CO-OPERATION OF TOWN AND W. T. IS SHOWN

COMMERCIAL BODY SPENDS MONEY WITH W. T.

Close Relation of College and Town is Shown in Annual Report; Officers Elected.

With the meeting and annual election and report of the Canyon Chamber of Commerce last Monday evening, some interesting facts in regard to the work which Chamber of Commerce does for the town and for the College were brought to light.

Out of a total expenditure of approximately \$2,775.00 during the past year by the Canyon Chamber of Commerce, more than \$2,000.00 was spent in co-operation with the college. In addition to this amount, the commercial body is pledged to pay \$300 to complete the band stand now being erected on the square and which will be used by the College Band.

Sums spent in co-operation with the College during the past year include the following: transportation of students to picnics, \$29.50; expense of band on trips, \$111; expenses of field secretary representing College and town, \$706.73; Interscholastic League expenses, \$205; Teachers Institute, \$200; advertising College in newspapers, \$720.69; stationery, postage, etc., approximately \$68.

Calves Whip Vega With 6 to 0 Score

Consistent playing by the Calves gave them a victory over the erratic team of Vega here last Friday. The Calves showed better spirit and form throughout the game. The score was 6 to 0.

Following the leadership of John Johnson, the Calves fought it out with a team that had good material but was unable to gain when the gain was needed. In the center of the field the two teams were evenly matched, yet when the goal of the Calves was threatened the Calves changed into a brick wall. Johnson and C. Dorris were the leaders of the Calves in both defense and offense.

The Vega team drew one penalty of five yards, for off side, the Calves drew none.

In the last half Vega settled down and played good ball, making five first downs to five for the Calves. The Vega team attempted eight passes, three completed, one intercepted, and four incomplete. Canyon attempted five and completed only two.

Stagg and Ivy led for the Vega team in the offensive work. Both of these men were able to gain when they had a chance, but their team failed to give them any holes to get through. Stagg broke thru for a thirty yard run only to fall before he reached his goal.

The counter came in the first quarter when Dorris tore through the line and went fifty yards for a touchdown.

W. A. A. NOTICE

Stunts are Chapel Feature Saturday

The Home Coming chapel program given in honor of the ex-students last Saturday, was composed of skits presented by the different organizations within the college, and was one of the most enjoyable of the year.

To a large group of ex-students, President Hill gave his cordial "Welcome Home!" The ex-students association was represented by Herschel Coffee, who played "The Old Refrain," accompanied by Tate Fry at the piano. Next entered two Red Men carrying a placard on which was printed a welcome to the exes. A singing given by the Y. W. was enjoyed greatly, as was the Out-of-State Club's stunt, in which students from each state comprised a family, one family bringing the baby, Marie Stalcup, in a buggy.

The Cousins-Sesame Literary Society present a play with a unique ending, and the Home Economics Club showed the rise and fall of the periodic costume, from old Greek to the present day. The stunts given by the girls of the Womens' Athletic Association in tumbling and pyramid building were received.

As ludicrous climax, the Antler-Elaphian Literary Society gave a skit entitled, "The Goat Who Flagged the Train."

Bishop Seaman is Feature of Chapel

"Are you thinking for yourself? If so, with whom does your thought line up?" asked Bishop Seaman of the Episcopal Church of Amarillo in an address delivered before the students in assembly Tuesday morning.

According to the speaker, it is of great importance that men and women should think for themselves, but it is of equal importance that they should often stop and ask themselves the question, "Like whom and with whom am I thinking?"

The speaker urged that everyone decide where he stands on problems connected with the home, philosophy, politics and other vital issues. The Bishop stated that if people will do this they will find themselves obtaining new ideas and drawing new conclusions.

Miss Annie Mae Freeman is teaching at Knox City. She has enrolled for a correspondence course in mathematics and is sending in lessons regularly.

Earl Lewis of White Deer was a business caller here Saturday. He graduated from the College last year.

Miss Richardson Again Appointed N.E.A. Committee

Miss M. Moss Richardson of the department of English in W. T. has been selected as a member of the committee on ethics of the National Education Association of which Miss Cornelia Adair is president.

This committee is considered one of the most fundamentally important of the association, which seeks to formulate a code of ethics which will be as binding upon the members of the teaching profession as that which the medical or law professions impose upon themselves.

Miss Richardson is well known throughout Texas for her activities with club women and with the work of the church to which she belongs, as well as through her work as a college instructor.

Baptist Students Attend Convention

Many Ex-Students Are Seen by Baptist Delegates to Convention at Dallas.

