Men's Chorus Places First In State Contest

CLARK PLEASED WITH RESULTS

Competed With Schreiner Institute For First Place

"I am even more pleased with this year's state contest of Men's Chorus than I was last year," said Mr. Wallace R. Clark, this morning when interviewed about the contest in which W. T. was again awarded first place.

Torrential rains made it impossible for most of the entrants to get to Arlington for the contest. The competition was between the Men's choruses of Schreiner Institute and Canyon. Robert Hopkins of Baylor was judge of the college chorus contests and associated with him was Col. Brumelow of Decatur College. Mr. Clark was added to the college group and the three men judged the high school choruses.

Saturday evening 150 singers took part in the massed chorus concert conducted by Mr. Hopkins.

Mr. Clark and the 32 boys who made the trip highly praised Clyde Jarrett of the department of music of North Texas Agricultural College, who was in charge of the contest this year. All arrangements had been carefully made and the boys were royally entertained in the most delightful homes of Arlington.

It is probable that the 1936 contest will be held in Dallas under the sponsorship of the Dallas Male chorus.

Miss Frances Alice Clark was accompanist for the W. T. chorus. She and Mr. Clark were guests of Mr. and Mrs. M. C. Turner of Dallas while on the trip.

The trip was made without mishap, the party going in the college bus and five cars.

The following participated in the contests:

Lex Alexander, Louis Barnett, J. C. Baker, Martin Baze, Bill Blaine, Houston Bright, Lawrence Clark, M. E. Cleavinger, Walter Cummings, Whitman Fish, Broughton Hardin, Horace Hickox, G. T. Higgins, Kenneth Hohaus, Albert Jackson, Reavis Kerr, Gardner Sanderson, Henry Young.

Winfred Lewis, Ray McIntyre, Holland McMurray, W. A. Morgan, Bill Nelson, Ralph O'Keefe, Charles Reeve, Rex Roby, Woolworth Russell, Charles Stratton, John Tate, Glynn Taylor, Sid Thomas, Edward White, J. H. Wright.

Frances Alice Clark, accompanist.

Remainder Of Dramatic Club Plays Listed

On Thursday afternoon "The Twelve Pound Look" was presented in the Dramatic Club. It was a delightful one-act comedy, rather a satire on conceited and self-satisfied men, with the following cast: Lelia Cooper, Ernestine Walker, Seth Lindsey, and Wendell Cain.

Two comedies will be presented in the club meeting next Thursday afternoon. "The Tale of a Shirt" has a cast of all women, and the scene is laid in an ironing room of a laundry. Love plays an important part in the plot of the story. Vesta Murphy, Emily Minter, Sybil Payne, Helen Martin, Ola Mae Roberts, Charlene McLarty, Ethel Rush, and Mabel Hare make up the cast, with Bessie Beane, director.

"The Cripples," the other has not yet been read by this reporter, therefore no comments are available, but you can be assured it is a delightful play, as the cast is all boys, and Forrest Frye is director. On May 16 the play will be "Behind the Alps Lies Italy."

The rural invitation track meet at the Demonstration School was postponed until May 11. All rural schools are invited to attend this meet.

Delmer Ashworth, '29, former editor of The Prairie, has been elected to a position in the English department of the Pampa system.

M. M. Richardson Reviews Allen's "Anthony Adverse"

Before an enthusiastic group of girls Miss Richardson gave a lively review of "Anthony Adverse," by Hervey Allen, at Y. W. C. A. Wednesday afternoon. First, something of the writer was given. Hervey Allen was born in Pennsylvania, attended the Naval Academy at Annapolis for a year, received his degree from the University of Pittsburgh in 1915, served overseas during the war, and at present lives in Charleston, South Carolina.

Allen, by the way, is a school teacher. He has published three volumes of verse and several novels before "Anthony Adverse" came out. Preparation for the writing of this book required five years of study, including the reading of numerous histories, diaries, letters and other documents. His wife is the only person who can read his writing, and once she has copied the entire twelve hundred pages of "Anthony Adverse" in longhand and twice on the typewriter.

As to the book, it concerns Anthony, who was given the name of Adverse because his own surname was unknown. This man, born in Spain, reared in Scotland, before he died, lived in France, England, Africa, Asia, Cuba, and America. An interesting point brought out by Miss Richardson was the novel was employed by Anthony in killing a bear that was tracking him, by imbedding a spear in the ground so that the bear would kill itself. This man experienced practically every human feeling and indulged in many trades, including slave traffic. "I'm not going to tell you the ending for that would spoil the story when you read it," said Miss Richardson. And from the general discussion after she concluded, I should guess that it will be pretty hard to find "Anthony Adverse" in the library.

John L. McCarty, one of W. T.'s editor-exes, has just been elected president of the Panhandle Press Association. He is also state president of the Young Democrats.

The time, 8 p. m. The place, Women's Gym. The occasion, Farewell Dance.

Kathleen Wade spent the week-end with Pauline Presley at Higgins.

3½ hours to dance farewell with your friends.

Only one more, folks—Farewell dance, Saturday night.

