

This issue of The Prairie from April 8, 1924 was printed in a light green ink.

The unedited item is rather difficult to read and make into a searchable document, so some minor color adjustment was made during the scanning process.

PLANS DEVELOPED
FOR INTERSCHOLASTIC LEAGUEFIVE TO SIX HUNDRED BOYS AND
GIRLS COMING APRIL 11-12.

The following detailed announcement has been issued by W. E. Lockhart, Director General of District No. One, Interscholastic League, for the schedule of events that take place in the meet of this district on Friday and Saturday, April 11-12:

Announcement and Program for Interscholastic League Meet, District 1.

Friday, April 11, Forenoon

Registration of Contestants and payment of fees, 8:00 to 11:00.

General assembly, Room 208, for announcements, 11:00 to 12:00.

Friday, April 11, Afternoon

Preliminaries in Girls' Debates, begin at 1:00 p. m.

Preliminaries in Junior Declamation—Junior Boys and Junior Girls in Class A and Class B; Junior Boys and Junior Girls in Rural Division, begin at 1:00 p. m.

Tennis Tournament—All contestants, Boys' Doubles, Girls' Doubles, Boys' Singles and Girls' Singles, meet Mr. Willett in Room 104 to draw for places at 1:00 p. m. Play will begin in as many contests as possible at 1:30 p. m. The Tennis Tournament should be finished by 12:00 Saturday.

Track Athletics

Preliminaries in Track Events to begin at 2:30 p. m.

1. Class A, 120 yd High Hurdles, each man to run one heat, first and second places to qualify.

2. Class B, 120 yd High Hurdles, same as Class A.

3. Class A, Second Heat, 120 yd High Hurdles.

4. Class B, Second Heat, 120 yd High Hurdles.

5. Class A, 100 yd Dash, enough heats to reduce the number of contestants to six. First and second place to qualify.

6. Class B, 100 yd Dash, enough heats to reduce the number of contestants to six. First and second place to qualify.

7. Class A, 220 yd Low Hurdles, enough heats to reduce the number of contestants to eight.

8. Class B, 50 yd Dash, Each contestant to run one heat, first and second places qualify.

9. Class A, 220 yd Dash, each man to run one heat, first and second places qualify.

10. Class B, 220 yd Dash, each man to run one heat, first and second places qualify.

Note: There will be no preliminaries in any field event, nor in any running event for a greater distance than 220 yards. In the 440 yards dash, 880 yards run, and 1-mile run the contestants may be divided in groups and required to run against time.

Friday Evening, April 11

Finals in Girls' Debate, College Auditorium, 7:30 p. m.

Finals in all Junior Declamations, 8:30 p. m.

Music by the College Band, between the events.

Saturday, April 12, Forenoon

Preliminaries in Boys' Debates begin at 8:00 a. m.

Preliminaries in Senior Declamations, all classes, begin at 8:00 a. m.

Tennis Tournament completed by noon, and to begin at 7:30 a. m. if necessary. (This will depend upon the number of matches played off on Friday afternoon.)

Track and Field Events

CLASS A

1. 120 yards high hurdles.

2. Pole Vault.

3. 100 yards dash.

4. Shot Put.

5. Mile run.

6. Discus throw.

7. 220 Low hurdles.

8. High jump.

9. 440 yards dash.

10. Broad Jump.

11. 220 yards dash.

12. 880 yards run.

13. 1-mile run.

CLASS B

1. 120 yards high hurdles.

2. Discus throw.

3. 100 yards dash.

4. High jump.

5. Mile run.

6. Pole vault.

7. 50 yards dash.

8. Broad jump.

9. 440 yards dash.

10. Shot put.

11. 220 yards dash.

12. 880 yards run.

13. 1-mile run.

The above events will begin promptly at 1:30 p. m. It will be noted that the

EX-STUDENTS ASSOCIATION BOX SUPPER

Proceeds Heavy

Thursday of last week the Ex-Students Association of the College held a box supper and festival in the College gym for the benefit of the Mary E. Hudspeth Hall. The box supper was preceded by a play given by the department of expression under the direction of Miss Mary Morgan Brown. The production, "The Case of Mrs. Kantsey Know," was greatly pleasing to the crowds who had gathered for the evening's enjoyment. "The Case of Mrs. Kantsey Know" is a slight burlesque on the modern mother and her multitude of outside affairs. Mrs. Know's case and the plight which her many public affairs left her in was amusing and also helpful, in a clever way, to present day mothers.

The box supper was a colorful affair and considerable excitement prevailed during the course of the evening. Games preceded the beautiful girl and clever man contests, which were won by the Cousins and Sesames. Then Mr. R. A. Terrill started into the collection of attractive boxes and proved himself to be a capable auctioneer. Much competition was in evidence and many were the ruses that were played in order to get mademoiselles delicious preparation.

Dr. Pierle soon relieved Mr. Terrill of his strenuous task and Vince Reeves also aided in the selling of the boxes.

Mr. Fronabarger proved himself the gamest sport of the evening when he bid consistently against the hottest competition of the evening. He steadily raised his bids (two and three cents a raise), until the sum mounted high and expensive. This box brought the most money of any sold during the evening.

The Ex-Students Association reports total receipts of over a hundred dollars, which will be placed in the Mary E. Hudspeth Hall fund.

BUFFALOES TO TULIA
TODAY FOR GAME

Open Season With Tulia Independents

The Buffalo baseball team journeys to Tulia this afternoon where they will engage in their first game of the season with the Tulia Independents. Tomorrow the same teams meet here in Buffalo Park.

Coach Burton has not announced the lineup for the Buffaloes, and the fans are not sure themselves who will be in the initial lineup. It is almost certain that Mitchell, veteran first sacker, will hold down the initial bag. There is no doubt but that Lewis Hill will be in the game but just where the coach is going to play him is a mystery. Last year he played at short, but there is some talk of his playing behind the bat. Two letter men, Phillips and Ira Jenkins are holding down the hot corner but which one the coach will play is not known. Nay Hale and Foye Terry are both looking good at second base, but here also is conflict. Another thing that is worrying the fans is who will the coach start in the box.

