Normal Nine Plays Good Ball

Team Showed Lots of Promise on Southern Trip Altho Most Games Were Lost by Narrow Margins.

Our baseball nine which on March 1 sojourned to the land of flowers (or is it red sand?), did not break any records, it is true, but looking at the trip from other stand-points than the score, it was very profitable. Five of the six games were lost, but a glance at the score will indicate some very close games; notice how close we held the Abilene Christian College.

The first game was played against Wayland College in a howling north wind. The weather was better adapted to football, and caused many errors. The slow contest finally ended 15 to 13 in Wayland's favor.

By the next day we were able to play without the aid of a fire. Great interest among the spectators aroused lots of pep, which was accelerated by the zig-zag scoring. Normal pep and training won this game, 7 to 6.

Needles to say, Wayland's hospitality was up to its usual status, and we greatly enjoyed those two days.

Arriving in Abilene April 1, we played our first game with Abilene Christian College. April fools were scarce, and the game was a real battle. Both teams swatted the old apple all over the field, but air-tight fielding held the scores very low. The A. C. C. were very nervous as to the final score but won, 3 to 2. The game next day was similar to the first; we were playing good ball, but A. C. C. played in luck and won 3 to 0.

Believe us, those A. C. C. students are royal entertainers. We were taken to the dormitory and allowed to run at leisure. We were entertained by the "Girls' Aid To Athletics," and spent some very pleasant hours drinking punch and listening to music. The Matron, Miss Howam, gave two delightful readings "I Ain't Going to Cry no More," and "Holding a Seat in a Theatre."

Sunday morning the Coach set a bomb off by saying, "Every boy must go to church." He meant it too, for all excepting Barto Johnson, who was ill, or homesick, went to church, and again in the evening, escorted by Coach McCorkle.

We met the Simmon's boys on their home field Monday. The game was one-sided and very fine except for that fact. We were used to the wind, but the red sand had a decidedly different taste from our black dust. We were plainly not at home on this field, as the score 7 to 0 shows. Simmons College has a good team and played some real ball. Our team was more or less worn out by the long trip when this game was played. They improved steadily, as all have noticed in the recent games with Clarendon College. Not many teams would have cared to start the season with such a difficult trip, but it was fine training, and as Coach McCorkle fitly expresses it, "There is no reason why we should lose another game this season."

PROFESSOR HUMPHRIES TO BE NEW REGISTRAR

Professor John S. Humphries, President of the College of Marshall, Texas, is to be the new registrar of the West Texas State Normal College. He will arrive in Canyon about June 1. Professor Humphries will be a valuable addition to the faculty of this institution. He has had excellent training and valuable experience in many phases of school work. He holds the M. A. degree from Georgetown College (Kentucky), B. A. and M. A. from Harvard, and he has done one year's graduate work at the University of Chicago.

Among the important positions which he has held are the following: Private tutor, Harvard University; Adjunct Professor of Latin, Boys' High School, Louisville, Ky.; Instructor in Latin and German, Boys' Training School, Chicago; Professor of Latin and Greek, Howard Payne College; President of Howard Payne College; President of Burleson College; and President of the College of Marshall.

We welcome Professor Humphries to our faculty and town.

Senior Boys Debate—Amarillo, Harder, Ralph G., Thomsen, Carl W.; Miami: Gatlin, Carl, Nelson, Sam.

Enthusiasm always starts in the race, but perseverance always wins it.

Large Crowds Endure High Winds and Low Temperature to See Panhandle

Youths Contend For Honors

Although high winds swept the Plains with blinding clouds of dust, the Interscholastic League Meet opened on schedule time and continued to function in its program to the last number. Early Thursday morning the halls of the main building of the West Texas State Normal College were crowded with boys and girls from practically every town and hamlet of the Plains country. Youthful smiles played on every face, betokening that confidence which springs out of victory previously tasted. But in the back ground of this surface ripple there lurked a grim determination to win still other honors and bear them back to their home town or community.

These events mark a new era in the life of every boy and girl who enters the contests. The occasion provides them with many thrills which stimulate their best self to the highest endeavor. A monotonous life unmarked by crises dulls sensibilities and dwarfs character. On the other hand, a life full of clashes develops initiative, self-reliance, and self-composure in emergencies. It is comparatively easy to behave with becoming dignity and ease in relation to the ordinary events of life; but that individual who can meet with a cool head and good judgment a crisis is admirably equipped for leadership. What occasion provides a better opportunity for developing ability for leadership than a contest whose guiding principle is fair

play? The foundation of all leadership is that native ability which has been trained to meet life's emergencies. In the interscholastic league contests success depends upon merit alone, and boys and girls fight their battles under this code of honor.