At the meeting in Amarillo it is expected that perhaps President Roosevelt will attend and almost a certainty that James Roosevelt, Elliott Roosevelt, James Farley, Governor James V. Alfred, and many other state officials will be present.

The Young Demos are gathering much momentum and consequently wide spread recognition of their work as a political factor in Texas. Students at this college are urged to affiliate themselves with the local organization.

Next meeting May 10. Be there! Extremely important business to be attended to.

Museum Surveys Activities Since September 1, '34

Tofano Painting Is Object Commented Upon Most

16,743 VISITORS

Some Registerites Were From Foreign Countries

The Panhandle-Plains Historical Society Museum has had 16,743 visitors since September 1. This number is greater than the registration for all other corresponding periods since the opening of Pioneer Hall in 1933.

During this school year many groups and organizations have visited the Museum en masse. Most of such groups have been school classes from points over the Panhandle and Eastern New Mexico. These groups having come the longest distances were: The Clayton, New Mexico, football club; Groesbeck School, near Quanah; Littlefield school; and the advanced class in Geology from Texas Technological College at Lubbock.

Within the calendar year there have been visitors representing forty states of the United States and four foreign countries. Yorkshire, England; Tipperary, Ireland; Chihuahua, Mexico; and Windsor, Ontario, were the foreign addresses. One visitor, an early arrival from Byrd Expedition II, signed from Little America, Antarctica.

The most interesting object in the museum, according to a report of comments as given by Pollyanna Pitts, Museum secretary, was the portrait of Cornelia Adair by E. Tofano which hangs in Mary E. Hudspeth Room. Still in the artistic way, the second most commented upon object, or objects were the murals depicting the coming of white men into the Palo Duro. The murals were painted by Harold Bugby of Clarendon and Ben Carlton Mead of Amarillo.

A collection of pictorial reproductions of Pueblo Indian Pottery now hanging in the Mary E. Hudspeth Room are attracting those interested in Indian life. The pictures are natural-color photographs of specimens of the Indian Arts Fund Collection in Santa Fe, New Mexico.

Gates Elected President Of 1935-36 Y.W.C.A.

Other Officers Chosen By Student Body Vote

At the election of the 1935-1936 Cabinet Officers of the Y. W. C. A. held Friday, Hester Gates was elected president. Hester has been one of the most active members of the group this year, and it is quite apparent that the choice for this office was a good one. Honors of this sort are nothing new in the family, as she is a sister of Mrs. C. W. Foote, Jr., who as Mary Jo Gates, was president of this same organization two years ago. Hester will be a senior next year.

Hope Wells and Vondell Kees were the candidates for vice-president, with Hope winning by a small majority. She is at present teaching in Wheeler county, but will be a student here next year, and is well known on the campus.

Mozelle Wolfe was chosen for Secretary. Mozelle is a freshman this year, and while her work with the Y. W. has been where she was not before the group, it has been quiet and steady.

Ruth Baker will be the treasurer. Ruth, who will be a freshman next year, will prove to be the peppy member of the group, we believe. These officers were elected by the girls of the student body, and judging from their work this year, we are expecting big things from them. The installation services, to be held in the Canyons Sunday had to be postponed because of the weather.

W. T. Students Entertain At Spanish Meet

The annual spring meeting of the Panhandle District of the Texas Spanish Teachers Association was held May 4th, in Plainview.

On the program presented during the banquet were Miss Frances Usery and George Brewer who danced the tango. Jimmie Ortiz of Santa Fe, New Mexico, discussed in the Spanish language the Spanish influence as it exists in New Mexico.

West Texas State Teachers College was represented by Miss Mary E. Hudspeth, Miss Agnes Charlton, and Mrs. Tommie Montfort of the faculty.

In a short business meeting following the banquet, it was decided that Canyon would be the meeting place for the convention, October 26, 1935.

MEXICO AND SPAIN TOPICS OF DISCUSSION AT SPANISH CLUB

The members of the Spanish Club were delightfully entertained by Mrs. Agnes Smith and Miss Fannie Malone, at their regular meeting at the home of Miss Mary E. Hudspeth, May 1.

Miss Malone spoke on "Spain. Mrs. Smith spoke on "Why I Would Like For You to Visit Mexico," giving also her personal reasons why she likes Mexico. She would like for us to see Mexico because of its scenic beauty, its cultural life and advantages.

After the interesting program, refreshments were served to the following members and guests: Genevieve Simmons, Alta Mae Hammet, Mrs. B. T. Rucker, Kathryn Peterson, Mildred Lindsey, Gladys Scales, Margaret Peery, Charlene McLarty, A. B. Reese, Roach Allen, Zan Grant, Floy Rowe, Jimmie Ortiz, Mrs. Geraldine Green, Nell Green, Miss Fannie Malone, Mrs. Agnes C. Smith, Miss Agnes Charlton, Lucye Blair, Helen Yeats, Maye Reese, Josie Baird, Myrtle Mae Scales, and the hostess, Miss Mary E. Hudspeth.

Students of West Texas State Teachers College extend their deepest sympathy to Garland Martin who was called to St. Jo, April 26, because of the death of his mother, who died of pneumonia.