The game with the Tulia Independents does not open the regular schedule of the Buffaloes, but serves only as a practice game. The regular season opens next Monday when the team journeys to Abilene for a week's visit.

BAYLOR PRESIDENT IN
CHAPEL ADDRESS

Dr. S. P. Brooks occupied the morning chapel services and gave the students some very enlightening facts about present day events. His comments upon international affairs and the government scandal were heartily appreciated.

Dr. Brooks stated that he always felt some delicacy in addressing another man's student body. He makes it a custom to tell his student body what he wishes to relate and says it doesn't matter much whether they like it or not. But he is always desirous of pleasing other student bodies and says that he is somewhat doubtful of his ability. We assure him that we heartily appreciated his brief address to us.

PRESIDENT TO EDUCATION MEET

President Hill went to Austin last week in the interest of educational matters for the school. He returned Sunday.

MR. CLARK IN LUBBOCK

Mr. Wallace R. Clark, head of the music department was in Lubbock the latter part of last week to act as judge in a music contest held there.

LUBBOCK WINS IN
JUDGING CONTEST

Farwell carried off honors in the grain judging and Lubbock won in the poultry judging contests which were held at the West Texas State Teachers College here Friday and Saturday.

The main stock judging contest which included the judging of beef cattle was won by Lubbock and they have the right of permanent ownership of the coveted Keiser cup. Farwell won the grain judging contests the first day and Lubbock the poultry judging contest.

The result by towns in the grain judging contest were: Farwell, first, 1162 points; Farwell circuit school district 10, second, 1085 points; Olton, third, 981 points; Lubbock, fourth, 970 points; and Bovina, fifth with 935 points.

The individual places were as follows: Ogden King, Farwell, first; L. von Johnson, Farwell, second; L. Martin, Farwell, third; Owen Roberson, Farwell, circuit district No. 10, fourth; Ike Walton, Olton, fifth.

In the poultry judging contest Lubbock was first; Miami, second; Canyon vocational school, third; Muleshoe, fourth; and Littlefield, fifth.

Individual honors in this contest were: Will Hart, Lubbock, first; Frank Kelly, Miami, second; Roy Hunt, Lubbock, third; Eugene Kistler, Muleshoe, fourth; and Orval Burroughs, Lubbock, fifth.

The Lubbock team has a lead over the Panhandle team by a 54 point margin. Lubbock's total score was 1359; Panhandle 1305; Tahoka 1268; Kress 1258; Miami 1257; Tulia 1245; Silverton and Canyon 1239; Muleshoe 1215; Littlefield 1204; L. Y. Ranch school 1192.

A barbecue supper was given for the visitors by the Canyon Chamber of Commerce, which was followed by a concert by the College band. Talks were made by T. O. Walton, of Texas A. & M.; C. E. Evans; and Fred Hale, of the Santa Fe Agriculture department.

SIXTY BUFFALOES AND THEIR GIRLS

ATTEND ANNUAL "T" CLUB BANQUET

The Buffaloes have gone on stampedes before but rarely have they ever derived so much enjoyment from such an occurrence as they did at the last "T" Club Banquet, held at Cousins Hall, April 2.

Each "T" man was there with his rosy smile and his lady friend and thoroughly enjoyed President Dan F. Sanders' command to "eat." The Cousins Hall dining room was dressed for the occasion and the eats were prepared with an eye to the satisfaction of a hungry herd; you can judge for yourself whether or not they fitted the occasion.

Menu
Fruit Cocktail
Chicken Loaf
Canned Asparagus
Caramelized Sweet Potatoes
Ripe Olives
Celery
Butter
Clover Leaf Rolls
Cranberry Sauce
Consins Hall Special Salad
Bread and Butter Folds
Apricot Sherbet
Angel Food
Coffee
Mints

When everything in sight had been eaten, Toastmaster W. E. Lockhart rose laboriously and told what a good toastmaster he was, and congratulated the program committee for selecting him for that honored position. He introduced the speakers of the evening. Mr. Dan F. Sanders, president of the "T" Club was the first man to talk. He spoke on "Why We are Here." He pointed out that the "T" Club was an organization that everyone would be proud to belong to. "The reason we are here tonight is to eat, to associate with our fellow men, and enjoy the fellowship of our friends," said Mr. Sanders.

Miss Stella Rusk spoke next on a subject that the boys heartily appreciated. "To the Boys," she called it and every man there felt better after she had finished speaking. She pledged the hearty support of the girls to every battle of the Buffaloes. The Boys think that will be almost help enough.

Grady Barson, captain-elect of the football team of '24, spoke on "Our Team," a subject which Grady should know pretty well, considering the fact that he has been a good part of it for a couple of years. Grady was introduced as the man who would lead the Buffaloes to their first T. I. A. A. Championship and he said he was going to plowship and he said he was going to do his "darndest" to fulfill expectations. He said the Buffaloes had the stuff and "are going to strut it."

The "T" Club plans bigger and better times (if possible) for the future.

See "Her Temporary Husband," Wednesday and Thursday, Olympic, "Little Old New York," Friday and Saturday.

CLASS TOURNAMENT IN
TENNIS PLAYED

Sophomores are Winners

Merle Jenkins, representing the Sophomore Class, is hailed as the champion tennis singles player of the institution. Those making the semi-finals of the interclass matches were: Herschel Jennings, Freshman; Meryle Jenkins, Sophomore; Oteho, Herm. Junior; and Joe Lancaster, Senior.

The semi-finals elimination match left Jenkins and Herm to play off the finals for championship honors. Jenkins won, giving the Sophomores the honor. Much of the match was played in bad weather and both men were hindered considerably by the high wind. Little tennis playing of the stellar type was seen on the courts but the playing is remarkably good considering the very short time the men have had for work outs.

The doubles match has not been played due to the bad weather. The preliminaries left the Juniors and Sophomores to fight out the issue in the finals.

Six courts have been worked over and more work is under way, thus providing what the tennis sharks have long prayed for. Ample room will be available for all aspirants to tennis honors or to exercise. This improvement is one that has been neglected for several months but the work being done now assures first class courts in a few days.

