

High School Journalists To Attend Annual Convention

School press officers: Nova Gene Furr of Plainview, vice-president; E. W. Woods, Jr., of Canyon, secretary; Virginia Biggs of Panhandle, president.

Ridings, Popenoe And McCarty Are Speakers—Registration at 9 A. M.

More than 300 members of the Panhandle High School Press Association will come here Saturday for an annual session.

Registration at 9 o'clock starts the session. At 10 o'clock the group will hear Amarillo News Editor John McCarty at the first general session.

An address by Prof. J. Willard Ridings, Texas Christian University instructor of journalism, entitled "If I Wanted to Write" will be a high point in the convention program in the afternoon.

At 11 o'clock the famed marriage and family relations expert, Dr. Paul Popenoe, will address the group along with other College guests.

The tentative program follows:
9 a. m.—Registration at Education Building, West Texas State College.

10 a. m.—Opening session, auditorium of Education Building. Call to order and presentation of officers by Olin E. Hinkle, general sponsor. President's message by Virginia Biggs, Panhandle. Appointment of committees. Entertainment, Canyon High School. Address, John McCarty, Amarillo editor.

11 a. m.—Assembly in Administration building auditorium. Presentation of PHSPA officers to student body. Address, "Growing Up Emotionally," by Dr. Paul Popenoe of Los Angeles, former editor of Journal of Heredity.

12:15 p. m.—Luncheon at local churches. With entertainment during the meals.

1:30 p. m.—Afternoon session in auditorium of Education Building. Vice president Nova Gene Furr, Plainview, presiding. Entertainment. Address, "If I Wanted to Write," Prof. J. Willard Ridings, Texas Christian University. Tap dance, Jeanne Maggart, Panhandle.

2:35 p. m.—Sectional meetings in various assigned rooms. 1. For printed papers, with Grace Halsell of Lubbock, chairman. 2. For page in local paper, Pampa student presiding. 3. For mimeographed papers, Phillips student presiding. 4. For photographers, Stuart Condon of Canyon presiding. 5. For yearbooks, chairman to be announced.

4 p. m.—Final open session (president in chair). Report of membership committee. Report of constitution committee. Report of resolutions committee. Election of officers, directed by committee on election. Entertainment. Announcements. Adjournment.

Post Convention Features
5 p. m.—Light lunch in cafeteria through courtesy of Canyon Chamber of Commerce.

6 p. m.—Reception and dance sponsored by Type High, the College Press Club, at Cousins Hall.

Program-luncheon of the Panhandle High School Press Association next Saturday will include a variety of entertainment arranged by Mrs. Tommie Montfort and students of West Texas High.

Dixie Dice entertainers will come from Amarillo to give numbers on a Pan-American theme. Mexican and Spanish dances will be featured by pupils of this popular Amarillo dancing instructor.

Miss Dice is well known on the campus for high class entertainment. She brought performers to the W. T. High May festival last spring and again to Homecoming last fall.

These numbers will be supplemented by others given by visiting high school journalists.

The luncheon will be held at the Baptist and Methodist church dining rooms.

TOURNAMENT OFFICIAL

L. T. Barksdale of the W. T. faculty has been chosen as an official of the Lynn county basketball tournament at Tahoka, February 7 and 8.

STAGE UNITS IN MUSEUM

Miniature stage sets built by the stage craft class of W. T. will be on exhibition in the Museum for another week, Prof. James Butler announced yesterday.

Press Speaker

J. WILLARD RIDINGS

Type-Hi Accepts Application For New Memberships

A business meeting of Type High, College press club, will be held in the Office of Publications tonight at 6:45.

Plans will be made for the High School press dance for Saturday night, for pledging of new members, and for the intercollegiate press convention which will be held in El Paso April 3 and 4.

Sam Thomas, Jr., president of Type High, announces that all members of The Prairie or Le Mirage staff who are interested in joining Type High are requested to make written applications. Members must be bonafide students of the College, must have worked on one of the staffs for at least one semester, maintain an average of not lower than C, and must be approved by the editor of the staff on which work was done.

All students who are interested in entering the Texas Intercollegiate Press Association contest must submit their entries to The Prairie before February 17. All students of the college are eligible to enter the contest which includes various fields of newspaper writing and other creative work. The divisions include: Short story, essay, news articles, sports story, editorial, sports column, news or feature photograph, feature story, poem, one act play and advertisement. Each division offers a five dollar prize.

Business Group Holds Session

Teachers in the departments of business subjects in the West Texas division of the National Education Association attended a session on the campus Saturday.

Prof. S. H. Condon of the government department was one of the principal speakers, discussing "What Commercial Training Can Contribute to Our Democracy."

Dr. D. A. Shirley, registrar of the College, made a welcoming address. A business meeting, banquet at Cousins Hall, and a visit through the Museum followed the afternoon program.

ATTEND BANQUET

Miss Elizabeth Cox and Miss Margaret Barrett, both of the home economics department, attended the Mother and Daughter Banquet Thursday evening at Bovina, where Mrs. Lovelady, an ex-student of W. T., is the home economics teacher.

STUDENTS IN HOSPITAL

Students of W. T. who have been in the hospital since February 4 are: Eugene Brandon, Cletus Kuehler, Frances Morris, Fran Schubert, and Ausie Wiggins.

Popenoe To Open Marriage Conference At Special Assembly On Wednesday

Murder In The "Play" Degree

Decision Will Come From Audience Jury—Judge Butler Makes Ready

Missing, a man found dead! Killed — he was murdered! Who did it?

A decision will be given at the county court room of the Randall County Court House at the trial February 27, 28, and March 1. The trial will begin at 8 p. m.

Pre-trial judge will be Professor James Butler. Trial Judge will be Joe Crisler; District Attorney Glen Davis will present witnesses and material, and defense attorney Jim McCray will attempt to break down arguments and prove the innocence of Karen Andre. Karen Andre is double cast as are a majority of the parts in the play, "Night of January 16." One of the characters will play one night, and the next night the other. The one doing the best portrayal will give the performance the third night.

Karen Andre will be played by Mogie Routh and La Verne Pollard. Other members of the cast are: James Speer, Lucille West, Mary Jean Hill, Eleanor Daugherty, Luzelle Bryan, Christine Jarrett, Merrie Lib Duffel, Charles Hutchison, Gene Morris, J. W. Anderson, Carolyn Mayfield, Marjorie Renfro, Eileen McCall, Bernadine Phillips, Bill Webb, Carl Criswell, and Leon Daugherty.