ACTIVITIES IN PIANO DEPART. DRAW TO CLOSE

Piano students of Miss Pauline Brigham concluded their studio recitals for the year last Friday when Billie Buckner, Mildred Barber, Laveta Ludman, Bobbie Jo Cheyne, Frances Marshall, La Trice Quattlebaum, Freda Charles Bills, Fern Gower, and Dorothy Harmon were presented.

Following the recital a coffee was given. Miss Novella Goodman poured coffee and was assisted by Miss Frances Usery, Miss Pauline Brigham, and Mrs. Herschel Coffee.

Piano Duo Contest

The Duo Contest of piano students was conducted last Tuesday. Winners of first place were Freda Charles Bills and Fern Gower. Others competing were Anna Hastings and Garland May, Lynette Harter and Anabelle Knight, Frances Marshall and Charline McLarty. Mrs. Lee Foster acted as judge in the contest.

Two More Rooms Occupied at W. T. Buffalo Courts

Two more rooms were completed on the Buffalo Courts Wednesday and ten boys moved to the new quarters. Eight rooms in the Courts are now occupied by 25 boys.

Three more rooms are practically completed, but must be used for storage of materials for the remaining rooms and the recreation hall.

Coach Al Baggett states that materials for the recreation hall will be bought in a few days by the Board of Control from the money appropriated by the legislature three weeks ago.

An objective has been set up by Coach Baggett for the summer months of work, which includes completion of the recreation hall, the finishing of the three rooms in Buffalo Courts, and building two rooms of the Courts to the south of the hall. The foundation for these rooms was run several weeks ago.

While awaiting the materials for the hall, all work is being confined to the rock fence around the athletic field. A large number of men are working on this project. The State Relief Commission has approved a sufficient amount for labor to complete all of these projects, unless a change is made in the set up under the new work program of the President.

William Robinson Funeral Rites are Held Thursday

William Robinson, 68, died Wednesday morning at the family home after an illness of several weeks. Mr. Robinson was a contractor and had lived here nine years.

The funeral services were held at the Presbyterian Church at 3:00 o'clock Thursday, conducted by Rev. Chas. L. Dickey.

Surviving is the wife and seven children: William Robinson, Jr., of Fritch; Arthur, Nelson, and Samuel Robinson of Canyon; Miss Theresa Robinson of Pyote; Kathryn and Dolly Robinson of Canyon; one brother, David Tomlin of Mississippi; three sisters, Mrs. Georgia Taylor of Sweetwater; Mrs. Josephine Fuqua of Paris; Mrs. Mary Alexander of Paris.

BAGGETT STARTS ROCK GARAGE

Coach Al Baggett has bought a city block across the highway west from the site of the new dormitory for men and has started construction on a two car garage with a second story apartment. Rock will be used in the construction. Mr. Baggett plans for a rock residence in the future.

Minnie Allen, who has been teaching at Quail has just been elected to a primary position in the Horace Mann School at Pampa. She will complete the work for her degree this summer.

MONEY GIVEN MONDAY FOR NEW BUILDING

Contractor Buys Materials to Get Work Started

WORK STARTS SOON

First PWA Project On W. T. Campus Is Ready

The long delayed construction of the men's dormitory on the campus of the West Texas State Teachers College will definitely begin during the coming week.

Money for the building was received Monday from PWA. J. B. Maxey, general contractor, was here last week-end from Lubbock and placed orders for materials on the building. This is the first PWA project started on W. T. campus, while four more projects have been approved by PWA at Washington.

The building of Buffalo Courts, another campus project, is moving ahead steadily. Two more rooms were completed Wednesday and ten boys moved to the new quarters. Eight rooms in the Courts are now occupied by 25 boys.

Al Baggett, College coach, states that the materials for the recreation hall will be bought in a few days by the Board of Control from the money appropriated by the legislature three weeks ago. Mr. Baggett says that according to present plans five more rooms will be completed on the Courts during the summer months.

DR. DEBO IS CANYON VISITOR DURING WEEK

Dr. Angie Debo, who resigned as a faculty member last year to devote her time to writing another book on Indian life and culture, is a house guest of Miss Mary E. Hudspeth.

Dr. Debo has received much very favorable comment and recognition on her "History of the Choctaw Nation" which was published last spring. She has been working lately at Oklahoma University at Norman, securing information for her next book which is devoted to the topic of Osage Indians.

Dr. Debo was a luncheon guest of Randall Hall Saturday. She spoke before groups at the Methodist Sunday School and at Miss Mary Moss Richardson's home Saturday evening where the Y. W. C. A. group met.

Last Hop Bids To Golden Success

On Saturday night, May 11th, from 8 until 11:30, the farewell all college dance will be staged in the Women's Gym. This is the last opportunity that ye lads and lassies will have to clasp in your embrace the object of your affection.

To be sure that you may partake of this golden opportunity the dance committee has arranged for a local orchestra and has voted to drastically reduce the tax from 75 cents and \$1, to 35 and 50 cents. Due to the fact that this is the last collegiate dance of the scholastic year, the committee has arranged for an extra thirty minutes of dancing, thus enabling each patron to feel that he is being justly compensated.