Many of the boys and girls who enter these contests have never appeared before large audiences. It is inspiring to watch them as they rise from their seats on the stage, step forth, and enter with youthful ardor into the combat. Only one idea seems to possess them; they are ambitious to win. For the event they have spent long hours of preparation, and all their energies are bent upon the one controlling purpose. Not all can win, but the power which comes from the training and the experience of a heroic struggle will count in after years.

The spirit with which these young people accept defeat deserves special praise. There is but little complaint about the decision of the judges and there is no disposition to be unkind to those who win over them. To bear up under defeat and to retain equanimity of mind in victory require courage.

One idea stood out prominently among all contestants. They were for the Panhandle first and themselves second. All seemed anxious to send to the State Meet the best the Panhandle has to offer. This spirit of unselfishness is very commendable.

Winners In Final Contest

Canyon Boy Won in Declamation and Goes to Austin to Represent The District.

Although the weather was very disagreeable, with cold winds blowing both Friday and Saturday, the District Interscholastic Meet was the best ever held in this district.

The boys and girls from the visiting towns were cared for by the committee in charge and were highly pleased at the reception given.

Amarillo high school won Class A events in the field meet, while Higgins won in Class B.

C. C. Bulldogs Were Out-Classed

Normal Nine Won First Game Easily But it Took Ten Innings to Decide Second Engagement.

They came (quite like conquering heroes, too!), they saw (we'll say they did!), but all they conquered was their burning desire to smash everything in sight to remove the jinx which hovered over them while here. We will readily agree with our Methodist contemporary in that they are a good-looking bunch of athletes, but as to baseball we would recommend for their malady two ounces of strong right rams (not glass ones), mixed with nine ounces of pinch hitters dissolved in two quarts of ambition. Apply freely to those wonders who persist in pulling a prize bone every time the psychological moment demands brilliant action.

First Game

Coach McCorkle chose Helm and Johnson to start the game for us. Joplin was first up, but being unable to solve Helm's twisters, sat down again. Close was closed out, Helm to Hale. Nobles rapped a neat two-bagger past Hale, but Cook fanned. Bloxham and Jenkins solved the Walker-Meads combination but were thrown out. Tucker secured a hit, but Johnson fanned.

Our boys started a rally in the second frame when Robinson smashed one thru Walker and scored on Hale's two-bagger to center field. Hale scored and Simms was safe at first on Verner's wide throw. Simms stole second and scored on Terry's single. Bloxham brought Terry in with a bunt which he beat out. Jenkins fanned, and Tucker fled out to center field. Four scores.

No more scoring was done until the fifth inning. Johnson doubled and scored Tucker who had preceded him. Simms brought Johnson home, and came in when Terry's grounder was muffed. Three scores.

Clarendon scored for the first time in the sixth, a fumble by Terry and a sacrifice hit by Cook allowing Close to cross the rubber. Burton's sluggers tallied again in the seventh when Walker hit a long fly to Tucker which resulted in three bases, and crossed the plate on Robinson's wide throw of Joplin's grounder. Joplin was advanced to second, but Robinson threw Close out.

A hit by Terry in the eighth resulted in a score when Helm tried to demolish the old horsehide. Two scores.

Then came the eventful ninth. Close was safe on a slow roller past second, but Meads fanned. Walker slipped a hot roller thru Hale, and Joplin filled the bases with a single to right field. Close was forced in when Helm hit. G. Close. Nobles was safe to Hale, but Walker was forced out. Dozier delivered with a double between center and right field, scoring Joplin. G. Close, and Nobles. Cook, who had managed to get around the bases, scored the last run, but Verner was thrown out by Jenkins.

Helm allowed 6 hits; Walker 10. Helm struck out 7 batters and Walker 7. The Coaches umpired alternately. Many errors resulted in the rather large score of 9 to 7.

