

# THE PRAIRIE

PUBLISHED EVERY WEEK BY THE STUDENTS OF THE WEST TEXAS STATE TEACHERS COLLEGE, CANYON, TEXAS.

VOLUME V.

CANYON, TEXAS, TUESDAY, OCTOBER 2, 1923.

NUMBER 1

## ENROLLMENT OF THIS INSTITUTION REACHES 775 MARK; NEW STUDENTS ARE CONTINUING TO PAY FEES

According to Secretary Travis Shaw, the enrollment has again gone above all previous records. Monday at noon, 775 students had enrolled in the institution, and many new ones were still being enrolled. This breaks all previous records for enrollment in the regular session.

Of this number 605 have been enrolled in the College and last two years of the Normal High School, 150 having been enrolled in the Training School and kindergarten. The enrollment for the year will probably pass last year's record of 1016, as more students have been enrolled this year on the first three days than had been enrolled in the same length of time last year.

The number of different individual students having been in attendance since the opening in 1910 has reached the 9096 mark, and soon 10,000 students will have passed through the doors of W. T. S. T. C.

## Cousins Hall Has Undergone a Re- novation Recently

During the recent vacation Cousins Hall has undergone a thorough renovation. All the woodwork has been re-varnished, re-painted, and repairs made where they were needed.

Huntleigh Hall is being continued in the hands of the College authorities, but on account of it being in litigation, necessary repairs and improvements have not been made. The authorities are hoping that in the next six weeks this property will undergo a thorough renovation and be put in A-1 condition. The absence of the old water tank which is being torn down, just to the east of the Administration Building, will help the looks of the campus greatly.

## McCarty to Act As Publicity Man

John L. McCarty and wife have returned to school, and John has accepted a position as newspaper publicity man for the College. John has resigned his position as Sports Editor of the Amarillo Daily News. He was formerly a correspondent to a number of daily papers from this place, and is well known as an ex-yell leader of the College.

**PROF. GUENTHER'S FATHER DIES**  
Prof. F. P. Guenther, Head of the Department of French, received word of the death of his father at Hallettsville, Texas, on Wednesday night, September 26. Mr. Guenther was unable to attend the funeral.

### FOOTBALL SCHEDULE

September 28—Panhandle A. & M. College, Goodwell, Okla., at Canyon.  
October 6—Howard Payne College, Brownwood, Texas, at Canyon.  
October 13—Southwestern Teachers College, Weatherford, Oklahoma, at Mangum, Oklahoma.  
October 20—University of New Mexico, Albuquerque, New Mexico, at Canyon.  
October 26—Simmons College, Abilene, Texas, at Abilene.  
November 2—Clarendon College, Clarendon, Texas, at Clarendon.  
November 10—New Mexico Military Institute, Roswell, New Mexico, at Roswell.  
November 17—North Texas State Teachers College, Denton, Texas, at Denton.  
November 21—East Texas State Teachers College, Commerce, Texas, at Commerce.  
November 29—Clarendon College, Clarendon, Texas, at Canyon.

## NEW TEACHERS ON THE FACULTY

### THREE HEADS OF DEPARTMENTS ON LEAVES OF ABSENCE.

#### Many New Instructors Begin Work With College—Graduates of Large Universities.

Many of last year's teachers are not to be seen about the College this year, part of them having been granted leaves of absence to do graduate study in Northern and Eastern universities and part of them having resigned their positions here to accept better ones in larger schools and universities. All of the vacancies have been filled by teachers of wide experience who hold degrees from the largest and best universities in the nation. Most of these teachers expect to be back in Canyon after a year's study to better fill their positions.

The greatest loss that the College had this year was that of Prof. H. W. Morelock, who resigned his position as head of the Department of English to accept the presidency of the Sul Ross State Teachers College at Alpine. Dr. David H. Munson is the new head of the department, and comes to us very highly recommended by Emory and Henry College, Virginia, and Columbia College, South Carolina, where he has taught. Dr. Munson received his A. B. from Illinois Wesleyan University, his A. M. from the same university, his Ph. D. from Minnesota Southern University, and his Litt. D. from Milton University.