CENTENNIAL GUESTS

It seems a bit naive to invite Mexico to participate in a centennial which celebrates the freeing of Texas from the Mexican yoke, but the course of history since 1836 justifies the invitation. In the intervening years Mexico has come around to the belief that Mexico itself required liberation from sinister influences, viewed by large sections of the people in the neighboring Republic as much the same as those from which Texans demanded separation. Every revolution since has been in the name of liberty. The present successful government, which has accomplished a real overturn in laws and customs, could not possibly cherish affection for the effete regime of Santa Anna.

The point is important because the 1936 Centennial can only be international in a Pan-American sense and would be a failure as such unless Mexico leads the way for the Latin Republics farther south. Although Buffalo carried the designation of a Pan-American Exposition, it was not an exposition of that sort. If the time element is not too short, there is a rich opportunity for Texas to make the commemoration of its hundred years of independence a real demonstration of development on the Western Hemisphere.—Dallas News.

WHITMAN FISH

The East Texan proudly announces that the contract for construction of the new boys' dormitory has been let. Hugh P. White, of Tyler, is to be the contractor. The project will amount to \$69,896.

Congratulations to the Campus Chat, the winner of the T. I. P. A. collegiate newspaper contest. May their paper continue to be as interesting as it has in the past.

Governor Frank D. Fitzgerald of Michigan, announces that "Pacifist" students and instructors may be barred from state colleges. This statement was made following a series of "anti-war" demonstrations made in Lansing, Michigan.

"We would slam the doors on any students who wished to take advantage of higher education offered by their government and then refuse to support their government in time of war. This is no time for a lot of silly theories. The whole matter is ridiculous and has no part in the school curriculum," says the governor.

It seems as though the Hon. Fitzgerald is a pal of the great god Mars.

Just to be an ol' meany, the illusion that the love of your life is sweet, (from the male standpoint,) the doctors at Albany Medical College of Union University have evolved the following chemical formula for the young ladies of today:

In one girl there is enough glycine to furnish the bursting charge for one naval shell, enough lime to whitewash a chicken coop, sufficient gluten to make five pounds of glue, enough sulphur to rid an ordinary dog of fleas, and enough chlorine to sanitize three good sized swimming pools. Also, she carries around every day, 30 teaspoons of salt, 31 pounds of carbon, and 10 gallons of water. Sweet young thing.—Amarillo College Ranger.

Mother: Who are you going out with this evening, daughter?
Daughter: Some ex-convicts from Chicago.

Mother: That's just fine, daughter, I thought perhaps it was some of those college boys.

The feminine of bachelor is lady in waiting.

Simile: She had a voice like a 5-ton truck going up a steep hill.

Science is becoming resourceful.

After trying for years to find out how to open those Pullman car windows, air-conditioning was finally invented.

And a bachelor is a guy who didn't have a car when he was young.

Observations at a dance: Soft lights . . . potted plants and potted people . . . Fine Uprighting American Girl . . . draped around the escort's neck . . . "I can't dance but I sure can intermission" . . . gazing at the blonde's mascaraed eyes . . . "You're so sweet, I could dance with you forever" . . . and gazing frantically at the stag line. . . . Biga fun, huh?

And then there was the guy who discovered his name rated the gossip section so he slipped a look at the proof and copied the sentence about himself and showed it to everyone on the campus. Nothing like scooping the old school paper is it, fella?

Reporters at Columbia University discovered, by questioning people, that the majority think college students are loafers. That is, five out of six. The sixth person to be questioned was Chinese and couldn't speak English. . . . The cabbage this week goes to the sophomore edition of the Houstonian. In trying to be, shall we say, different?—they printed it with an off-color ink and under no conditions were we able to discern just what it contained. For a paper that is usually darn nice, the above-mentioned issue appears illegitimate.

FLASH—College professors put on the spot! At the University of Minnesota, a poll of student opinion was held. The following are some excerpts from the returns: "My professor can see things from only one way—his own . . . he is dead on his feet . . . a blight on the tree of knowledge." And from the Indiana Daily Star, Indiana University, the poll showed this: "Far too many professors take, in the class-room, one of the two easiest courses of action open to them, one of them being to give the same lecture over and over again, year after year, and the other, to inject into the lecture so much personal philosophy that the object of the course is lost in a multitude of petty mental mean-

HI-Y BOYS ATTEND FATHER AND SON BANQUET

The W. T. Hi-Y Club members were among the 150 men and boys present at the Father and Son banquet, held at the Baptist Church Monday evening, April 29. Some of the boys were accompanied by their fathers; the remainder were guests of other men.

The first speaker of the evening was Dean L. McNeill, of Amarillo High School. The principal address for the occasion was delivered by Judge R. Walker Hall, also of Amarillo. Music was furnished at intervals throughout the evening by the Beacon Male Quartet of Amarillo.

JUNIORS ENTERTAIN SENIORS

The members of the junior class entertained the seniors in the Education Gym Monday night with a party-dance. For those who liked table games, there were bridge, Michigan, and dominoes. Miss Betty Ruth Solomon played the piano for those who wished to dance.

At the refreshment hour each junior escorted a senior to the punch bowl, where Jean Graham presided.