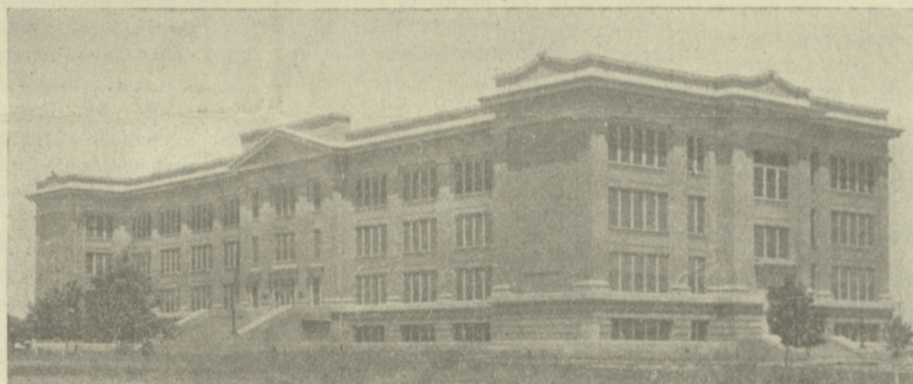

Second Game

Boatright was chosen to twirl the last game, while Smalley was Clarendon's best bet. The Normal team started the scoring in the second lap. Robinson fanned. Hale grounded out, but Simms was safe on Smalley's error. Terry arrived at first safely when Dozier muffed a hot grounder. Boatwright scored both men, and went to second on the play, but was caught asleep off the bag.

In the fourth inning Cook bunted safely and Dozier was safe when Robinson threw too high, Cook scoring. O. Close singled over second, and Meads walked, filling the bases. Smalley scored Verner and Close with a single. Boatwright rallied and fanned the next two Bulldogs. In the same inning a single by Johnson, Helm's double and two errors brought in two scores for the Normal.

Hale speared Dozier's hot one in the eighth, but Verner's grounder hopped out of Helm's reach. Helm and Simms were unable to decide who should get Close's pop fly, and Smalley scored Verner with a well placed bunt.

The ninth inning failed to break the 4-4 tie. Clarendon tried to put the game on ice in the tenth. Dozier sing-

"Creation" Given Thursday, April 14

Highly Creditable Work Done by Soloists, Chorus and Orchestra.

The performance of "The Creation," master oratorio by Joseph Haydn, by the chorus and orchestra with soloists Thursday evening, April 14, was highly creditable to all taking part. The conducting by Mr. Wallace R. Clark was finished and authoritative, while the response on the part of the chorus and orchestra was clean and spirited. It is unusual to have such well marked reading by amateurs.

Too much credit cannot be given to the soloists, Miss Ada Clark, soprano; Mr. J. J. Powell, tenor; and Mr. Clyde Warwick, bass. Miss Clark did the "With Verdure Clad" and "On Mighty Pens," as many a professional might be glad to do. Mr. Powell's tenor recitative "In Splendor Bright" was beautiful. All of Mr. Warwick's recitatives, as well as solos, were done in

Panhandle Press Association Convenes

Seventy-Five "Pen Pushers" Attend Fourteenth Annual Session at Amarillo.

Newspaper men from all sections of the Panhandle, including western Oklahoma and eastern New Mexico, gathered for the Fourteenth Annual Convention of the Panhandle Press Association at the First Christian Church in Amarillo, last Friday and Saturday, April 15 and 16.

The Association was called to order Friday morning by President Sam Braswell, editor of the Clarendon News. H. W. Albright of the Western Newspaper Union, Wichita, Kansas, led the "Pen Pushers" in singing "America," "The Battle Hymn of the Republic," and "My Business Lies Over the Ocean." The entire two days program was interspersed with music of this kind.

Dr. J. E. Nunn, publisher of the Amarillo Daily News, delivered the

W. W. W. OPEN HOUSE ALL THE YEAR

The West Texas State Normal College is very happy that the people of the Panhandle find it convenient and advisable to make use of the facilities which this institution has to offer for educational purposes. The State of Texas created this college to serve your interests, and its doors are always open for gatherings whose purpose is to make this section a better place in which to live. Look upon this as your educational home, and make requisitions upon its faculty for use in your community whenever you need such services as any member can render. We are glad that you came to us for the Interscholastic League Meet, and we hope you will return to us often. These great gatherings furnish inspiration for us all; they emphasize the growing power we are becoming. This section is just beginning to take a legitimate pride in what it has and what it is in a position to do for itself. Nothing has done more to emphasize this fact than the many organizations which have been perfected in the Panhandle.

