss Ruth Farris, of Hedley, an ex-student of W. T., and Mr. V. Z. Sampley of Amarillo were united in marriage December 19, at Clovis, N. M., with Rev. Claude Latis officiating.

Mr. and Mrs. Sampley were accompanied by Miss Jean Davison and Jimmy Little, both of Amarillo, who were also united in marriage.

Miss Farris graduated from Hedley High School in 1932 and attended W. T. in 1934-36 and in the summer of 1936.

Mr. Sampley is an employee of the Southwestern Public Service Company, Amarillo. The couple is now living in Amarillo.

STAFFORD BUFFONEERS ELECT OFFICERS
Members of the Stafford Buffoneers elected officers for the second semester Wednesday evening.

Officers for the coming semester are as follows: President, Thomas Newell; vice-president, M. L. Hutcherson; secretary-treasurer, Ardis Patman. Retiring officers are: President, Edward Burkhalter, vice-president, Brady McCoy; secretary-treasurer, Woolworth Russell.

Some of the activities that were under the guidance of the retiring officers are, a birthday dinner for Mrs. A. M. Meyer, hostess of Stafford Hall, a Thanksgiving dance and a Christmas dinner and dance.

CO-ED DANCE CLUB MET WEDNESDAY
The Co-ed Dance Club of the W. A. met last Wednesday afternoon in the ballroom of Cousins Hall at 4:30 in the afternoon. A set of kodak pictures were taken of the group.

A basketball game between the Canyon High School Eaglettes, coached by Gerald Brown, and the W. A. A. basketball team provided diversion to the members of the W. A. A. in their meeting, Wednesday evening. Although the heavy end of the score favored the visiting team, the game was an entertaining one.

NOTICE

Madrigal Club will meet at 6:45 this evening instead of at its regular time, 7:15 o'clock. (Signed) Wallace R. Clark.

MRS. WOFFORD IS HOSTESS AT MEETING

Mrs. Anne P. Wofford was hostess to the As You Like It bridge club which met Thursday afternoon in the lounge of Cousins Hall.

Following an afternoon of bridge, a salad course was served by the hostess, assisted by her daughter, Amelia Ann Wofford, to the following guests: Mesdames William Ash, John Fry, C. R. Burrow, C. M. Presley, Clyde McIntire, F. E. Savage, S. L. Ingham, A. W. Sternberg, D. M. Stewart, Cliff Jarrett, Dan K. Usery, and the hostess.

WRANGLERS ENJOY SERIES OF GAMES

A short series of games furnished entertainment for the members of the Wranglers, last Monday evening in their regular weekly meeting. The group met at 7 o'clock in the Home Economics Dining Room.

The next meeting will be held February 9. The affairs of the club for the last semester were wound up in this week's meeting.

KNUTSON-JACKSON MARRIAGE ANNOUNCED

Mr. and Mrs. W. S. Knutson of Shamrock recently announced the marriage of their daughter, Fern, to T. C. Jackson which occurred January 9 at Durant, Okla.

Miss Knutson attended W. T. last year and was elected College Queen by the student body.

The couple will live in Lubbock where Mr. Jackson is attending Texas Technological College.

Reporter Says Junior Party Is Knockout

Yes, the Junior Party must have been a success.

Why? Oh, for several reasons. One is that everyone came to school Friday with a dreamy, sleepy look on his face that spoke fluently of thoughts about a wonderful time at a great party.

What happened? Oh, everything—almost. Have you ever seen members of the faculty engaged in an African domino game? Well, I did—at the Junior Class party. And singers—if you could only sing like that, was what the couples were saying to each other.

The girls were referring to the musical talent of Tiny Craig. The boys were aluding to the "blues singing" of Miss Quixie Bea King. Miss Claudia Sue Moseley is getting better all of the time. She reached a climax at the Junior party. Hugh Harman and his trombone flitted in just right.

Bridge, monopoly, and punch rounded out the entertainment for the evening. All of this coupled with the leadership of Houston Bright as master of ceremonies went to make the party one of the most successful of its kind for the year.

If you were not there, you missed a lot of pleasure that words cannot describe. If you were there, then you need not be told. That being the case, then, this narration should end here. It does.

Y. W. C. A. Announces White Elephant Sale. Watch for date.

Schmidt Talks on Effect of Alcohol At Meeting Here

"You can't make man good by law and you shouldn't make man bad by law" was the topic discussed by J. Raymond Schmidt, National Civic Union representative from Washington D. C., speaking at W. T. yesterday.