W. T. HI TRACKMAN COPS THIRD PLACE IN GREAT PLAINS MEET

For the first time in several years W. T. High School was represented in the Great Plains Meet, which is the only contest held here in which W. T. H. S. athletes are eligible to compete.

In the high school division of the high jump, Thomas Campbell cleared the bar at five feet, five and a half inches, to tie Ware, of Ralls, for second place. Tossing a coin, however, gave the decision to Ware, giving Campbell third and W. T. H. S. two and one-half points. Campbell also ran the 200 yard dash, but failed to place in this event. Lucius Penick entered in the high jump, but also failed to place.

Hall Happenings

The dinner at Cousins Hall last Wednesday evening was held in honor of the seniors in the dormitory and their sponsors, Dr. and Mrs. A. M. Meyer. Mrs. Geraldine Green and her daughter Nell, were also special guests.

Mrs. Smith, Dr. Meyer, and Mrs. Green made a short talk to the seniors. Miss Betty Dale West from the freshman group, Miss Hellen Lill from the sophomores, and Miss Ruth Stapleton from the juniors each brought a word of cheer from the classes, wishing the seniors good luck in the future.

Miss Hellen Hickman, disguised as Madame Pateriano from Northern Italy, told the fortunes of the seniors. The program was concluded by everyone singing a farewell song.

Messrs. Bill Pitman, Hosea Foster, J. C. Line, Myles McGehee and G. T. Higgins were dinner guests at Cousins Hall Wednesday evening.

Miss Lorraine Lyon spent the week end in Amarillo.

Mrs. J. L. Whitsett of Hereford has been visiting her daughter, Miss Effie Whitsett, at Cousins Hall during the last week.

STRANGE THINGS DONE BY BOYS ON TRIP

Gossip concerning various members of the group who went to Arlington to participate in the Men's Chorus state meet:

Did Carl York really hit that pig?

Martin Baze was in a smoking contest.

Rex Roby sure did gather flowers to bring home to his wife.

Gardner Sanderson brought something home for a souvenir.

Horace Hickox sure knows how to pick out a "Southern" dark complexioned lady.

Ask Horace and Lex what about drinking the dish water and how much.

Edward White is famous for rumble seat riding.

Holland McMurphy should have been left because he over slept.

Albert Jackson was almost too late to help win the cup.

Henry "Kid" Young learned that a Jersey cow could ride in the back seat of a sedan.

Charles Stratton was plenty excited by creeks being flooded so we couldn't reach home.

W. A. Morgan was extremely excited when it started raining.

It seems that Sid Thomas was very much surprised when he learned that the regular rate was 10 cents each instead of two for a quarter.

Broughton Hardin sure can tell Al Baggett where he can get all the rocks that he ever wants.

RANDALL HALL GIRLS ENTERTAIN WITH DINNER DANCE

One of the most brilliant social affairs of the season was the dinner dance given by Randall Hall Friday evening at seven o'clock. The guests were received in the east parlors where they were given passports which enabled them to go on the Forget-me-not cruise. Soon the guests were ushered into the dining room where small tables were placed around the walls and the hostesses and their guests were seated. The centerpieces on the tables were small blue and white sail boats filled with forget-me-not blossoms in pink and blue. White tapers in blue candleholders were placed on the tables. Place cards were small white cards with life savers tied on with blue cord. The ceiling in the rooms was hidden by blue crepe paper interwoven silver stars and a moon creating the effect of a deck party. Anchors fashioned from brilliant and white materials and huge white life savers completed the nautical motif carried out throughout the party. Radiograms wishing the party a pleasant cruise were received.

Music was furnished by Coy Palmer and his 4-piece band. A spotlight played upon special entertainers who were Marvin Callihan, Vera Goodwin, and Lelia Cooper.

Guests were: Messrs. Ogden Stroud, Bobbie Campbell, James Steed, Joe Smith, J. R. Bertrand, Joe Dickson, Chris Wooten, Philbert Schuhart, Lee Nichols, Jr., Johnnie Bergner, Warren Good, Deane Storey, Ed Todd, Jeff Calloway, Foster Harmon, Ted Clark, Hoyt Welch, Deane Fletcher, Jim Elder, Leon Lile, Jim Poole, John Willoughby, Carroll Killebrew, Marvin Callihan, Dale Bowman, Weldon Dodson, Owen Thornton, Ralph McClure, Lewis Shirley, Ike Parker, Ashley Little, George Gandy, George Smith, Webster Willoughby, Ernest Morgan, Edwin Dutton, Ray Small, Roger Harvey, Marvin Myers, James Gouldy, James Vaughn, George Brewer, Jimmie Holston, Wayne McNeil, Bill Shackelford, John Hood, Drew Crossett, James Gates, Tom Fields, Harmon Hearne, B. MISS MARY M. RICHARDSON ENTERTAINS Y. W. C. A.