AN AGE OF BIG INVESTMENTS

This is an age of big investments. Men pride themselves in the vast sums they are devoting to speculation, in the hope of material returns. They sink millions in barren oil wells or lose them in soap-bubble schemes to become rich. And yet the percentage of returns from these investments is so small as to discourage the prudent business man who stops for a moment to consider his chances to win.

Would it not be a wise expenditure of some of our capital to invest it in character? This is the safest investment we can make, and it guarantees large dividends for an indefinite time. The opportunity for this investment is close at home. Did you know that more than forty boys and girls of the Panhandle country have left the West Texas State Normal College during the present year through lack of adequate funds to continue in school?

Surely some remedy can be found for this deplorable situation. The West Texas State Normal College has been making a great effort to solve this problem through a Student Loan Fund. But this fund, provided by the faculty and a few friends of the institution, is at present wholly inadequate. To take care of the present demands, this fund should be increased from \$3,000, its present sum, to \$10,000.

There are more than a thousand people living on the Plains who would not miss a contribution of \$5.00 each to this fund. Did you know that this amount thus raised would keep 25 boys and girls in school who otherwise would have to withdraw? The fund we have assisted 81 boys and girls to complete their education to the point where they could make their own way, and of the \$8,000 loaned not one cent has been lost. Is not this a high tribute to the quality of character in our boys and girls? Most colleges have a student loan fund. Shall we of the Panhandle be derelict in our duty to our boys and girls who hunger for an education but have not the means to secure it?

W. W. W. HIGH SCHOOL ATHLETICS

The best authorities to-day on the proper development of young life are emphasizing more and more the large part which athletics plays in the curriculum of our public schools. That high school which has in its faculty no one capable of organizing the energies of its boys and girls for wholesome athletic contests is omitting one of the greatest opportunities for keeping boys and girls in school and training them for useful citizenship. No amount of hard work is a legitimate substitute for well planned and well directed athletics. Practically all work functioning in a set task lacks the stimulant of wholesome rivalry. Not only this, but contests over which an audience presides as judge teach boys and girls to think and act well in emergencies. What asset is more valuable to young people than the ability to meet crises with intelligence and good judgment?

The world war taught America the valuable lesson that her young people have many physical weaknesses about which she had never dreamed. One problem which our schools must aid in solving during the next generation is that of correcting these defects.

Once the defect has been located, the road to a permanent cure is open to follow. The fact that most schools are now counting work done in athletics as credit towards degrees illustrates the importance which school authorities attach to this training.

EDUCATIONAL VALUE OF CLEAN ATHLETICS

The educational value of clean athletics can not be overemphasized or overestimated. Life itself is a contest and boys and girls should be taught to play the game fair. No other activity will force upon their attention this principle of fair play better than the right kind of athletics. Wholesome sports stimulate young people to employ their best physical, intellectual, and moral nature. They are taught through arduous training that their chances of winning depend upon thorough and systematic preparation for the contests. From this physical training there results a strong, robust constitution, which is the basis for a healthy, moral and intellectual character. But victory, even in physical contests, does not rest altogether upon muscular strength. Self-control, self-composure, good judgment, and quick wit will enter largely into the issue. The ability to accept defeat with all the good graces of a thorough sport strengthens the moral fibres and cultivates the virtue of recognizing merit wherever found. There are still a few people who believe that no good can come out of Nazareth. When these doubting Thomases are forced to accept defeat at the hands of those whom they had discredited, they learn the valuable lesson that we must always take into consideration both the abilities and rights of our opponents.

Every boy who expects to teach should be capable of giving intelligent instruction in all forms of athletics. While one is a student in school, he can not do the best literary work unless he takes part in games and outdoor sports of some kind. Too close association with books and indoor work tends to dull the mind and make a student listless and indifferent. Fresh air and vigorous physical exercise tend to rest the mind and keep one free from mental inertia.

The teacher should understand athletics because only through a knowledge of them can he direct the activities of the children in their play. Through this medium he can also establish a sympathetic understanding and companionship with students that will enable him to work in harmony with the boys and girls that would otherwise be indifferent to all efforts that he might put forth in their behalf.

PANHANDLE TEACHERS' ASSN. PRESENTED BY ELEPHANTS

As an April 1 surprise the students and faculty attended the Panhandle Teachers' Association as given by the Elaphean Literary Society at the chapel period. Many of the guests were very imposing in appearance, some being conspicuous by the severely tailored lines of their costume, others by the elaborateness of their dress.