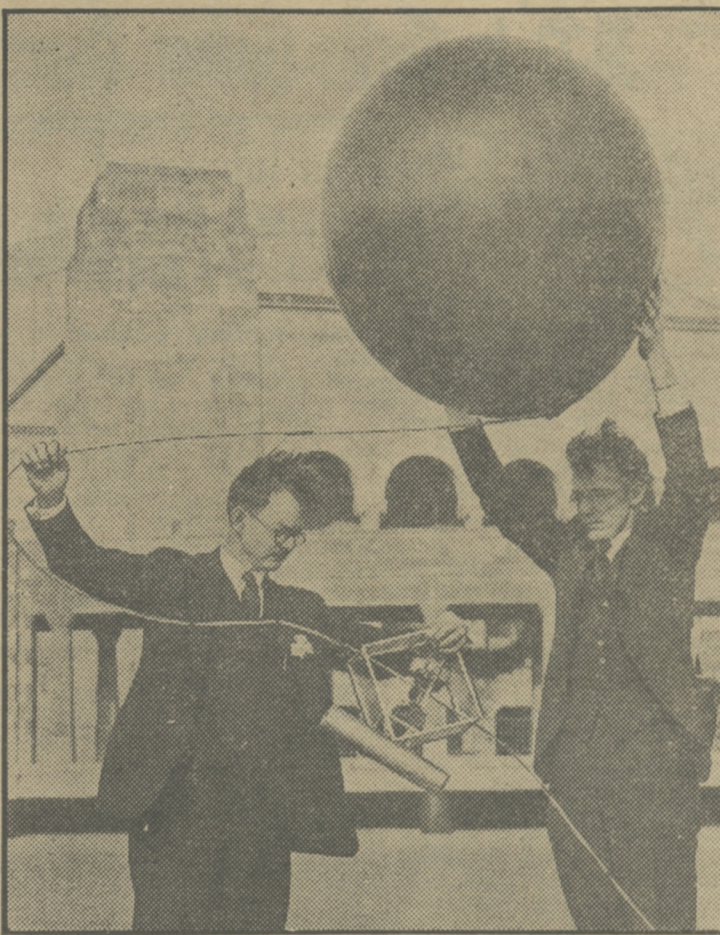

Mr. Schmidt pointed out several problems which the government is meeting since the repeal of prohibition. He said the repeal was made to reduce taxes but for every dollar collected as liquor revenue the average citizen pays seven. "There are saloons everywhere, spending from twenty to thirty million dollars per year to sell the liquor habit to American youth," he declared, "and there is more danger of alcoholizing the human race today than ever before."

The speaker stated that from the economic standpoint, it might be interesting to note that a large percent of the laborers are spending more than half their income for liquor. Over eight billion dollars have been spent for liquor in the past three years. The government has collected much revenue, but, they are building six new penitentiaries and have a larger force of law enforcing officers than ever before. In 1936 seven thousand five hundred people were killed in automobile accidents, many of which were caused by drink.

Mr. Schmidt said that alcohol was tearing down the human race. Statistics show that the insane institutions are alarmingly growing, due to alcoholized minds and bodies.

Going Up 20 Miles to Radio Weather

All set to launch their test balloon on the beach at Atlantic City, N. J., are Dr. Leon F. Curtiss, left, and A. V. Astin, of the National Bureau of Standards, Washington. Attached to the balloon is a "radio meteorograph," which records atmospheric conditions at altitudes ranging from 50,000 to 100,000 feet and at 15-second intervals transmits its findings to a radio receiver on the ground.

Wisecracks and . . .

Edited by Durward Knowles

Thanks to the first edition of 1937 for bringing such quick results. The little woman from Cousins, with the "diamond," gave this columnist a good raking over. Power to the person who can hold his own!

Not wishing to slight anyone I might add that Grace Evelyn McKee is wearing a diamond, as large as a nickel's worth of ice, on her "gimme" finger.

Houston Bright tells me that his roommate, Bill Britton, has been eating bird-seed as a substitute for cereal. He wants to be able to sing like his torch-singer, Quixie Bea King.

Which brings back to my memories the fun everyone had at the Junior party. Congrats to you, Juniors.

"I came, I saw, I conquered," is the attitude of H. B. Taylor toward Willie Barrow.

Coronation Dance To Outshine All Competitors

Climaxing the year's social activities, the peak of the social year, the most gorgeous of W. T.'s social highlights comes Saturday evening with that most scintillating and brilliant of affairs, the formal coronation dance.

Her Majesty, the queen, in all of her grandeur, with the (perhaps excusably) haughty attendants and their shy escorts, timid but beautiful little freshmen girls, sophisticated upperclass co-eds, basketball boys, football boys, college boys, teachers, professors, all will be at the coronation dance.

Dance to the music of those ever-popular Melody Maids as they play, now a little blues, now a little swing, now a little sweet, now a little hot. Dance cheek to cheek with your big moment in the enchanting atmosphere of the beautiful Cousins Ballroom. Live and laugh and dance in the dim light and the colorful, romantic surroundings of the Queen's Court.