Thirty care-free girls weren't going to let the snow ruin their pleasure. True, we couldn't go to the canyons on our retreat as had been planned, so the girls of the Y. W. C. A. entertained themselves with a theater party, with a popcorn and apple feast afterward. Promptly at 7:30 we met at the Olympic, and saw Clark Gable and Constance Bennett in "After Office Hours." After the show, we went to Miss Richardson's, where we found delicious rosy apples and huge pans of popped corn, but we didn't eat it then, there was too much to do just then. Our first was an examination, conducted by Miss Ethylene Murrell, of Pampa. You might like to answer some of the questions. Where is your curriculum located? (We had it all the way from our head to our feet). Do you need a new one? (Most of us did) and on and on.

Next was our songs. You should have heard our pep! We sang everything from nursery rhymes to traditional Y. W. songs, including "Little Sir Echo," "Down by the Riverside," and have you heard the latest one, about "John Brown's Baby?" By the way, sometime you might ask Dr. Debo about the "Crocodile Song." I think it's her favorite.

We had an amateur theatrical, too. "The Gingham Dog and the Calico Cat" was well portrayed. The poor Chinese plate was nearly heartbroken, and the dog and cat fought and fought, though once or twice they looked as if they'd like to make up, but the story just wouldn't let 'em.

While we were eating the popcorn and apples we were telling you about, Dr. Debo gave us an interesting talk. What she said was practical, interesting, and well given. The Y. W. wishes it could keep her here all the time. The party ended with our singing the Y. W. song, "Follow the Gleam."

Besides Dr. Debo, who came all the way from Oklahoma City to be with us, our guests were, Mrs. Frankie Kerr Ridgeway, Mrs. Lewellyn Selby, and Miss Ethylene Murrell. The last three are ex-students of Y. W. T.

The Y. W. wishes to thank Mrs. Green for the delicious box of candy which she left for us.

COLLEGE DAMES ENTERTAINED AT LITTLE HOUSE

Mrs. Elizabeth Fry Page and Mrs. Frank M. Munson were hostesses to the College Dames Club last Friday afternoon at the Little House of Fellowship. The entertaining room was attractively decorated with spring flowers, given by friends.

The program opened with Miss La Trice Quattlebaum singing "Mother O' Mine." Miss Mary Elizabeth Gantt accompanying on the piano. Mrs. F. B. Cooper sang "The Willow Cradle," "In a Clover Field," and "Be Still and Know." She was accompanied by Mrs. Millard Word. The words were written by Mrs. Page and the music by Mrs. Word. By request Mrs. Page read three of her own poems: "My Mother," "My Father's Face," and "My Guest." As a closing number Mrs. Word played "The Old Refrain."

Roll call was responded to by clever sayings of children. At the close of the program, a business meeting was held with Miss Mary Moss Richardson presiding, and the following officers were elected: President, Mrs. Frank M. Munson; vice president, Mrs. W. M. Gordy; secretary, Mrs. E. Dutton; club reporter, Mrs. A. E. Douglas. Refreshments of cakes, tea, nuts and candy were served by the hostesses.

The next meeting will be with Miss Florence McMurry at Cousins Hall, June 14.

At the April meeting quilts were presented to the sponsors, Mrs. J. A. Hill, Miss Mary Moss Richardson, and Miss Florence McMurry.

CHESMORE OF AMARILLO TO SPEAK TO WRANGLERS

Miss Chesmore of the Amarillo Girl Scouts will speak at the annual Wrangler Banquet tonight at 7:00 o'clock. She will speak on "The Organization of a Girl Scout Troop." The program will be very informal. Many songs will be sung by the whole group present.

Everyone interested in Girl Scout work is cordially invited to attend. The plates will be 35 cents each.

MISS MARY MALONE, CRAWFORD ENTERTAIN WITH DINNER

For Sunday dinner at Cousins Hall the Misses Tennessee and Fannie Malone and Vera Crawford entertained Mr. and Mrs. D. A. Shirley, Mr. and Mrs. W. A. Warren, Mr. and Mrs. Marsh of Alva, Oklahoma, parents of Rev. Marsh, Christian Church pastor, and Rev. Marsh.

PEGGY PAGE AND W. L. PEVEY WED

Miss Peggy Page and Mr. W. L. Pevey were united in marriage Thursday evening at the home of Rev. H. V. Hendry, with Rev. Hendry performing the ceremony. Harry Wofford was the only guest. The bride was charming in a gown of tea rose with white accessories. She is the daughter of Mr. J. A. Page and was graduated from Wheeler High School in 1930. She also attended Amarillo College and West Texas State Teachers College, Canyon.

The groom is the son of Mr. and Mrs. John Pevey of Woodson. The young couple will make their home in Woodson where Mr. Pevey will be associated in business with his uncle.

The B. S. U. presented a play in the district meeting in Plainview last Thursday, May 2. The cast consisted of Misses Mary Beth Campbell, Alice Reese, Trannie Mae Russell, and Betty Hicks.