Twenty students of W. T. represented the College at the State Baptist Students' Convention held in Dallas from October 21 to the 23. Almost every college in Texas was represented at the meeting, there being some twelve or fourteen hundred students present.

The group from Canyon saw many ex-students of W. T. while on the trip. At Breckenridge they saw Mason Anderson, president of last year's Junior Class. At Snyder, Elva Lemons and Fay Morgan were met. At the convention, Johnnie Christian, Cleo Jones, Paul Stewart, Bryant Baker, David Blankenship, Edward Garrett, Mabel Reeves, and Andrew Allen, all ex-students of W. T., were seen. Andrew Allen was elected president of the convention for the coming year. The next meeting will be with Simmons University in Abilene.

Such persons as Dr. Craig, Robert H. Coleman, Dr. W. Bassett, Frank Leavell, Dr. H. E. Dana, Dr. Venting, Dr. Holcomb, and Dr. George Truett, made the program. "The Adequate Christ," helpful and inspirational to all who attended the services.

Yearling-Bulldog Game Here Friday

W. T. Yearlings and Clarendon College Bulldogs will clash again next Friday afternoon in Buffalo Park. This game promises to be a good one, as the two teams battled to a scoreless tie two weeks ago. Everyone should be out and back the Yearlings, the bunch that makes the Buffaloes what they are.

The Yearlings outplayed the Bulldogs when they met at the Donley County Fair, making 25 first downs to Clarendon's 3. Haley and Marrs, two of the regulars in the Yearling line-up may be out due to new eligibility rules.

The teams are made up of real scrappers and some real football will be played. Everyone is urged to be out to the game.

Many Professional Men to Speak Here

Every effort is made by the administrators of West Texas State Teachers College to bring students into touch with as many phases of life as possible while carrying on their college work.

To this end, J. E. Hill, widely experienced lumber dealer of the Panhandle, Judge Henry S. Bishop of the District Court, Bishop E. C. Seaman of the Episcopal Church, Sandy Morris singer of cowboy ballads, R. G. Barnum, oil magnate, L. Gough, president of the Texas Wheat Growers Association, and many others have been invited to speak before the students upon the work in which they are most interested. In this way young men and women who are not decided about their life work are helped to decide intelligently and others come to have a more broadminded view of the work done in occupations and professions other than their own.

Carl Periman furnished the entertainment number at the meeting of the Canyon Chamber of Commerce, last Monday evening.

Deli Carrel of Snyder is visiting her sister, Margaret Carrel.

MANY PERSONS HELP HISTORY GROUP AT W. T.

INFORMATION COMES FROM OVER ENTIRE REGION.

Newspapers, Manuscripts and Relics are Contributed to Help Preserve History.

Citizens of the entire region are interested in the work of the Panhandle-Plains Historical Society. At a recent meeting at Plainview, five different persons asked about the work of the Society and told where material could be had. This was at a gathering which had nothing to do with the work of the society.

At the last meeting of the Panhandle Pen Women at Amarillo, two members of that organization told the secretary of the society where interesting relics might be found.

Almost weekly, officers of the Society are stopped on the street to be told of the existence of newspapers, photographs, letters, or manuscripts of little value to the owners but invaluable to the historian of the region. Recently a man discovered photographs, evidently made many years ago by Indians. These are in a little known canyon in the Western Panhandle. The Historical Society will see that these are copied and photographed if possible, and a careful study made of the surroundings.

Members of the Society are to be found in every county of the Panhandle-Plains region. The president, T. D. Hobart of Pampa, and the field secretary, J. Evetts Haley of Canyon find sympathy with and hearty co-operation in the work of the organization at every turn. Commercial bodies, lawyers, and women's clubs, besides all groups of pioneers of this region, are eager to have a part in recording the present and preserving the past history of one of the most colorful regions in Texas.

Barnett Talks to Frosh at Meeting

Dr. Barnett made a very interesting talk on college activities before the Freshman class at its meeting last Thursday, emphasizing the fact that the things we do outside the class room will be among the dearest memories of college life.

A good representation of the class was present, a number of matters of business being taken up at the meeting. It was voted to purchase "Slime" caps, and an order has already been placed for them.

Freshmen are urged to be out for their class meetings, for in them many important things occur during the year.

Many W. T. Students Go to the Dallas Fair

A number of students of W. T. attended the Dallas Fair last week end, most of them seeing notable football games while gone. One group made up of Patsy Britain, Ben Guill, John Stapleton, Henry Sears and Roy Cheatham, went through in a car, attending the Fair and the game with Kansas University.

