

MUMBLES

BY THE MUMBLER

Dairy of a modern co-ed:—

Up behind time and into my cloth (singular) in a jiffy. Late to French class, but slipped in unobserved. Caught smoking cigarette in room after lunch by matron. Delayed sentence by re-party—may escape. Two hours of afternoon in chem lab; cuddled Simple Simon wearing pants into doing my experiment. Th' boob! Date with campus crises tonight. Affectionate, not neckified, scholarly—faintly suggestive of thrills galore. Didn't try to kiss me—glad—but hurts because he didn't. Anyway—next time—and, oh-h-h, the way he says "Have one?"—I just adore him!

Say, the Mumbler lost his Navajo at the game Friday night. Its a gray blanket with isodiametric designs scattered over the surface. Please, somebody, return it—else the Mumbler won't be able to throw any more parties until way next spring. These nights are cold, you know.

Mr. Shirley is a most unreasonable man. He objects to leaving a warm bed on a cold morning at five thirty to meet a train that is three hours late instead of being Polly Annish and being glad that the blank train isn't three hours and fifteen minutes late. Such a man!

We understand the Board of Regents promised to help this Colich. There is no method of helping people equal to that of giving them something, so, if the Regents really meant to help us, we ought to be having sompin give us pretty quick. What shall it be?

We also understand they were entertained with a Dutch lunch. Now all the Dutch lunches we ever participated in were accompanied by the musical "thup, thup" of a bottle opening quartette. If the Regents' Dutch lunch was of identical nature, they should give us a new library, museum, lawn-mower, pillows for class rooms, lounges for lab rooms, and electric heating pads for Buffalo Stadium.

Since Amarillo's Junior College beat the Tech fish, one has a hard time getting a listener in Amarillo when he starts telling of the Buffs feats. They are making more noise about what a team A. J. C. has than they make about the Sandies and as you know that's pretty plenty of din. And the second thing they do is to start challenging the Buffaloes to a game today, tomorrow, or post-season and for lucre, marbles, or fun. The third thing they do is tell you just how bad the Badgers would beat the Buffs. By that time you are hoarse from shouting unheard acceptances and denials so you walk off in disgust.

Not since the days when Bartow Johnson was blinding the enemy with tobacco juice has W. T. had a squad like the 1930 edition. They've throttled the howl of the Wildcats and made the Lions swallow their growl. The T. I. A. A. wise guys have paused in their predictions and are about to decide the weather vane meant "no foolin'" when it started pointing northward where the Buffaloes reign supreme.

Buicks are our favorite brand of motors. We could fall in love with a girl with a Buick even if she was red-headed and a freshman.

Pi Omegas Begin Year's Work and Initiate Pledges

Pi Omegas held their weekly meeting at the home of their sponsor, Miss Hazel Allen, Tuesday evening, Oct. 14. Initiation of their nine pledges was begun, and officers to fill the vacancies made by those Pi Omegas who did not return to W. T. this year were elected.

Beth Pitts was chosen to take the work of Geneva McCarty, vice president of the organization, who is recovering from an appendicitis operation, until she is able to return to school. Virginia Jarrett and Ione Ball were elected Le Mirage and Prairie representatives respectively.

A very interesting program of work for the year was mapped out by those present.

With Miss Dalma Fry, ex-member of the Pi Omegas, officiating at the table, tea was served after the business meeting.

Pledges for the Loyal Order of Red Men for this quarter are Hugh Humphreys, Leroy Lowery, Rhea Robbins, Robert Hargrove and Faucette Rudolph.

W. T. WILL OFFER M. A. WORK IN 1931

Buffaloes Take Second T. I. A. A. Game By Defeating Commerce Lions In Friday Night's Tussle

Batchelder Takes Part in Theatre Play

PLAYS IMPORTANT ROLE ON VERY SHORT NOTICE IN FIRST LITTLE THEATRE SEASON PRODUCTION.

Called upon at the last minute to fill the place of an absentee, Mr. W. C. Batchelder, public speaking instructor in W. T., appeared in the role of Dr. Harding in the first Little Theatre production of the year, "Smilin' Through," given Friday night at the City Auditorium in Amarillo.

The part taken by Mr. Batchelder on such short notice was an important one in the play. Allowed only three days to memorize his lines, which consisted of 165 separate speeches, and two rehearsals with the cast, Mr. Batchelder yet did decidedly some of the best work done in the production, according to critics. "In the presentation of Dr. Harding, an old gentleman of seventy years, he did a remarkably good piece of character work," says Miss Mary Morgan Brown, head of the speech arts department here.

In the second act of the play there was a "throw-back" or reminiscent scene in which all the characters playing elderly parts represented those same characters as they must have appeared twenty years before. Although considered unusually difficult, this scene was well done by the cast Friday night.

The play was directed by Mrs. Elizabeth Wheeler, who also played the leading role.

The setting of "Smilin' Through" which was very attractive was arranged to a large degree by Mrs. Oma Link Rowley, of Amarillo, who was a member of the speech department in this college during the past summer.

Amarillo College of Music Offers Artists Course

Music lovers of the West Texas State Teachers College and the Panhandle will be given the opportunity of enjoying one of the most choice musical programs ever presented in West Texas. The Amarillo College of Music will, during the winter season, present seven musical numbers beginning Oct. 24, with the Tipica Orchestra, and closing March 20, 1931 with Mme. Galli-Curci.

Following is a list of the artists with the date on which each will appear:

Tipica Orchestra—Oct. 24.
Fritz Kreisler—Nov. 21.
An Evening of Opera—Dec. 1.
Mina Mager—Jan. 21.
Paderewski—Feb. 20.
Fisk Jubilee Singers—Mar. 19.
Mme. Galli-Curci—Mar. 20.
This course is made more attractive because of the popular prices which will be charged, the seven programs being offered at \$6.00 to \$12.50 for the season.

Speech Arts and Musical Program Presented Friday

At the Lazbuddie school, where he is teaching this year, Wayne Eubanks, W. T. ex-student, presented a speech arts recital Friday night at 8 p. m., with Miss Estilene Harris, soprano, and Emmett Smith, tenor, both of whom are students here now, entertaining with popular song numbers during intermissions.

The songs given by Miss Harris and Mr. Smith were "You Darling," and "You Brought a New Kind of Love to Me," as program numbers, and "I Love You So Much," encore.