ELAPHEIAN DOINGS

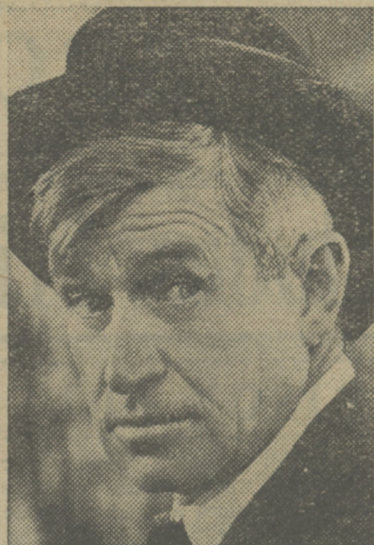

DELTA THETA TIPS

Whoever wrote this bit of philosophy must have been inspired by a siege of spring fever. Let's all try it sometime when we think we can get by with it: If I had my life to live over I'd try to make more mistakes next time. I would relax. I would lumber up. I would be sillier. I would be less hygienic. I would take more chances. I would take more trips. I would climb more mountains and swim more rivers. I would burn up more gasoline. I would eat more ice cream and less bran. I would have more actual troubles and fewer imaginary ones. You see I am one of those fellows who live prudently and sensibly and sanely, hour after hour, day after day. Oh, I have had my moments, and if I had it to do over again I'd have more of them, a lot more of them, I'd try to have nothing else. Just moments, one after another instead of living so many years ahead every day.

If I had my life to live over I would start barefooted earlier in the spring and stay that way later in the fall. I would play hooky more. I wouldn't make good grades except by accident. I would have more dogs and sweethearts. I would keep later hours. I would have more headaches. I would fish more. I would go to more circuses. I would go to more dances. I would ride more merry-go-rounds.

I have been one of these people who never go anywhere without a thermometer, a hot-water bottle, a gargle, a raincoat, and a parachute. If I had it to do over again, I'd go more places and pick more daises!

Before this year is over we would like to hear from as many ex-Elapheians as possible. We always like to know what you are doing and we will appreciate hearing from every one of you. Write to

"THEY DON'T GET YOUR WIND" ATHLETES SAY —

GENE SARAZEN, championship golfer, who has smoked Camels for years

The mild cigarette the athletes smoke is the mild cigarette for YOU!

A cigarette so mild you can smoke all you want—that's what athletes say about Camels. And when a champion talks about "condition"—"wind"—healthy nerves—real tobacco mildness—he's got to know.

Gene Sarazen says: "Playing as much as I do—I have to keep in condition. I smoke Camels steadily. They are so mild they never get my 'wind'—never upset my nerves."

Other athletes back him up... "I smoke all the Camels I want, and keep in top condition," says Mel Ott, slugger of the New York Giants... Georgia Coleman, Olympic

diver, says: "Camels don't cut down on my 'wind'..." Bill Miller, oarsman; Jim Lancaster, N. Y. U.'s 1934 basketball captain; John Skillman, pro squash racquets champion—hundreds of sports stars smoke Camels regularly and report that Camels never get their "wind" or nerves.

What this mildness means to you!... It means you can smoke Camels all you want! Athletes have made this discovery: Camel's costlier tobaccos are so mild, they can smoke all they please, without disturbing their "wind" or nerves.

SO MILD YOU CAN SMOKE ALL YOU WANT!

Spring Football Concludes Friday Night

Arc Lights To Burn On Buff Gridiron Again

Baggett Optimistic Over Next Year's Ball Club

34 BOYS TRAIN

Blocking and Tackling of Most Vicious Sort

Next Friday night, May 10, the arc lights on Buffalo Field will be turned on again, and the grand stand will be full once more of howling alumni, reminiscent of the fall when moleskin-clad figures chased an elusive pigskin up and down the field.

It's not an illusion but merely the winding up of the spring football practice of Coach Al Baggett's West Texas State Teachers College Buffaloes.

Since March 25, Coaches Al Baggett and Bob Cox have been sending the prospective Buffaloes of 1935 through their paces, giving individual instruction where it was needed.

Some faces have disappeared from the daily scrimmages, while some new faces have furnished the basis of much speculative talk because of their sensational work.

When contacted about the outlook for next fall, Baggett broke into a smile and became quite effusive. "Next year I'll have the best balanced ball club I've ever had," said Baggett. "There are thirty-four boys out there and competition is so keen that it is hard to pick out a first and second team. With three or four men competing for each position, everyone plays

a little over his head. When one man doesn't function, there is someone to take his place."

During the spring training period the blocking and tackling of these aspiring youngsters has been of the most vicious type that this scribe has ever seen. Eleven lettermen are among the candidates, and none of them is sure of a position on next year's team. Competition and earnest rivalry is in the air around West Texas State Teachers College.

When a spring game with A. C. C. was called off, Baggett arranged for a series of three inter-squad games. The squad was divided into two teams and two games have already been played.

The two teams are pretty evenly matched, and the games have produced some real football. Many errors were made by the players in the game, but the experience has been valuable, and the errors corrected.

The first two games have been longer than regulation games, so as to give all of the candidates some experience. Friday night the climax of the spring will be reached. Captain Rankin's team and Champion's team will meet in a regulation game in every way. The coaches have carefully gone over all the errors made in previous games, and Friday night the boys will be completely on their own.

Eight o'clock is game time Friday night, and 25 cents will be the price of admission. With the keen competition still in evidence, the game should produce some real football thrills.