Prof. R. P. Jarrett, Head of the Department of Education, is doing work for his Ph. D. Degree at Peabody College for Teachers, where he holds a \$1,500.00 scholarship. Prof. B. F. Fronabarger, formerly Professor of English in the College, is Acting Head of the Department in Prof. Jarrett's absence. Mr. Fronabarger holds A. B. and M. A. degrees from the University of Texas.

Prof. L. F. Sheffy, Head of the History Department, has a year's leave to study for a Ph. D. degree in Chicago University, where he holds a \$750.00 scholarship. Mr. Ralph Horton, B. A. of Arkansas U and M. A. of the University of Chicago, is substituting in Mr. Sheffy's place.

Prof. J. L. Duflet is at Chicago University studying for his Ph. D. Prof. Gordon Lang is substituting for Prof. Duflet as Head of the Department of Economics and Sociology. Prof. Lang is a Presbyterian minister and a graduate of the Union Theological Seminary. He received his M. A. from the University of Cincinnati, and lacks only a little work having his Ph. D. from Columbia University. He has had wide experience in lyceum work.

Prof. T. A. Fritts has a leave of absence to teach Agricultural Education in the University of Arkansas. Prof. F. R. Phillips is taking the place vacated by Prof. Fritts, and Mr. T. M. Moore of A. & M. College is taking Mr. Phillips' place.

#### Changes in Music Dept.

Miss Pauline Brigham, Professor of Piano, is studying under E. W. Grabill in Los Angeles. Miss Hazel Allen has been advanced to a professorship in piano, and both Miss Allen and Miss Brigham will hold professorships when Miss Brigham returns.

Miss Margaret Guenther, who has a leave to teach in the Sul Ross State Teachers College, has left her place in the Music Department to Miss Ada V. Clark, a '23 graduate of the College and of the Department of Music.

Miss Martha T. Bell, associate Professor of Home Economics, has resigned, and Miss Elizabeth Cox, B. A. from Kansas A. & M., is taking her place. Miss Cox has also done graduate work in Chicago U. and several other northern universities, and has had much experience as a teacher of home economics in middle western colleges.  
(Continued on last page.)

### TO THE STUDENT-BODY 1923-1924, GREETING:

With confident hope that the year will be in every way happy and profitable we heartily welcome each student in this the fourteenth session of the West Texas State Teachers College. You have come with the high purpose of improving the quality of your lives and the better preparing yourselves for public service. Your presence here is to us an evidence of your superior possibilities and we rejoice in the opportunity you have afforded us. It shall be our desire to know you personally and to work with you toward the achievement of our common ideals. We shall rejoice to see your best selves given direction to your young lives and toward the achievement of this result we pledge you the best that is in us. Again, we welcome you,  
J. A. HILL, President.

## College People Have a Banquet at Sweetwater

Sweetwater Reporter, Sept. 14: More than forty ex-students and friends of the West Texas State Teachers College, which is located at Canyon, were in attendance at a banquet at the Hotel Wright Wednesday night from 7:30 to 10:30. Most of the Exes who attended live in Scurry and Nolan Counties and are in attendance at the Teachers Institute now in session at the County Court House. Wm. T. Falls of Snyder, was toastmaster for the occasion.

#### Chitwood Speaks

Hon. R. M. Chitwood, Representative to the State Legislature from this district and one of Texas' greatest friends to education, was the principal speaker of the evening. Mr. Chitwood told the W. T. S. T. C. Exes of the value of the ex-student's loyalty to the Alma Mater, and dealt at length on the importance of Texas higher educational system.

The program was opened with a solo by E. M. Barnett, Principal of Sweetwater High School and an ex-student of the College. J. A. McCurdy, Secretary of the local Board of City Development, told of his surprise in learning that the West Texas College was as large as it is, and that it had as many ex-students in this county as it has. Mayor Joe T. Boothe told of his visits to Canyon and the West Texas State Teachers College.

#### Spirit of College Shown

The spirit of the West Texas school was in evidence in all other speeches made by the ex-students and the two faculty members who were present. Prof. B. F. Fronabarger, Jr., head of the Department of Education and Wallace R. Clark, head of the Department of Music Miss Inez Meador of Roscoe gave a toast to the absent and short speeches were made by Harper  
(Continued on last page.)