Intercollegiate Try-Outs to be Held

The try-outs for the Intercollegiate tennis team has been announced by Coach O. R. Willett, and will be played off the first of this week if weather conditions permit. Those who have drawn for places so far are: Herm and Jenkins, McCarty and McCarty, McClure and Younger. There will be others who will draw soon.

The first intercollegiate tennis meet will be with Roswell Military Institute. The match will take place the 18 of April, at Roswell. This will be a good bit of experience for the harder and more important games down state.

CHRISTIAN ENDEAVOR MEETING
ATTENDED BY LARGE CROWDHINKLE TO MEETING
OF T. I. P. A.DELEGATE FROM LOCAL PRESS
CLUB

Olin E. Hinkle left Monday for Dallas where he will attend the T. I. P. A. conference as a representative of the College. Hinkle goes as a delegate from the local press club of which he is one of the most active members.

A program of intense interest to students of Journalism is planned. Southern Methodist University of Dallas, who will entertain the meeting April 10-11, is making every possible arrangement for the comfort and enjoyment of her guests. The University Press Club and the executive committee, composed of the voting delegate of each Press Club in the Association, has been assisting the organization officers in planning the activities.

Every college in the Association except Wesley College submitted manuscripts in the journalism contests and will send from one to six delegates to the meeting.

Many Noted Speakers

In bringing Dean Walter Williams of the School of Journalism of Missouri University to the T. I. P. A. convention the Texas journalists are obtaining the services of one of the most experienced teachers of journalism in the United States. Dean Williams is a recognized authority in his field and his presence will mean an added pres to college journalism in Texas. He will deliver two addresses before the convention, and these talks are certain to be valuable.

Mr. Will H. Mays of Texas University, Mr. Guion Griffis Johnson of Baylor College, Leonard Withington of the Ft. Worth Record, John R. Knott and many other prominent figures in the journalistic field, will also be in attendance and help in making the meeting worth while.

Student Speakers

Among the student speakers will be the editors of the Lass-o, Rice Owl, the Baylorian, the Daedalian Monthly, and the magazine of the Texas Woman's College.

Special entertainment will include several informal luncheons, a theatre party, and a ride over the city of Dallas.

Announcement of the winners of the contests will be made at the final session on Friday evening. At this time Dean Williams will make his last address. Election of officers will be made on Friday morning after the bids for the next convention have been made. Most of the officers of the association must be students in the university or college entertaining the convention.

The program will be equally interesting to those doing work for newspapers, magazines, and annuals. It is expected to have a practical influence on the college publications next year.

TRACK TEAM TO ROSWELL THIS WEEK

By Gordon T. Butler

On Friday and Saturday of this week, Coach Burton will take his track team to Roswell to engage in a triangular meet with the New Mexico Military Institute and the New Mexico Aggies. All of his men are in good shape and it seems as if the Buffaloes will carry off a number of the ribbons.

The coach has not issued any statement as to who will make the trip, but it is certain that he will take at least ten men to the meet. There are a number of men for the coach to select from. In the dashes there are Terry, Joe Bob Golden, Roy Golden, Lem Sone and Vaughn. For the distances there are Roy Golden, Head, Butler, Bivins, and Bauer, Bivins, Roy Golden and the Goodwin Twins are working on the shot put, and have been heaving it between thirty-five and forty feet. Mitchell and Fuller are vaulting exceedingly well. Hill and Terry are working on the hurdles. In the high jump, Mitchell, Fuller, and Hill are coming fine, and Harrison, Gerald and Joe Bob Golden are making good progress on the broad jump.

The track team will leave Friday morning in cars and will be ready for the meet on Saturday.

Freshmen! Freshmen! Have you any pep?

"Yes sir, yes sir." Then you'd better watch your step!

Boost for your Prairie, help put it thru. Show you're a Freshman—loyal and true.

PROGRAM PRESENTED
INTERESTING

Next Convention Goes to Tulia

When the Convention of Christian Endeavor closed Sunday night, with the Mizpah circle, and all joined in the singing "Blest Be the Tie That Binds" and "God Be With You Till We Meet Again," everyone present felt the joy of Christian fellowship and the thrill of being linked together in a common tie. The Convention is said to have been the greatest of its kind ever held in the Panhandle district. More than two hundred and fifty were registered and many more came which there was no way of counting.

The addresses throughout the convention were wonderfully inspiring. Mrs. Tom C. Delaney, student secretary of the West Texas State Teachers College gave an address Friday night on "Whatsoever for Others" which was one of the most effective given during the convention. Saturday evening Austin D. Bryan, field secretary, spoke on "The Big Business of Christian Endeavor—The Youth." Mr. Bryan emphasized the fact that training the Youth's aim in Christian Endeavor and stated the real test of any generation is in the lives of the next. Rev. Gordon Lang of the West Texas State Teachers College preached Sunday morning on "I have Commanded You—The Teachings of Jesus," and showed powerfully the intention of Jesus that his teachings should apply to our lives in making the world greater and better. Sunday afternoon Rev. Milo Atkinson spoke on "Whatsoever with My Life." His thoughts as given in this talk are forceful and make a vivid and striking appeal to Endeavors to make their lives serviceable to the Master. Rev. Paul J. Merrill made the final address Sunday night on "Ye are my Friends." Reverend Merrill stressed the sacredness of the word friend and appealed for a closer friendship with man's best friend, Jesus Christ.

CHRISTIAN ENDEAVOR
BANQUET HELD

The Christian Endeavor Convention for Panhandle District began with a four-course banquet, served by the Home Economics girls in the College Dining room, at 5:30 Friday. Thirty Endeavorers, members of the District Council and the Convention Committee, and several convention speakers, were present. Irby Carruth, president of the local society of the First Christian Church, acted as toastmaster. Miss Mattie Swayne, convention chairman and president of the local union, welcomed the visitors. Rev. Gordon Lang, one of the convention speakers, told something of his experience with Christian Endeavor and laid claim to being the oldest Christian Endeavorer present. Miss Mary Adaline Lamb challenged his statement, but conceded when Rev. Lang limited his boast to the plains. Austin D. Bryan, Field Secretary, made one of his humorous and peppy speeches predicting the success of the convention. The good fellowship which is usually manifested at all Christian Endeavor meetings was not lacking on this occasion, and each Endeavorer present proved that he had the true Christian Endeavor spirit.

