MUSIC FESTIVAL ENTREES MAKE HIGH AVERAGE

ALL FIVE ENTERING FROM CANYON PLACE, FOUR WINNING FIRST

Out of five students from Canyon who entered the Annual Music Festival contests in Amarillo Thursday and Friday four won blue ribbons, the badge of first place, and one placed honorably. The contestants entered were vocal alto for girls 20 years of age and under, vocal soprano for women 21 and over, vocal bass for boys 20 and under, vocal soprano for girls 15 and under, and clarinet for ages 14 to 16. All of the pupils representing Canyon in these contests are also students in W. T.

Miss Mattie Mae Swisher, who has served as president of the Panhandle Music Teachers Association for the past six years, and who was this year director of the voice department contests, entered three of the Canyon students who won first places. These were as follows: Estilene Harris, who tied for first place with Mrs. Marion J. Allen of Amarillo in the vocal soprano division for women 21 and over. Miss Harris' selection was "The Morning Is Calling," and her score was 95. This is the third year that Miss Harris has been an entrant in the contests, the two preceding years having entered in the 20 and under division of soprano voices. She is this year a junior in W. T. Alfred Jameson, son of Mr. and Mrs. C. E. Jameson of Canyon, was entered by Miss Swisher in the vocal bass division for boys 20 and under, winning first place. This is his third year in succession to have won first place in this contest. His selection was "Duna." He is at present a sophomore in W. T. The alto entrant under Miss Swisher's coaching was Annie Mae Hudson, who tied with Lois Blue of Perryton for first place in the alto 20 and under division. Miss Hudson sang "Gray Days." This is her first year to enter the Festival.

The other two entries from Canyon were Jeannette Golden, who entered the soprano 15 and under division of voices, and won honorable mention in her class, with the song, "Come Where the Bluebells Ring"; and Reece Hough, who entered the clarinet contests for ages 14 to 16, and won first place with a score of 90 in Class 3. In this latter contest the next highest score was 88, made by three pupils.

Exes Bring Back Old-Time Spirit In Chapel Talks

Called upon with very short notice to present a program at the Chapel hour Saturday morning, the W. T. Ex-Student Association, with Willard Vineyard and Felix Phillips of Amarillo as its chief speakers, and Mrs. L. N. George as vocal soloist, gave a most entertaining program before the assembly at that time. L. N. George, secretary of the association, acted as master of ceremonies in the unavoidable absence of Irby Carruth, who was to have been in charge.

The program opened with two songs by Mrs. George, "Keep on Hopin'" and "Farewell, Mr. Piper." Following which, Willard Vineyard introduced by Mr. George, talked to the assembled students on loyalty to their Alma Mater by becoming members of the Ex-Student Association upon leaving W. T. His scholarly presentation of the subject, and his many references to old times in W. T. brought back many pleasant memories to those of the audience who have been here more than one or two sessions. Mr. Vineyard graduated from W. T. in 1928.

Also introduced by Mr. George, Felix Phillips followed Mr. Vineyard's address with an informal discussion of some of the accomplishments, deeds and doings of a few of W. T.'s exes. He gave to his audience some most interesting "inside" information regarding several of the best known. He, like Mr. Vineyard, was instrumental in bringing reminiscent tears and laughter to the listening students by mention of the "good old days." He especially expressed his regret at not being able to hear the last of President Hill's chapel talks on "The Marks of an Educated Man," due to the fact that he did not begin his work in W. T. until 1919, and graduated in 1926.

Arriving late, Irby Carruth, who is now superintendent of the Canyon Public Schools, addressed the group briefly. The program was closed with a few remarks by President Hill.

Miss Jean Moore spent the recent holidays visiting her father at Gordon, Texas.

Trombone Quartet Plays for Three Recent Programs

Appearing before the Canyon Rotarians, the Quitaqua Lions, and the Silverton High School students in request programs on Tuesday and Wednesday of last week, the College Trombone Quartet proved its popularity as an entertainment organ of the college. The trip to Quitaqua Wednesday was made with Supt. F. E. Savage, who spoke to the members of the Quitaqua Lions club at luncheon.

