## Lyceum Program Tonight At Eight

### Musical Program To Be Presented

Tonight at 8 o'clock in the Administration Auditorium West Texas State students and music lovers in the Panhandle will be offered the second lyceum program of the summer.

Six talented and versatile musicians traveling under the name of the "Metropolitan Artists Group" will offer a program of solos, duets, and ensemble presentations of opera, light opera and a musical comedy, "A Miniature Broadway Musical."

Headlining the evening's bill of entertainment will be Eloise Dee, lovely prima donna who has had wide and varied experience in the field of music. She studied at the Cosmopolitan school of music in Chicago, Principia College and received her Bachelor of Music degree from the Chicago Conservatory of Music.

For the past few years she has studied with the well known Leslie Arnold. She has appeared in various leading roles with light opera companies. During the war she toured extensively with the USO and Red Cross camp shows and her concert tours have taken her from coast to coast. According to press reports, "her appearances have always been followed by requests for repeat performances. She is endowed not only with talent but charm and showmanship as well."

#### Pianist-Accompanist

The other young lady of the troupe, Miss Rayson, pianist-accompanist, has studied piano for the past fifteen years at places such as the Chicago Conservatory and the American Conservatory of Music. She has toured extensively throughout this country.

Alan Stone, tenor, started studying voice at the age of twelve. He has studied at the Roosevelt College School of Music and the University of Chicago where he was tenor soloist with the famous Collegium Musicum. He has appeared with the Chicago Symphony Orchestra and has had leading roles in the Chicago Gilbert and Sullivan Opera Company.

The other tenor, Howell Jones, has been studying music for over seven years. He took first place in a contest held by the Chicago Public High School and received a scholarship to the American Conservatory of Music. He now has his Bachelor of Music degree from this school while in the service, Mr. Jones participated in many of the army productions.

The brilliant young bass-baritone, Richard Wright, has studied voice for the past six years but has been singing for as long as he can remember. He attended Laurence College where he appeared as soloist with the school choir for two years. His concert work has taken him throughout the Midwest and he has appeared in leading roles with the Boston Opera Company, the Citizens Opera Company, and the Universal Opera Company.

Trent Knepper, bass, is a graduate of the School of Music, University of Illinois. He was a pupil of

### Radio Workshop Visits Amarillo Radio Stations

The Radio Workshop group spent yesterday afternoon visiting all four Amarillo radio stations where station executives discussed different phases of educational radio and conducted tours through the stations.

At Station KAMQ the manager of the station, W. H. Dickerson, discussed "Practical Radio in the School as Viewed by the Radio Station." Bill Fairlee, program director at Station KFDA, spoke on "Making Educational Broadcasting Entertaining". The KVAI manager, Lonnie J. Preston, discussed "Mutual's School of the Air". The tour ended at Station KGNC with program director Bob Watson discussing with the group "The N.B.C. Program of Education by Radio."

Crannell Tolliver directs the workshop. He is assisted by Dan O'Conner, who was formerly employed in commercial radio as a licensed engineer and announcer and who has been teaching radio in schools for several years; and Jack Walker, who will join the speech faculty in September as instructor in broadcasting.

During the second week of the workshop, Mr. O'Conner will lead a discussion on "Schools and Radio Stations Cooperating for Better Educational Broadcasts." Mr. Walker will discuss "Trends in Educational Radio," and Wendell Cain of White Deer High School, will discuss how a small school can make use of radio.

### Play To Be Given This Summer in Honor of Dr. Hill

"The Rock," a Bible drama, will be presented sometime during the last of this term, according to W. A. Moore, director of dramatics. The play, which concerns the character development of Simon Peter, will be dedicated to Dr. J. A. Hill, retiring president of WT.

The title role of Simon Peter will be played by Wendell Cain, speech teacher from White Deer and charter member of Alpha Psi Omega.

An unusual setting for the play will be designed and painted by A. G. Kieselbach, of the art department, assisted by students.

Anyone who is interested in trying out for a part in the play or in working on the play is invited to see Mr. Moore.

### NOTICES

It is felt that your efforts in the furtherance of this program will contribute materially toward the preparedness of our nation in meeting any future emergency."

### Play Production 411 Class Hears Mrs. Rowley

Mrs. Oma Link Rowley, director of the Amarillo Little Theatre, spoke to the Play Production 411 class last Friday. Mrs. Rowley's topic was "Play Production from a Practical Standpoint."

Mrs. Rowley has been assisting Ann Lee this summer at El Teatro de Santa Fe. Mrs. Rowley came back to Amarillo for a meeting of the Board of Directors of the Amarillo Little Theatre last Thursday night. This meeting was also attended by W. A. Moore, drama director at WT, and Frances Lynn Townes. Wendell Cain went as Mr. Moore's guest.

Mrs. Rowley is also here to cast "Life With Father". She will return to Santa Fe.