The Christian Endeavor colors, red and white, were carried out in the banquet. The following guests were served:

Irby Carruth, Austin D. Bryan, Miss Mary Adaline Lamb, Adrian Merrill, Mr. and Mrs. E. K. Hulsey, Miss Hally Hutchinson, Tip Bradford, Dorothy Burrow, Mrs. Delaney, Bettie Rose Kerr, Frankie Kerr, Melvin Walker, Louise Walker, Eva Robertson, Everts Haley, Miss Mattie Swayne, Miss Berta May Looney, Miss Mattie Lee Boyd, Rev. and Mrs. J. M. Peyton, Rev. Solon Johnson, Rev. Gordon Lang, Rev. Poston.

Social Activities at C. E. Convention

The Convention was not lacking in social features by any means. The fun started with a "Get Acquainted Meeting" Friday night and the different societies present performed some interesting and amusing "stunts." Saturday noon fun and fellowship were mixed in the fellowship luncheon with Austin D. Bryan as toastmaster. A lack of a trip to the "Pleasure Park" (Continued on page four)

FRESHMAN EDITION

Editors: Ed Gerald, Chester Day, and Harry Delaney.

Reporters: Elizabeth Shaw, Ples Harper, Lucy Purdy, Margaret Mitchell, Eva Robertson, Ila Mae Hastings, Clement McDonald and Louise Walker.

Perhaps some people are surprised at the absence of the expected "slime" stuff in the Freshman edition of The Prairie. Why they would expect such "ignoble" literature is a question we would like to hear answered. We display the natural Freshman ignorance in the general production of the paper. "Slime" stuff would only add to this impression—one reason why we leave it out.

But have you, who have passed the Freshman stage in college, forgotten the real Freshman spirit. Have you forgotten the fact that it is not from the Freshman, but from the upper classes, that most all friction radiates. It is the Freshman's earnest desire to make good, to imitate the good and to approach as quickly as possible the maximum state of efficiency that gives the Freshmen the world over their "peculiarities."

We know one thing that should be done, but as usual we don't know how. When a Freshman comes to this school he is half a year getting into the college life and interpreting the college spirit. Some take even longer than that, and a few secluded souls never get into the heart of activities at all. But taking the average six months is sufficient for a new student to become interested in our college enough to put forth some effort for its good. During that six months the multitude of college activities which demand that Freshmen take part in them are over and there is complaint of lack of co-operation from the Freshmen. The pity of the thing is that there is a lack of co-operation. But don't blame the Freshman. They don't realize yet that there is anything worth helping, they haven't warmed with the love for their Alma Mater that would enable them to co-operate whole heartedly in the student affairs of the school. And why haven't they? Is it their fault? No, it is not their fault; if they have no encouragement, no enlightenment, no reasons for loving and serving their Alma Mater do you expect them to hunt for reasons themselves? If you do you have a short circuit on the direct power line from your reason to your tongue. Action without impulse is impossible; impulse without reason is equally impossible.

This plea for the Freshmen of next year and the next and the next and on through the years. Teach them the love of your Alma Mater first. Give them something to work for, and give them the opportunity of knowing that their co-operation is worth something to the school instead of feeding them personal benefits with a silver spoon. The greatest impulse in the acting of a student is his love for his Alma Mater, and if the love is created early then the benefits to the college and the student are going to be doubled. Don't leave these new members of the student body groping in the dark, troubled and wondering what all the hullabaloo is about. Do you think you can make them do anything for themselves or their school when they haven't learned to care very much for either one? Give them the chance they deserve and the opportunity our Alma Mater yearns to give them and the magic of the result will indeed be pleasing.

There has been a lot of talk recently about communication with Mars. More or less of this, as personal opinions go, is fanatical and entirely out of the range of possibility. But suppose we were

able to establish intelligent conversation with the people of Mars what would be the questions asked the Martians: perhaps, at first there would be a few trivial ones indeed but soon the one all-absorbing question of Life would be asked. We would want to know how they lived, their ideas of religion and their reasons for so believing. We would want their idea of death, and of life after death, a thing that worries every man to some extent whether he be saint or sinner. There is a cold repulsion from delving in the mysteries of the hereafter. We look into the eyes of a dying man and see there a terrible fear for what is to follow, a fear no doubt instilled because of doubt. But also we see the light of joy, gladness, radiation, as if the human eye reflected from a wonderful land the gladness and welcome thereof. We see an eager yearning to leave this world of ours and to go to the land which the soul of man sees in promise. What causes the difference? That is the eternal enigma of the world. The check upon all human actions, and influence for good. What the Martians would have to say to this question is a matter of imagination.

FROM EAR TO EAR

The latest reports have it that the West Texas State Teachers College band will be in Amarillo to aid in the McAdoo reception this week. Amarillo has tried the college band and knows what it is worth.

Miss Helen B. Burton has returned from her trip in behalf of the educational survey. She reports some interesting facts in connection with her work.

Dr. Pierle was in Friona Saturday on business of the Interscholastic League.

News received from the bedside of Miss Ruth Bloodworth is that her condition is so serious that little hope is held for her recovery. This is sad news for Miss Bloodworth's many friends.

Of the eighty girls who stay at Cousins Hall, thirty-five are Freshmen. Miss Ruth Bartley of Cone, Texas, has been called home to take her father's place, he being away on business. Miss Bartley has been in school only a short time but she has made many good friends and they all extend their best wishes for her success.

Miss Marie Gardner spent the week end at home. She left Saturday and returned today. Her home is at Vigo Park.

Mrs. Ballinger, who teaches at Lubbock, is visiting her sister, Miss Ruth Cooper.

Mrs. E. R. Byrd was called home Sunday, March 30. Her father is in a very critical condition following a stroke of paralysis.

Mr. Wallace R. Clark was in Lubbock last week as a critic in a music contest held by the school there.

President Hill went to Austin last week in the interest of educational matters for the school.