A program that was intellectual and at the same time timely and appropriate was presented. The meeting was opened by the impressive address of the chairman, Miss Ura Longword (Jo Della Pennington). She very ably presented the purpose of the meeting and introduced the speakers of the day. The numbers of the program were announced by the secretary, Miss Ella Vator (Roberta McKnight).

The association was highly honored by having on the program Miss Amy Higher (Mary Meinecke), Rural School Specialist of the Extension Department of Rural Welfare, Buggscliffe, Arkansas. Miss Amy Higher outlined some of the possibilities of the rural school, stressing the importance of a library, domestic science and manual training equipment and a physics laboratory.

Dr. Dewey Angel Thorndyke Strayer (Edith Eddins) of Columbia University, spoke on "The Physiological Basis of Psychology." The points discussed were protruding teeth as a sign that the child has "food for thought," big feet as an evidence of a firm understanding, freckles as imprints of expressions on the brain, and the ability to wiggle the ears as an indication of great flexibility of the mind.

"The Eradication of Slang" was the subject discussed by Miss Ima Slangshire (Olive Michael). The language used by the lady was in keeping with the subject.

Miss Ophelia Pulse (Carloita Cheney) spoke on "Common Sense Dress for School Children." She referred to Dr. Dewey Angel Thorndyke Strayer as a model for young men.

Lord and Lady Newton-Handsone (Margaret Hawkins and Saxche Simms) from Liverpool, England, the guests of Mr. Ivan Orvil Pain (Dolly Clark), delighted the assemblage with comments on school conditions in America.

The meeting was concluded with a round table discussion of questions of interest to teachers, such as the proper lunches for school children, the ad-

visability of nocturnal study for children, methods of preventing contamination of the drinking water in rural schools. The question of lunches was discussed by Miss Amelia Sourmilk (Ruth Rankin), a dietician from C. I. A. Mrs. Rhoda Bugg (Mrs. Tommie Montfort) spoke upon the second question indicated, telling of a girl who had died at the untimely death of sixteen because of overstudy. Several suggestions were made as to the prevention of contamination of the drinking water in rural schools. One was that the school should be built near running water. Another was that quinine should be placed on the edge of the bucket to prevent the children from drinking from it.

It is felt that the meeting was helpful to all who attended.

NEW Y. W. C. A. CABINET INSTALLED APRIL 11

The installation services of the Y. W. C. A. Cabinet were held in the auditorium, Sunday afternoon, April 17. The program was opened by a professional of the old and new cabinet members singing the Association hymn. After the scripture reading and a prayer by Miss Harriet Graham, the out-going president, Miss Ruth Thompson, told of the work which the Y. W. C. A. had done and attempted during the past term. Then she presented the incoming president, Mrs. Tommie Montfort, with the Y. W. C. A. pin. The pin is to be worn by the president as long as she holds the office. Mrs. Montfort accepted the pin and told some of the plans for effective Association work next year. The entire service was one of simplicity and beauty.

The out-going cabinet members are: Ruth Thompson—President. Louise Simpson—Vice President. Frances Ramsey—Secretary. Amy Daniel—Treasurer. Ottice Greer—Undergraduate Field Representative. (The undergraduate representative will remain in office until June).

Chairmen of Committees: Mary Isaacs—World Fellowship. Mary Dodson—Church Relations. Bernice McGehee—Meetings. Lucille Gill—Membership. Ada Clark—Social. Mildred Johnson—Social Service. Lizzie Kate Smith—Publicity. The new cabinet members are: Mrs. Montfort—President. Hazel Mathis—Vice President. Joye Mills—Secretary. Verle Fletcher—Treasurer. The undergraduate field representative has not been elected yet.

Committees: Fannie Cash—World Fellowship. Mary Dockery—Church Relations. Ottice Greer—Meetings. Mildred Keffer—Social. Mildred Johnson—Social Service. Euphemia McGuire—Publicity.

NEW Y. W. C. A. CABINET ENJOYS DAY AT CREEK

On Monday, April 11, Miss Harriet Graham and the new Y. W. C. A. cabinet members hiked to the creek and spent the day training for next year's work. The ten members met at the "Morelock Corner" at seven o'clock and were joined by Miss Graham who had urged every one to bring cushions. As soon as they reached a camping place each girl helped to prepare her own breakfast, and by nine o'clock every one was ready for work.