Following the program, a community pie supper was held at the school house. Lazbuddie is southwest of Hereford.

Patronize Prairie Advertisers

Despite the fact that the Commerce Lions put up an inspired battle that kept the spectators on their feet throughout the entire game, Powell again led the Thundering Herd to a 14-0 victory in Friday night's game by taking the bull by the horns and riding rough shod over eleven roaring Lions in the first half of a spectacular grid classic. Though O'Donald and Clark made the necessary counters to put Commerce back in the 500 class, the East Texans played football and kept the Buffs fighting for sixty minutes to keep their hard earned points safe.

Powell, as usual, was the man who made the two touchdowns possible and it was only during the second quarter that the Buffs played real football. Bob Clark pulled his usual unexpected play, this time for an almost impossible 37 yard run through a mass of Lions. O'Donald played the best game of his career and never failed to gain ground in an impressive manner that satisfied the most rabid fan.

But that spread formation that the Lions sprung on the Buffaloes gave the entire herd the headache trying to figure it all out and by the time they had mastered the fine points, the game was over. Beadle, Brewer and Johnston for the visitors made some spectacular runs from this formation and Johnston, East Texas full back showed that he well deserves the name of the T. I. A. A's champion passer. Sad to relate, however, his labors were all in vain, for with the exception of three attempts, his passes were all lost labor. There was too much Buffalo forward wall and not enough Commerce men on the receiving end.

The game opened under almost ideal weather conditions, though somewhat cold. The Buffs kicked off to the Lions at the south end of the field. McClendon kicked a beauty, the ball going over the goal line. Right here at this junction of the battle the Buffs were in scoring position five different times, only to be outlucked or outplayed by Commerce. Near the end of the first quarter, Powell started the fireworks, returned one of the Lions' punts for forty yards of shifty broken field running, placing the ball in scoring position, and in the opening of the second quarter after a fizzled punt by the Lions, Powell again

(Continued on last page.)

Palo Duro Canyon Will Be Opened To Public Nov. 2.

The Palo Duro Canyon will be accessible to the public on November second through a plan of the Canyon Chamber of Commerce.

Palo Duro Canyon, the scenic feature of northwest Texas, is privately owned and is seldom open to the public. In order that the general public may know something of the beauty of the canyon an arrangement has been completed between ranchmen and the Chamber of Commerce whereby people may become acquainted with the possibilities of the canyon as a park.

According to L. N. George, it is stated that the trip November 2 will include a different itinerary than that used last summer so that a person who went on the previous trip will see another section of the canyon.

Secretary George states that people from every section of the state attended the last open day and that more are expected this time. The fall colorings are said to be exceptionally beautiful throughout the canyon this year. All students are invited.

All students who wish to become members of either the Cousins or Sesame Literary Societies are urged to attend the initiation services to be held Thursday night, in the auditorium of the Education building.

Mr. and Mrs. Leo Forrest both of whom are W. T. exes, and their small daughter, Cherry Ann, spent the week end in Canyon, attending the game Friday night.

BOARD OF REGENTS PREXY

A. B. MAYHEW

A. B. Mayhew, president of the State Board of Teachers' College Regents which visited W. T. last week, has shown his abiding interest in education by being a life member of the National Education Association. Further evidence of this interest is the fact that Mr. Mayhew is going to attend the meeting of the Association of Colleges and Secondary Schools of the southern States, to be held in Atlanta, Georgia, during the first week in December. The state does not stand the expenses of this trip.

ILLUSTRATOR VISITS P. P. H. S. MUSEUM HERE

BEN C. MEAD, OF WITTE MEMORIAL MUSEUM, MAKES SKETCHES OF HISTORICAL OBJECTS HERE.

Ben Carlton Mead, artist of the staff of the Witte Memorial Museum of San Antonio, was here making sketches of objects of historical interest in the Panhandle-Plains Historical Society Museum Saturday.

From here he goes to the Colorado State Museum at Denver. The sketches made from the collection of the Panhandle-Plains Historical Society will be added to Mr. Mead's collection of over 300 sketches of objects of historic interest, and will be helpful to him in his work as an illustrator.

Mr. Mead illustrated J. Frank Dobie's recent book, "Coronado's Children," a story of lost mines and buried treasure.

Mr. Mead stated that he found much of interest in the collection of the Panhandle-Plains Historical Society. Among the objects sketched were an old Indian carreta, and a miniature J. A. chuck wagon.

College Epworth League Council Elects Officers

New officers for the year were elected at a meeting of the College Epworth League Council Oct. 13, at the Methodist Church.

With a capable corps of workers taking their places, the council is assured of a banner year. Those officers elected were Winston Wofford, president; W. D. Williams, vice-president; Ellen Jameson, Ruth Wiseman, superintendents 1st department; Roberta Bertrand, Robert L. Hargrove, superintendents 2nd department; Frances Lester, Maurine Denny, superintendents 3rd department; Birda Ann Hastings, Roberta Addison, Herman Troutman, superintendents 4th department; Grace Wiegman, secretary; Audrey Cayton, treasurer; Miss Linnie Babston, corresponding secretary; Lorene Harris, era agent; Anna Mae Vetesk, junior superintendent; Faucette Rudolph, publicity superintendent.

Peppy Organization Is Plan of Girls at Cousins Hall

During the supper hour Tuesday evening, October 14, the girls of Cousins Hall elected new officers, under whom they plan to form one of the peppiest and most influential organizations on the campus.

The new officers are Nevill Wrenn, president; Mildred Leith, secretary-treasurer; Helen Compton, social secretary; Bennie May Williams, secretary of religious work; Jewel McCasland, annual representative; Kathleen Cronin, Prairie reporter. A previous election of Pauline Munsie as yell-leader was confirmed.

Sophomores, your time has come! Start having your annual prints made TODAY!

BUFFALOES TOP T. I. A. A. RACE FOR PENNANT

W. T. GRID TEAM HAS WON BOTH CONFERENCE GAMES PLAYED; DANIEL BAKER IS T. I. A. A. OPPONENT.

Friday night's game with Commerce placed the Buffaloes at the top of the T. I. A. A. pennant race with two wins and no losses. The only other conference game last week was between Sul Ross and McMurry with Sul Ross on the small end of a 14-0 score. Up to this time Sul Ross had not played a conference game and McMurry had lost one and won none.