At the Quitaqua luncheon the quartet, composed of Strain, Kiker, W. Savage, and Hill, with their accompanist, Miss Jessie Louder, played the following numbers: "Sweet and Low," and "Carry Me Back to Old Virginia," two quartets; "The Rosary," and "Yale Boola," duets by Kiker and Savage; "The Mocking Bird," and "When the Organ Played at Twilight," whistling solos by Joe Hill, Jr.; and several popular numbers by Miss Louder. Superintendent Savage addressed the club following the musical program.

Supt. C. R. E. Weaver of Silverton, who attended the Lions' luncheon at Quitaqua, asked for a program at the Silverton High School. The invitation was accepted, and the quartet gave a short entertainment there at 2:30 that afternoon.

'MIDDIE MAIDS' TO BE GIVEN BY H. S. GIRLS

GIRLS' CHORUS DIRECTED BY GOODMAN AND CLARK TO GIVE DRAMA

Instead of the regular group of one-act plays there is to be presented this Thursday at the Dramatics Club hour in the Education Building auditorium a musical program by the W. T. High School Girls' Chorus, with Miss Novella Goodman acting as dramatic director, and Miss Ada V. Clark as music director. The production is to be "The Middle Maids," a topsyturvy extravaganza in one act by Arthur A. Penn.

The play has been prepared by the chorus in its regular choral work. Every part is taken by a member of the chorus. Thelma McMinn, Beth Pitts, and Hortense Baker, college students, have been acting as assistant directors of the production as a part of their practice teaching, and deserve much credit.

The scene of The Middle Maids is laid on the deck of the Middle Academy, a ship which is undoubtedly run in a most topsyturvy manner, with much more fun taking place than academic study. All the officers and "gobs" are ladies and girls, running about helter-skelter, with no idea of what to do, but at no loss whatever as to what to say. There is among them an authoress, who, in writing each character has experiences with each which create the crux of the whole situation. The scenery is effectively burlesqued.

Besides the eleven or twelve leading character roles, there is a chorus of eighteen girls, all dressed in neat blue skirts and white middie, with tricky little sailor caps, and the readiest tongues in the world.

New L. O. R. M. Chiefs Are Initiated In Good Old Way

Bringing the tribe's traditional and well-worn "board" into use, Elmer Wooten, newly elected Big Chief of the Loyal Order of Red Men, and Jim Crowder, Little Chief, were initiated into office at the last regular meeting of the winter quarter.

The retiring chiefs, Wallace O'Keefe and Mike Hunt, were given a quite satisfactory chance to say "their last sad farewell" to the tribal board, also.

The new officers took their chairs immediately after being elected, and have begun their duties in all earnestness. They will hold the positions throughout the 1931-32 school year.

Miss Mattie Swayne went to Hereford Thursday to speak before the Bayview Study Club. Her lecture was the last of a series of three on The Contemporary Novel. The first two were given before the club by Mr. L. A. Osgood, also of the W. T. English faculty.

L. H. Rhodes, '25, principal of the Dalhart High School, was recently operated upon for appendicitis. Reports are that he is doing nicely.

FREMONT MEAD, W. T. EX, MADE AMARILLO DEAN

ENGLISH TEACHER IN AMARILLO COLLEGE GIVEN HIGH PRAISE

John Fremont Mead, professor of English in Amarillo College, has been appointed dean of the college by the board of trustees. Mr. Mead, who took his position as English teacher in the Amarillo College at the opening of the school last fall, graduated from W. T. in 1927, taking a B. A. degree. In addition to his bachelor's degree, Mr. Mead has a master's degree from the University of Texas, and several years teaching experience in high schools and colleges in Texas. He was at one time teacher of junior and senior high school English in the W. T. demonstration high school, and was (Continued on last page.)

College Judging Team Takes Honors At Fat Stock Show

The stock judging team of the college, coached by Prof. Frank R. Phillips, head of the agricultural department of the West Texas State Teachers College, have returned from the judging contest held in Fort Worth last week in connection with the Fort Worth Fat Stock Show and Southwestern Exposition, bringing back first place judging honors for the Teachers College division. The team ranked third following the teams of John Tarleton and North Texas Junior A. & M.

The team of Sul Ross college was second to West Texas in the western division of the teachers colleges. The Canyon team scored a total of 1,493 points.

The 1931 team is composed of Carlton Cook, Lockney; Herschel Cathal, Lockney, and Carl Parmer, McLean, all agricultural majors. In individual honors, Cook was first, Cathal, second, and Parmer, third.