## BUFFALOES BEGIN SEASON WITH 100 TO 0 VICTORY OVER OKLA. JUNIOR A. & M. FROM GOODWELL

## CLUB HOUSE IS ALMOST READY

### BUFFALO MASCOTS ALSO HAVE A BETTER PLACE TO LIVE.

#### Teams Now have Quarters on Athletic Field—To Be Finished This Week.

The 1923 football squad has the Athletic Committee to thank for the new Club House that has just been completed at the east end of Buffalo Park. No more will the squad have to come to the Administration building to dress before and after games.

The new Club House is twenty-two feet wide by sixty feet long. It contains locker rooms both for the visiting teams and the Buffaloes, a shower bath room, a toilet, and a drying room. Each of these rooms is equipped with the most up-to-date fixtures. They are also arranged so as to give convenience and comfort to our athletes. The building is steam heated. Probably the most important compartment in the house is the drying room where the players uniforms may be dried after each day's work-out. It is a great relief to the boys to know that they will not have to put on cold, wet suits to practice in. The Club House will be ready for the Howard Payne game next Saturday.

Other improvements in and around Buffalo Park are a carpet of Bermuda grass over part of the football field and a new pasture east of the park for Charles E. and Mary Anne, the two buffalo mascots of the College.

## To Buy More Cows For College Dairy

Prof. Frank R. Phillips, Head of the Department of Agriculture has announced that the dairy herd belonging to the College will be increased in the near future, and will practically be doubled in size. The College Dairy will then be able to supply Huntleigh Hall with milk and butter, whereas, in the past, it has only been able to supply Cousins Hall.

All of the work at the College Dairy is done by students, and only students who have taken agriculture courses are eligible to work in the dairy. So many students are applying for jobs at the dairy that it is necessary to put in applications a year ahead of time in order to insure jobs.

#### FOOTBALL RESULTS

Texas A. & M., 21; Howard Payne 0.  
Texas University, 31; Austin College, 0.

S. M. U., 41; Denton Nor., 0.  
N. Mex. U., 82; Normal U., 7.  
Clarendon, 6; Wayland, 0.

## DREAM OF PUBLISHING WEEKLY NEWSPAPER REALIZED BY STAFF

At last The Prairie has realized its dream—at least, partially. It has become a weekly newspaper.

In the past there has not been enough advertising to warrant the publication of a weekly newspaper, but the management has decided to launch a weekly, thinking that with the money The Prairie gets from advertising together with the money it gets from the Blanket Tax Fund the weekly paper can be made a financial success.

The subscription price is being raised to \$1.50 for the year, \$1.25 for nine months, or 50c for the quarter. Advertising rates will not be increased as the circulation will remain about 1400 or 1500 copies. In order to make sure that the amount of advertising will pay

for the publishing of the paper, the editors are playing safe by cutting down the size of the sheet from six to five columns. It is hoped that we can again come back to six columns in the near future.

Frank P. Hill, Senior, of Sweetwater, will continue to be Editor-in-Chief of the publication. J. Evetts Haley, of Midland, is business Manager, and Olin E. Hinkle, of Canyon, is Managing Editor. Haley and Hinkle have both had previous experience along such lines, and both are members of the Junior Class. Hinkle was Associate Editor of The Prairie last year. The editors are not yet ready to announce their staff of assistants and reporters, but will probably do so in next week's paper.

The West Texas State Teachers College Buffaloes easily swamped the Panhandle Junior Agriculture and Mechanical College from Goodwell, Oklahoma, in their first game of the season by a score of 100 to 0, over 30 men being used by the Buffalo coach.

Ex-Capt. Burson, fullback on the Buffalo squad, was the first man to carry the ball over the goal line. A pass to Lancaster, end, netted two touchdowns for the Buffaloes in the first five minutes of play. After that the Buffaloes made touchdowns almost at will, the Goodwin twins probably making the longest gains.

#### Second String Goes In

At the beginning of the second quarter, Coach Burton sent in a new backfield composed of O. Mitchell, R. Bivins, Herm, and Lem Sone; and before the end of the half, the Coach was using a practically new team from the one he had started with. The half ended with the score 57 to 0 in favor of the Buffaloes.

With more new men in the line-up, the third quarter ended with the score the same that it was at the end of the first half. In the fourth quarter the first eleven men went back in the game and carried the ball over the line for seven more touchdowns, making the score 100 to 0.