The Buffaloes play another conference game this week when they meet Daniel Baker in Daniel Baker's first conference game, to be played in Brownwood. There are three other conference games scheduled for this week end; Denton meets A. C. C. in Denton's first conference tilt; Sam Houston's initial T. I. A. A. game against Commerce, and Stephen F. Austin meets McMurry in Austin's first conference game.

There is much depending on the results of this week's schedule. Dealing in eventualities, should the Buffs be unfortunate enough to lose the scrap with the Hill Billies and Commerce wins over Sam Houston, it means that the Buffs and Lions will be tied for first place with two wins and one loss each. Since Sam Marcus does not meet a conference contender this week end, her record will stand for a time and she will be at the head of the list in games won and lost on a percentage basis. Commerce can tie the Buffaloes by winning over Sam Houston in Saturday's game as can McMurry by winning over Stephen F. Austin, each having played three, with two wins and one loss after and McMurry lose their games, the Buffs will still be ahead in games won and lost should they lose to Daniel Baker. On the other hand by winning the Billygoat tilt, W. T. will strengthen their grip on the pennant and will, in all probability bring home the bacon when they play the last conference game with Stephen F. Austin at Canyon November 15, and McMurry at Canyon, November 27. The standing of the teams is as follows:

Team	Won	Lost	Pct	Play
West Texas	2	0	1000	3
Commerce	1	1	500	3
A. C. C.	1	1	500	3
McMurry	1	1	500	4
Sul Ross	0	1	000	3
Stephen F Austin	0	2	000	3
Daniel Baker	0	0	000	5
Denton	0	0	000	4
Sam Houston	0	0	000	3

1930 Le Mirage Given Honorary Contest Score

According to reports recently received in the publications office, "excellent" was the rating given W. T.'s 1930 Le Mirage, edited by Miss Minerva Bookout. This grade was given in a National Contest for Yearbooks in the group from having 500 to 999 students by the judgement of the National Scholastic Press Association; the score being 860 points out of a possible 1,000.

Ratings of the various sections in the book varied from a perfect score to 85 out of a possible 125, the perfect score being given on the section dealing with the Administration and Faculty. The remaining scores were: 185 out of a possible 200, on the plan or theme of the book; 35 of 45, on album and classes; 20 of 25, on organizations; 90 of 110, on attractiveness; 105 of 120, on school life; 250 of 265, on mechanical consideration; and 40 of 50, on financial status.

This year's annual will be sent to compete in the same type of contest.

At the monthly meeting of the Palmer County Teachers Association, Mr. D. A. Shirley addressed the group with an informal talk on "The Teaching Profession—Is There One?"

Lorna Stock, who is teaching at Piemons, was in Canyon for the game Friday, and was on the campus Saturday.

Miss Gladys Wright, an ex-student now teaching at Happy, spent Saturday in Canyon. Miss Wright's home is in Canadian.

Board of Regents Authorizes Addition of Graduate Work In All Texas Teachers' Colleges

LITTLE HOUSE ANNIVERSARY IS CELEBRATED

THE REV. MADERIA DELIVERS SERMON AT SPECIAL SERVICES; GUESTS ENTERTAINED AT LITTLE HOUSE.

The Little House of Fellowship celebrated the first anniversary of its erection in Canyon Sunday evening with special services at the Episcopal church, the sermon for the occasion being given by the Reverend Maderia, new Episcopal minister here. After the services at the church those attending were invited to the Little House for the anniversary entertainment.

The Rev. Maderia's subject was "Reasoning Against Reason," making an especial appeal to the college students of this city. The services Sunday night were unusually beautiful. Although today is the true anniversary of the Little House, the celebration was held Sunday night, due to the fact that the Rev. Maderia was unable to be here today. Mr. Robert Berryhill, a member of the Episcopal church, played the organ for the services, taking the place of the regular organist, Miss Alice Dawes.

Almost all of those who were present at the services at the church attended the social meeting held immediately afterward in the reception room of the Little House. Here the "Little House" song, written by Mrs. Elizabeth Fry Page, hostess at the house, was sung, together with many other songs and hymns.

The Rev. A. K. Scott of the Canyon Christian church led the group in prayer, which was in the nature of a blessing on the Little House and its work.

At the close of the evening, Mrs. Page, assisted by Ethelene Wofford, Mildred Bessire, and Katherine Robinson, served the guests with tea.

Yearlings Beat Montezuma String By Score of 8-0

In a game filled with thrills, the Yearling string of Buffaloes went to Montezuma and whipped the Chieftains to the tune of 8-0. The Yearlings started the play with a touchdown in the first four minutes of the game when McLauren crossed the Montezuma line for the first career.

The Chieftains came back with a well timed attack and after the Yearlings had been awarded a 25 yard penalty, and Penick got off a 95 yard punt—ninety yards high and five yards long, the Chieftains had the Yearlings on their three yard line, but the line held and the Yearlings punted out of danger. The second counter of the game, a safety, came when Harris, Yearling end, broke through the play and tackled a Montezuma back behind their goal line for the two extra points.

The game as a whole was filled with thrills and the Yearlings came back thoroughly satisfied with their prowess as pigskin artists.

Joint Program is Given by Cousins-Sesame Societies

Cousins-Sesame Literary Societies met in the auditorium of the Education building Thursday evening, for a short program. They adjourned to separate rooms for business meetings following the program.

Numbers presented on the joint program consisted of a piano solo by Thelma McMinn; a reading by Gordon Beck; a song number by Bob Clark, L. B. Penick, and D. V. Biggers; and a brief address by Fay Thomas.

Sixty girls were given Sesame pledge ribbons to wear until the initiation services next Thursday night.

Patronize Prairie Advertisers

Beginning with the summer session, 1931, this College will open its graduate school, and Masters Degrees will be offered.

The State Board of Teachers College Regents, at its annual meeting held in Dallas last Thursday, authorized the addition of another year's work to the curriculum of the college and the granting of the M. A. degree.

President J. A. Hill and other officers of the College are much pleased with the addition which has been made. In connection with the action of the Board, President Hill said, "This authorization is the culmination of two years effort. Graduate work at Canyon was inevitable, and sentiment in favor of it was a matter of development."

"Of course Canyon is one of the system of seven teachers colleges, each having its own problems, but all of them having to move together; this means a slow, safe movement. The Board in granting graduate work to the colleges did not specify when it should begin, each college having the privilege of beginning when it feels ready to do so. Canyon will begin on a small scale with next summer session."