The jury is to be selected from the audience, and they will determine the future of Karen Andre. Sponsored by Alpha Psi Omega, national honor dramatic fraternity, the play is the second all-college production of the year.

Interscholastic League Meets Dates Changed

Dates for the Interscholastic League sessions which are held in Canyon every year will probably have to be changed because of a typographical error in the College catalog.

According to the catalog, the Easter holidays are to be April 4, 5, 6, and 7. Dr. D. A. Shirley announces that the schedule will be changed to make the holidays on April 11, 12, 13, and 14. Easter is April 13.

As this change will not leave anyone on the campus to assist in the running-off of the different events, F. E. Savage will have to change the League plans. Mr. Savage, who is director-general of Regional activities, said that he would announce possible changes as soon as he met with his executive board.

Coach Jack Curtice is in charge of the district track and field meets while Athletic Director Al Bargett has charge over the regional meet.

The district basketball tournament, which will probably remain as scheduled, is February 21-22 in Burton's Gymnasium.

I. R. C. Starts Series Thursday

Beginning a series of programs on topics that will be discussed at the district meeting of the International Relations Club, the local group will meet Thursday evening in Room 203 of the Administration Building at 7:30 o'clock.

Topic for the meeting will be the "Western Hemisphere," discussed by debate students, who have been studying the theme recently.

The district meeting of IRC will be March 14 and 15 in Lubbock at Texas Technological College.

Senate Will Name Manager

Selection of a business manager for The Prairie is to be made by the Student Senate this afternoon. Robert McKenzie of Panhandle resigned last week.

The recommendation is made by the Senate, and President J. A. Hill will make the appointment.

College Friend

COL. R. P. SMYTH

Col. R. P. Smyth Dies In Amarillo

Former Director of Panhandle-Plains Society Had Been Ill A Month

Col. R. P. Smyth of Plainview died Sunday night at the Veterans Hospital in Amarillo where he had been for treatment for a month. The funeral was held Tuesday afternoon in Plainview.

Col. Smyth, 85, was one of the colorful pioneers of the Plains, having lived at Plainview for half a century. He was well known in Canyon, having been a director of the Panhandle-Plains Historical Society for several years. He has always taken an active interest in its work.

He was recognized as one of the greatest friends the College has had. Members of the faculty praised his community service.

Dr. L. F. Sheffy and Dr. D. A. Shirley represented West Texas State at the funeral Tuesday.

Students Given Social Benefits In New School

A school of etiquette, which is being introduced by the Student Senate, is to have its first meeting on Tuesday night after the regular open house. The meeting will be held in the Red room of Cousins Hall.

The purpose of the meeting is to extend to students a chance to improve social procedure. There will be different groups of social study to meet the many different needs of the present college student. A special division will be applied to business procedure.

Arrangements have been made to use the home economics dining room for demonstration purposes. In order to conduct this class with some continuity it will be necessary to have all the college students who are interested in it sign their names for the course.

Mrs. Geraldine Green, dean of women, is in charge of the class.

Ex-Student Gets County Position

Elywn L. Dysert has been appointed assistant county agent of Gray County.

Dysert was graduated from W. T. in 1936. After graduation, he attended Texas A. & M. where he did outstanding work in the agronomy department.

While a student in W. T. he lived on the College Farm, and worked in the Wheeler County Agent's office. He was a member of Buffalo Band.

Seven New Warner House Residents Named

Seven new girls have moved into the Phebe K. Warner Home Management House, according to Miss Mary Catherine Fleming, director.

The new girls are: Jean Slack, Joy Bill Riley, Orvetta Puett, Mrs. Dena Evans, Reta Fincannon, Bonnie Dickinson, and Beulah Brasuel.

Science Building Is Major Item

Complete Analysis of Board of Control's Budget Recommendation For W. T.

Austin.—Construction and equipment of a new science building at a cost of \$260,000 on the campus of West Texas State College at Canyon is a major item in the state budget recommended by the State Board of Control to the Texas Legislature.

College officials requested total appropriations of \$555,349 and \$295,349 for the years 1942 and 1943, respectively, while the Board of Control recommended \$529,238 and \$269,238 for the same years.

Slight upward salary adjustments for most staff members were asked by the college, but these were uniformly rejected in the board's report which recommended the same salaries as those now paid, with a few minor exceptions.

Four new employees were recommended—an assistant professor of education at \$1,800, an assistant English professor at \$2,000, an instructor of history and museum curator at \$1,900, and a yardman at \$1,200.

Requests for a secretary of the bureau of public service and for an assistant librarian were rejected. The college asked \$1,219 for salary adjustments which was vetoed by the board.

Officials sought \$20,605 for repairs and minor improvements, but the board's budget cut this figure to \$18,748.

Two assistant home economics professors were cut from \$2,100 to \$2,025 in the budget, while an associate professor of manual training and an associate professor of music were boosted from \$2,025 to \$2,100 in the board's recommendations.

West Texas Enrollment Swelled By 80

Eighty new students swelled the total enrollment for the term of 1182. Registering will continue for several more days. The present total represents a gain of about 75 students over this time in the second semester last year.

The figures do not include extension, correspondence, and Demonstration School students, nor is the summer session enrollment included. The increase was shown despite withdrawals caused by poor grades, financial problems, enlistment in the nation's armed forces, graduation, and conscription.

Also on the campus are nearly one hundred young men not regularly enrolled but here for vocational and national defense training in such subjects as auto and aviation mechanics, radio, welding, and sheet-metal work. Thirty students are enrolled for C. A. A. flight training in the new program.

Reviews Book For Tullia Group

Dr. Mattie Swayne, English department, reviewed Jan Struther's "Mrs. Miniver" for the Tullia Home Demonstration Club last Thursday. Representing English life as seen through the eyes of a twentieth century "civilized" woman, "Mrs. Miniver" shows the recent changes in the British point of view. The book contains an undercurrent and foreboding of the war and what would happen when the menace became a reality.

Miss Swayne was introduced by Mrs. Pat O'Daniel, who was Euphemia McGuire of the class of 1924. Members of other Tullia clubs, school teachers and high school English students were also present for the review. Dr. Mattie M. Anderson accompanied Miss Swayne.

Dr. Meyer Speaks To Local Study Group

Dr. A. M. Meyer of the education department spoke to the P-T. A. study group in the home economics department February 5.

Dr. Meyer spoke on "Emotional Stability," pointing out the basic needs of children. Miss Lillie Clark of the home economics department is sponsor of the group.