Miss Graham tried out her new idea of pedagogy and talked with the girls about the Young Women's Christian Association as an organization, the larger organizations of which it is a part, and the duties of each of the local Y. W. C. A. officers and cabinet members.

By twelve o'clock every one knew a number of things about the Y. W. C. A. which she had never heard of before. Miss Lamb and Miss Brigham joined them for lunch, and they all enjoyed the "camp meal." After noon they reviewed the morning's work and talked of their plans for the coming year. Miss Lamb and Miss Brigham offered some very valuable suggestions, and the girls were very responsive to their new work. They hope to be able to make the Association a unit, working for the same things, through the co-operation of the ability and the membership.

Late in the afternoon they were joined by Miss Boulware and her pupils and enjoyed a baseball game with them. After supper a number of games were played, but the Y. W. C. A. girls were tired, and left earlier than the others.

Baptist Students Enjoying Institute
Baptists students of the Normal are enjoying an institute this week conducted by Dr. J. P. Boone, Secretary of the Student Department of Texas, and Miss Bernice Clayton from the Baptist Seminary at Fort Worth. Two classes are being conducted, one in Sunday School methods and one in training for Christian service. The classes are being held at the home of Mr. Hill. Quite a number of students are availing themselves of the opportunity offered by the classes.

GETTING READY FOR COMMENCEMENT

Last spring the Randall County News furnished more than twenty high schools of the Panhandle-Plains country with their

COMMENCEMENT INVITATIONS

This year we hope to increase this number very greatly. Our supply of samples will be ready January 20th, and we want to send them to graduating classes in all towns.

The Randall County News specializes in school printing, and we are therefore in position to give the very best service with Commencement Invitations.

Write today concerning Invitations. Do not put this matter off until Commencement time rolls around. Those who order early always get the best service and are never disappointed by late shipments.

Commerce Department Picnic

On Monday afternoon, April 11, promptly at four o'clock, the students and faculty of the Department of Commerce met at the home of Miss Hudspeth for a long hike to the creek.

Miss Miriam Anderson and Shirley Scott were appointed Lieutenants of the squad. Very soon after our departure the lieutenants lost their way and we found ourselves looking thru the stockyard fence witnessing a great western Broncho riding contest going on within. After making some inquiry as to the correct route to take we were again on our way to the creek where we joined the Y. W. C. A. cabinet.

A baseball game was played between Hale and Tucker: Batteries for Hale were Margarete Boulware, p., Allen King, c.; for Tucker, Vera Crawford p., John Matney, c. After a very enthusiastic game, we were called upon to prepare for a big supper consisting of weenies, bacon, sandwiches, fruit, coffee, and marshmallows. Some time was spent in outdoor games and story telling around the big camp fire, the crowd leaving for their respective rooming places about nine o'clock, believing they had had enough physical exercise to last them for several days. The party was composed of the following: Carl Kemp, Jennie Vaughn, Allen King, Fay Kirk, Vera Crawford, Orma White, Earnest Baldwin, Norbert Goebel, Harvey Johnson, John Matney, Omer Owen, Lorene Chambers, Willis Edelman, Maysel Geary, Mabel Richburg, Jessie West, Nay Hale, Vance Hoskinson, Bruce Parker, Margaret Elliot, Shirley Scott, Chink Tucker and Marybel Ward; Misses Anderson, Walker, Graham, and Boulware.

Students Marry

Miss Dixie Lee Brumley of this city and Mr. Harry Holland of Amarillo were married at the home of the bride's parents Sunday afternoon at 4:30 o'clock, an Amarillo minister officiating. The couple left immediately after the ceremony for Amarillo where they will make their future home. Mr. Holland is a progressive young business man of Amarillo. Miss Brumley has for several years been a student in this institution, but was required to withdraw at the end of the fall quarter on account of her eyes.

Miss Bonnie Adams was united in marriage the same day to a young man of the Wayside community, whose name we were unable to learn. Miss Adams attended the Normal for the first two terms of this regular session.

Miss Emma Hardin, a Training School student, and Mr. Lee Barnett, both of Canyon, were married at the home of the bride's parents last week. Mr. Barnett works on his father's ranch east of town.

"The Prairie," together with friends, wish these young people a happy and successful journey through life.