President Hill went on to say that "The teachers colleges now stand in the same relation to the public school system as they did in 1917 when the Board changed them from junior to senior colleges. The standards of public education have risen so rapidly that new demands are made on the institutions that train teachers. The teachers colleges are established by law to train teachers. To fail to move forward with the public schools would be to fail the State and the cause of education."

"The West Texas State Teachers College has led the fight for this further recognition and is proud of its achievement. The consistent demand on the part of ex-students and the careful presentation of the problem by Dean R. P. Jarrett did much to convince the Board of the advisability of taking this step at this time. Superintendents from all over our territory, and especially C. A. Cryer of Dimmitt, L. L. Some of Panhandle, and Irby Carruth of Canyon who appeared before the Board, deserve and have our thanks for their help."

Both President Hill and Dean R. P. Jarrett have stated that graduate work will be introduced gradually, with careful formulation of standards. "The Master's Degree," said Mr. Hill, "should stand for careful work, maturity of judgment, ability to carry on research, and, in the teachers college, a high degree of teaching skill. We want ours to stand for the best."

Canyon's excellent summer climate will make the graduate school here especially attractive during the summer months. People who are ready for graduate work can usually afford to seek comfortable living and working conditions. All this means that the summer school here will probably grow when it becomes known that work beyond the bachelor's degree can be had here.

New Cow Testing Course Now Being Offered by W. T.

New equipment for carrying on cow testing by mail, a new course being offered by W. T. and a new thing in this part of the country, has arrived in the department of agriculture. W. T. is the first teachers' college in Texas to offer this service.

The project being carried on in this connection, will give agriculture students in the institution direct experience in checking up on the value of each cow of a herd. Its object is to train farmers and dairymen in the best methods of safe economy.

Men of the Panhandle who are interested in this kind of work may receive this course from the college here at a cost sufficient only to cover the expenses of material and postage.

If you are going to "Good News" tonight, buy your tickets from the Triple R's, of Randall Hall.

TALKATIVE AMERICANS
That Americans are the most
talkative people on earth is an-
nounced to the world in a recent
newspaper article. We are further
told that every 12 months they
carry on approximately 22,500,000
conversations over the telephone
alone, twice as many as all other
nations combined.

Our talkativeness may be at-
tributed to several different causes.
In the first place, maybe we beat
around the bush, instead of coming
directly to the point as foreigners
have the reputation of doing. Or
perhaps it is because we have more
to talk about. We are not addicted
to reading Dorothy Dix, but we did
notice that in her column yester-
day she said that a certain wo-
man's husband would probably not
have married her had he known
that her conversation would range
only from the kitchen to the
nursery and back again and over
the back fence. So in this case
a little diversified talkativeness
would more have been of as-
sistance to this woman.

We all know that Americans have
been said to be blessed with the
"gift of gab." That gift is all right
so long as we are saying something
really worthwhile. More and more
every term teachers are encouraging
less and less writing of long,
tedious themes and more and more
actual thinking. The printed blanks
for reading reports of various na-
tures are a definite step in this
direction. One instructor in this
college has adopted as a slogan on
her examinations "Think more and
write less." When that slogan is
universally adopted, students will
no longer consider that it will raise
their grade or be of value to them
to write page after page of what is
generally termed "raving.—A. T.

CANYON STEAM
LAUNDRY

THE SPOTLIGHT

BY COL. GOWDY

Well, the Buffs took another
step toward the T. I. A. A. flag
last week when they upset the
Commerce Lions 14 to 0. The
first half of the game was a whiz.
The Buffaloes ran at will through
the East Texas line for a pair of
markers. Not once did Commerce
threaten.

Big "Moco" Whaley from Ralls,
who took Haley's place in Friday's
affair looked plenty good at the
wing position. The big giant put
a kink in the Lions' tail every
time he got a chance.

I don't know whether anyone
noticed it or not, but the Buff
line certainly is a mean crew of
team wreckers. They don't play
dirty ball; they play hard—too
hard for most opponents.

Mr. Cooper, Buff linesman,
seemed to have a little difficulty
Friday night and began mixing it
with his field opponent. I won't
tell you what "Coop" said, but it
was plenty.

Commerce certainly had a spread
formation that was hard for the
Reedmen to stop. It was the first
formation of this type that any
team has used on the Buffs this
season, and the visitors gained
frequently with it.

FUTURES

Daniel Baker, whom the Buffs
meet at Brownwood next week,
fell before the Simmons U. Cal
ropers, 33 to 0 Friday. Elvis Ward,
who scouted the game, says that
Daniel Baker has a fair club and
will show plenty of resistance. The
Buffs eked out a run over the
Hill Billies last year when Boyce
Bandy pulled down a ball in the
last minutes of play (across the
goal line.)

The Tech Matadors also fell, be-
fore the School of Mines, by a
heavy score. The Buffs clash with
the bullfighters Saturday week.

San Marcos teachers and A. C.
C. battled to a 6 to 6 dead lock
Friday night, which helps the
Buffs in the dope column.

Here's hoping the men on the
campus organize even more thor-
oughly than they did last Friday
night, and send the Buffs off with
a bang to Brownwood this week.

Famous last words: Player: "I
could have kicked the goal, coach,
but it would have only tied the
score."

Practically All of Students Holders of Blanket Tax Tickets

Inter-collegiate athletics, lyceum,
inter-collegiate debates, the college
band, the Prairie and Le Mirage,
the College annual, and intra-
mural sports were chosen this week
to participate in the money which
is available through the activities
fee which students and faculty of
the college pay each year.

In the spring of 1930 the student
body voted to support the activities
of the college 100 percent. The
activities which should be included
under the blanket tax were select-
ed by the College Executive com-
mittee and two members of the
Student Council.

Nearly 100 percent of the stu-
dents have purchased activity tick-
ets and almost all members of the
faculty have bought one or more
tickets.

Townpeople of Canyon are in-
volved in this arrangement for the
support of student activities for it
means better lyceum numbers and
athletic contests which are always
open to those who wish to at-
tend. With large support of lo-
cal citizens and unanimous stu-
dent support, the college can give
Canyon the best entertainment
program throughout the year that
is available in any town of its
size anywhere.