Mr. and Mrs. W. E. Lockhart made a trip to Austin last weekend in connection with the state interscholastic league. They also visited Mr. Lockhart's father at Bront.

Mrs. T. V. Reeves, sponsor of The Prairie, attended the gridiron banquet in Amarillo last Saturday evening.

BISON BULL

Although football sweaters for the West Texas State Teachers College Buffaloes arrived very late because of an error in shipping, the weather obligingly turned cold in the middle of the summer to permit the letter-wearers to show off their sweaters.

Coach Al Baggett admired his work so much in the Buffalo Courts, built of beautiful, natural rock, that he has begun construction on a home of the same material.

Ezell Champion, junior from Memphis, is playing blocking half for the Buffaloes, but he is expected to do most of the punting and passing for the team.

Coach Baggett will return to Columbia U. for another summer of work in physical education. He has attended fifteen coaching schools and has done summer work at the Universities of Wisconsin, Michigan, Southern California, and Columbia.

There's a new Buffalo at the College. But this one happens to be of rock instead of flesh and blood. A colored, natural rock fence is being built around Buffalo Park and a buffalo built of colored flint has been placed over the entrance.

When fall rolls around the football players will have new sod on a practice field. The practice field will be as good as the regular gridiron and will prevent wearing of the turf on the field.

To the cafeteria, laundry, and other vocational activities in the Physical Education Department has been added an extensive nursery. The trees, shrubbery, etc., will be used later in the beautification of Buffalo Courts.

Miss Leona Bullington has accepted a position at Anton to teach in the intermediate grades. She will receive her degree from West Texas this spring.

Irene Hurst and Joyce Sheats have been elected to teach next winter at Oklahoma Lane.

The Farewell Dance will be the last for some of your friends. Don't fail to be there.

White Team Wins In First Of Three Intersquad Games

Close Playing Reveals the Teams Are Evenly Matched

18 TO 0 SCORE

Rough Places Shown Up To Coaches In Scrimmage

In the first of a series of three inter-squad games Wednesday among the spring football candidates of West Texas State Teachers College, the White Team of Captain John Rankin came out winner with the long end of an 18 to 0 score.

The two teams were pretty evenly matched and the game was a nip and tuck affair from the very start. All three scores were results of breaks.

In the second quarter George Caviness, an alert guard, caught a pass after a defensive man had touched the ball, making the entire offensive team eligible receivers, and ran 25 yards for a touchdown.

In the last period Stina Cain juggled a pass from Frank Van Noy a few times before he gathered it in and raced to the two yard line where he was caught by Gibson. Lawrence Clark carried the ball over on the next play for another score.

Cain added the final score again in the fourth quarter on another pass of about forty yards from Van Noy.

Besides the passing combination of Van Noy to Cain, which looked good, Miller and Stewart in the backfield looked good for the winners, while the work of Captain Rankin and Leo Jackson in the

MAVERICK CLUB NUMBER TWO Canyon, Texas

By Pat Noser

Last Tuesday night out at the CCC camp we finally dropped a decision to the Amarillo Club 4 to 2. They hollered so loud and so long after we have given them every chance in the world, that we sent some of our second best boys out to the camp.

But we know that they will make so much of that because they don't very often get a chance to holler

line was outstanding.

Toby Waggoner at end for the losers and Clinton Meek at tackle made the left side of the line impregnable. Oscar Hinger, a freshman guard, also served notice by his work that he will be fighting for a position next fall. The kicking of Captain Ezell Champion of the Maroon was a feature of the contest as was the ball-carrying of Burnie Davis.

Both Coach Al Baggett and Bob Cox were satisfied with the contest. Many rough things showed up in the game, but the experience was valuable.

who won the track meet and the boys who have been winning in the contests at the CCC camp. We enjoyed the match a lot. Thank you, Mr. Farley.

It sure is a pleasure to run off from the dusty, sandy days when you can hardly breathe or walk for the dust and take a cool, refreshing swim in the inside pool at the College. The water is heated so that it is not too cold, and we really enjoy our weekly swims. We go in from three to four times a week.

We are sorry that the weather in Amarillo has prevented the No. 1 clubbers from going in swimming since they have no inside pool, and wish to take this chance to invite them to come down here anytime they wish to go in swimming with us.

The water is nice and warm so that no one will take cold, and we have registered life guards watching us. We each one pick us a buddy, and thus always have two people watching out for each other.

Therefore any time that will be convenient for you Amarillo Mavericks, pick you out a buddy, have someone notify us to expect you, and come down for some real fun. Before too long, we wish to challenge you to a water carnival.

There is no need for a lot of whangdoodle talk about cigarettes — just plain common-sense

When you stop to think about your cigarette—what it means to you—here's about the way you look at it—

Smoking a cigarette gives a lot of pleasure—it always has.

People have been smoking and enjoying tobacco in some form or another for over 400 years.

Of course you want a cigarette to be made right. And naturally you want it to be mild. Yet you want it to have the right taste—and plenty of it.

In other words—you want it to Satisfy.

Scientific methods and ripe mild tobaccos make Chesterfield a milder and better-tasting cigarette. We believe you will enjoy them.