Here For Lectures

Dr. Paul Popenoe, director of the Institute of Family Relations, will give the first lecture in the series for the Marriage and Family Relations course at 11 o'clock tomorrow morning.

Lyceum Presents Graff Ballet

New American Group Shows Modern Movement; Performance at 8:15 o'clock

"Graff Ballet offers a rare opportunity to the students to attend a metropolitan attraction. It is the biggest event of the year and all should avail themselves of the chance to see it because it is considered the best group in the country." This opinion is that of Wallace R. Clark, head of the music department and chairman of the committee on lyceum selection, as expressed in a recent interview.

Internationally famous, the Graffs are exponents of the modern movement and have worked extensively in Germany. The ballet company is composed of young Americans and is headed by Grace and Kurt Graff. She, the former Grace Cornell of Chicago, is of pioneer American stock.

Success of the group is shown by world-wide press comments and students and visitors will have the unusual fortune to see the West Texas State College performance Tuesday February 18, at 8:15 o'clock in the Administration Building auditorium. Admission is by blanket tax ticket or one dollar for adults and fifty cents for children.

Local Scouts To Hold Annual Honor Court

Local troops of the Boy Scouts of America, Canyon district of Llano Estacado Council, will hold a Court of Honor Thursday evening at 7:30 in the social room in the basement of the Methodist Church.

Dr. A. M. Meyer of the education department, chairman, has said that this promises to be one of the largest and most interesting of the annual Courts to be held in Canyon. Parents and friends of scouts are being invited to attend.

Awards will be made in the following grades of Scout Work: second class scouts, first class scouts, merit badges, and star and life scouts. Awards will be conferred by Prof. S. H. Condon, Lee Johnson, the Rev. Sam A. Thomas, Clarence Thompson, and Hosea Foster.

Faculty Members To Kansas School

A group of faculty members made a trip to the Hays State Teachers College, in Hays, Kansas, to inspect that school's program of Art and Industrial Arts.

Making the trip were Miss Isabel Robinson, Miss Novella Goodman, Prof. John A. Gillis, and Prof. T. M. Moore.

This is one of several trips of this kind made by a group of faculty members this year, a group going to Clayton, New Mexico, and Arlington, Texas, last semester.

Expert's Lecture Starts at 11 a. m.

Personal Interviews For Three Mornings Scheduled—Course Ends February 17

At a special student assembly tomorrow morning at 11 o'clock, Dr. Paul Popenoe, famed marriage relations expert, will give the first lecture to open the marriage and family relations conference.

"Looking Forward to Marriage" will be the first lecture topic to be given in the auditorium of the Administration Building. A highlight of the short course will be the morning personal interviews which the noted author and speaker will give at 8 o'clock on Friday, 9 o'clock on Saturday and at 9:30 on Monday.

Dr. Popenoe is a former editor of the Journal of Heredity and has written many books on heredity and marriage. He has taught at several universities. The course continues until February 17.

The complete program of the conference follows:

Wednesday, February 12, 1941
11:00 to 12:00—College Assembly. Subject: "Looking Forward to Marriage." Open to everyone. Main Auditorium.

1:30, 2:30, and 3:30—Group Conferences. Subject: "Is There a New Mortality?" Room 312, Administration Building.

Thursday, February 13, 1941
11:00 to 12:00—College Assembly. Subject: "How Do You Know It's Love?" Open to everyone. Main Auditorium.

12:10—Lions Club. Subject: "Eugenics and National Defense."
2:00—Talk and Discussion Period. Special guests, representatives of Parent-Teacher Associations, women's clubs, Home Demonstration Clubs, church workers, etc. Subject: "Can the Family Have Two Heads?" Open to everyone. Main Auditorium.

4:30-5:30—Talk to College Seniors Who Expect to Teach. Subject: "The Family-Centered School." Room 211, Administration Building.

Friday, February 14, 1941
8:00-11:30—Personal conferences. Room 123, Administration Building.
2:30—Talk to Boy Scouts, Girl Scouts, Hi-Y, Girl Reserves, 4-H Members, F. F. A., and Seniors of Canyon High School. Subject: "Youth Faces a New World." Open to everyone. Main Auditorium.

3:30—Discussion Period. Special guests, sponsors of organizations listed above: high school advisors of girls and of boys, high school Home Economics teachers, etc. Subject: "Some Problems of Adolescence." Open to everyone. Main Auditorium.

Saturday, February 15, 1941
9:00-10:45—Personal Conferences. Room 123, Administration Building.
11:00 to 12:00—College Assembly. Subject: "Growing Up Emotionally." Members of the Panhandle High School Press Association as special guests. Open to everyone. Main Auditorium.

1:30, 2:30, and 3:30—Group Conferences. Subject: "Marriage Is What You Make It." Room 312, Administration Building.

Sunday, February 16, 1941
Church Engagements.
Monday, February 17, 1941
9:30-11:30—Personal Conferences. 1:30, 2:30, and 3:30—Group Conferences. Subject: "Heredity and Education." Room 312, Administration Building.

Two Collections Given Museum

Colonel E. N. Wentworth of Chicago has presented the W. J. Tod Collection of photographs of the Southwest's early cowmen to the Panhandle-Plains Historical Museum.

Mr. Tod, a colorful pioneer cattleman who lived in Maple Hill, Kansas, had a hobby of collecting pictures of his friends and well-known characters.

Some of the personal belongings of the late Mrs. Mickey McCormick of Old Tascosa have been given to the Museum by Mrs. Lona Blackwell, with whom Mrs. McCormick lived.

This collection will include: A large, black, much beplumed velvet hat; a black, lace-trimmed corset bearing the stamp of a Parisienne designer; long, gold earbobs, and a floor-length, light weight wool skirt.

Hart Palpitations

By Fred Hart

On Saturday, we will be hosts to more than 400 high school kids representing nearly every high school in the Panhandle area. They are aspiring future journalists come to aspire more at the Panhandle High School Press Association.

The Panhandle is fortunate to have on its high schools' news staffs some of the state's best kid writers. Many of the schools in this territory have for years been considered as top contenders whenever contests are held anywhere in Texas.

Filled with awe and zeal, the high school journalist comes to college (at W. T.) and expects to set the world on fire with his thrilling editorials and scholarly features. But oftentimes he is doomed to disappointment.

Whereas, he expected the collegiate writers to be truly of the select, he finds them somewhat degraded by student opinion to the ranks of the freaks. He finds an editor who blushes, a columnist who talks all the time and says nothing, and faculty members who think newspapers—and particularly college sheets—are the works of the devil to assist indolent students in going merrily to H—.