JOBERTA

The baby has been named!
"Joberta" has been chosen as
the name of the baby buffalo in
the election held by the high
school seniors last week. This
name, suggested by Royal Pitts,
a senior, is in honor of the two
men who have been presidents
of W. T. Robert B. Cousins
and Joseph A. Hill, "Joberta"
being the combination of the
first syllable of Joseph and the
last syllable of Robert, feminine
gender.

Tulia Graduates Make Good Record in College Work

Superintendent Younger of the
Tulia high school has just received
a letter from the State Department
of Education showing the ratings
of all the schools that are mem-
bers of the Southern Association
of Colleges and High Schools in
the Panhandle and Northwest Tex-
as. It may be of interest to note
that Tulia High School has its
next closest competitor beaten by
6 1/2 per cent or the next lowest
percentage of failures is 8.2 per
cent against Tulia's 1.7 per cent.
Better than 50 per cent of Tulia's
graduates attend college every year.

Tulia has Hillsboro tied for
third place as the third best school
of its size in Texas according to
the last State report available.

The following is a complete re-
port showing the per cent of se-
mester hours failed by their stu-
dents in their college work for the
year 1929:

Ablene, 12.4; Amarillo, 10.4;
Canyon High School 11.2; W. T. S.
T. C. 8.2; Chillicothe, 9.6; Claren-
don, 18.2; Claude, 19.0; Crosbyton,
15.7; Farwell, 20.0; Floydada, 14.6;
Hereford, 9.9; Lubbock 11.9; Mem-
phis 29.7; Miami 20.8; Olton, in-
complete; Pampa 9.6; Panhandle
19.7; Perryton 31.4; Plainview 13.9;
Quanah 13.0; Ralls 17.1; Roby 21.1;
Slaton 23.0; Snyder 10.6; Tahoka

Col. T. H. Ball's Speech Well Received

Among the other pleasures af-
forded the students of the col-
lege by the visit of the Board
of regents last week, was the
talk made by one of its mem-
bers, Col. Thomas H. Ball at
the special chapel exercises
Monday morning.

In speaking of Col. Ball's ad-
dress, which was quite im-
promptu, Dean Jarrett of the
college says, "Col. Ball's insight
into the early problems of
teacher training in this state,
and his interpretation of the
work of the early work of the
Sam Houston State Teachers'
College at Huntsville, indicate
unusual understanding of the
general problems of Texas
Teachers Colleges.

"Ball's wide experience in the
solution of state problems, in
municipal affairs, and with peo-
ple of unusual worth and vi-
sion, makes him invaluable to
us and to the state in the work
he is doing. His speech reflect-
ed, in spots, the fact that he
has a deep and intelligent in-
terest in a philosophy of life."

Col. Ball's speech Monday
was of greater length than
those given by the other mem-
bers of the Board present. All
were of intense interest to the
student and faculty audience.

FULL LINE OF KING'S CHOCOLATES FOR AMERICAN QUEENS J. J. WALKER DRUG STORE

ECHOES

The Journalism students of
Wheeler High School have 14 ex-
change papers, including both col-
lege and high school news. The
Prairie is among their exchanges
and they are doing extensive work
along the journalistic line.

A new anthology of American
College Verse will be published in
May, 1931 by Harper and Bros.
in which there will be only poetry
written by students attending col-
lege during the 1930-31 college
year, according to The Battalion,
at College Station.

According to The Campus Chat,
at Denton, the Board of Regents
paid their annual visit there last
Tuesday.

San Marcos college cafeteria and
both the girls' and boys' gymna-
siums burned lately; the loss be-
ing \$25,500.

At Denton the college library
has a new department, in which
works of different publishing
houses, such as outlines and maps,
are displayed.

According to the Optimist at A.
C. C., the freshman enrollment is
the largest in the history of the
college.

Skeet Miles was here for the
game with Commerce.

STUDENT COUNCILORS

At Saturday morning's chapel,
Eurith Compton and Ralph Cabe
were elected as the representatives
from the student body at large to
the Student Council.

Compton is a senior and Cabe
a freshman. These two men will
be responsible for the general in-
terests of the student body. They
will get a vote on all subjects
brought up in the Council.

Dean R. P. Jarrett went to
Morse Sunday, where he spoke at
the dedication exercises of the
opening of the new school build-
ing there. J. B. Speer, an ex-stu-
dent of the college, is superinten-
dent of the Morse schools.

Society and Clubs

ELAPHEANS INITIATE PLEDGES INTO SOCIETY

Thursday evening, Elapheans and Elaphean pledges met in Cousins Hall for the formal initiation services. The guests were met by a line of six older Elapheans headed by Miss Mattie Swayne.

The pledges were formally initiated into the society with a beautiful and impressive service, the oath being administered by Miss Ruth Wiseman, Elaphean president. During the ceremony, Miss Beth Pitts played suitable piano music.

After the formal service Miss Ruth Lowes talked to the girls on the meaning of the word "Elaphean"; Miss Swayne spoke briefly on the society creed; and Miss Mary Moss Richardson, on the significance of the initiation.

Following the initiation, the girls gathered in the dining room for an informal social hour. Misses Dorothy Staley and Marjorie Wimberley served the guests with punch and cakes.

Special guests for the occasion were Mr. and Mrs. L. A. Osgood, Mrs. G. F. Wood, and Miss Tennessee Malone.

MARTHA NELL LANG GIVES INFORMAL BRIDGE PARTY

Monday evening, Oct. 13, from 8 to 10:30, Martha Nell Lang entertained several of her friends with an informal bridge party at the home of Mr. and Mrs. J. A. Hill, where she is now living.

At the close of the party refreshments of hot chocolate and cake were served to the guests.

Those who made up the three tables were Misses Mary Alice Weaver, Esther Mae Smith, Thelma Callahan, Lonie Beth Weaver, Geneva Golden, Martha Nell Lang, and Messrs. Charles Ferguson, Bob Rowan, Guilford Miller, George Heard, D. V. Biggers, and James Vaughn.

SHEERS ENTERTAINS FOR LE MIRAGE STAFF MEMBERS

Members of the Le Mirage staff were entertained at Cousins Hall Monday evening, Oct. 13, by Miss Margaret Sheers, editor-in-chief of the annual.

Two tables of bridge afforded entertainment for the following: Misses Mary Lockwood Sternberg, Frances Lester, Alice Arnold, Farris Sears, Margaret Sheers, Mr. and Mrs. Wallace O'Keefe, and Alvis Ward.