Reeves Donnell, Cleveland Jones, Emma Sue Buchanan, Darris Cheyne, Nola and Noel Gollehon, Alva Beach, Lurline Bowman, Mildred Matteson, Edward Adams, Obed Baker, Vira Norman, Stella Hardin, chaperoned by Mr. and Mrs. Riding, and Mr. and Mrs. Key, also drove through in cars.

Ernestine Williams, Jewell Ballard, Geraldine Kretchmar, and Polly Steele, drove to Ft. Worth for the T. C. U.-A. & M. game, and then on to the Fair.

Pauline Wilson and Blanche McDonald also attended the Fair.

WILD CATS GIVE WAY TO HERD IN HOT GRID CLASH

Cats Unscoored on in the Association Until Saturday

CHARGING LINE OF BUFFS SUPREME

Championship Hopes of Cats Blackened by Buff Victory

Before a wildly cheering crowd of students and home coming ex-students of W. T., the Buffaloes rose to supreme heights last Saturday afternoon at Buffalo park, to defeat the Wild Cats of Abilene Christian College, 13 to 6. The Wild Cats had not been scored on this season by a T. I. A. A. team, until the combination of eleven fighting, charging Buffaloes darkened their championship hopes on the local field.

The Buffaloes drew first blood in the first quarter, when Christian filtered through the Wild Cat line for a 15 yard gain deep into the A. C. C. territory. Strain and Crump carrying the ball over for a touchdown on line plunges. The remainder of the first half was scoreless.

The counter of the Wild Cats came in the third quarter through line plunges, and long passes, one from Powell to Colley taking the ball to the Buffalo 25 yard line, and one from Powell to Wortham putting the ball inside the Buffs 10 yard line. Powell carried the ball over tying the score. Neither team kicking goal in trial for point after touchdown.

The winning counter for the Buffaloes came in the last few minutes of the game, Crump passing to Keith who carried the ball for a 25 yard gain, the longest of the day. Keith being downed on his 7 yard line, Crump carried the ball over for a touchdown on the following play, and kicked goal for the extra point, bringing the score to 13 to 6 in favor of the Buffaloes.

The Buffaloes made 7 first downs to the 11 of the Wild Cats. Out of 16 attempted passes, the Cats completed 7 for a total of 70 yards, 2 were intercepted, and 9 were incomplete. The Buffaloes attempted 12 passes, completing 2 for a total of 45 yards, 4 being intercepted, and 6 incomplete.

Hope on the part of the Wild Cats to win the T. I. A. A. championship is darkened by the defeat at the hands of the Buffaloes. An exceptionally strong team has carried them far in the race. They had not lost a game this year, tying one with John Tarleton, while they had not been scored on in the T. I. A. A., playing North Texas State Teachers of Denton, East Texas State Teachers of Commerce, and Sam Houston State Teachers of Huntsville.

It would be hard to pick any one man as being the star of the game, for every man played his best, and his best was sufficient. The line did wonderful work, getting into every play, and charging all the time. Newman showed up well at center. Boyles got through for tackles. Every lineman did his work in fine fashion, never faltering for a moment, but doing his work in a fashion that could not but presage victory.

The same may be said of the backfield. Crump, Christian, Strain and Wilson, while Keith relieving Strain in the last quarter did wonderful work. Strain did good work in getting off his punts against the powerful wind, and in plunging to win the first touchdown. Christian played a consistent, good game. Wilson performed well, while Crump and Keith gained sweet revenge over Powell, redoubtable fullback of the Wild Cats and former team mate of Keith and Crump in high school. Keith made the longest gain of the day when he snatched down Crump's pass and raced to the 7 yard line of the Cats, while Crump did wonderful work throughout the game and deserves credit for his performance.

The Wild Cats fought nobly. Rogers, captain and right tackle of the A. C. C. team lead his team in good fashion, playing with his right arm strapped down because of an injury sustained last year. He is an all-T. I. A. A. man, as is his team mate, Hill, center on the Cat team. Powell did good work with his passing and kicking, while Roland and Robinson featured.

PREXY HAS A BIRTHDAY

Buffaloes 13, Wild Cats 6! The best birthday present he could have wished for, according to President Hill! What do you think? You're right, first time. He says he is going to have one every week after this!

It was a birthday present for everyone concerned, except the Wild Cats—and it gave them valuable food for thought.