All this is most confusing to the confident high schooler, and he becomes so discouraged that The Prairie often never reaps the benefit of his ability.

Although we on the paper realize this error, we have done little, but rationalize. In writing this column, for example, the students claim they want one thing—namely, goosy gossip—and when it is dished out, they turn their stomachs and have no more to do with the writer for a month.

For example, we could make a lengthy tirade wherein sparkling little Mary Jean Hill is trying to reform the unformable John Frank Toles. But that would be a mistake. In the first place, the parties concerned would be very wrought up, then their friends would be wrought up, and then a columnist would be wrought.

Again we might take the case of "Big Rick" (Ricketts) who entertained a quartet of dames in a hangout booth by letting them set his hair after the manner of many of the better known figures of history, past and present.

In a catty manner we might suggest that you look at Louise Roach's fingernails, and then at boy-friend Overton's face. Draw your own conclusions.

And upon fingernails, Marie Bain has two that are more than one-half inch beyond the tip of her fingers. I got a yardstick and measured them.

Question: Why were Paul House and Jeanne Lively so cool Friday night?

Darn this cold!

And we mustn't forget Gale Ross and "Sunshine" Simpson, who definitely don't like wisecracks (?) a las Palpitations.

To relieve the monotony of year-book editing, we now have the blackboard feud of Annie Lard and Jack Cross. Some of the notes they write upon the shiny surface would make "True Love Stories" remain silent for two months.

And then Roy Cheatham was paged at Randall Hall.

At any rate the famed marriage counselor, Dr. Popenoe, is with us

The PRAIRIE

Starting Time—and No Ball

College athletics has become a business. The value of a winning team as an advertising agent to colleges has proved its worth many times. Consequently, students who are adept at the sports participated in by an institution are solicited by that institution before they have completed their high school work. They are given jobs with which to earn their tuition, and are furnished their room and board by the athletic committee. The competitive athletic program of a college often does not include any student who is not a member of this group.

But what about the student who was only fair in high school athletics, who wishes to major in one of the arts that requires most of his time, whose ability does not justify a place for him on the varsity team. Must that person forego all forms of athletics, save perhaps an occasional round of golf?

To solve this problem, a program of intramural athletics was introduced here. Intramurals means "within the walls," and the teams which compose this organization play among themselves. The administrators, who were responsible for this problem, settled back in their chairs—and after heaving the proverbial sigh of relief dismissed this matter from their academic minds. There the matter rested. Almost no equipment was furnished the teams of the various organizations. New busses, uniforms, and a score of new basketballs could be had by the varsity with almost no trouble at all. But the intramural boxers, after staging a show that was sponsored by the lyceum committee, for which an admission charge was made for this specific purpose, failed to receive trophies for the winners.

Coaches are provided for varsity teams, sometimes at fabulous salaries. No such guidance is given to intramural athletes. Teams wishing to practice must sandwich in between the varsity and freshman workouts, sometimes trying to secure facilities for weeks without success.

The ideal intramural program would be one which would be operated on the same principle as that of the varsity teams. Equipment could be checked out to each participant, and regularly scheduled workout periods could be arranged under the guidance of an experienced coach furnished by the athletic committee. There are benefits to be derived from this system for the varsity teams, for players would be developed that would constitute varsity material.

This added interest would arouse a feeling of school spirit that has been lacking in the student body. Such a spirit is invaluable in the success of the college. Surely this project, which would require so small an investment, would pay large dividends in better spirit, better athletics, and better health.—D. M.

Interest In Debate Contests

Congratulations to Prof. C. W. Freed and the members of the debate club for the attractive schedule and good showing being recorded in intercollegiate debate competition.

Reorganized after 11 years of inactivity, the debate club has arranged a schedule to include Drake University—here Friday night—and Texas Christian University. The interest in the organization is encouraging for the first year.

However, that interest has come largely from the debaters so far. And if the real spirit of an intercollegiate contest is to be in evidence, now is the time for a student audience to help.

For several years The Prairie has begged for the return of debate contests with nearby schools, because it is believed that there is more rivalry and student interest in a debate than in a forum—the suggested substitute for the debate. It will be a good sign if a large group will attend the Friday night contest.

Fence Welcomes Visitors

Visitors will roll in in large numbers during the week, and West Texas will greet them with a barb wire fence.

The marriage and family relations course will bring many here. The high school journalists planning a session here Saturday will be a critical group. They are being honored at a dance at Cousins Hall Saturday night. The comments of these will be spread in the Panhandle's high school papers.

Likely they will not be encouraged to start a barb wire fence campaign back home. They might feel a little ashamed, as we should. It has been admitted that the grass needs protection, but the appearance of the campus needs to be good now as well as next summer.

to give some much needed advice and information. Some particularly need to attend. We will attend—not because we need it, but so we can offer the information as a public service feature in the spring months to come.

Error on Debates In The Editor's Mailbag

Dear Editor:
In last week's issue of The Prairie the statement was made that students of W. T. had not participated in intercollegiate debate in over thirteen years. Eleven years is not so much less than thirteen, but W. T. had both girls' and boys' debate teams in 1930.

Luther G. Roberts, who is now minister of the Central Church of Christ in Amarillo, and C. Wayne Eubanks, who was head of the speech department in Amarillo Junior College, composed the men's first team. On one trip they defeated both Abilene Christian College and McMurry College on the disarmament question. Opal Coley, who died in the fall of 1930, and I were on the women's team. On the same trip we lost to Simmons University and defeated Texas Tech. The men's team made an extended trip and attended a tournament later in the season.

Of course this was no grave error, but I thought you would like to be corrected on it. I am happy to know that interest in debate is being revived in W. T. this year. I hope the teams were successful in the tournament.

Sincerely,
Bessie Chambers Patterson,
W. T. '30.

Club Receives Current Books

The International Relations Club has received six new books from the Carnegie Endowment for International Peace.

Each semester the club receives a shipment of books which deal with international relations. The books are placed in the library.

Books received were: America's Dilemma: Alone or Allied?, Norman Angell; True and False Democracy, Nicholas Murray Butler; Where Do We Go From Here?, Harold J. Laski; Prerequisites to Peace in the Far East, Nathaniel Peffer; The Caribbean Danger Zone, J. Fred Rippey; and The City of Man, Herbert Agar.

"Outlook" Report Is By Dr. Cook

In the February "Texas Outlook" will be found an article by Dr. Harris M. Cook giving a summary of a study of educational items in a prominent newspaper in West Texas. The study was made by Robert Dillard, M. A. '39, and Ben Allen, M. A. '40.