Miss Vivian Benson of Clarendon and Mr. Tom Majors of Ashtola were married on April 10. Miss Benson attended the Normal last year and was a teacher in the Ashtola school at the time of her marriage. Mr. Majors is a merchant of Ashtola.

Students Buy Pies From Sesames

On Saturday night, April 9th, the pie-hungry people assembled at Cozy Cottage, where Mr. Shirley auctioned the girls' shadows. The boys bought shadows for various reasons, some because they liked the tilt of the nose in the shadow and some because they liked the kind of pie which Mr. Shirley announced would go with the nose. Owing to the ability and enthusiasm of the auctioneer, and to pie craving appetites, the fifty-five shadows with their fifty-five pies were sold, to the detriment of the Sunday School collection next morning. But the most fun came last, as usual—the fun of eating fifty-five pies. I wonder how much pie a boy would eat if he ate more than he wanted? They wanted \$41.75 worth, which increased the Gregg Cousins Loan Fund to that extent.

Cousins Literary Society

Is the Cousins Literary Society dead? One would not have thought so if he had been at the last meeting and heard the debate in which every member present took part. The question before the Society was, "Resolved, That West Texas should be made an independent State." All were greatly enthusiastic over the question, and nearly an hour and thirty minutes were spent in discussion.

A challenge was issued to the Antler Literary Society for an Inter-Society debate, the date and question to be determined later.

Miss Leona Summers was honored with a birthday dinner-party at Cousins Hall last Sunday, given by Miss Beatrice Livingston. The following people were seated at the table: Misses Mary Meinicke, Olive Michael, Edith Eddins, Beatrice Livingston, Leona Summers, Messrs. Bryan McDonald, Walter Broughton, Otis Cobb, Ray Reynolds, and Olney (Bill) Newberry.

Miss Vivian Brumley, who is attending Baylor College, Belton, visited friends and relatives in Canyon last week.

Miss Ola Ballard, who has been attending Baylor University, recently entered the Normal. It will be remembered that Miss Ballard was a fifth year student last year.

The students taking penmanship enjoyed a hike to the creek north of town Monday afternoon. The hike was arranged and chaperoned by Miss Boulware of the Commercial Department.

Commerce, Texas,
April 14, 1921.

Dear Faculty and Student Body of W. T. S. N. C.:

We take this method of attempting to express to some slight extent our appreciation and gratitude for your untiring efforts in our behalf while we were among you. Mere words are in capable of expressing our gratification for the acts of kindness and hospitality which were showered upon us on every hand.

It would be an immeasurable pleasure to us to write to each and every one of you a separate letter of thanks because we feel that such is our duty and privilege, but this, of course, is impossible. The most that we can do is merely to tell you that during our short association together you have grown very near and dear to us, and always we shall reserve a great big warm spot in our hearts for all of you people.

We hope that in the near future we will be accorded the esteemed privilege of a chance to repay a slight degree your kindness toward us and your earnest solicitation for the welfare and happiness. If Dame Fortune in her playful mood chances to cast us again upon the hospitality of the free untrammelled west we will feel assured of a welcome which only the west can give.

May the God of Chance in His more rational movements ever tend to bring the East and West Texas Normal Colleges into a closer, more mature, and more profitable relationship is our fervent prayer.

Your grateful friends,
LELAND BRECKENRIDGE
ELEANOR W. JACK
PAUL BLEDSOE.

Huntsville, Texas.
April 11, 1921.

President J. A. Hill,
Canyon, Texas.
Dear Mr. Hill:

I am writing just a line to tell you of the splendid impression which the representatives of the West Texas State Normal College made upon us at the Sam Houston Normal.

Miss Brown's affable and cordial manner won our hearts. Your young men are high types of the best college student life. They were characterized by ability, fine training and gentlemanly deportment. They proved themselves "good sports" in the splendid way in which they accepted defeat. I assure you that I was very uneasy as to the result of the debate until the decision of the judges was rendered.

With kind regards, I am,
Very truly yours,
H. F. ESTILL,
President.

Where Will You Land?

An expert says: "Most individuals spend money the same way a dog jumps over a fence. They do not know whether they will land in a fox trap, a bee's nest, or close to a juicy bone."