Dean Cook Goes To Deans' Conference Held in Austin

Going to attend the Fifth Annual Conference of Deans of Men, which is being held this year at Austin, Texas, Dean Harris M. Cook leaves W. T. Friday for Austin where the conference will be in session all day Saturday. Mrs. Cook will accompany Dr. Cook to the capital.

The Deans of Men Conference consists of short papers dealing with campus problems, and round table discussions following each paper. Thirty colleges are members of the association which holds the conference each year.

The College recently received an announcement of the birth of William Jerry, son of Mr. and Mrs. Billy Bright of Decaturville, Tenn. Mr. Bright was a student in W. T. when the college was still on the two-year basis.

Miss Novella Goodman was absent from duty last week due to illness.

Grace Cammack, a former student of W. T., is now high school principal at Goodnight.

Episcopal Student Social Center, and the Work of Mrs. Elizabeth Canyon's Little House of Fellowship

Fry Page is Appreciated by All W. T. Students and Ex-Students

The Little House of Fellowship, the Episcopal Student Center of Canyon, is the pet project of the Episcopal churches of North Texas. In the bishop's annual report at the recent convocation at San Angelo, Bishop Seaman said: "The district branch has paid its promised three hundred dollars to the building fund of the Little House of Fellowship at Canyon where we are doing the most far-reaching piece of work in the district. I scarcely ever visit a town in the district but what someone tells of his or her experiences within the last six years at this little institution; and where ever our district work is known at all in the province or elsewhere in the country, it is largely in connection with this project."

The Little House of Fellowship in Canyon has meant a great deal to the students of W. T., both in and out of the church. Since the arrival of Mrs. Elizabeth Fry-Page, Episcopal student secretary, in Canyon on March 3, 1929, two

GREAT PLAINS TRACK MEET IS SET FOR MAY 2

FIRST NIGHT OUTDOOR TRACK MEET EVER HELD.

Sixty-five Colleges Have Been Invited to Send Track Teams to Meet.

The first outdoor track meet ever held at night under the bright lights will be staged at Buffalo Stadium on the night of May 2 when the Great Plains track meet will be held.

S. D. Burton, director of athletics at the college stated last week that invitations have been mailed to 65 colleges to send track teams to the meet.

It is the first time on record that such an outdoor event has been held at night. It is expected to attract much interest, and increase both the attendance and entries in the meet.

The Great Plains track meet, which has been held at the college for the past several years and sponsored by the institution is one of the outstanding events in spring athletics, which is held in the Panhandle. A number of track men on the Buffalo squad have been working out for several weeks. Track work was temporarily suspended during the recess between sessions but has now been resumed. Early indications point to a good track team at West Texas for this season.

Buffalo Stadium was equipped with 72,000 watt lights last summer and is one of the best lighted stadiums in the country. The night football games of last fall attracted large numbers of fans from nearby towns, who would have otherwise been unable to see the games had they been played in day-time.

Mrs. Rowley Will Take Miss Brown's Work for Month

During the absence of Miss Mary Morgan Brown, head of the speech arts department, Mrs. Oma Link Rowley, of Amarillo, will fill her position in W. T. Mrs. Rowley was employed regularly in this department during the 1929-30 long session, and throughout the first six weeks of summer school in 1930. Miss Brown, who left Friday night for Hot Springs, will be gone approximately a month. She has turned her work in the department entirely over to Mrs. Rowley, who will conduct her classes and have charge of the Dramatics Club for that time.

Spanish Reward Is Divided Between Two For Quarter

Due to the failure of Birda Hill to return to school here, the Agnes Charleton Spanish Scholarship of \$100 which was awarded her at the close of the 1930 spring term, has this term been divided between two students who are at present majors in the Spanish department, Oma Wilson and Ila Slack.

R. E. Lee, W. T., is manager of Waples Platter Grocery Company, Clovis, New Mexico. Charley Byrd is with the Waples Platter Grocery Company, Roswell, New Mexico.

FINAL BALLOTING IN LE MIRAGE FAVORITES RACE NOW ON

During this week the College Queen is being elected from among the six girls who placed as the College Favorites in the election held during the last two weeks of last quarter. As in the former election each vote costs one cent, and may be bought in The Publications Office.