ANTLER-COUSINS CHOOSE GOOD QUESTION FOR DEBATE

The Antler and Cousins Literary societies have settled the matter of a question to be debated in the spring quarter. The Cousins submitted the question: "Resolved that uniform marriage and divorce laws should be passed by the Federal Government." The Antlers choose the affirmative of this question.

The debate is to be held on May 10, and a spirit of intense rivalry is in evidence as the society who wins the debate wins the majority of the year's contests. The Antlers have won the Oration contest and the Cousins the Declamation contest.

COUSINS AND SESAMES HOLD JOINT MEETING

The Cousins and Sesame Literary Societies were entertained in a joint meeting Friday night by Wallace R. Clark, who spoke on the subject, "If I were a Student in W. T. S. T. C. The talk was of the kind that stimulates one to greater interest in society and self, and it was greatly enjoyed by all. The program which centered about Mr. Clark's talk was composed of musical numbers and impromptu readings. The evening's entertainment was closed by a talk by Bill Falls, who is a member of the Cousins society. Mr. Falls gave those of inexperience an idea of how and what one feels when he is out in the world for himself.

A plan for society activities has been made by both Cousins and Sesames for Spring quarter activities, including the winning of the Intersociety debate. Previously made plans of activities will be followed strictly.

—Reporter.

ANTLER LITERARY SOCIETY

Arnett Moreland will entertain the Antler's on Friday evening of this week. All Antlers will enjoy to the utmost this delightful treat.

See "Her Temporary Husband," Wednesday and Thursday, Olympic, "Little Old New York," Friday and Saturday.

SPORT TIPS

By Gordon T. Butler

I guess I lied a little when I said the T. I. A. A. record for the javelin was one hundred and sixty-three feet. It was 152 feet, 7 inches. Sounds better, especially when Boatright has been beating that every once in a while.

Coach Burton says there is a possibility of the Buffaloes breaking two of the T. I. A. A. records this year. With Mitchell and Fuller vaulting over 11 feet daily and Boatright tossing the javelin 153 feet, it looks as if he was right.

The Buffaloes open the baseball season Tuesday when they meet the Tulsa Independents at Tulsa. The next day they play here in Buffalo Park and the students and town people will be able to gain some idea of what the team will be like this year.

I still believe that the bunch will be a hard hitting aggregation this season. They have almost got to be with no pitchers of college experience on hand.

But who can tell? We may have a "dark horse" amongst us in the way of pitchers. If we have, he sure will gain a place in the hearts of the fans.

They say that "Heavy" Johnson of Buffalo football and baseball fame is with the Tulsa Independents. Bring on the Independents.

However, "Heavy" is liable to pull the same stunt that he pulled against Simmons last year. He knocked the first home run of the season by polling one over the left field fence.

Herm and Jenkins sure did clean up on the tennis courts last Friday. They took three sets from the boys in rapid succession. They had some difficulty in handling Jennings and McClure in the first set, but after they got started, it seemed easy for them.

If the combination of Herm-Jenkins works next Friday like it did last Friday, those boys sure will bring home the dipper. They work fast and snappy.

ANTLERS AND ELAPHEANS HOLD JOINT MEETING

Last Friday night at 7:30 the Elapheans and Antlers held their first joint meeting of the quarter and had a wonderful time. Following an interesting musical program those gathered were told the old, old story of the Antler-Elaphean Organization and every Antler and Elaphean realized that there was a great deal more to their societies than they had ever known before.

Irby Carruth, Jimmie Webb, and Dan Sanders—all Antlers good and true, told of their early days as Antlers and passed on the inspiration and love they had in their hearts for the Antlers and Elapheans.

The Antlers will be entertained next Friday night by Arnett Moreland.

The Elapheans will hold their regular-planned program.

Y. W. C. A. REPORT

Girls, you missed something when you failed to attend Y. W. C. A. Wednesday.

The message was brought in that sweet, impressive way that Mrs. Delaney has, and it was thoroughly appreciated by everyone. Mrs. Delaney's subject was, "The House of Comradeship," was of deepest interest to every Y. W. C. A. member.

The speaker compared this House to the building of the common residence of today. First, there must be guide posts which take the form in the house of "Comradeship" of Friendliness, Togetherness and Service. The foundation stones must be of Love. The building stones are Sincerity, Loyalty, Trust, Service, Joy, Understanding, Sympathy, Encouragement and Enlargement of self. Come next time, Y. W. C. A. There is satisfaction in this great work.

Y. W. C. A. PROGRAM

COLLEGE BAND ACTIVE IN PLAINS ENTERTAINMENT

The present college band was organized at the beginning of the fall quarter under the direction of Mr. C. E. Strain. The band at that time had twenty-five pieces. After much hard work and ardent effort on the part of Mr. Strain this band has become one of the best in this section of the state and is an organization which reflects great credit on the college. The band is looked upon by many as the best unit in the college. It has grown to thirty-seven members and the appreciation shown by audiences is testimony of its popularity. The duties of the band consists in adding pep to athletic events, which they have done very creditably on all occasions, even though the conditions were not always the most favorable.

The most valuable service the band has rendered is the general advertising it brings to the college. The band has made numerous trips at the invitation of various organizations and its work has been highly praised and the college lauded for its excellent music department. Recently the band entertained Amarillo and her visitors for her stock show, and drew hearty congratulations from the crowds.

The band is a training school for band men of this section. Many men have taken advantage of the opportunity offered for finished training in band work and the music department has put out many competent directors of other musical organization.

The College band is booked for several concerts at points over the Panhandle in the spring. The opportunity thus offered is not only a fitting tribute to the popularity of the band as an entertainment feature, but will be something of a reward to its members for its diligent work in preparation for the service they are now giving.

The College is contemplating entering the band in the West Texas Chamber of Commerce band contest in May. In making this trip the band will cover a large portion of West Texas on an advertising tour for the college. The value of this project can not be valued too highly, for a people appreciate nothing more highly about a school than a finished and competent musical organization. A concert tour of the West would certainly attract people to the College and when they witness the performance of the band they know the quality of work done at the West Texas State Teachers College is as high as the educational standards of any school of its kind, and that their attendance here will be of great value to them.