### Students Prefer Two Six Week Terms to One Ten Week Term

West Texas State summer students and faculty the first six weeks showed a unanimous preference for the system of two six weeks summer terms.

In assembly, June 23, Dr. James P. Cornette took an informal poll of those who attended assembly in

which they indicated their preference for either two six-week summer terms, or one ten-week summer term.

Tabulated, the results of the poll showed that 454 preferred two six-week terms, while 75 preferred one ten-week term.

Broken down by groups, the number of those preferring two six-week terms are:

Graduates	113
Seniors	97
Juniors	114
Sophomores	65
Freshmen	29
Special Students	4
Faculty	32

Total 454

Those who preferred one ten-week term were:

Graduates	15
Seniors	9
Juniors	17
Sophomores	7
Freshmen	7
Special Students	1
Faculty	19

Total 75

Dr. Cornette says that the system being used this summer, that of two six-week summer terms, will be used next summer and in the future.

### Radio Workshop Group Prepares For Broadcast

The Summer Radio Workshop group is preparing a broadcast of one of O'Henry's favorite stories, "The Ransom of Red Chief", to be given over one of the Amarillo radio stations next week.

The time and station for the broadcast will be announced in the Prairie next week.

# Wedding Bells

## Hanna-Foster

Sunday, June 27, was the wedding date of Martha Hanna, daughter of Mr. and Mrs. Harry D. Hanna of Stinnett, and Cozel Foster, son of C. J. Foster of Galveston.

The wedding ceremony was performed by Reverend R. N. Huckabee in the First Methodist Church in Borger at 2 p.m.

The marriage vows were read before a bridal arch of fern and feverfew, flanked by baskets of white gladioli and lighted by cathedral candles in candelabras. Each pew was marked with clusters of pink and white carnations tied with ribbon bows.

H. R. Fulton, organist, furnished the music for the ceremony, and accompanied Thelma Mercer who sang "Through the Years" and "Because."

The bride, given in marriage by her father, wore a wedding gown of white marquisette. It was fashioned with a long fitted bodice and a sweetheart neckline. Her shoulder length veil of bridal illusion fell from a cluster of pearly orange blossoms. She carried a white Bible topped with a white orchid showered with stephanotis and long white streamers.

Mrs. Harold Dalton, twin sister of the bride, was matron-of-honor. She wore a floor-length gown of pink organza styled like that of the bride. She carried an arm bouquet of blue carnations and feverfew and wore a cluster of matching flowers in her hair.

Wayne Sullivan of Phillips was best man. Max King, Stinnett, and Buck Garrett, Borger, were ushers.

A reception was held following the ceremony. The reception table was centered with a three-tiered wedding cake garlanded with fern and feverfew, and flanked by crystal punchbowls. Mrs. Glenn Callahan, Amarillo, served the cake. Mrs. H. C. Hanna of Stinnett presided at the punch bowl and Gwen Springer of Hereford secured names for the brides' book.

The bride is a graduate of West Texas State College, where she was a member of Gamma Phi Sorority and Who's Who in American Colleges and Universities. The bridegroom has completed his sophomore year at West Texas State. He is a member of the Buffalo T-Club.

## Davis-Myers

Friday, June 25 at 8 p.m., Dorothy Ruth Davis, daughter of Mr. and Mrs. Clyde P. Davis of Borger, became the bride of Robert L. Myers, son of J. W. Myers of Effingham,

Illinois.

Reverend R. N. Huckabee, of the First Methodist Church, performed the single ring service in the home of the bride's parents.

An archway of fern and pink and white Esther Reed daisies formed the background for the improvised altar.

Polly Deason sang "Always."

The bride wore a street length dress of white linen with white embroidery trim. She wore a pink linen half hat and a shoulder corsage of pink carnations.

Mrs. T. A. Mastin, sister of the bridegroom, was matron-of-honor. She wore a two-piece pink crepe dress and a white carnation corsage.

The best man was Clyde W. Davis, brother of the bride.

Following a wedding trip to St. Louis, Missouri, and Effingham, Illinois, the couple is at home in Pampa.

Mrs. Myers is a graduate of Borger High School and attended West Texas State College. Mr. Myers is a graduate of the Effingham, Illinois, High School. He is employed by the Phillips Petroleum Company.

## Thompson - Records

Margie Thompson and Francis A. Records were married June 8 at 8:00 p.m. in the First Methodist Church at Borger. She is the daughter of Mrs. Lulu Thompson at Borger and he is the son of Mr. and Mrs. Paul Records of Perryton.

Reverend R. N. Huckabee performed the double ring ceremony. The bride's father, Mr. F. L. Thompson of Albuquerque, New Mexico, gave the bride in marriage.

The bridal aisle was marked with satin bows and plumosis. An arch decorated with pink roses and greenery and branched cathedral candelabra with lighted tapers completed the decorations.