The six who are in the race are Dorothy Staley, Geneva Golden Grainger, Estelle Bourland, Jessie Louder, Beth Pitts, and Laura Blanche Atkinson. These were chosen from a group of fourteen in the Style Show. After the queen is elected this week, the five remaining favorites will appear in LeMirage as her maids of honor.

Y.W.C.A. Sponsors Stunt Night As In Olden Times

Under the auspices of the Y. W. C. A., the former custom of Stunt Night will again be observed in W. T. on Thursday night, April 2, in the auditorium of the Administration Building at 8:15. The last Stunt Night was held in 1927.

The following organizations have signified their intention of presenting a stunt: Pi Omegas, Red Men, Antlers-Elapheans, Cousins-Sesames, and W. A. A. A prize of five dollars is being offered for the best stunt. The faculty, under the direction of Mrs. Travis Shaw, will give a stunt, but will not be eligible for the prize.

Several groups have already begun preparations, and it is expected that superior productions will be the result. Each stunt will be not more than fifteen minutes in length.

A group of five judges, not connected with the college, will decide the winning stunt. Admission will be 10c.

Osgood Writes on Recent Travels in European Cities

Prof. L. A. Osgood, member of the English department at the college, who with Mrs. Osgood and a party of others toured Europe last summer, seeing many of the most noted spots of the Old World, has written a series of articles of his travels, the first installment of which appeared in the Canyon News last week.

The first article describes the city of Copenhagen. It will appear in two installments. Others will be published later. Professor Osgood intends to publish these articles in book form at some time in the future.

W. F. Vaughn, of the W. T. High School faculty, and Agnes Charleton, of the Spanish department, will be two of a group going to Clarendon Friday and Saturday to judge in the Donley County Interscholastic League contests.

Dr. R. P. Jarrett, Mr. L. F. Sheffy, and Mr. D. A. Shirley will go to Amarillo tomorrow night to judge the Amarillo Lubbock debate being held there.

The National Education Association stands in the same relation to the teachers that the American Medical Association or the American Bar Association stand to physicians and lawyers.

The West Texas State Teachers College, of which J. A. Hill is president, has more life members in the N. E. A. than any other college in Texas.

The faculty members who belong are J. A. Hill, R. P. Jarrett, L. S. Baker, Albert Barnett, Harris M. Cook, Elva Fondabarger, Novella Goodman, Mrs. Geraldine Green, Miss Mary E. Hudspeth, W. D. Mater, Marian L. Normington, Maud E. Noyes, Mrs. T. V. Reeves, M. Moss Richardson, Jennie C. Ritchie, D. A. Shirley, R. A. Terrell and Darthula Walker.

Glass, principal Zundelwitz Junior High School, Wichita Falls; Miss Annie Laurie McDonald, primary supervisor, Amarillo schools; L. H. Rhodes, principal, Dalhart High School, and W. H. Younger, superintendent, of Tulia public schools.

A life membership costs \$100 and entitles the holder to the publications of the organization and other privileges.

Appropriations To Be Voted In Both Houses This Week

President J. A. Hill was in Austin last week making an appearance before the appropriations committees of the legislature. It is expected that the final hearings for appropriations for the teachers colleges will be completed this week some time and that they will be brought to a vote in both houses at an early date.

All plans for the summer term of 12 weeks to begin June 3, are moving rapidly and literature announcing the summer session will be mailed out within the next few weeks.

MRS. L. N. GEORGE TO DIRECT HEREFORD CANTATA

The Hereford Municipal Chorus of fifty voices will give "Calvary," an Easter cantata by Henry Wessel, on Easter Sunday evening at 8:00 o'clock, in the Christian church at Hereford.

D. A. Shirley, registrar, will go to Plainview, Saturday, to be one of the judges in the one-act play contest at Wayland College at that time.

W. T. WILL BE HOST TO BIG CONFERENCE

NINE COLLEGES TO BE PRESENTED IN CHURCH MEET HERE SOON

During the three days preceding Easter Sunday, W. T. will be host to the Intercollegiate Church Conference in its second annual meeting, with "God and Campus" selected as its motto.

This conference is a student co-operative enterprise and will be attended by representatives from nine different colleges in this territory. The schools expected to send delegates this year are Oklahoma Panhandle Agricultural and Mechanical College, Texas Technological College, Abilene Christian College, Amarillo College, Wayland College, McMurry College, and Simmons University.