MRS. F. P. GUENTHER GIVES FAREWELL TEA

Complimenting her many Canyon friends who have honored her the past few weeks, Mrs. F. P. Guenther of San Antonio, entertained with a tea at the home of Mrs. J. A. Hill Friday afternoon during the hour from four to five. Colored dahlias and roses were used as decorations for the rooms.

MRS. PAGE GIVES TEA FOR ANNE McWILLIAMS

A tea for Miss Anne McWilliams of Plainview, guest of Miss Dorris Lynn Louder, was given at the Little House of Fellowship, Friday afternoon.

Mrs. Elizabeth Fry Page, hostess of the Little House, served an afternoon menu with tea. Misses Frances Usery and Jessie Louder played several beautiful piano numbers. A delightful hour was spent in social conversation.

Those present were Misses McWilliams, Dorris Lynn Louder, Jessie Louder, Frances Usery, and Ethelene Wofford.

THELMA BIVENS MARRIED HOWARD HALL IN AUGUST

News of the wedding of Miss Thelma Bivens, W. T. ex-student, and Mr. Howard Hall, which was solemnized on Saturday, August 23, in the Baptist parsonage in Madill, Oklahoma, has recently been received in Canyon.

Mrs. Hall who has been assistant director of physical education in the Sam Houston State Teachers college for the past three years, will continue her work in that position. Mr. Hall is in charge of the Hall Lumber Company of Huntsville.

Bessie Lee Fite Becomes Bride of W. W. Earnest

One of the prettiest weddings of the season was solemnized Sunday afternoon when Miss Bessie Lee Fite of this city became the bride of Mr. W. W. Earnest, also of Canyon, at the home of the bride's parents, Mr. and Mrs. J. M. Fite. The ring service was read by the Rev. C. G. Howard, pastor of the First Baptist church, in the presence of a number of friends and relatives of the couple. An attractive arrangement of autumn flowers made an effective background for the ceremony.

The couple entered to the strains of Mendelssohn's Wedding March played by Miss Thelma McMinn. Miss Mattie Mae Swisher sang a pre-nuptial song, and Rev. C. E. Jameson of the Methodist church gave the invocation.

The bride was gown in purple chiffon velvet with accessories to match. She was attended by Miss Geneva Golden as maid of honor. Dr. H. G. Grainger of this city acted as best man for the groom. Following the ceremony Rev. B. F. Fronabarger gave the benediction.

Mrs. Earnest has lived in Canyon for a number of years and is one of the popular members of the younger set. She is an accomplished musician and is pianist for the Baptist church. At the time of her marriage she was enrolled as a junior in the Canyon High school.

The groom has been a resident of Canyon since February of this year. He is secretary of the Baptist Student Union of W. T. S. T. C. and choister of the Baptist church. Mr. Earnest is a graduate of the Southwest Baptist Theological Seminary at Fort Worth where he took special training for educational work in the church. At present he is enrolled in special courses at W. T. S. T. C.

The couple will make their home in Canyon and both expect to continue their scholastic work.

Anna Throckmorton came from Dimmitt to the game Friday night.

SPOOKY PARTY

A Halloween Party to be held next Saturday night at the Methodist church is being sponsored by members of the College Epworth League. Everyone is invited to come and meet the goblins and ghosts which inhabit the alley behind the church, and enjoy the fun they will afford, together with the Halloweenish refreshments to be served.

JUNIOR PARTY

Next Saturday night the Junior class will give its first party of the season at El Taos in Amarillo. All Juniors are urged to attend. Reservations must be made by Thursday at noon. The class dues are one dollar, and these must be paid to Audrey Cayton or Bob Jarrett, when the reservations are made for the party.

First of Student Chapel Program Series is Given

Under the supervision of Miss Margaret Bengt, president, a program of unusual value and interest was given by the Student Religious Council Tuesday morning, Oct. 7, at the chapel hour. This was the first of a series of chapel programs to be presented by the various student organizations of the college.

After the opening hymn and devotional, the following numbers were given by members of the Council:

"Organization and function of the Council," a brief explanatory talk by Mr. S. H. Condon, faculty sponsor of the group.

"Looking this Way," quartet sung by Mr. W. W. Earnest, D. V. Biggers, Aubrey Wimberley, and Mr. Hardin.

"A Student's Religion," an informal address by Ernest Cabe, Jr. "The Great Yesterdays," a reading by Mrs. Ola D. Gillespie.

"The Sin of Being Too Busy," a reading by Edna Lawlis.

The closing prayer was led by President Hill.

W. T. Ex-Students Help to Get M. A. Work Authorized

Superintendent Irby Carruth of the Canyon public schools was one of those who appeared before the State Board of Teachers College Regents last week, asking that this college be given the privilege of offering graduate work, leading to the Masters Degree. The Board was much impressed with the arguments presented by Superintendents Carruth, L. L. Sone of Panhandle and C. A. Cryer of Dimmitt, acting as a committee from the Ex-student Association.

In thanking superintendent Carruth, President Hill said, "You did a good piece of work for the schools and teachers of Canyon, as well as for the whole Panhandle when you talked to the Board last Monday. This college being authorized to grant the Masters Degree will mean much to hundreds of teachers in the years to come, and will enable this college to continue its work as the educational home of Northwest Texas."

Miss Zella Mae Walser of the class of '30 was here for the game Friday, and spent the week-end in Canyon visiting friends.

Rebekah Lodge meets every Tuesday evening at 7:30. All student members are cordially invited to attend.

Ex-Student Notes

BY L. N. GEORGE

Our total enrollment in the Ex-student Association is now close to two hundred forty.

Deaf Smith County under the leadership of A. M. Walker will likely enroll one hundred per cent of their W. T. exes into the Association in the very near future. Out of the thirty four rural teachers in Deaf Smith County, thirty are W. T. Exes. Twelve W. T. Exes are teaching the Hereford schools. Miss Hazel Rambo, a W. T. Ex teaching in the Hereford schools was married to J. T. Cronin a dry goods merchant of Hereford on October the fifth.

Miss Thelma Tyenes also teaching in the Hereford schools was also married October the fifth. She married Mr. Paul C. Certain of Pampa.

The above couples both went to Clovis for their marriage ceremonies.