Mrs. J. L. Lippard, organist, furnished background music for the ceremony. She played "Clair de Lune," "I Love You Truly" and "Always." Louellyn Pennington sang "Through the Years" and "I Love Thee."

The bride wore a white bridal sat-

in dress with a yoke of pearl quilted design, bustle back, and a full skirt extended into a long train. Her full length veil was caught by a heart-shaped tiara of satin loops. Her bouquet was white roses showered with stephanotis and white streamers.

The maid-of-honor was Ruth Thompson, sister of the bride. She wore a floor length dress of pink lace and net. Her bouquet was of split white carnations and baby breath with white satin streamers.

Best man was J. C. Frisby of Amarillo. Buford Clark of Borger and Jim Records of Perryton, brother of the bridegroom, were ushers.

A reception was held in the parlor of the church following the ceremony. The reception table was covered with a lace cloth and the three tiered wedding cake was circled by pink rose buds in fern. Mrs. Emery Day of Clovis, New Mexico, served the cake. Mrs. B. E. Clark of Borger presided at the punch bowl and Mrs. T. F. Bingham of Borger secured names for the bride's book.

Following a wedding trip to Colorado Springs, Colorado, the couple will be at home in Perryton for the summer. Next fall they will move to Lubbock where they will both attend Texas Tech.

## POEM (???)

I'm not a poet, I never hope to be; But before you now a poem of mine you see.

The reason I wrote it you'd never guess—

Writing such as this gives me no happiness.

It's not to chase your blues or make your day sunny—

And I don't expect it to make any money.

This poem will never achieve any fame,

Or add any prestige to my name.

So now, I'll answer before you ask As to why I sat down to this bore-some task—

I wrote this poem and put it in this place

So that on this page there would be no empty space.

INFORMATION FOR VETERANS

The Veterans Administration has prohibited the expenditure of any government funds for veterans' training courses of a recreational or avocational character after July 1, 1948.

The new VA policy is in compliance with the Independent Offices Appropriation Act for 1949 in which Congress directed that VA provide no further payments for courses of this type.

These include, generally, such courses as photography, dancing, gliding, personality development, entertainment courses, sports and athletics, bar-tending and certain music courses.

Training veterans to fly or related aviation courses will be paid for by VA only where the veteran establishes that the training is in connection with his present or contemplated business or occupation and can pass required medical examinations.

Veterans presently enrolled in courses of this type will be allowed to finish.

But no further enrollments will be authorized by VA unless veterans completely justify that such training is in connection with their present or contemplated business or occupation.

Courses of education in approved public or private elementary or secondary schools or institutions of higher learning are not affected by the new VA policy. Neither has there been any change in the status of recognized vocational training, institutional on-the-farm training or other training-on-the-job.

"The prohibition of the Appropriation Act of 1949 is in accord with and reemphasizes the underlying spirit and intent of the educational and training provisions of the Servicemen's Readjustment Act," a VA spokesman pointed out.

"Therefore, veterans should not seek to pursue courses for avocational or recreational purposes, but only, courses which will contribute to the veterans' vocational or occupational advancement or educational objective."

The Veterans Administration reminds veterans that July 31 is the last day for reinstatement of lapsed National Service Life Insurance on a "comparative health" basis.

Before August 1, an eligible veteran may reinstate any amount of term insurance—from \$1,000 to \$10,000 in multiples of \$500—regardless of the length of time it has been lapsed, and usually without a phys-

ical examination. He need only fill out a simple application form, in which he certifies that his health is as good as when the policy lapsed, and pay premiums for two months.

The privilege of reinstating on this basis will be available after July 31 only to veterans whose policies have been lapsed for less than three months. Where the period of lapse is three months or longer, the veteran will be required to take a physical examination and qualify as an insurable risk, VA said.

Veterans carrying National Service Life Insurance term policies will be able to renew them for an additional five years upon expiration of the present term period, under Public Law 838 passed by the last Congress.

Term insurance taken out before January 1, 1946, carries a term period of eight years after that date are for a five year term.

The first NSLI policies were issued to men in service in October, 1940. Therefore, the first term periods would have begun to expire in October of this year.

Those who renew their term insurance will pay a higher premium than their old rate because of increased age. Veterans may convert their term insurance to permanent types of insurance whenever they desire.

Q—I have been drawing \$57.50 each month from my \$10,000 War Risk Insurance since my discharge from the Army after World War I. Are such payments discontinued after the \$10,000 is exhausted?

A—No. Payments may be continued for the remainder of your life, provided your total disability remains unchanged.

Q—I would like to appear before the Rating Board to explain my own claim. May I do this?

A—Yet, but a definite appointment should be made and you should be there at the time for which the hearing is designated. Expenses incidental to going to or from the Rating Board must be borne by you.