Dr. Cook's article points out that in Northwest Texas athletics receive far more attention in the newspaper than all other phases of public school and college activities.

Club To Give Social For Agriculture Majors Friday

Home Economics Club members will be hostesses to agriculture majors at an informal social in the gymnasium of the Education Building, Friday evening at 7:30.

The entertainment is in response to a pop-corn supper given by the agriculture majors during the first semester at the Buffalo Courts recreational hall. Mildred Conover, Mary Zimmer, and Marion Ruth Duren head of the social committee. Kate Donnell and Gwendolyn Coutts have charge of the games, and Kathleen Dixon, Lois Meek, Viola Archer, and Louise Novak are on the refreshment committee.

Barrett Will Speak At Miami Banquet

Miss Margaret Barrett, head of the home economics department is to be the principal speaker at a Future Homemaking banquet in Miami. Miss Elizabeth Cox will accompany her.

Miss Cleavel Laman, W. T. ex-student, is homemaking teacher at Miami.

Help Keep Canyon Clean!

5th Column

"Words are things . . ."—Byron.

By JOE CRISLER
"Here's a sigh to those who love me,
And a smile to those who hate."

It is the policy of this column to expose rather than deal in subversive elements. Expose, according to Webster, means to lay open; disclose; to lay open to censure or ridicule. And anything that is not libelous or slanderous will hereafter be exposed.

MY MAN ALPHONSA SAYS:

That Glen Davis is considered S-M-O-O-T-H by the girls of Goodwell, Okla. . . That Jo Troutman is still carrying the torch for Josh Hopkins and ditto of Mary Kerr for Jerry Evans. . . That Mid Askew is once more blundering his way across the campus. . . That a transfer from Tech lounged in front of the Registrar's office, and smoked a cigarette without even being noticed. . . That an entire class in business education received "E's."

ONE IN A MILLION

After consuming refreshments at Bob's and a bit of tit-a-tat over the bill, Marie Hobbs said to "Kinky" Francis, "Why didn't you tell me you didn't have any money? I would have brought some."

THEY DID IT!

Marvin Petty received another degree—the certificate of marriage—and Nora Glenn shared equally in the honors.

WHY

Is it that the junior class has had only one class meeting this year? It has been rumored that a bill of impeachment will be brought against the class officials unless results are produced. Fish ditto.

BREVITORIAL

Are you a trail-blazer? Are you a charging fullback, a line plunger? No, and neither are we. Can you walk safely through a herd of stampeding cattle? Are you a path-finder? Why even Daniel Boone, Kit Carson, Buck Jones, Joe Louis, and Knute Rockne's Four Horsemen would have a very difficult time penetrating the crowd that collects in the halls and around the stairs in the Administration Building between classes. You start out with seven minutes to spare, and by the time you have tried a dozen off-tackle plunges, been walked upon by a size 12 and a 4½, picked yourself off the floor a dozen times, and have finally crawled through the crowd, you find yourself five minutes late to your class.

Hardin-Simmons To Return For Cage Series Starting Monday

New Schedule Sends Buffs Against Cowboys Fourth Time This Season

A change in the cage schedule will bring Hardin-Simmons University of Abilene here Monday and Wednesday nights of next week instead of the regularly scheduled games which were to be played at Abilene.

The Cowboys will present a much more formidable squad than was seen here January 13 and 14. West Texas beat the Cowpunchers 74-40 and 67-36.

Coach Al Baggett will probably use the same line-up with Stockman and Price, guards, Brookfield and Maddox, forwards, and tall Charlie Halbert, center.

Game time will be 8 o'clock at Burton Gymnasium.

Baggetmen Win Alamo Victories

Buffaloes Take Lead In Conference Race Over South Texans

Coach Al Baggett's rangy herd of Buffaloes practically clinched the Alamo Conference Basketball championship by thumping out two wins over the highly touted St. Mary's University Rattlers of San Antonio by scores of 53-50 and 49-34.

The first contest was a nip and tuck affair with both sides gaining the lead several times. The score was tied up twice at 34-all and 39-all.

Tall Charlie Halbert led the Buff scoring in the first game by pitching 17 points through the hoop. Brookfield was next in line for the West Texans with 16 points. Hunke and Ball of the Rattlers paced their team with 18 and 15 points respectively.

After coming from behind early in the first quarter of the second game, the Buffaloes turned on the steam and were never headed. Frank Stockman led the Buffalo scoring with Halbert and Brookfield tied for second place honors with 10 each.

Led by Price Brookfield, star forward, the West Texas Buffs jumped to an early lead in the two-game series with the Texas A. & I. Javelinas in Kingsville, Tuesday and Wednesday nights and won 73 to 26 and 50 to 36.

The Buffs took complete charge of both encounters and had little trouble taking the Hogs into camp. In the first game, Brookfield, a junior, took individual scoring honors for the night with 18 points. Stockman and Halbert were next in line for the Buffaloes with 15 and 13 points respectively. Lawrence was high point man for the South Texas school with 11 points.

In the second game, Brookfield again starred for the Plains boys with a total of 13 points. Johnson and Halbert were tied for second place with 9 each. Stockman and Maddox were third in line with 8 each. Vargo of the Hogs was high with 10 points.

The box score:

	fg	ft	pf	tp
West Texas (73)	9	9	9	18

Top Scorer

Big Price Brookfield, junior forward of the Star Dusters, is the leading scorer on the team and was a great factor in the Buff victories over Texas A & I and St. Mary's University last week.

Foust Captures Amarillo Golden Glove Title

Jim Foust, senior from Littlefield, won the light heavyweight division in the Amarillo Golden Gloves tournament Saturday night by a knockout.

Jim, whose reputation as a hard-hitting halfback on the Buffalo squad is well known here, won the final match in the second round with an uppercut that shook the Municipal Auditorium. Foust has a peculiar style of fighting that is deceptive to an audience. At the beginning of each round, a whirlwind emerges from his corner, and for about 20 seconds the opponent feels gloves on the right of him, and gloves on the left of him. Then Foust chooses to cover up and wait—allowing his opponent to hit him at will.

With this style of scrapping Saturday night, Jim was apparently receiving the worst of the fight, when suddenly his opponent left a small opening to his chin, and the rafters fell on him. After working with him for about five minutes, his seconds carried him from the ring feet first. Foust requires but one punch, and he doesn't mind taking a little punishment waiting for that opening.

Jim received a gold wrist watch, presented by the Globe-News and an Amarillo jewelry firm, as a trophy for winning his division. He expects to fight in the state tournament at Fort Worth the latter part of this week.