The game was matched by the coach only for a practice tilt in preparation for the big game with Howard Payne College from Brownwood next Saturday afternoon. It gave him an opportunity to see what material he had and how the various combinations worked. The stars were too numerous to mention.

Line-up	
Goodwell	Buffaloes
Ross	Vaughn
Falls	Golden
Darnell	Adams
Cutler	Thompson
Alexander	Parnell
Leg	Capt. Johnson
Wallace	Lancaster
Carleson	Jenkins
McRee, Capt.	E. Goodwin
Shorb	M. Goodwin
Fields	Burson

Substitutes for Buffaloes: O. Mitchell, R. Bivins, Herm, Lem Sone, Jennings, Law Sone, Terry, McDonald, Santy, Jones, Townsend, Ackerman, Munsey, Tabor, Haley, Boatright, P. Johnson, M. Jenkins, R. Mitchell, Anderson, D. Bivins.

Referee, Parcells; Umpire, Cartwright.

"Are you not working?"  
The boss inquired.  
"No," said the poet;  
"I'm inspired."  
"So am I," the boss replied;  
"You're fired."

## PRAIRIE TO HAVE EX-STUDENT COLUMN

One of the added features of this year's Prairie will be an "Ex-Students Column," which will begin next week. All material for this column will be handled by an ex-student. News of the whereabouts of exes, the positions they hold, letters from them, and any other interesting pieces of news that may concern them will be printed under this head.

The editor of the column will be announced next week, and if you have any fitting news concerning exes, turn it over to the editor-in-chief or the editor of the column.

# THE PRAIRIE

A weekly college newspaper published every Tuesday by the students of The West Texas State Teachers College, Canyon, Texas, under the supervision of the Department of English. Printed by the Randall County News.

Entered as second-class matter November 21, 1919, at the post office at Canyon, Texas, under the Act of March 3, 1879.

## BEGIN THE YEAR RIGHT

We are at the beginning of another college year. Many of us are wondering what the year may hold in store. We wonder what of value we are to receive from a year spent within the walls of this institution. We may sit and hold our hands and wait for something to "turn up," but it seems that few things "turn up" for such a man.

Great battles are not won by some Achilles skulking in his tent, but the field is carried by some Napoleon who is master of his forces, who makes himself familiar with the field of action, and who throws all his energies into the conflict.

It is much the same in college life. You will win no debate, you will make no scholarship society, nor will you fill an office efficiently, except through the application of your faculties, the amassing of your energies, and your entering in upon the field of action. Such are the leaders who are worthy of the name.

Those who make the football team and win gridiron glory do not sit idle when their last class is over. During the long afternoon hours they are working and sweating toward their goal. That goal does not consist of two posts at the end of the field, with a cross-bar between them, but it lies in the realization of a football team that will measure up to, and be worthy of the high ideals of their college. Such men will not be held down for long on life's gridiron, but their cleats of self-sacrifice and unerring purposes will ever be seen kicking up the dust nearer to their own goal.

If you are to receive the most from this year in college, you should throw yourself into "the game." Whether it be athletics, literary society work, debating, or the so-called every day grind of college life, attempt to get the most from it that is possible. It is very doubtful that you will receive more from a thing than you put into it. Throw your energies, your spirit, and your personality into this year's work, and help reap the harvest of good fellowship, of the realization of work well done, and of lasting friendships, that is rightfully yours.

## AN EDUCATION

Some students come to college, enroll for six subjects, bury their heads in books for four years, and go away thinking that they have an education. Other students "go through college" in the physical sense—by going in at the front door and out at the back door.

However, to gain an education is not to become a walking encyclopaedia. What is received in a class room and library is only a part of the education. A great deal of our education should come from the literary society, the athletic field, the social gathering—from taking part in student activities.

It is with people that the successful man or woman has to deal. Why not begin dealing with them right here in college? Why isolate ones self from society in order to get an education when that is the opposite to what one should strive for? The business of the college is to fit men and women for the world of today, so that they may better serve the world. Yet, many students seem to think that an education consists in knowing that sin A plus cos B equals tan C, that Zn plus 2HCL gives ZnCL2 plus H2, that "Ommia Gallia s divisa en tres partes" is translated "All Gaul is divided into three parts," and that Columbus discovered America in 1492.