We are for the band good and strong. The real value of a musical organization is rarely ever fully realized. We think the college should give a larger place in its activities for the College band. Certainly no organization works more ardently or more regularly than the College band. And very few organizations in school are capable of doing the school the good the band is capable of doing if only given a chance.

EPWORTH LEAGUE HAS COUNCIL MEETING

The members of the Epworth League Council met last Monday night at the home of Mrs. T. C. Delaney for their monthly conference. The meeting was a lively one and all important business of the League was discussed and plans made for work in the future. The members of this council are planning to build up a great League that will be a credit to the new church, but without earnest co-operation the efforts can not be a success. So, all Methodists are cordially invited to attend and visitors are especially invited. Let's continue to improve the League and we can do it if we have the help of every person.

HILDAH BIGGERS GIVES PLEASING PIANO RECITAL

A very pleasing piano recital was given by the Department of Music, under the direction of Miss Hazel Allen, last Thursday afternoon. Miss Hildah Biggers appeared in a varied program of piano compositions. Miss Biggers is a graduate of Canyon High School, class of '23, and shows much promise in the field of music. Her fellow freshmen wish her luck.

Miss Biggers was assisted by Mr. A very pleasing piano recital was

HITHER AND YON WITH THE
EX-STUDENTS

While L. D. Borden, Chief Supervisor of Rural Schools, was in Hall County, he complimented especially three of Hall County's schools.

Gammage, about seven miles southeast of Memphis, has in the last year changed from a dilapidated, old time frame structure, to a new, modernly equipped, substantial, two-room brick building. Under the able guidance of the interested trustees, with the help of the community and the efforts of the teachers, Boone Horne and Carl Rose, the school has progressed. They have an up-to-date sufficient library, maps, charts, magazines and like material—things that are indispensable in a happy school.

The teachers are following the State Course of Study. They use note-book work and try in every way to keep abreast with other progressive schools. Mr. Borden said that he had never seen such growth before.

Weatherly, about fifteen miles west of Estelline, is one of the newest school districts in the county, having been established about five years. The first building was a small, one-room concrete building. Now they have a three-teacher capacity, modern brick building. The teachers, Mr. and Mrs. W. H. Platt, are progressive and hard working. They are "sold to their school." They teach the regular day school, in which they have three married pupils enrolled, and three nights a week they teach a night school for the older people. They teach manual training, canning, drawing and painting, typewriting, and many other things not required by law. The Geography classes have corresponded with classes all over the world, learning their customs and trading Hall County products for products of other sections. They now have on exhibit in their school, wheat from Canada, rice from North Carolina, silk from Japan, and numerous other things. Recently they have joined a Poultry Club and have ordered about 1000 baby chicks.

The pupils are interested, easily controlled and glad to attend school. They realize that they are being taught, not dry books because the teacher must earn his salary, but how to really meet life.

Boone Horne, and Mr. and Mrs. Platt will be remembered as ex-students of the college.

Mr. and Mrs. J. C. Hale and daughter visited the college last Friday. Mr. Hale graduated from the college in 1914. Mr. and Mrs. Hale live at Tulla.

Harry Chenoweth, who is ranching near Panhandle, attended the Stock-Judging Contest here Friday and Saturday.

Wayne O'Keefe, a former student was a member of the Panhandle stock judging team here Friday and Saturday. Otto Dinwiddie is coach of the Panhandle team.

Mrs. Ballinger of the Lubbock schools, Mrs. E. K. Hulsey, and Miss Hazel Cantrell of Tulla, are visiting here this week end.

Among the ex-students who are planning to attend the summer sessions are: Miss Nona Tenney, who is teaching at Brandon, Texas; Mr. James Metcalf, who teaches at Lamesa, Miss Jimmie Knox, who also teaches at Lamesa, Miss Treasure Tenney, who is teaching at Atlanta, Texas.

William T. Falls is spending the week end at the College. He has been keeping in practice on the Corridor Course, it seems, or else he is a genius at the thing.

Miss Margaret Guenther, who is teaching in the Sul Ross State Teachers College, Alpine, Texas, reports that she and other members of the faculty are going on a concert tour, which will last for several days. The party is being furnished a private car for their use while on the tour.

The Teacher Placing Committee is constantly having calls for teachers, and if ex-students wishing positions would keep in touch with the Committee they would find it easier to secure places.

Mrs. Myrtle Curry (McGinley) who was formerly assistant librarian of the College is teaching at Miles, Texas. Mr. and Mrs. Curry have purchased a residence in Sweetwater and will make it their home after June 1.

Miss Lena Malone, is spending the week end with her aunt, Miss Tennessee Malone. Miss Malone attended the college here in 1914. She is now teaching science in the Lockney High school.

Miss Estelle Walter, who is now teaching at Pharr, Texas, is planning to return to school here this summer.

Mrs. Ethel Michael, (Miss Ethel Root) is visiting her parents, Mr. and Mrs. Root, who live east of Canyon. Mrs. Michael is teaching in the public schools of Floydada, Texas.

Mrs. Roy Gurbric, formerly Miss Elsie Bass, an ex-student of the College, is making an enviable record as County Superintendent of Hall County. She has served the county well and is a candidate for re-election.

Miss Cleo Jones, a student of the College in 1920, is teaching in the town of Mico in Old Mexico.

BUFFALO DESTROYED
BY FIRE WEDNESDAY

POPULAR STUDENT RESORT

The cordial call, "Let's go to the Buffalo" will be heard no more on the campus for a while at least, for that favorite resort of the students has had its last visitor, and it was fire. The bare wooden shell of the building is all that is left standing. The stock is a total loss.

According to the owners, Tom Knighton and Ray Campbell, the stock was only partially covered by insurance. No explanation of the fire's origin has been made. The owners have announced no plans for re-entering business.

COLLEGE TEAM IN TENNIS
DOUBLES SELECTED FRIDAY

Otello P. Herm of Snyder, Texas, and Merle Jenkins of Canyon, will represent the College in the tennis doubles as a result of the tournament that was held on the College courts last Friday. In the final games of the series, they defeated the McCarty brothers in two fast sets, 6-1 and 6-3.