Freshmen Down Wayland Cagers

Defeating Wayland Junior College Saturday night by a score of 39-33, the West Texas Freshman chalked up another victory on their roster.

With the score at the half 15-29 against them, the freshmen team switched to a man-to-man defense and stopped Wayland's scoring spree. Jacobs was a star in the game, with exceptionally smooth footwork.

Clark Johnson, new member of the team, was high point man for the night with 18 points to his credit.

In the first game with Wayland, played on the home court, the Freshmen defeated them 80-24.

After losing one game to spoil their perfect record of two seasons, the freshmen team removed any doubt last week as to who should lead in the Amarillo Jaycee Basketball league.

Tuesday night the junior Buffs downed the Amarillo junior College quintet, 46-28. On Wednesday night the Commercial College of that city suffered the flashing attack of the frosh herd, and went down 54-28. The first year Buffs are in undisputed lead in the League.

The team has been strengthened by the addition of a new player, Clark Johnson, of Turkey. Clark is a brother of Charles Johnson, star forward of the Freshman team, and shows ability that will place him on the starting line-up soon.

Last night the junior star-dusters were slated to journey to Plainview for a game with the Wayland Junior College five.

ROY CHEATHAM

"THERE AIN'T NO FLIES ON ME . . ."

CHAMPIONS

West Texas State's famed basketball squad theoretically clinched the Alamo Conference championship in basketball last week by soundly thrashing the Texas A. & I. Javelinas and then beating St. Mary's University of San Antonio two games in a row to cinch a tie. The Buffs are regarded as practically impossible to beat on their home court so it looks like another Alamo championship for the Baggetmen.

DID YOU KNOW

That Dutchy Smith, line and end coach at Texas Tech is slated for the new end coach for Red Dawson at Tulane . . . that Babe Ruth is recovering from illness, but is not interested in a baseball job; the reason, his wife said so. . . Hank Greenberg, former hard slugging Detroit outfielder and the highest paid man in baseball has been advised his back is O. K. for Uncle Sam at thirty per or thereabouts. . . Tom Harmon, all-American back from Michigan, will be featured in two pictures for Paramount. . . Fred Mandel is still looking for a coach for the Detroit Lions, now that Frank Leahy definitely signed with Boston College, and that the Lions new coach may be none other than Pete Cawthon of Texas Tech . . . The new collegiate football rule is that if an offensive man touches a punt inside of the opponent's 10-yard line it is a touchback. . . This should give the defense a better chance to run with the ball on punts. . . That members of the Pacific Coast Conference which do not play in the Rose Bowl receive \$7,500 of the Bowl receipts, which should be enough to purchase a good football player, even in California. . . That Elmer Layden is going to have his office as commissioner of the National Professional Football League, in Chicago; he will also have direct charge of publicity for the league and assign all officials.

Another sophomore guard on the "World's Tallest Team" is Bill Stockman of Malta Bend, Missouri. His speed and accuracy on the court have placed him a consistent player.

dropped a field goal 15 seconds before the final whistle to put them one point ahead. A few seconds later, playing under pressure, the Turtles looped one through the hoop to surge ahead by the narrow margin of one point. Again the Firecrackers came through, however, and took over the lead with a field goal about five seconds before the final whistle. At the sound of the signal ending the game, the Turtles were in possession of the ball.

A double elimination tournament, to decide the final winner of the season, was scheduled to start last night. At 7 o'clock, in the first game, the Bachelors were slated to play the T-Anchor Aggies. At 8 o'clock the F. F. A. boys were to meet the Firecrackers. Tonight the semi-finals will be played with the two winners meeting.

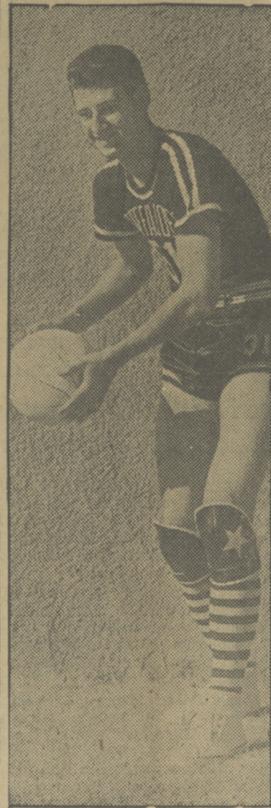

After the final game has been played, interest will swing to intramural boxing and wrestling events, next in line in the intramural games for the season.

"Tallest Team" Rated Second In South by Dunkel Service

Tricky Guard

University of Arkansas Is Only Southern Team Rated Over West Texas

Rated in eighth place in the entire South and Southwest two weeks ago, a Dunkel news service report received yesterday by Coach Al Baggett shows that WEST TEXAS STATE is ranked in SECOND PLACE. The only team placed ahead of the Star Dusters is the University of Arkansas.

With the present progress that the Buffaloes are making, it is very possible that games may be obtained in the famed Madison Square Garden next fall. The fame of the Baggetmen has spread from coast to coast. Many strong mid-western teams have already shown a desire to meet the Buffs next season and one reason for this could be accounted for in the team's class and showmanship in attracting fans.

The ranking of the first ten are:
1. Arkansas
2. WEST TEXAS STATE
3. S. F. Austin
4. Southern Methodist
5. Bowling Green, Kentucky
6. Murry Teachers
7. Rice Institute
8. Texas Tech
9. University of Texas.
10. Texas Wesleyan

With victory or oblivion in the intramural race in the office of the Firecrackers and N. Y. A. Turtles battled furiously Thursday night in a play-off game, with the powder boys winning in the last 10 seconds of play, 30-29.

Trailing all the way, the 'Crackers

THE SMOKE OF SLOWER-BURNING CAMELS GIVES YOU EXTRA MILDNESS, EXTRA COOLNESS, EXTRA FLAVOR AND

28%

LESS NICOTINE

than the average of the 4 other largest-selling brands tested—less than any of them—according to independent laboratory tests of the smoke itself

NO MATTER how much you smoke, all that you get from a cigarette—all the flavor, mildness—you get it in the smoke itself. The smoke's the thing!

Science has told you Camels are slower-burning. This slower way of burning means more mildness, more coolness, more flavor in the smoke.

Now, these new independent tests reported above—tests of the brands most of you probably smoke right now—drive home another advantage for you in slower-burning Camels—extra freedom from nicotine in the smoke.