Many students neglect the social and recreational side of education. To be

a teacher, to be a lawyer, to be a business man, to be a success in any walk of life, one must know human nature and how to deal with the people with whom he works. The college should prepare one to better deal with his fellow man.

Man's education should be WELL ROUNDED.

## TEXAN IMPROVES

The Daily Texan, published by the students of the University of Texas, has purchased a new \$6,000 press and is now issuing a seven-column, six-page paper. The Daily Texan is twenty-four years old, was the first college daily in the South, and boasts of the fact that it is now the fourth greatest college daily in the world and bids to become the greatest. The Texan is doing much to raise the standards of college journalism and the college press, and its staff is to be congratulated on its continued successful moves. Eight or ten years ago only a few colleges maintained college newspapers, while today practically every college of any size or consequence has its student-operated and student-edited newspaper.

## Do You Know That—

The College library contains more than 20,000 books.

This institution possesses the largest and best administration building of any school in the Southwest.

This College is a member of the American Athletic Association.

This College is a member of the Texas Intercollegiate Athletic Association.

This College is a member of the Texas Women's Intercollegiate Athletic Association.

This College is a member of the Texas Intercollegiate Press Association.

This College is a member of the American Association of Teachers Colleges.

The citizens of Canyon gave \$100-100.00 to get W. T. S. T. C. located here.

The enrollment for the first year was 227, and for last year was 1016, Training School students included.

The school opened its doors Sept. 25, 1910, with Hon. R. B. Cousins as president and a faculty of fifteen people.

The school now has about seventy instructors, five student assistants, and ten or fifteen other employees.

## BUFFALOES INJURED

Mitchell Jones has again donned a Buffalo uniform, after being out of the game for some time with a broken shoulder. Davis Hill's shoulder is slowly improving from a fracture received in scrimmage, but he is not able to return to the gridiron yet.

## MISS BROWN BACK

The friends of Miss Mary Morgan Brown, Head of the Department of Public Speaking, are glad to see her back at the College at her work. Miss Brown is in much better health, and she reports that she is feeling fine.

## MISS EDDS IMPROVING

Friends will be glad to hear that Miss Vera O. Edds, for two years Student Life Secretary of the College, is slowly improving from an operation at a hospital in Hensdale, Ill. Miss Edds resigned her position here last Spring.

## CANYON HI LOSES TO FLOYDADA

Canyon High School lost to Floydada High School at Floydada Friday afternoon by a score of 20 to 14 in a very fast game. This game does not affect Canyon HI's chances for the Panhandle championship. Jimmie Webb, ex-Teachers College student, is coaching the High School lads, and he is very optimistic over his team's chances.

Work on Canyon's new Methodist Church building, which is to cost \$60,000.00, is going forward.

## CLIPPED COMMENT

I have learned to do my work by the day and not by the job. I have given up the competition business. I do not want to beat anybody at anything. I am as ambitious as I ever was in the desire to do the best I can, but I have no particular interest in doing better than my neighbor or fellow worker. I am not peeved with Shakespeare nor Homer; the President of the United States has my entire good wishes, and I have no inclination to throw bricks at the window of John D. Rockefeller's house. I like to make money, however, for the reason that money is the most tangible and undeniable evidence that my fellow men want what I have to sell. And I like to be noticed and I like flattery and I like attention, just for the same reason that you like it. However, I am not working for those things nor living for them. When they come I enjoy them, just as I enjoy sunshine; but on rainy days I have enjoyment also.—Dr. Frank Crane in the American Magazine.

## BIG IDEAS DO NOT

### DROP OUT OF THE SKY

"Keep alert to new things," says Mr. Lesley in the American Magazine. "Be curious. Put two and two together and arrive at four. Keep your wits nimble. Big ideas do not drop out of the sky. They come because somebody is looking for them, and is receptive when they come. That is the way progress is made, whether by industries or by individuals.

"You can talk about the fascination of digging hundreds of feet into the ground for wealth that may not be there. But this country is covered a foot deep, on top of the ground, with mines of wealth waiting to be put to better uses than anybody has yet thought of for them. There are simply tremendous opportunities in every industry. All it needs is men with the fresh vision, and the friendliness to new ideas required to see them and put them to work."