In the opening games of the tournament, Jenkins and Herm sent Jennings of Tulla and McClure of Canyon to the showers by beating them in three sets, 4-6, 6-4, 6-2. Smith and Younger forfeited their contest to the McCarty brothers, Willie and Gordon, due to the fact that Younger was not present. In the finals between Jenkins-Herm against the McCarty brothers, the former easily defeated the brothers.

As a result of their victories, Jenkins and Herm will represent the College at the meet to be held at Roswell on Friday of this week. The skill that was shown by these players in the tournament almost assure them victory.

"WHAT A PRESIDENT YOU HAVE"

"What a President you have," remarked a visitor to the college the other day, after Mr. Hill had given a kindly warning against student misconduct. "If you young fellows just take him for your example in life you needn't worry about Character, or Reputation or anything else that bothers the weak and the uneducated. The power of his language and the truth of his advice is certainly worth listening to."

We think the visitor was right. President Hill's influence over the student body is remarkable for its fairness and goodness. We are indeed fortunate to have such a man at the head of our school.

REVEREND J. E. SKINNER
ADDRESSES STUDENTS

Reverend J. E. Skinner, who is conducting the Baptist Revival Meeting brought a great message to the student body in his two appearances in chapel last week. His short, vivid and interesting sermons were heartily accepted by the students and much good done by his brief but powerful talks.

While night watchman Adams was fighting the Buffalo fire last week some ambitious burglars carried away the cash register from the Palace Hotel office. The thieves carried the register into an alley two blocks away and opened it. Their reward was sixty cents in stamps and an ownerless ring. If those burglars are superstitious, just this tip: Don't write your girls a letter and use the stolen stamps for postage. Unpleasant things might happen.

T. I. A. A. TRACK AND FIELD RECORDS

Of the T. I. A. A. records given below, three were made last year at the meet at Georgetown, the high jump, the discus, and the javelin, being raised to the new marks at that meet. The Buffaloes did fair to raise several of these marks especially in the discus and javelin throwing. Most of the records shown below were made several years ago when the University of Texas, Texas A. & M., and several other present members of the Southwestern Conference were members of the T. I. A. A. Practically all of the dash records were made by those past members.

100 yard dash—9 4-5 seconds.
220 yard dash—21 4-5 seconds.
440 yard dash—50 4-5 seconds.
Half mile run—2 min. 4 1-5 sec.
Mile run—4 min. 45 sec.
Five mile run—23 min. 36 sec.
120 high hurdles—15 1-5 seconds.
220 low hurdles—25 1-5 seconds.
Pole vault—11 ft. 3 1-8 in.
High jump—5 ft. 11 1-2 in.
Broad jump—22 ft. 1 in.
Shot put—42 ft. 4 in.
Discus—134 ft. 7 3-4 in.
Javelin—152 ft. 7 in.

ATTENDANCE INCREASE SHOWN BY REGISTRAR'S REPORT

The Registrar's office reports twenty-three new students, who have entered the third quarter. This brings the total attendance in all departments up to nine hundred forty-six. West Texas State Teachers College is growing rapidly and every new student means that its influence is spreading. The growth of the school is testimony of its increased popularity, and also of its increased value to the territory which it serves.

OLD DAYS IN SHACKS RECALLED BY PICTURE

A picture of great interest has appeared on the bulletin boards of the college. It is a photo of the College faculty as it was during the period of reconstruction. Classes were held at this time in two huge wooden shacks.

Many members of the present faculty are easily recognizable. Mr. R. L. Marquis, president of Denton Teachers College, and Mr. H. W. Morelock, now head of Sul Ross College at Alpine, and President Hill of W. T. S. T. C., who was then head of the department of History, are easily recognizable. "It has not been so long ago," these people protest. But the clothing styles show that both the clothes and the wearers have changed considerably since those eventful days of long ago. Others who are still connected with our school are: Travis Shaw, Dean L. G. Allen, then head of the Mathematics department, Miss Mary A. Lamb, Mr. Gneither, Mr. Terrill, Mr. Shirley, Miss Hindspeth, Mr. Stafford and Miss Jennie C. Ritchie.

Perhaps if any of these people were inclined to talk they might tell of many things dear to the lovers of W. T. S. T. C. Those were the days of trial and not a little privation and hardship, even though the soothing hand of time has eased the sting of memory. If we of the new and great W. T. S. T. C. knew exactly to what extent we owe the growth of our school to these men and women good and true we would pay them a more reverent tribute than we do now. The ideals which radiate from our school have been created by these hands so worthy of the trust and these are the hands which have carried the burden of their acceptance to the present day. They think themselves well rewarded for their efforts, but we who are reaping the benefits of their long labors know that it is but another evidence of their devotion to the school which they have built. True, the many plans which they have fostered are now in general use in numbers of the colleges of the state, and too the entire Panhandle of Texas has felt the wonder of their influence through teachers of their training. And the most wonderful part of it all is that these people are just in the midst of their service to the Youth of the Plains. Many years will pass before they will cease their active work in their glorious cause, and time itself will never wipe away the memory of the good they have wrought.

Y. W. C. A. MEETING

Those present at the Y. W. C. A. meeting Wednesday afternoon enjoyed an interesting program. Frankie Kerr played a piano solo as the prelude after which the association sang "I Love to Tell the Story." Emma Lou McKinney conducted the devotional services using for the subject "Fellowship."

Annie Williams gave the address of the afternoon, in an especially interesting manner on "Universal Fellowship." This was followed by a duet, "Give Your Best to the Master," sung by Mrs. Hill and Mrs. Delaney.

After a song by the association we were dismissed with a prayer by Ha Mae Hastings.

Girls, make an effort to be present at these meetings—you are missing real treats and the fellowship is delightful.

PLANS DEVELOPED FOR THE INTERSCHOLASTIC LEAGUE

(Continued from page one)
order of events is that prescribed by the constitution and rules, except that the field events alternate with the track contests. This is done to enable the contestants to rest between the most strenuous events. Two or more contests will be conducted at the same time, and it is hoped that all events will be finished by 4:30 p. m.