The purpose of the conference is to furnish an opportunity for a co-operative discussion and study of student religious problems, and to help in furthering the influence of the church on the college campus. A large part of the conference will be given over to round-table discussions, to be participated in by all delegates.

On the panel of speakers are to be found the following well-known names: Bishop C. E. Seaman of Amarillo, Dr. J. M. Culbreath of Nashville, Tenn.; Mr. Harry Bones of Abilene; Dr. Campbell of the First Baptist church of Plainview; President R. W. Horn of Lubbock; President Fanning, of Goodwell, Okla., and President J. A. Hill of W. T. Mr. H. Y. Price, who is a student in Texas Tech, is president of the conference. He and other students, including some from W. T., will also appear on the program.

A committee composed of members of the Student Religious Council and several local pastors met Wednesday afternoon to form the program for Friday, April 3. Another committee was appointed to draft the remainder of the program for the next two days, which will close with the Sunrise Easter service on Sunday morning, April 5. This service will be held on the steps of the Administration Building, and will be heralded by the blowing of Easter trumpets.

All W. T. students who expect to attend the conference or who desire further information are advised to confer with the Students' Religious Council.

Six Divisions Of T. I. P. A. Literary Contests Entered

In the local elimination contests held for the literary entries in the Texas Intercollegiate Press Association annual prize contests six divisions were entered by the W. T. students. These were the contests in poetry, serious short story, familiar essay, editorial, sport story, and feature story.

Below are given the names of the winners of first place in each contest entered, with the name of his article. In the poetry contest, in which there were six entries, Bernice Bessire, with her poem, "Thrift," won first place. In the serious short story division a fantastic story by Charles Ferguson, entitled "The Legend of Those of the Golden Blood," took first rank. Ruby Kendrick Cherry won first in the familiar essay contests with an article called "Horizon." Sally Mary Campbell, with her article entitled "On Observing a Spider's Web" running a close second. An editorial written by Ernest Cabe, Jr., which appeared in a back issue of The Prairie, and which was called "Shoe-level Philosophy" won first among the editorials entered. "According to Tradition," a feature story written by L. T. Devault, won first place in that division, and "Buffs Take Second Conference Game Friday," a sport article by C. B. Shepard, took first in that division.

Only those articles winning first places here will go to the Intercollegiate Contest judges. The winners in the state contests will be announced at the annual banquet of T. I. P. A. convention in Nacogdoches, in April.

Coming here from Sedalia, Mo., two new students, Ruth Parks and Esther Boulware, enrolled in W. T. yesterday. Miss Boulware is the niece of Margaret Boulware, of Amarillo, who was at one time secretary to President J. A. Hill.

Mr. and Mrs. Travis Shaw went to Astec, N. M., during the holidays to visit their son, Travis, Jr.

James Chamberlain, '28, is principal of the high school at Rochester, Texas.

KAMPUS KNICK

KNACKS

BY COL. GOWDY

Well, the vacation passed like a summer shower and then the seige for higher education started again. A few of the studees waited until the last minute to come back. Quite a few new Eds and Co-eds have caught the Col's eye (especially the Eds). Anyhow and besides everybody is back and ready to take the flu or spring fever, or some course that's worse. The old social wheel has already started turning and the activities are piling up.

While other boys were grabbing off laurels right and left on the hardwood, this fellow H. Brown chalked up a record himself. Brown ran up a total of 62 personal fouls during the past season. Gosh, I'd hate to be as sissy as some guys.

I've seen by the papers that the Great Plains Track and Field Meet is to be held at night this year. The usual 65 colleges will be here. Coach "Sad" Sam is working out his thinslins in an effort to get another jewel in his crown of T. I. A. A. diamonds.

You Name It

Seeing a Mah-jong rack he advanced to the plate and bid two spades, a try for goal from placement failed as the third baseman struck out on the second queen. The ball danced off the basket and the finesse worked; this caused the cue ball to glide into the corner pocket. However, he called the bet and drew two pictures, the deuce was wild with the joker, so the match was called off until the World Court and the Epworth League could reach a decision. This play was made as the spectators (both of them) roared like mad. I've never seen such a storm. SOMEBODY MUST BE CRAZY!

Mrs. Witt, Cousins Hall matron, gave a bridge party to a few couples during the holidays. Mrs. Witt proved to be a charming hostess as well as a master with re-

freshments.