Dawn is a nice little four teacher school on both the railway and highway between Canyon and Hereford. The teaching force is made up of A. J. Morris, Principal, Mrs. Alma McCowan, Miss Carol Corbett and Miss Mary Griffiths. The Dawn School defeated the Westway School in a recent basketball game.

Miss Lois Caldwell is teaching in the Progressive school near Hereford.

Miss Lucile Hughes and Miss Grace Garrett are teaching in the Ward school near Hereford.

Miss Mary Chambers is teaching the Higgins school and Miss Lucy Brunson the Dean.

Miss Margaret Camp and Miss Roxie Hoskinson are teaching the Walcott school.

Mrs. S. J. Lovell, Principal, Mrs. S. J. Lovell, Miss Frances Brown and Miss Ruth Hannah make up the faculty of Westway. Mr. Lovell reports that practically every student passed with good grades at the end of the first month. All of the above except Dawn have Hereford as their post office.

At Summerfield Mr. and Mrs. A. M. Walker, Mr. and Mrs. Vernon Harmon and Miss Thelma Humphries make up the faculty.

C. S. King and his sister, Helen, are teaching the Friona school. Mr. and Mrs. Foy Dodson are teaching in the Flagg school. Miss Mary Buchannon is teaching in the Sunnyside school.

The Big Square school has four W. T. Exes, teaching about eighty boys and girls. The schoolhouse is a one-story brick built on a square, located in the southwest corner of the big square county of Castro in the big square Panhandle of the state of Texas. The teaching force consists of Mr. and Mrs. W. L. Wallace, Miss Helen Estes and Miss Ida Barber.

Castro County has nineteen W. T. Exes teaching in it, and a number in various kinds of businesses.

Miss Anna Throckmorton of Dimmitt has agreed to report the news and help enroll the other W. T. Exes in to the Association and take the lead in putting over its work in Castro County.

Mrs. Bessie R. Gill, Mrs. A. L. Stringer, Mrs. C. A. Cryer, Miss Bettie Rose Kerr, Miss Ethel Womble, and Miss Myrtle Woodfin are W. T. Exes teaching in Dimmitt.

Irby Carruth of Canyon, Law Sone of Panhandle and C. A. Cryer of Dimmitt came to Canyon

Monday through a pouring rain to present our College's claim for graduate work from the standpoint of school superintendents. They presented their claims in a most logical manner.

The following are some of the reasons why West Texas State Teachers College should offer graduate work: First, our high schools demand that their teachers have Masters Degrees; second, these teachers must go out of the State to get their Masters from a Teachers college. A masters degree from others than a teachers college does not have the educational value or prestige, pedagogically, that one does from a teachers college; Third, the expense of going out of the State to a teachers college prohibits many of our best teachers from going, and hence teachers from states blest with teachers colleges offering master degrees come into our territory and take the places that should go to our own people. Too many of these long distance teachers cannot adjust themselves to our western conditions; Fourth, it means economy to the State. Several hundred teachers left the State this summer to take graduate work in teachers colleges. These were the better paid teachers who could afford it and they would have spent their money in Texas if Texas could have offered them what her schools demanded of them. Teachers as a class spend all of their money. If we keep them in Texas they spend it here. What we pay them is immaterial; it all comes back to us; but what they spend in other states is gone forever as far as Texas is concerned; Fifth, it means better teachers and better schools for this part of our great State of Texas. No school is too good for our children; Sixth, it will lend prestige to the teaching profession and thus attract better qualified students.

Home Ec Officers Are Installed By Miss Normington

Tuesday evening, Oct. 14, all new officers in the home economics club were formally installed by Miss Marian Normington, head of the department.

The dining room on the third floor of the administration building was beautifully decorated with roses and candles. As the duties of each officer was read, she came forward, dressed in white, taking her oath of office, and receiving a candle representative of her services as a light to the club.

The officers installed were: President, Birda Ann Hastings; vice-president, Erma Campbell; secretary, Bennie May Williams; treasurer, Mary Morgan; Prairie reporter, Dorothy Cash; parliamentarian, Dorothy Gore.

Grace Jameson has recently been elected to teach Geography and Physical Education in the Junior High School at Pampa.

Links Between The Old World and the New Being Forged

"Ma Chere Petite Inez," writes Claire Pointurier, a little French girl with whom Inez Allen, former W. T. student, and now secretary to President Hill, corresponds. This most interesting communication between the old world and the new was begun three years ago through the influence of one of Miss Allen's friends, and ever since, letters have made their ways across the Atlantic from one to the other at frequent intervals.

Mademoiselle Pointurier is eighteen, and is at present attending a girls' boarding school. She is very much interested in sports and athletics and writes that she and all France envy us our night football. In school she is studying English, Italian, table manners, and hopes to take up sculpturing soon.

France evidently escaped the drought from which the United States has suffered, as the little French girl reports that it has rained in France continuously since January. She described the weather as being "tres triste," or very sad.

In reply to Miss Allen's last letter Miss Pointurier writes: "I cannot imagine your never having seen beautiful mountains, because I have lived in the Vosges and Jura mountains since my birth," and again, "I wish to visit America above all other countries." She displays one of the most outstanding characteristics of the French in her closing sentence: "Please receive my affectionate friendship, and, if you will permit it, a kiss."

Miss Pointurier's letters are written in French, while Miss Allen's are in English.

Luther G. Roberts attended the game Friday night.

Improvements Are Still Being Made On W. T. Campus

Under the direction of Mr. R. A. Terrill, supervisor of the college grounds a great many campus improvements are being made. Several have recently been completed.

One of the most important of the completed projects is the club house on the college golf links east of the campus. This is a three-room building comprising an office for the caretaker, a room equipped for light-housekeeping, and a store room. Boys who work on the course occupy the housekeeping room. All modern conveniences of lights, water, gas, and sewerage have been installed in the club house.

On the athletic field there have been built enough ticket offices to effectively take care of the crowds that attend the games. Excellent parking space for cars has also been provided. Before beginning of spring training, the curb around the track will be completed, according to Mr. Terrill.

Construction of a 550 foot side walk 5 feet wide to extend from the east entrance of the administration building to Fourth Avenue has been begun. The sidewalk west of the same building will be extended 60 feet to the entrance of the Men's Gym.

Those in charge are hoping to complete two or more concrete tennis courts, located north of the administration building and just east of the water reservoir before spring.