Finals in Boys' Debate, College Auditorium, 7:30 p. m.
Finals in Senior Declamations, all classes, 8:30 p. m.

Announcements of winners in all contests and presentation of cups and medals.

Music by the College Orchestra.

Board and Room

Prof. T. M. Moore is chairman of the Committee on Boarding Places. He will maintain an office in the front hall of the College building and will have a list of places to recommend. It is hoped that many people in Canyon will open their homes to the visiting boys and girls from the schools of the Panhandle. We recommend that bed and breakfast be furnished in such homes for \$1.00 per person per night, and that the visitors can secure meals in the restaurants and boarding houses at regular prices.

Mrs. Delaney and a committee of Young Women's Christian Association girls will serve as an information bureau. They will be glad to answer all questions and direct the visitors to the different contests.

Contestants should arrive in Canyon as early as possible Friday morning in order to register and pay fees before the general assembly at 11:00 o'clock.

There will be no Music Memory Contest this year.

General admission will be 25c to each event, or a season ticket may be bought for 50c which will admit the holder to any and all events.

The District Officers are:

W. E. Lockhart, Director General.
D. A. Shirley, Director of Athletics.
F. E. Savage, Director of Declamations.

Miss Mary Morgan Brown, Director of Debates.

Miss Jennie C. Ritchie, Director of Essay Writing.

See "Her Temporary Husband," Wednesday and Thursday, Olympic. "Little Old New York," Friday and Saturday.

MR. A. FRESHMAN ATTAINS PROMINENCE AS INTERPRETER OF LIFE

MR. A. FRESHMAN, WHOSE BOOK "NEVER PUBLISHED" HAS ATTRACTED MORE COMMENT OF THE UNFAVORABLE KIND THAN ANY OTHER WORK OF LITERATURE (MAYBE ITS LITERATURE) ON THE AMERICAN MARKET, IS A BUDDING YOUNG AUTHOR AND SAND LOT POLITICIAN. BELOW ARE SOME PRESS COMMENTS ON HIS BOOK "NEVER PUBLISHED" FROM WHICH THE POEM "GALES" WAS TAKEN.

"Mr. Freshman, whose book, 'Never Published,' lies before us in manuscript form, will attract national attention as soon as the author is able to find a publisher who is a sucker. The book will be welcomed by the American Housewives as it will make a fine gift to the Literary Beggars who are pestering them these days with requests for literature. The budding authors of the next generation will also be interested because 'Never Published' will show them what good writing is not."
—New York Behind-Times.

Another prominent paper of the North comments on the work as follows:

"Mr. Freshman's book, 'Never Published,' from which the poem 'Gales' was copied, has filled a long felt need of the great American Public Wastebasket. We hope that all writers of Mr. Freshman's type call their books 'never published' because if they were they (the author's) would be imprisoned for vagrancy. We hope, however, if the book is published that it will make good fires as the Hired Hand has figured it out to infinity by Spherical Arithmetic that we will be out of kindling about the time it is due to be published. (Infinity)."
—Star Telewoman, Fort Worthless, Texas.

GALES

By A. Freshman

Out of the West,
The Roaring winds do blow.
In angry gust of swirling dust
That tries our patience sore.

But where is he,
Who living would be content,
If earth's face was always fair
And the winds did never blow?

When Nature's beauty is covered thus
With raging clouds of choking dust,
She is, under the stifling gale
Preparing the verdant summer vale.

Is there a man who would rejoice
If nature never changed her voice
And the summer sun did always shine?

If such there be,
He is the one who seeks
The sheltered life apart,
And is content to come and go
The same old path forlorn,
And cares not a whit whether
He stand or sit, so long as the
Weekly pay prepares the way to
See the movies once a week and
Pay the bills to eat and sleep;

The seasons of Life:
Of smiling sun and darkening cloud,
Of tearing wails of roaring winds;
Bring us sorrow that the sun's
Bright rays may be always cheering!

Blow on, you angry gales!
Soon tomorrow's sun will shine
And vanquish all your ghastly fears!
And so it is in life, dear One,
Today's tears a plant will nourish,
Tomorrow's flowers will blossom fair
And drive away the winds of care!

CHRISTIAN ENDEAVOR MEETING IS WELL ATTENDED

(Continued from page one)
with a camp fire weenie roast took place Saturday afternoon.

Officers Elected

Saturday evening the following officers were elected for the next year:

President—Hally Hutchinson, Tulia.
First Vice President—Winnie Mae Word, Amarillo.
Second Vice President—Mrs. E. K. Hulsey, Tulia.

Treasurer—Adrian Merrill, Lubbock.
Intermediate—Ruth Bullock, Plainview.

Life Work Recruit—Mrs. J. J. Peyton, Friona.

Truth Legion—Esther Fogarty, Canyon.

Leadership Training—Mrs. Josephine Ballinger, Lubbock.

Service—Margaret Reeves, Friona.

Missionary—Frances Nesbitt, Plainview.

Quiet Hour—Louise Walker.

Press—Ruth Blackburn.

Social Superintendent—Edith Burman, Post.

Alumni—Mrs. C. E. Strain, Canyon.

Pastor Counselor—Rev. John M. Peyton, Friona.

Evangelistic Committee—Otto Olson, Hereford.

Junior Supt.—Mrs. A. A. Holland.

The attendance pennant was awarded to Plainview, and the registration pennant to Friona. Tulia won over Amarillo for the next convention.

C. E. UNION HOLD RALLY

The local Christian Endeavor Union, made up of the Christian Endeavor Societies from both the Presbyterian and Christian churches held a pre-convention rally at the Presbyterian Church Sunday night, March 30. The program was inspirational in nature and aimed to set before all departments the general plans for the convention.

A lively song service of convention rally songs opened the program. Following the devotional lesson a number of short inspirational talks were made by members of the Union and by interested lay leaders on the various phases of the convention work.

The program created a marked degree of interest and enthusiasm, and a splendid spirit of co-operation was manifested in all departments.

I know a man who has a cat
At night things come his way.
That cat sits high upon the fence
And fuses till the dawn of day.