If people would try to make an impression instead of depressions on the face of this old world, we all would be better off.

The Antler-Elapheian social was a big affair. Even the young folks had a hooping good time—especially Heavy Johnson.

The girl, Sally Mary Campbell, is a genius. She's the only one who can use the pencil sharpener in the Prairie office.

Tuesday was St. Patrick's day, but since the St. didn't show up to take it, I guess we'll just put it back on the calendar.

In this modern age everybody who gets up on the platform forwards the ideas of justice, liberalism, and broadmindedness. Yeah, but that's just what they say. When it comes down to realities they are just as stubborn and narrow minded as the worst of them. My, I'm surrounded.

Propping back in his chair, he fell back in his chair. The perspiration poured off his hair in bucketsfull. He sighed a sigh of disappointment. He was dumbfounded. "Lord," he muttered, "She didn't propose to me."

We don't know who the woman was who went to Colorado with her daughter but we'd like to put her name in the paper. We'd hate to squelch such an ambition.

The girl friend likes to be remembered on special occasions. Send her an Easter greeting card from Warwick's.

Who's Who in H. T. High

Edna Irene Bandy, senior, is the high school student who worked hardest to "put Le Petite Mirage over." As editor-in-chief of the high school section of the annual, Edna Irene worked diligently, kept her staff busy, and was able practically to finish the annual work by the end of the first quarter. She was then "our busiest senior." She has also had editorial experience on the Nuntius Romanus, of which she is now editor. Edna Irene has attended this school since she was in the sixth grade. She makes good grades in all her subjects, and has been a faithful student of Latin. She is now taking the fourth year of that subject. She is a prominent member of the student council, the Latin Club, and of the Home Ec. Club, which she represented last year in the state clothing contest. Her present ambition is to be a Latin teacher.

Two Youths Are Injured in Wreck Tuesday Afternoon

In a car wreck which occurred five and a half miles southwest of Canyon about 3 o'clock Tuesday afternoon, W. E. Lovell, student of the college and newspaper agent, was seriously injured and Glen Boland, another student of the college, was slightly injured.

Boland was driving and escaped with only slight injuries as he was thrown from the car, while Lovell received an injury on the head, a cut on the arm and internal injuries. The accident occurred about a mile from the E. Gidden farm. He brought the two to Canyon where first aid was given Lovell who was later transferred to the Northwest Texas hospital. Examination at the hospital revealed a very serious internal injury.

WOULDN'T YOU?

I met a worn out book one day,
Upon a library shelf;
I thought he should be quite
ashamed
Of his torn and dirty self.

He calmly looked right back at me,
And said, with quiet scorn,
"If people marked and dropped you,
too,
I think you would be torn."

Ex-Student Notes

BY L. N. GEORGE

Highland Park School is a two-teacher school northeast of Amarillo on the Panhandle road. Mrs. G. M. Stone, an W. T. ex-student, is principal. Mrs. Lantmiller is teacher of the lower grades. They both plan to attend W. T. this summer. Miss Mary Wofford has been principal but she has been sick in a hospital in Amarillo for about four weeks. We understand that she is much improved at this writing.

This school is a two-room brick, well finished and equipped. The entire cost is around \$18,000. It was moved into the first of January of this year.

Liberty School is in Carson county on the Panhandle-Amarillo road. Miss Veretta Brown is teacher. She is a W. T. Ex., and is putting over a good school. She did not have a tardy nor absence for the first four and one-half months, and has had very few since. The children have had a hot lunch every day of school this year. This school has a well-equipped kitchenette, a good library, piano, stage, curtain, new seats and plenty of playground equipment. The house and the car barn have been repainted and the playground is well kept.

Miss Brown is coming to W. T. this summer.

J. T. Glass sends in the following excerpt which is being published in the Carson county papers: Panhandle, March 18.—Plans are being perfected for a delightful banquet with President J. A. Hill and the College Quartet as honor guests of the West Texas State Teachers College Ex-Students of

Carson county in the Panhandle Inn Thursday evening, March 26th, at 7:30 o'clock.

In addition to good eats, a snappy humorous program, and meeting many friends of college days, the W. T. Ex-Students at the banquet will enjoy several numbers rendered by the College Quartet and will have the opportunity of hearing President Hill's address of special interest to all former students of the college at Canyon.