## THE FABLE OF TUT

Three thousand years ago lived an Egyptian King named Tut-Ankh-Amen. It sounded like a stutter and the Gang at the Luxor Golf Club called him "Tut."

When Tut reached the Cake-Eater age and got his hair plastered back right—he died. Dying was one of the leading Egyptian indoor sports and Tut's death was a Major Event. They slipped him into a swell tomb in the Valley of the Kings.

Three thousand years later a Party of Snoopers dug up Tut's Tomb and all the junk buried with him. The Advertising men took charge of Tut and in a few weeks have given him a Rep which makes Charlie Chaplin's, Doug's and M. "Day-by-Day" Cone's look like a last year's almanac in comparison.

Dead for 3000 years! Lost! Forgotten! Then, Bang! Advertised—and the whole world hollers for more news of Tut!

If advertising can thus put life into a Dead One—what can't it do for a Live One?—for a Live Business?—for Your Business?

They could have dug up a hundred Tuts in the desert and if they kept the good news to themselves—only a few Bald Headed Historians would ever have known it.

You can have the best merchandise in the world. But if the world does not get hep to it—the business will sleep along peacefully. Remember Tut! —Roswell News.

Teacher—"Name the seasons."  
Pupil—"Pepper, salt, vinegar and mustard."—Hollywood High School News.

## Local Color

Rea: "Liza, what fo' you buy dat odder box of shoe blackin'?"  
Liza: "Go on, dat ain't shoe blackin'; dat's my massage cream."

## Texas Warrants Sixty Years Old Given to Historical Society

J. W. Carr and J. M. Gibson have presented to the Panhandle-Plains Historical Society two State Warrants of \$10.00 which were issued in 1863.

One was issued to I. W. Dibrell and the other to W. W. Reynolds; one for military and the other for civil service. One was issued April 30, 1863, and the other May 29, 1863.

Mr. Carr and Mr. Gibson had Judge Worth A. Jennings send the warrants to Austin recently to see if the state would redeem them. It was stated that a large number of these old warrants were outstanding but that the appropriations for these causes had long ago been exhausted.

## Aggie Department Buys Leghorn Hens

The Agriculture Department of the College has purchased one hundred White Leghorn chickens, and, in the future, eggs will be furnished to Cousins and Huntleigh Hall as far as possible. Prof. Phillips states that a student expert on poultry will be employed to care for the chickens.

Prof. Moore, the new man in the Department, is a poultry expert, and is known in that capacity all over Central Texas.

## TAKE PART IN PAGEANT

Miss Edith Harrison was Princess, and Misses Dorothy Burrow and Gladys Martin and Mr. Irby Carruth were Attendants at the Pageant held in the Coliseum at the Tri-State Exposition held in Amarillo last week.

A high school teacher received the following note:

"My son will be unable to attend school today, as he has just shaved himself for the first time."—Ex.

Patronize The Prairie advertisers.

## AN ENTIRE FAMILY ATTENDS THIS SCHOOL

It is not often that an entire family attends school at one time, and especially is it unusual for an entire family to attend the same school in the same building. But such is the case at this College.

Last week Mr. and Mrs. Chase Condrey and their three children enrolled in this institution. Mr. Condrey is manager of the Canyon Inn, however, he has been in college for several years. The three children are attending the Training School. The addition of Mrs. Condrey's name to the College rolls puts the entire family in school.

The following are among those from Tulla who entered West Texas State Teachers College at Canyon the past week: Misses Jewell and Hazel Cantrell, Messrs. Thomas Hagood, Freeman Chambliss, Herschel Jennings and David Harper.—Tulla Herald.

## SOCIETY

STAR ATHLETE  
MARRIES

Miss Joy Bowman of Childress, and Mr. Everett Key, of Canyon, were united in marriage at Tulia on August 26. Both of these young people have been students in the College and are well known here. Key has been a member of the College football, basketball, and baseball teams. During the past year, he has been a teacher and coach in one of the Galveston high schools.

Mr. and Mrs. Key are now making their home in Texas City where Mr. Key is teaching in the public schools.