Try slower-burning Camels. Smoke out the facts for yourself. Dealers everywhere feature Camels at attractive carton prices. For convenience—for economy—buy Camels by the carton.

R. J. Reynolds Tobacco Company, Winston-Salem, North Carolina

CAMEL THE SLOWER-BURNING CIGARETTE

Flash from Sun Valley
EVELYN DOMAN
FIGURE-SKATING STAR

Breathtaking spins, spirals, jumps—there's a thrill in every click of her flashing blades. And afterwards—"A Camel tastes so good—they have so much more flavor," says Miss Doman. But more flavor is only one of the "extras" you get in slower-burning Camels.

LIKE ANYONE WHO SMOKES A GOOD DEAL, THE EXTRA MILDNESS IN SLOWER-BURNING CAMELS IS IMPORTANT TO ME. AND THE FLAVOR IS SO GRAND!

IF YOU SKATE AT ALL, then you know that cutting a pretty figure is not as simple as pretty Evelyn Doman makes it appear. Behind her seemingly effortless grace are hours of hard practice. She takes her skating seriously . . . her smoking, too. "I smoke a good deal," she explains. "The slower-burning cigarette—Camel—gives me the extra mildness I want."

Slower-burning . . . costlier tobaccos. Yes, slower-burning Camels give you a fuller measure of flavor without the harsh effects of excess heat . . . extra mildness, extra coolness, extra flavor—and less nicotine in the smoke.

BY BURNING 25% SLOWER than the average of the 4 other largest-selling brands tested—slower than any of them—Camels also give you a smoking plus equal, on the average, to 5 EXTRA SMOKES PER PACK!

Spring Rushees Are Lured In The Social Whirlwinds

Rush Week Is Highlighted By Teas And Smokers

Caught in a whirl of the social whirl W. T. men and women are being enticed by intoxicating swirls blown by social clubs this week.

The roar of rush week started Sunday and will continue through, February 23. Rushees are required to have an average of "C," and each one must have 15 hours of college credit. No freshman may be rushed during the first semester.

There are seven Greek organizations on the campus, and the Inter-club Council has selected two days for each fraternity and sorority. Sunday was shared by Kappa Tau Phi and Pi Omega, and Monday was Delta Zeta Chi day. Today Pi Omega will finish their rush affairs. Wednesday the Gamma Phi sorority will begin their rushing. Kappa Tau Phi will complete their affairs on Thursday. The last days will be reserved for Delta Zeta Chi and Gamma Phi entertainments.

Tri Tau fraternity had Monday for their rushees, and will entertain them again on Friday. Today and Saturday will be given to Epsilon Beta affairs. Wednesday and Thursday will begin and finish Alpha Sigma Xi rushing.

The rush swim is in deepest water at the beginning of the fall and spring semester.

Kappa Tau Has Coffee

Kappa Tau Phi opened rush week Sunday morning with a Valentine coffee in the home of Miss Mary E. Hudspeh, 1905 Fourth Avenue.

Large hearts were on the table and piano in the drawing room, and the table in the dining room carried out the motif with a mirrored centerpiece of two yarn dolls on velvet cushions with a tiny red heart on a thread between them and cellophane heart enclosing heart-shaped bon-bon boxes.

Coffee was served to the following rushees, Jackie Wofford, Gwen Castle, Imogene January, Margaret Ann Barnett, Mary Louise Medlen, Ruth Simpson, Fern Walters, Billie Adams, La Nelle Falls, Meribelle Hazard, Avanelle Hill, Icapene Stephens, Mary Jane Fitzsimmons, Bernadine Phillips, Jo Wheeler, Wilma Ruth Baber, Boone Todd.

Lila Pearl Aven, Lucille Thornton, Wilma Presson, Dixie Nell Stevens, Clay Jernigan and Kathleen Carr. Miss Hudspeh officiated at the coffee service and Frankie Deppen played the piano. The rushees and members of Kappa Tau Phi attended church together at the First Christian Church.

Delta Zetas Entertain

A unique note was struck in the Delta Zeta Chi rush entertainment last night at Buffalo Courts. Rushees enrolled in a "new college" complete with green and white banners, registration, classes and exams, all in the spirit of fun.

Mary Jane Fitzsimmons, Joan Gurlay, Suzy Anderson, Jananiel Crawford, Hallie Nell Sligar, Imogene January, Norma Nix, Peggy Williamson, Marion Crane, Jean Lively, Mary Jean Hill, Dorothea Harter, Martha Frances Campbell, Mary Louise Medlen, Wilma Presson, Dixie Nell Stevens, Gwen Castle, Jean Howze, Dena Beth Gilbert, Beth McCaslin, Florence Clark, Densil Henderson, Sarah Hilton, Geneva Rice, Maxine Rattton, and Tommie Turner were those rushed by Delta Zeta Chi.

Pi Omega Hawaiian Tea

Pi Omega sorority started its rush week activities with a Hawaiian Tea at the home of Dorothy Warwick, 1110 Sixth Avenue, from 4 to 6 o'clock Sunday afternoon.

Guests were met at the door by Mogie Routh, vice-president, and Mrs. Clyde Warwick. Marcelete Reid, who was dressed in a native Hawaiian costume, presented each guest with a lei.

In the middle of a centerpiece of tropical fruit, bordered by four miniature palm trees, was a coconut with the Pi Omega emblem painted on it. Mrs. A. M. Meyer, sponsor of the club, presided at the tea service. Ruth Hill, president, served each guest a small cake with the club insignia on top.

Rushees present were: Meribelle Hazard, Mary Jean Hill, Jeanne Lively, Eloise Tout, Joan Gurlay, Reta Lee Eller, Gladys Hill, Margaret Ann Barnett, Ruth Simpson, Mary Louise Medlen, Mary Jane Fitzsimmons, Virginia Vaughan, Imogene January, Ruth Cole, Florence Clark, Dorothea Harter, Beth McCaslin, Martha Frances Campbell, Carol Ely.

Smoker Schedule

Fraternity rushees are being entertained with smokers this week. Tau Tau Tau gave a smoker last night at Stafford Hall at 7:30. Epsilon Beta rushees and members will have a smoker tonight at the Amarillo Hotel at 8:30. Wednesday evening Alpha Sigma Chi rushees will be honored with a smoker.

W. T. Exes Are On Teacher Committees

Graduates of W. T. who are serving on State Teachers' Association Committees in 1941 include Walter Travis, '38, superintendent of schools at Floydada; Davis Hill, M. A. '39, principal of Marshall High School; Beatrix Cobb, '37, Cottle County superintendent of schools, Paducah; J. B. Golden, '30, Wichita County superintendent of schools, Wichita Falls; Joe Humphrey, superintendent of schools at Temple; Irby Carruth, '27, superintendent of schools, Bonham; and A. D. Cummings, '26, superintendent of schools, Olney.