Q—Why do I have to pay two monthly premiums instead of one when I reinstate my lapsed National Service Life Insurance policy?

A—One premium is for the 31-day grace period following the date of lapse, during which the insurance was continued in force without payment of premium; the other is for the current month of your insurance policy's reinstatement.

Q—My son, a World War II veteran, is in a VA hospital in a dis-

tant city. Will I be permitted to visit him every day if I go to live in the city where the hospital is located?

A—Yes, if his condition permits such visits. All Veterans Administration hospitals have special hours set aside each day for visitors, the same as civilian hospitals.

Q—I am going to be trained under Public Law 16 and would like to know if I can borrow money from Veterans Administration in case of need when I enter training?

A—Yes. Loans from a revolving fund, provided by Congress, not exceeding \$100 in any case, may be made to trainees commencing or undertaking vocational rehabilitation.

Q—Is it true that if I secure a guaranteed loan, VA will pay part of the loan without cost to me?

A—Veterans Administration would pay to the lender, for credit to your account, an amount equal to four per cent of the guaranteed portion of the loan. For example, if the guaranteed portion of your loan should be \$2,000, the lender would receive \$80 from VA to credit to your debt and you would not have to repay this amount.

Q—Can I, a veteran of World War II, get a guaranteed loan to go into any type of business I want?

A—Yes, you are permitted to get a guaranteed loan for any type of legitimate business on which the lender is willing to lend you money, provided your ability and experience as well as the conditions under which you propose to operate your business are such that there is a reasonable likelihood you will be successful. Also, the total cost must not exceed the reasonable value of the business.

Q—I am in training under the G-I Bill and am writing a thesis for my Ph.D. Will the Government pay the cost of publishing this thesis?

A—No.

Q—What is the deadline for reinstatement of lapsed National Service Life Insurance on a comparative health basis?

A—July 31, 1948, is the last day to make application for policies which have lapsed for more than three months without taking a physical examination.

Q—Where do I get an application blank to reinstate NSLI policies?

A—VA for 9-353A should be filled out and mailed to VA on or before July 31, 1948. Blanks can be obtained from the nearest VA office, the service officer of any veterans' organization, the American Red Cross or most insurance agents.

Q—How much will it cost to reinstate my GI insurance?

A—Your application for reinstatement should be accompanied by at least two monthly premiums in the amount of insurance that you had at that time. If you wish a smaller amount, reduce your premium payment accordingly. For example, if you paid \$6.50 a month for \$10,000 while in service and you want only \$1,000 now, you should send VA two premiums of 65 cents each, and continue to pay 65 cents every 30 days to prevent further lapse.

Q—If I cannot afford the full \$10,000 can a lesser amount be reinstated?

A—Yes. Application may be made for amount from \$1,000 to \$10,000 in multiples of \$500.

Thousands of World War II veterans may lose the opportunity to reinstate National Service Life Insurance worth many millions of dollars unless they act before August 1, the Veterans Administration says.

After July 31, veterans whose NSLI term policies have been lapsed more than three months must take physical examinations to qualify as insurable risks. Before August 1, veterans have only to sign a comparative health statement.

Eligible veterans may reinstate any amount of term insurance up to \$10,000 in multiples of \$500 regardless of the length of time it has been lapsed under present liberal regulations if they apply before August 1. They need only fill out a simple

application form, in which they certify that their health is as good as when the policy lapsed, and pay premiums for two months.

Authority of the Veterans Administration to provide automobiles or other conveyances for veterans of World War II who in service lost, or lost the use of, one or both legs at or above the ankle has been extended until June 30, 1949.

The law granting vehicles to such disabled veterans had been scheduled to expire June 30, 1948. The extension and an appropriation of \$1,500,000 for the program were contained in the Second Deficiency Appropriation Act for 1948.

A veteran who qualifies is entitled to an automobile or other conveyance costing not more than \$1,600 including such special equipment or appliance as may be necessary to enable him to operate the vehicle safely.

Stephen F. Austin State College at Nacogdoches has a new outdoor swimming pool, open for the first time during the 1948 summer session. The upper sides of the pool are of blue tile and the remaining part of the sides and floor are of concrete lighted at night by under water lights.

Each student at Texas Christian University is entitled to 69.5 square feet of space, according to The Skiff, student newspaper at TCU. That includes a share in the dormitories, temporary barracks, Administration Building, Library and classrooms.

Men students at Stephen F. Austin College outnumber the women students by six this summer. There are 632 men students and 626 women enrolled.

Jean McManigal, speech major from Happy, attended a Baptist encampment at Ridgereest, North Carolina, earlier in the summer. En route to and from Ridgereest Jean visited summer theatres.

Dr. James P. Cornette, president-elect of WT, occupied the pulpit of the White Deer Baptist Church last Sunday.