In other words they spend their money and take chances. It pays to save money and keep it in a reliable Bank, like ours. Then when investments are to be made our entire banking facilities and banking experience are at your disposal and you need not take a leap in the dark. PANHANDLE PRESS ASSOCIATION CONVENES

(Continued from page One)
address of welcome, and was answered by Hon. Lee Saterwhite of the Panhandle Herald. They were followed by E. A. Carlock, editor of the Paducah Post, C. W. Warwick of the Randall County News, B. O. Brown of the Vernon Record, and W. B. Estes, Secretary of the Amarillo Board of City Development. After his talk, Mr. Estes issued pass books to the editors, entitling the holder to a room at the Amarillo Hotel, a plate at two banquets, free taxi service, free street car rides, free passage to any of the three theatres, admission to the Amarillo golf and country club, and to the Amarillo gun club.

In the afternoon, cars conveyed the editors to the Great West Mill and Elevator Company, and to the Nissley Creamery Company, where their plants were visited. Returning to the Amarillo Hotel, they were met by the Khiva Shrine Band, which played during the banquet given by Congressman Marvin Jones at 8:00 o'clock. The principal speakers of the evening were Hon. Lee Satterwhite, R. H. Nichols of the Daily Tribune, Joe L. Pope of the Daily News, Judge Walker Hall, J. E. George, secretary of the Texas Chamber of Commerce, and J. J. Taylor, better known as "State Press," of the Dallas News.

The meeting was continued Saturday with speeches on "Can the Buyer Strike" by Horace Russell of Amarillo, "The Editorial Page" by D. L. Shaw of the Higgins News, "The Society Column" by Miss Timmons of the Tribune, and "The Country Weekly and its Influence on the Community" by J. L. Pope of the Daily News.

When the purpose and aim of the Panhandle-Historical Society was put before the Press Association by Frank Hill, representative of "The Prairie" and the English club, the editors voted to give the Society its loyal support in helping to collect all historical material possible of the Panhandle.

Another banquet was given Saturday at noon by Col. Ernest O. Thompson, owner of the Amarillo Hotel, at which time Messrs. Thompson, J. J. Taylor "State Press," and W. B. Estes were the principal speakers. At this banquet officers for the ensuing year were elected, and the Panhandle Press Association adjourned to meet in Amarillo again in 1922. The program closed with "God be With You, 'Til We Meet Again."

a resonant, satisfying voice, with a genuine feeling of religious spirit. To have done "The Creation" is enough, but to have done it with local soloists is a splendid achievement.

The auditorium was well filled despite the fact of the thunderstorm just preceding the hour of the performance. Several out-of-town visitors were present. Quite a neat sum was realized for the Gregg Cousins Memorial Fund.

Debaters Honored With Luncheon

Home Economics Department Gives Luncheon for Debaters and Committee.

On Friday, April 8, the Home Economics Department honored the debaters and the debating committee with a twelve o'clock luncheon. As the clock struck twelve, a little maid tripped into room 109 announcing that dinner was served. Immediately Miss Olive Michael and Mr. L. G. Allen led the joyous party up the winding stairways to the beautifully decorated dining room. This party consisted of Miss Jack of Commerce, Messrs. Bledsoe and Breckenridge, debaters of Commerce, Miss O'Connell, Messrs. Tarleton, Baucom, and Hill, debaters of Canyon, President Hill, Judges Sewell and Palmer, Professors Allen and Clark, Miss Michael and Mr. Powell, representatives of the W. T. S. N. C. student body.

Each guest can testify as to the culinary ability of the Home Economics girls which was made manifest by the elaborate menu served:

Fruit Cocktail
Chicken Fricassee Creamed Potatoes
Peas in Thimbale Cases
Parkerhouse Rolls Butter
Jelly
Tomato Salad Cheese Straws
Apricot Sherbet Cake
Nuts Coffee Mints

Everyone was delighted with the favors, which were compliments of the Elaphean Society.

led past Hale. Verner bunted safely. O. Close Walked, but Maeds filed out to Tucker. Smalley placed a fly just over the infield, scoring Dozier. Joplin fanned.

The McCorkle crew chose the last half of the tenth to show their superiority. Simms was safe on Meads error, and Terry perched on first when Verner threw too wide. Boatwright bunted safely, Simms scoring when Meads dropped the ball at the plate. Bloxham bunted, scoring Terry, with the winning run. Clarendon surrendered.

Of the 43 men he faced, Boatwright struck out 10, and allowed 12 hits. Smalley struck out but 3 men, and only 5 hits were made,—our other smashes were fumbles! Callihan and Walker umpired alternately.