Speech Coaching Class Arranged

For students who have speech difficulties, a special coaching class has been arranged by Dr. Conrad W. Freed.

Students who are interested should leave their names in the speech office in the Education Building.

Farm Security Work Is Topic Discussed

Mrs. Ester N. Call, regional director of home management houses, talked to a group of senior girls of the home economics department yesterday.

Friday Features Kappa Tau Phi Valentine Dance

Years of usage have made the celebration of St. Valentine's Day "strictly sentimental." Kappa Tau Phi trusts no boy will break a heart because of failure to take "her" to its St. Valentine's All-College Dance this Friday.

Featured event of the evening of fun and dancing will be the selection of a "sweet-heart couple"—W. T.'s king and queen of hearts. Fred Hart will be present to take pictures of the winners for the 1941 Le Mirage and a prize will also be awarded the contest winners. Dr. and Mrs. Conrad W. Freed and Mr. and Mrs. James Butler have been asked to serve as judges.

Weldon Bright and his "Swing Four" will furnish music for the dancers in Cousins Hall ballroom from nine to twelve o'clock Friday evening. Admission is fifty cents stag or drag.

It Can . . .

Coming Events . . . Happen Here

Coming events for the next three months intersperse social activities and basketball games.

For five days beginning February 12 and ending February 16, the noted psychologist, Dr. Paul Popehoe will give a series of lectures on marriage and family relations.

February 14, which is St. Valentine's Day is the date for the Kappa Tau Phi all-college dance at Cousins Hall.

The Panhandle High School Press Association will meet here on February 15. Forty-two performers with the Graff Ballet will be the entertainers for the lyceum number on February 18.

The drama, "Night of January 16" to be presented by the college players will be February 27, 28, and March 1 in the Randall County Courtroom.

The Northwest Conference for Education on March 14 and 15 starts off the program for March. Then comes an unusual round of dances beginning with March 21 when the sophomores give an all-college dance in Cousins Hall.

The Tri Tau presentation dance at Cousins Hall is scheduled for March 22. The presentation dance of Pi Omega will be March 28 at Floyddada; March 29, the Buffalo "T" Club will have a dance in the gymnasium.

April 4 brings the Kappa Tau Phi presentation dance in Cousins Hall. The District Interscholastic League Meet will be held on April 11 and 12. The Delta Zeta Chi presentation dance will be April 18 and the Regional Interscholastic League starts April 19.

Presentation dance of the Gamma Phi, at Cousins is on May 2; and Girls' Sports Interscholastic League comes on May 10.

Scene From Graff Ballet

On February 18, the lyceum committee will bring the famed Graff Ballet here for a program. A scene from the dance is shown above.

Art Exhibit Shows Progress of Students During Fall Semester

Work showing technical and developmental progress in the first semester classes of the art department is now on display in the west end of the Administration Building and in the art laboratory.

Interior design, rug patterns, still life, and landscapes are included among the freshman class in art. The sophomore design class exhibited motif and all-over patterns and personalized book plates.

Wilma Baber, Maurice Bernson, Emilio Caballero, Martha Miller, and Evelyn Carr gave illustration of ability in figure study. Some of these drawings were from life and others from famous sculpture.

One of the largest courses in the department is the class in costume design. This class is required for home economics as well as art majors. Not only does it serve as a historical presentation of the origin and embellishment of dress as allied to stages of growth of civilization, but it is of practical value to a girl in guided selection of suitable garments for her own build and personality as well.

Original or adapted styles of note in the class collection were: afternoon dress, Wilma Baber; travel costume, Carolyn Mayfield; sport, Norma Thomas; child dress, Jo Speer; collar and cuff set, Marie Billingsley; Greek adapted evening dress (750-50 B. C.), Viola Archer; and combination 16th century and 1914 evening dress, Lorene Thompson. Many of these students had designs appearing in one or more additional groups as well as the remaining work of other members of the class.

Art 102 had a crafts case at the extreme west end of the hall which housed woodcarving, plaques, plastic bracelets, statuettes and animal figurines, a hammered copper ash tray, and etched metal bracelets.

Swing Four On Radio Thursday

The Swing Four with Louise Roach as soloist, will "give out" Thursday night at 8 o'clock over KGNC, Amarillo.

A program of all popular music will be given by Earl Wilbur, Weldon Bright, Ernest Scheihagen, and Raymond Wood.

Earl Wilbur and Dr. C. W. Freed arranged the program.

Three Are Guests At Warner House

Mr. James A. Somerville, regional personnel representative for the Farm Security Administration, Mrs. Ester N. Call, director of home management houses for the Farm Security Administration, and Prof. Frank R. Phillips, head of the department of agriculture were luncheon guests at the Warner Home Management House yesterday.

GLENN-PETTY

Nora Glenn, daughter of Mr. and Mrs. B. C. Glenn of Wellington, and Marvin Petty, son of Dr. and Mrs. L. E. Petty of Borger, were married December 21. Rev. G. L. Messenger of the First Christian Church officiated.

Jeanne Whitaker and Sewell Cox of Claude were attendants.

Both Mr. and Mrs. Petty are former students of Texas Tech. Mrs. Petty was in school the first semester and Mr. Petty is a graduate assistant in the chemistry department and will receive his Master's degree in May.

Lillie Lloyd Jackson, '40, is now teaching in the intermediate grades at Gruver.

THOMPSONS

Smokers know... Chesterfields Satisfy

WITH THEIR Milder BETTER TASTE

Do you know why Chesterfield gives you more pleasure? Because it's the smoker's cigarette . . . it has everything a smoker wants . . . Real Mildness and a Cooler, Better Taste.

Chesterfields are better-tasting and mild...not flat...not strong, because of their right combination of the world's best cigarette tobaccos. You can't buy a better cigarette.

Valentine Greetings from ELLEN DREW, starring in the current Paramount hit "THE MAD DOCTOR"...and from CHESTERFIELD, the Milder, Cooler, Better-Tasting cigarette.

They're Milder. Before auction time Chesterfield's expert tobacco buyers look over the growing crops so they will know firsthand where the finest mild, ripe leaf is coming from. The way these tobaccos are conditioned, aged and blended gives Chesterfields a better taste and makes them definitely milder.

Do you smoke the cigarette that Satisfies....it's the smoker's cigarette