JONES-HILL  
NUPTIALS

Mr. J. W. Hill, a cousin of President Hill's and a former student of W. T. S. T. C., was married to Miss Allene Jones at the home of the bride's parents in Rule, Texas, on August 26. Miss Jones was a teacher in the Amarillo High School last year. Mr. Hill is connected with the Guaranty State Bank at Amarillo.

LAWYER EX-STUDENT  
MARRIES

In the early part of September Mr. Frank R. Day, of Plainview, was married to Miss Anna May Hardesty at the home of the bride's parents in Abernathy. After the wedding the couple toured in the West on their honeymoon trip.

Miss Hardesty was a teacher in the Plainview public schools for several

years, and was very popular in that city.

Mr. Day is county attorney of Hale County. He is a graduate of the Teachers College and of the University of Texas School of Law. He was a very popular student while here, and was a member of the College debating team.

CLUB-TROWBRIDGE  
NUPTIALS

Miss Minnie Belle Club and Mr. Floyd Trowbridge, both of Floydada, were united in marriage at Petersburg on Thursday night, September 20. Both of these young people are ex-students of the College and are well known here. The couple will make their home on a farm near Floydada.

CANYON BOY  
MARRIES

On September 8, Mr. Ralph Harter of this city and Miss Grace Leonora Sharman of Sweetwater were united in marriage at the home of the Methodist minister in Amarillo. Both Mr. and Mrs. Harter are ex-students of this institution. Mr. Harter is now a postal clerk at the local post office.

AGRICULTURE  
HEAD WEDS

Much interest was developed in the recent wedding of Prof. Frank R. Phillips, Head of the Department of Agriculture, and Miss Olga Landrum Standefer.

The bride was a teacher in Canyon High School during the past year and is teaching there again this year. Prof. Phillips is not only well known in

Canyon and College circles, but is known in all sections of the Panhandle-Plains country, he having been instrumental in placing vocational agriculture courses and teachers in more than twenty schools of this section.

MARRY AND GO  
TO SCHOOL

Mr. Fred Groves, of Hutchinson County, and Miss Zoda Standfield, of Lamesa, were married in Plainview on August 29th. After the wedding, the couple visited Mr. Groves relatives in Hutchinson County.

These two young people first met at W. T. S. T. C., where they have been students for two or three years. They have returned to school, and are now at home at Mrs. Hutchinson's residence in Canyon.

SOCIETIES AID  
REGISTRANTS

Members of the Elapheian and Antler Literary Societies served tea and wafers in room 105 during the days of registration to the weary students and faculty members.

The Cousins and Sesame Literary Societies operated an information booth in the first floor corridor, and greatly aided new students in getting enrolled.

Phamlets were published and distributed by each of the societies as boosters for members.

Miss Helen White Moore, a niece of Miss Brown's has entered school.

McQueen's Drug Co. is headquarters for students.

## BATTING .1000 FOR WEST TEXAS STATE TEACHERS COLLEGE

—Complete loyalty on the part of each  
and every student and faculty member  
is making a great school in Canyon.

—Loyalty, not only in the class room, but on the ATHLETIC FIELD,  
is the thing which makes a great school greater. Stand by your foot-  
ball team; your basketball team; and all other athletic teams.

—We are doing our part in helping build a bigger school in Canyon by  
equipping our plant to be the best in West Texas—to furnish the Col-  
lege and all the schools of West Texas better printing.

### NEW TEACHERS ON THE FACULTY

(Continued from first page.)

Miss Adelin White, Associate Pro-  
fessor of Education has been granted  
a leave of absence to study for her  
Ph. D. degree in Columbia University,  
where she holds a \$1,000 scholarship.  
Prof. O. R. Willett, M. A. from Chicago  
and California Universities and a for-  
mer teacher in the College of Marshall  
and Ouachita College, is taking Miss  
White's place for the year.

A leave of absence has been granted  
Miss Edna Haines, Associate Professor  
of Education, to do graduate work in  
Columbia University in kindergarten  
work. She is succeeded by Miss Lura  
Mae Dean, Ph. D. of Chicago Univer-  
sity.

Miss Dorathea Fricke, of the Art  
Department, has gone to Silver City,  
New Mexico, for her health. Miss Lou  
Beth King, B. A. and M. A. from Sou-  
thern Methodist University, is substi-  
tuting in Miss Fricke's place.