A preliminary check reveals approximately 60 West Texas Ex-Students in Carson county; and by the date of the banquet the list will probably be increased to 75 or more—and plates can easily be provided for this number.

West Texas Ex-Students in Carson county are requested to reserve the evening of Thursday, March 26th, for this banquet with its associations and pleasures. Ex-students desiring to reserve plates may communicate with J. T. Glass at Panhandle.

James Hale of Tulla is working hard on the Swisher County W. T. Ex-Student banquet. There are one hundred sixty-three W. T. ex-students located in Swisher county. So far Swisher has had the largest number at her W. T. round-ups of any county. There will likely be a large turnout this time, hence those anticipating coming should see Mr. Hale immediately and arrange for their plates.

Mr. Hill and the quartet will be there, and we are looking forward to a great time.

later an assistant in the college English department.

"Mr. Mead has won a reputation in the Amarillo College for being thorough and exact instructor in freshman English," said President B. E. Masters, of that institution. "He dislikes any kind of sham in class work and students have come to realize that only hard work will satisfy him. At the same time they respect and have a high regard for him because they know that he is sincere and fair in his dealings with them."

As dean of the college, Mr. Mead's duties will be varied, but will consist primarily in handling all absences from the college and in approving courses selected by the students. He will continue his English courses.

What the NEW HUMIDOR PACK means to Camel Smokers*

COMPARE a package of Camels with any other cigarette and note the difference in the technique of packing. Note that Camels are completely enclosed in an outer transparent cover of moisture-proof cellophane and sealed air-tight at every point.

We call this outer shell the Humidor Pack. It differs from the ordinary cellophane pack and while it is egg-shell thin, it means a lot in terms of cigarette enjoyment.

It means, for instance, that evaporation is checkmated and that Salt Lake City can now have as good Camels as Winston-Salem.

While Camels are made of a blend of the choicest Turkish and mellowest domestic tobaccos, it is highly important, if you are to get full benefit of this quality, that these cigarettes come to you with their natural moisture content still intact.

The Humidor Pack insures that. It prevents the fine tobaccos of Camels from drying out and losing any of their delightful flavor.

Aside from cheap tobacco, two factors in a cigarette can mar the smoker's pleasure:

Fine particles of peppery dust if left in the tobacco by inefficient cleaning methods sting and irritate delicate throat membrane.

Dry tobacco, robbed of its natural moisture by scorching or by evaporation gives off a hot smoke that burns the throat with every inhalation.

We take every precaution against these factors here at Winston-Salem.

A special vacuum cleaning apparatus removes dust and now the new Humidor Pack prevents dryness.

Check the difference yourself. It is a very simple matter to check the difference between Humidor Packed

Camels and other ordinary dry cigarettes.

First of all you can feel the difference as you roll the cigarettes between your fingers. Camels are full-bodied and pliable. A dry cigarette crumbles under pressure and sheds tobacco.

If you will hold a cigarette to each ear and roll them with your fingers you can actually hear the difference.

The real test of course is to smoke them. And here's where the new Humidor Pack proves a real blessing to the smoker.

As you inhale the cool, fragrant smoke from a Camel you get all the mildness and magic of the fine tobaccos of which it is blended.

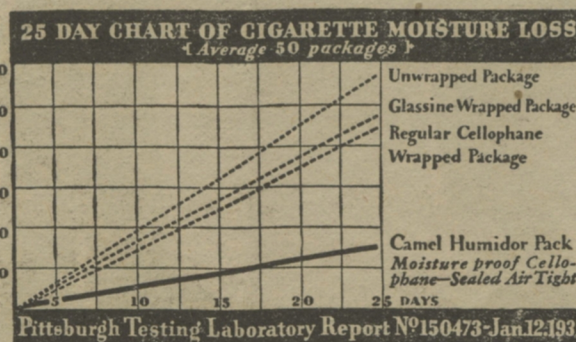

But when you draw in the hot smoke from a dried cigarette see how flat and brackish it is by comparison and how harsh it is to your throat.

If you are a regular Camel smoker you have already noticed what proper condition of the cigarette means.

But if you haven't tried Camels in the new Humidor Pack you have a new adventure with Lady Nicotine in store.

Switch your affections for just one day, then go back to your old love tomorrow if you can.

R. J. REYNOLDS TOBACCO COMPANY, Winston-Salem, N. C.