Flowers for all occasions, corsages, bouquets, funeral work, at Canyon Flower Shop, phone 163, 806 4th avenue. 564

Happy H. E. C. Club

The Happy H. E. C. Club set October 15 for organization. The following officers were elected: president, Frances Holman; vice-president, Leona Meyer; secretary and treasurer, Margaret Meyer; Prairie reporter, Ina Thomas; Le Mirage representative, Helen Johnson; sponsor, Miss Newsom. The next meeting will be held the first Thursday in November.

Favorites Chosen

The Junior class of the High School met last Wednesday and elected Quentin Ward and Lucy J. Louder as their class favorites.

Popular Girl and Boy

The sophomore class met Wednesday and elected the most popular girl and boy among its members, Mattie Pearl Whittenburg and Joe Collins were chosen.

Notice to Juniors and Seniors

At the next regular class meeting Wednesday, October 22, at 12:45, the Junior and Senior classes will each choose its most popular boy and girl; so be sure to be there and vote.

"Nomen et Omen"

The weightiest problem confronting the Senior Class right now is the naming of the Baby Buffalo. The class is sponsoring a ballot box in the hall on the third floor, where anyone interested may suggest a name for the infant. Alma Lynn, Lynn, Maurice Warren, and Royal Pitts have been appointed as a committee to select the best and three names from those suggested and to submit them to a vote next week. Votes will cost one cent each.

Senior Party

The W. T. High Seniors had their first social affair of the season Saturday night, when the class met at Joe Hill's, for a bridge and forty-two party. After the games, refreshments of ice cream and cake were served.

Inter Nos Initiation

The pledges of the Inter Nos Club crossed the River Styx into Hades Wednesday night, Oct. 15, when the Training School Latin Club held its annual initiation. After encountering the three-headed dog which guards the gate to the lower regions, the initiates went through several harrowing experiences, such as leaping from the Tarpan Rock, walking on air, eating worms, and meeting Caesar's ghost.

When the new members had been thoroughly initiated, they assembled in the Latin room, which was decorated in purple and gold, and dimly lighted by candles from a Roman altar. After giving a talk on the purposes of the Club, the president, Frances Alice Clark, administered the oath of membership, after which the group enjoyed singing Latin songs and listening to the fortunes of the pledges. The club colors were carried out in the refreshments of ice cream, Roman cakes, and grapes.

The date of the initiation was unusually appropriate since October 15 was Virgil's two-thousandth birthday.

Latin Club Meets

Inter Nos, the Latin Club met Saturday afternoon, at 3:30, and after a brief business meeting, enjoyed the following program: "Gaudemus Igitur," sung by the club, "The Value of a Latin Club," J. C. Baker; "A Study of Caesar's Appearance," by S. B. Whittenburg; "Caesar's Manners," by Linette Cain; "The Life of Vergil," by Edna Irene Bandy; "A Visit to the Roman Section of the Ann Arbor Museum," by Louise Shirley; and "Longa Via Flexuosa," "Alma Mater," and "Taps," sung by the club.

Clarence Hope, B. A. '25, is now serving as director of the Training School in the Teachers College at Johnson City, Tennessee. Mr. Hope received the Master's degree from Peabody College in 1928.

Commerce Game

(Continued from first page)
made a 20 yard gain. "Rusty" O'Donald plunged over for the first touchdown and Clark kicked the necessary extra point. Score 7-0.

After drawing two costly penalties and having a punt blocked, the ball went to the Lions. Beadle opened up his bag of tricks and unfurled that spread formation that well might prove fatal for the Buffaloes, but the Numians were unable to supply the necessary impetus to count and the Buffaloes again took the offensive. Powell repeating his performance with a forty yard gain, a 12 yard pass to Williams and, after Powell had made 22 yards in three plays, he gave the ball to Bob Clark for the second touchdown of the game and quarter. Clark kicked goal again and the quarter ended with the score 14-0 in favor of the Herd.

Second Half

Contrary to all predictions that the Lions had gotten all their manes sheared, they came back in the second half with a superior brand of ball totting that kept the Buffs fighting every minute. They again opened up their trick formation and freely sprinkled the field with passes, but failed to score. Yarbrough, Lion center, who had the ability to pass the ball in various and sundry directions, was the key to the success of Beadle, Johnston and Brewer, but they worked the play just a few times too many and Johnston had to fall back on his passes again, which was just what the Buffaloes wanted, and they failed to make connections. With the exception of one or two sensational runs by Powell and two good gains by Bennett, who took Powell's place in the fourth quarter, the Buffs were content to try to decipher that spread play and knock down Johnston's long, terrific passes. The game ended with the ball on the Buffaloes' 37 yard line, the score standing Buffs: 14; Commerce: 0.

Stars of the Game

Powell, O'Donald, Williams and Clark for the home team, and Beadle, Brewer, and Johnston for the visitors starred in the running plays. Williams, Burk and Haley can be credited with the Lions' inability to pass successfully; and "Cow" Williams got off some long ranged punts when distance was absolutely essential. The Buff line overshadowed the Lions' first wall and demonstrated that they were not bothered with any complexes this time only failing to solve the wing plays which could not be charged against them. To Johnston of the East Texas team must go the wreath for cool, long ranged passing, only falling short because of superior blocking by the defense of the Buffaloes. "Sissy" Powell won the election for first place because it always took nine men and the referee to stop him when he had the ball. O'Donald proved to be the toughest morsel that the Lions had to digest on line plays, being able to crash for good gains with monotonous regularity.

Starting line-up:

Buffaloes	Position	Lions
Whaley	L. E.	Stonestreet
Logan	J. W. Johnson	
Gillham	L. T.	Snyder
McClendon	L. G.	Yarbrough
Cooper	Center	Morgan
Johnson	R. G.	Fargason
Burke	R. T.	Travis
O'Donald	R. E.	Wright
	H. B.

A. C. Fenwick, of State Auditing Dept. Dies Here

A. C. Fenwick, from the state auditing department, who has been at the college during the past month auditing the books of the institution, died suddenly Thursday night at the Savoy hotel.

Mr. Fenwick was taken ill about 6:45 in the evening, dying that night at 11:20. Funeral services were held Sunday afternoon at 2:30, at the Griggs Funeral Home on Fifth Avenue, with interment at Dreamland Cemetery.

Davis Hill, his wife, and little daughter were in Canyon for the game Friday night, and spent the week end at the parental J. A. Hill home.