There is one thing we are especially anxious to see—and that is for Prexy to have a birthday on Thanksgiving, when the Buffaloes meet the Matadors at Tech.

Let's begin preparation for that birthday right now. What do you say?

FRIENDLY RELATIONS

An international journalistic exchange, unique in the history of college newspaper endeavor, was last year effected between the University of Manitoba and the University of North Dakota. Editors of the Manitoban visited Grand Forks where they were placed in complete charge of the issue of the undergraduate daily there. From North Dakota a similar party of editors journeyed to Winnipeg. There they were faced with the problem of adapting themselves to their new surroundings in a minimum of time.

The event has significance from a journalistic point of view and as well contributes to the development of inter-university relations. But its importance does not end there. These two universities are to meet on the rugby field in what is to be the first International game in football circles in Western Canada.

With over three thousand miles of undefended border between them, Canada and the United States have enjoyed over one hundred years of peace. That such a state will continue depends on this sort of friendly intercourse between the countries of these two countries.—Toronto Varsity.

SANDY MORRIS WILL SING COWBOY BALLADS IN CITY

Sandy Morris of Clovis, New Mexico, who is widely known as a singer of cowboy ballads will sing in Canyon soon. Morris is a product of the western plains and has learned his songs in camp. Many of them have never been written. They are such songs as are sung by lonely cowpunchers as they stand guard at night, or ride fences far from camp.

The second Tuesday of each month has been decided upon as a time for a social gathering and general good time, and the Club accepted with eagerness the invitation to meet at the home of Mrs. Hill for its next social hour.

Y. W. C. A. PROGRAM TO FEATURE WINNING STUNT

While the Y. W. girls were spending the week end at the Girls' Methodist Encampment, a stunt contest was held. The winning stunt will be given Wednesday, November 2, Room 101, at 4:30 o'clock.

Every girl in college is urged to be present at this time.

COUSINS-SESAME GROUP HEARS PHILLIPS

Programs of the Cousins-Sesame Literary Societies are many and varied, but one that will be remembered with pleasure by both societies was the program given last Thursday evening when Frank R. Phillips, head of the department of Agriculture in the College talked on Paris.

Mr. Phillips recently returned from a tour of Europe, and was able to give his talk the personal touch which is characteristic of all interesting lectures. As a result of the vivid description many of the boys decided to go to Paris, but the girls resolved to stay in America for the speaker compared Paris with a typical teachers' college in that women greatly outnumber the men.

FRATERNITY COUNCIL HAS REGULAR SESSION

At the last meeting of the Fraternity Council, plans were discussed for sending one or more life service volunteers to the meeting of college student volunteers to be held in Detroit, Michigan, December 28 to January 1.

A good number was present at the meeting, but the Council urges that every member be present at the next meeting.

MYSTICISM IS THEME OF Y. W. PROGRAM

Eighty-four college girls gathered in Room 101 at 4:30 o'clock, Wednesday afternoon. The room was darkened, giving it an air of mystery. In the room was a ghost giving favors of black and orange hats to all the girls assembled.

One of the most beautiful devotionals of the year was led by Nell Bruton, explaining in passages of joy in the scripture. Mrs. Lang gave a very interesting talk on the history of mysticism and superstition, concluding with a ghost story.

CHURCHES GIVE RECEPTION FOR STUDENTS

The Presbyterian and Christian Churches welcomed the students of their respective churches with an informal reception held in the basement of the Presbyterian Church. Lively games were played throughout the evening.

Herschel Coffee played several violin solos, accompanied on the piano by Tate Fry. Music was also furnished throughout the evening by the Presbyterian Sunday School Orchestra. A delicious ice course was served to the guests.

MRS. ANDREWS ATTENDS MEETING AT SAN ANTONIO

Mrs. Andrews, of the Little House of Fellowship, has returned from San Antonio where she attended a meeting of the Eleventh Synod of the Province of the Southwest, to tell about the college and to report as to the work being done at the Little House of Fellowship. She reports a wonderful time.

WHAT A REXALL ONE CENT SALE IS

It is a sale where you buy an item at the regular price, then another item of the same kind for one cent. As an illustration: The standard price of Klenzo Dental Creme is 50c, you buy a tube at this price and by paying 1 cent more, or 51 cents, you get two tubes. Every article in this sale is a high class standard piece of merchandise, just the same as is sold every day at the regular price.

This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full size package of high standard merchandise for 1 cent. It costs money to get new customers, but the sacrifice in profit is justified, knowing the goods will please you.