Miss Marion Witt, Assistant Pro-  
fessor in English, is using her fellowship  
in the University of Wisconsin, while  
Mrs. J. J. Powell, '23 graduate of this  
institution, is taking her place for this  
year. Mrs. Lang is back in the Eng-  
lish Department after a year's study  
in the University of Cincinnati, where  
she received an M. A. degree.

Miss Elizabeth Dabbs is succeeding  
Miss Ethel Gray as Director of Physi-  
cal Education for Women. Miss Gray  
has gone to Southern Methodist Uni-  
versity as head of the department.

Mrs. T. V. Reeves has been trans-  
ferred from the History Department to  
Director of the Public Service Bureau.  
She will direct all Extension Courses,  
Federated Club work, publicity work,  
the Teachers' Employment Bureau,  
and the Panhandle-Plains Historical  
Society. Miss Mary McLean, B. A.  
from Southwestern University and  
graduate student in the University of  
Chicago, is taking the place left va-  
cant by Mrs. Reeves.

Miss Mary Venita Stewart is the  
new instructor in Public Speaking,  
having succeeded Miss Joye Mills,  
who is studying in Emerson College of  
Oratory, Boston, for a year. Miss  
Stewart is a graduate of the same  
school.

Miss Anne Bailey has resigned her  
position as teacher in the Training  
School, and Miss Erna Guenther, a  
former student of the Teachers College  
has taken her place.

### Student Assistants Appointed

The following students have been  
given assistantships in the various de-  
partments: Bryant Baker, Depart-  
ment of Biology; Otello Herm, Depart-  
ment of Commerce; Mrs. Emileen Wal-  
den, Department of Chemistry; Joe J.  
Lancaster, Department of Manual  
Training; Miss Zelma Red, Depart-  
ment of Physics.

### BANQUETED AT SWEETWATER

(Continued from first page.)

Allen and Alvis Lynch, teachers of  
Spanish and Chemistry, respectfully,  
in Abilene High School; Cleveland  
Baker, Supt. of the Clyde Public  
Schools, and Frank Hill of Sweetwater  
editor of The Prairie. Miss Amy Dan-  
iel, of Sweetwater, closed the program  
by leading the ex-students in singing  
the Alma Mater.

### Forty-One Present

The guests of honor were: Hon. R.  
M. Chitwood, J. A. McCurdy, Mayor  
Joe Boothe, and M. L. H. Baze. The  
ex-students who attended were: Wm.  
T. Falls, Toastmaster, Mabel Brown-  
ing, Mollie Goode, Mr. and Mrs. Gus  
Farrar, Mrs. Dr. Hodges, Thelma  
Sikes, Lois, Bess and Merle Johnson,  
Cleveland Baker, Jeanette Wade, Amy  
Daniel, Katherine Clark, Dean Head-  
stream, Harper Allen, Frank Hill, Aus-  
tin and Susie Mae Adams, Minnie  
Fowler, Edith Coward, Herman Phil-  
lips, Isabelle Messimer, Bernie Elmore,  
Mittie Jones, Florence Smith, E. M.  
Barnett, Herbert Van Roeder, Inez  
Meador, Joseph Grace, Edith Rimmer,  
Sally Boone, Alvis Lynch, Theresa  
Cotton and Helen Boren. Wallace R.  
Clark and B. F. Fronabarger, Jr., were  
the two faculty members present.

### New Engine Pur- chased by College

The College has purchased a new  
\$6,000.00 Fairbanks-Morse engine to be  
used in the Power House. This is a  
fifty horse-power engine, and will  
greatly increase and guarantee more  
power and lights for the College. The  
College already owns a seventy-five  
horse power engine, but on some oc-  
casions it does not furnish enough power.  
When the new engine is installed, both  
engines may be used at the same time  
or separately.

### Always Ready—Always Safe

The men and women who use checking accounts in  
transacting their business have a distinctive advantage  
over those who use cash.

Checking accounts save time, guard against loss and  
provide receipts automatically.

A checking account at the First National Bank means  
that your money is always safe and always available.

Our officers will be glad to explain to you how sim-  
ple it is to open an account and how advantageous it is  
to maintain one.