Make your arrangements and reservations now to attend the colorful coronation dance. Live and laugh and dance in the romantic court of Her Majesty, your College Queen!

ANNOUNCEMENT

A meeting of the Press Club will be held in Room 118 at 3:30 o'clock Thursday afternoon. Plans will be formulated for the T. I. P. A. convention, and it is necessary that every member come.

Bill Britton, President.

Buffaloes Upset Yellowjackets 30-22 In Series-Opener Game

Howard Payne's Whitehead Takes Individual Honors

Coach Al Baggett's West Texas Buffaloes met the Howard Payne Yellowjackets of McAdoo Keaton last night in Burton Gymnasium in the opener of a scheduled two-game series. The Buffaloes were victorious by a count of 30-22.

It was the brilliant offensive work of Whitehead that led the losers' attack to pace the night's scoring with 10 points.

The game marks the renewal of athletic relations with the Brownwood school. Activities between the two schools have subsided considerably during the past few years.

As defenders of the Texas Conference flag, the Yellowjackets were pre-game favorites to upset the Buffs in their eighth loss in the current season. Each year, McAdoo Keaton pilots a successful cage club, and does favors his club to repeat as the Texas Conference champion for the second consecutive season.

The second of the series will be played tonight in Burton Gymnasium starting at eight o'clock. The blanket tax ticket will admit college students. Others will be admitted for 40 cents and 25 cents.

6 feet, 7 inch forward, is a much improved player and is a valuable asset to the squad. Melvin Cullender, Milton Neilson and L. O. Speer are other sophs that have enhanced the squad and have incessantly pushed the favorite five for their starting posts.

The Golden Gloves boxing tournament to be held at Amarillo, January 25 and 26, has aroused the interest of several neophyte scrappers in W. T. who have donned the padded mitts in daily practice with intentions of entering the meet. All amateurs over 16 years of age are eligible.

Four Intramural Games Played In Burton Gymnasium

Four regularly scheduled basketball games were played last week in Burton Gym to terminate the second week of the intramural tourney. The Epsilon Betas have taken the lead with three triumphs and no losses.

In the first fray, Jennings Co-op outclassed the Farm B 27-18, and Roy Douglas, Jennings Co-op, took individual scoring honors with 12 points. The Ex-Eagles' impressive 26-8 triumph over Stafford Hall was led by Wesley Williams, who scored 8 points.

The Epsilon Betas were hard pressed in their 18-16 win over Farm A. Marvin Myers was high-point man with 6 points.

Alpha Sigma Xi easily won over Moore's Co-op, 27-14. Oscar Hinger, Alpha Sigma Xi, amassed a total of 11 tallies to garner individual scoring honors.

Cox's Freshmen Make Ready For Game at Clovis

Fourteen West Texas Freshmen cagers will journey to Clovis to clash with the Eastern New Mexico Junior College from Portales, N. M., in a two-game series Friday and Saturday.

The New Mexicans will endeavor to avenge the three decisive defeats handed them by the Yearlings last year.

Coach Bob Cox has two full teams that can divide time without any apparent difference in the strength in the team, but the favorite five doubtless will be Ernest Schur and Jack Edmondson, forwards, Kendrick, center, and E. C. Payne and George Taylor, guards.

Brummett McClendon, Edwards

Buffaloes' Cage Tour Results In 4 Losses; 1 Win

Defeat East Texas Lions In Second Game Of Series

Handicapped by biting weather that compelled them to drive in blinding snow storms, the Buffaloes' tour into the pine wood region of East Texas resulted in four defeats in five trials against other members of the Lone Star Conference circuit.

Throughout, the Buffs were gripped with a periodical complex which never enabled them to play more than two quarters of capable ball-handling.

On their opening night's play last Friday, the East Texas Lions were bothered by the superior height of the locals for the first half, at which time they held a 14-13 margin. In the last period the Lions uncorked a fusillade of long-distance shots that gave them a 35-21 lead at the end of the playing time.

The Buffaloes utilized a different style of defense on the following night that kept the Lions at bay. Captain "Butch" Clark connected for 13 markers to lead the Bisons to a 39-35 triumph, despite a 27-18 handicap at mid-time.

In losing to the Stephen F. Austin Lumberjacks 35-18 and 34-24, the Buffs faced the cleverest ball-handlers and goal-shooters that they have contacted this season. Raymond Shackelford, giant Buff tip-off man, paced the local scoring with 15 points for the series.

It was the accurate over-head push shot of Conway Buttler, methodical W. T. forward, that kept the Buffs in the running against

Mills, Preston Taylor, and W. M. Trigg turned in stellar performances last week in the encounter with the Jackrabbits from Wayland College.
